Summary of Changes from Earlier Public Reports:

This summary contains a general description of the changes, if any, made by the developer since the last public report was issued. It is not necessarily all inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

No prior reports have been issued by the developer.

Changes made are as follows:

1. This Public Report covers Units 2 only. The Developers under this Public Report are ROBERT E. KEOWN, Trustee of the Robert E. Keown Trust under unrecorded Trust Agreement dated February 21, 2002, and GLORIA A. KEOWN, Trustee of the Gloria A. Keown Trust under unrecorded Trust Agreement dated February 21, 2002.
2. The description of Unit 2 has been amended to reflect that Unit 2 is a single-story residential dwelling, with a detached garage.
3. The Condominium Map has been amended to show the residential dwelling on Unit 2.
4. A First Amendment to Declaration of Condominium Property Regime of Pu'u Lolo 2 Condominium has been recorded in the Bureau of Conveyances as Document No. 2011-063216, to note the amended description of Unit 2.
5. An updated title report covering Unit 2 has been obtained. The current encumbrances on that unit is reflected in Exhibit "E" attached hereto.
6. **HRS 514B – New Condominium Law**

A new condominium law for the State of Hawaii took affect as of July 1, 2006, and is codified as Hawaii Revised Statutes, Chapter 514B ("HRS 514B"). The former condominium law, found at Hawaii Revised Statutes Chapter 514A, will continue to be applicable to this Project, subject to certain sections being superseded by HRS 514B. Buyers should retain counsel to answer any questions they may have with regard to the effect HRS 514B will have on this project.

SPECIAL ATTENTION

This is a CONDOMINIUM PROJECT, **not** a subdivision. There are County restrictions on the number of residential dwelling units, or other structures, which may be built on the property. Therefore, unless the Purchaser is buying an existing residential dwelling, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A RESIDENTIAL DWELLING UNIT ON THE PROPERTY. THERE IS ALSO NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO A RESIDENTIAL USE. The Purchaser should consult with the appropriate County agencies to determine whether the Purchaser may build a residential dwelling unit, or any other type of structure, on the property.

1. There are presently one (1) storage shed and one (1) residential dwelling on the property, each of which may be defined as an "apartment" under the condominium property act.
2. This public report does **not** constitute an approval of the project by the Real Estate Commission or any other governmental agency, nor does it warrant that all applicable County codes, ordinances, and subdivision requirements have necessarily been complied with.
3. The land area beneath and immediately appurtenant to each unit is designated a **LIMITED COMMON ELEMENT** and is **not** a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.
4. Facilities and improvements normally associated with County-approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owners and emergency traffic, drainage facilities, etc., may not be provided, and services such as County street maintenance and trash collection may not be available for interior roads and driveways.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common Elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements; to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

No representation is made for the shed on Unit 1.

11. Conformance to Present Zoning Code

a. No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

In approximately 1977 the County of Kauai granted a variance for the length of the flagpole portion of the Subject Property. Based upon that variance, the final subdivision approval for the Subject Property was granted.

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawfully at one time but which does not now conform to present zoning requirements:

	Conforming	Non-Conforming	Illegal
Uses	<u> X </u>	<u> </u>	<u> </u>
Structures	<u> X </u>	<u> </u>	<u> </u>
Lot	<u> X </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interests:

1. Common Elements. Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "C" .

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "D" *.

as follows:

* Note: Land areas referenced herein are not legally subdivided lots.

3. Common Interests: Each apartment will have an undivided fractional interests in all of the common elements. This interest is called the "common interests." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit _____.

as follows:

Each unit shall have appurtenant thereto an undivided fifty percent (50%) interest in all common elements of the property, and the same proportionate share in all common profits and common expenses of the property (except as may be otherwise provided in the Bylaws) and for all other purposes, including voting. The percentage common interest for each unit is determined by apportioning a fifty percent (50%) interest to each of the two (2) units irrespective of the actual land areas contained in each unit.

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property on or your purchase and ownership of an apartment in the project.

Exhibit "E" describes the encumbrances against the title contained in the title report dated April 25, 2011 and issued by Title Guaranty of Hawaii, Inc.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

- There are no blanket liens affecting title to the individual apartments.
- There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
---------------------	---

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

Units are sold "as is"

2. Appliances:

All appliances are sold "as is".

C. **Additional Information Not Covered Above:**

1. The use of hazardous material is restricted except as provided under Article H of the Declaration and all hazardous materials laws.
2. For the purpose of Exhibit "F" of the Final Condominium Public Report the Developer has not conducted a reserve study in accordance with § 514A-83.6, HRS, and the replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended.
3. The project, and all uses and improvements on the apartments in the project, are subject to that certain Declaration of Restrictive Covenants and Conditions dated October 13, 2003, and recorded as Document No. 2003-230498, a summary of which is attached hereto as Exhibit "I".
4. Current County of Kauai ordinances allow the construction of one single-family dwelling and one "additional dwelling unit" ("ADU") on the property. Construction of the ADU is authorized pursuant to a specific ordinance that may or may not continue to be in effect in the future. No warranty or representation is made by the Developer as to the continued effectiveness of the ADU ordinance or the ability of any Owner to construct an ADU on the property at any specific time in the future. Also, under current County of Kauai zoning and building procedures the ADU is defined as the second of the single-family dwellings to be constructed on the property; the first single-family dwelling to be constructed on the property will not be considered by the County as an ADU, but rather will be considered by the County as the "primary" single-family dwelling authorized to be constructed on the property. There is no guarantee that the owners of both Units in this Project will be able to construct a single-family dwelling on their respective Unit in the event the ADU ordinance expires and is not renewed, or in the event of any amendment to the ADU ordinance that adversely affects current rights regarding the construction of ADUs.

Prospective purchasers of the Project should consult with the County of Kauai planning authorities regarding an ADU and other building permit requirements and any amendments to applicable ordinances regarding the same that may have been adopted subsequent to the date of this Condominium Public Report.

5. The Developer has established specific building sites on each of the condominium units described herein, which are referred to as "building envelopes" and shown on the Condominium Map. These sites have been developed with regard to view plane protection for all lots within the Pu'u Lolo Subdivision. The residence to be constructed on each unit in the project must be constructed within the building envelope for that unit as shown on the Condominium Map and as described in the Declaration of Condominium Property Regime for the project.
6. Units 1 and 2 are subject to vehicular access restrictions along Lolo Road as shown on the Condominium Map.
7. Access to Unit 1 is by way of Easements "AU-1" and "AU-2", which are common access easements affecting Lots 3 and 4, respectively, and servicing Lots 2, 3, 4 and 5, and by way of the Common Element driveway, all as shown on the Condominium Map. Access to Unit 2 is also by way of said Easements "AU-1", "AU-2" and the Common Element driveway. Unless and until the County of Kauai prohibits direct access to Unit 2 from Lolo Road and/or Puu Road, Unit 2 may also use such direct access to the extent shown on the Condominium Map; the Developer makes no warranties or representations regarding the County of Kauai's future actions or decisions in that regard. Responsibility for maintenance and repair of the common access easements and the Common Element driveway is described in the Declaration of Condominium Property Regime for the project - see Article G.6.
8. The Developer has installed a concrete driveway and all underground utilities within Easements "AU-1" and "AU-2" for the use and benefit of all Lots served by said easements. All extensions of driveways and utilities from said easements into each served Lot or Condominium Units are the responsibility of the individual Lot owners.

9. Purchasers should be aware that Chapter 205, Hawaii Revised Statutes (HRS), does not authorize residential dwellings as a permissible use in an agricultural use district, unless the dwelling is related to an agricultural activity or is a "farm dwelling".

The term "farm dwelling" is defined in Chapter 205-4.5(a)(4), HRS, as a "single family dwelling located on and used in connection with a farm, including clusters of single-family farm dwelling permitted within agricultural parks developed by the State or where agricultural activity provides income to the family occupying the dwelling."

The penalty for violation of Chapter 205-4.5, HRS, is a fine of not more than \$5,000. If any person who is cited for a violation of the law fails to remove the violation within six months of such citation and the violation continues, such person is subject to a citation for a new and separate violation. There shall be a fine of not more than \$5,000 for any additional violation.

In order for any purchaser to obtain a building permit to construct a single family residential (farm dwelling), the County of Kauai will require the purchaser to sign a Farm Dwelling Agreement in the form attached hereto as Exhibit "K".

10. Unit 2 is served by a cesspool that serves only Unit 2, and which is located approximately 25 feet northwest of the front of the Unit 2 dwelling and approximately 20 feet west of the Unit 2 driveway.

EXHIBIT "A"

DESCRIPTION OF APARTMENTS

The project consists of one (1) storage shed and one (1) residential dwelling (hereinafter referred to as "units").

Unit 1 is a storage shed made of fabric shade cloth on metal fence stakes, without a basement or foundation and contains a total area of 16 square feet, as shown on the Condominium Map.

Unit 2 is a single-story residential dwelling and contains three bedrooms, two bathrooms, a living room, dining room and kitchen. It has a net living area of 1,874 square feet. Unit 2 also contains a detached garage with an area of 544square feet.

The approximate net floor areas of each unit as set forth above is measured from the exterior surface of the unit perimeter walls and includes all of the walls and partitions within its perimeter walls.

EXHIBIT "B"

Paragraph K of the Declaration provides that:

1. Provided that the unit owner satisfies the applicable terms and conditions of the Project Documents and obtains all of the necessary governmental permits, each unit owner shall have the right at his sole option at any time and from time to time, as hereinafter set forth, without the consent and/or approval of the owner of any other unit or any other persons or entity, to construct, reconstruct, repair, maintain, improve, renovate, remodel, make additions to, enlarge, remove, replace, alter or restore the improvements to or in his unit or portions thereof or upon or within the Yard Areas or other limited common elements or easements appurtenant to his unit (collectively, the foregoing are referred to as "alterations"). Each unit owner who makes such alterations (hereinafter referred to as the "Altering Owner") shall have the right without the consent or joinder of any other person to amend this declaration and the Condominium Map to accomplish any such alterations. If required by the Act, promptly upon completion of such alterations the Altering Owner shall duly record such amendment to this declaration in the Bureau of Conveyances, together with a complete set of the floor plans of such unit as so altered, certified by a registered architect or professional engineer to fully and accurately depict the altered portions of the property as built. All existing unit owners and all future unit owners and their mortgagees, by accepting an interest in a unit, consent to all such alterations and agree to give and shall be deemed to have given the owner of the Altering Owner a power of attorney to execute an amendment to the declaration solely for the purpose of describing the alterations to such unit in the declaration so that the Altering Owner shall hereafter have a power of attorney from all the other unit owners to execute such amendment to the declaration. This power of attorney shall be deemed coupled with each owner's interest in his unit (including his common interest) and shall be irrevocable. If, despite the provisions of this paragraph, any governmental agency shall require some or all of the owners of units in the Project (other than the Altering Owner) to sign the necessary governmental permit application or related documents, then all of the other unit owners shall be required to sign any such permit applications or related documents (including authorizations allowing the Altering Owner to sign such governmental permits on behalf of such other owners) as may be necessary to allow a unit owner to obtain the governmental permit authorized by this paragraph. Any such unit owner who wrongfully refuses to sign such permits or provide the Altering Owner with the necessary authorizations: shall be liable to the Altering Owner for all such damages (including costs and attorneys' fees) incurred by the Altering Owner as a result of such refusal; and shall be subject to such other legal and/or equitable remedies as may be available to the Altering Owner.

2. Any alteration of a unit pursuant to this paragraph K shall be subject to the following conditions:

(a) All such alterations shall conform with all applicable governmental regulations, laws and ordinances.

(b) Such alterations may decrease or increase the size of the affected unit, provided that no alteration shall extend or place the unit outside of the limits of the Yard Area appurtenant to such unit.

(c) All such alterations shall be at the sole expense of the unit owner making the change and shall be made within one (1) year of the commencement thereof and in a manner that will not unreasonably interfere with the other unit owner's use of his unit or Yard Area.

(d) With the prior consent of the Board of Directors, the owner of the altered unit, at such owner's sole expense, shall have the right to: utilize, relocate, construct, reconstruct, realign and/or develop additional, central and appurtenant installations for services to the unit affected by such alteration for electricity, sewer and other utilities and services; and when necessary, add, delete, relocate, realign, designate and grant easements and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith. Provided, however, that no work done pursuant to this paragraph shall cause any unreasonable interruption in the service of such utilities to any other part of the Project, nor shall it unreasonably interfere with any other unit owner's use or enjoyment of his unit or Yard Area.

3. It is the intent of this Declaration that as long as there is an Additional Dwelling Unit ("ADU") ordinance in effect in the County of Kauai, each of the Units shall be entitled to construct a single Condominium House (whether it is considered as the main residence or the ADU allowed to be constructed on the Property). The right to construct a Guest House, if any, is reserved to the owner of Unit 2; PROVIDED, HOWEVER, that no Guest House may be constructed on Unit 2 unless and until a Condominium House has been constructed on Unit 1. The right to construct the Guest House may be assigned by the owner of Unit 2 to the owner of Unit 1 at any time; PROVIDED, HOWEVER, that if that right is assigned to the owner of Unit 1, the Guest House may not be constructed on Unit 1 unless and until a Condominium House has been constructed on Unit 2. All provisions of the CZO and any other laws, ordinances or regulations that are applicable shall be observed by the Unit owner having the right to construct a Guest House. The Unit owner shall also consult with the appropriate County and/or State agencies regarding all applicable laws or regulations applicable to Guest Houses prior to construction.

4. Each and every conveyance, lease and mortgage or other lien made or created on any unit and all common interests, limited common elements, and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a unit shall reserve to all unit owners the rights set forth in this paragraph.

* **SPECIAL NOTATION:**

When applying for building permits, use permits, zoning permits or any other land use permits with governmental agencies, 75% of the owners of the Project maybe required to sign the permit forms. In such case, all unit owners shall be required to sign such permit applications and related documents as may be necessary for any unit owner to obtain such permits.

The issuance of an effective date for the Condominium Public Report should not be construed to mean that all governmental laws, ordinances and regulations have been complied with and all subsequent development and use shall comply with applicable governmental laws, ordinances and regulations.

Additionally, the creation of the Condominium Property Regime does not mean that the land has met the subdivision requirements of the County. As such, certain facilities and improvements normally associated with County approved subdivisions may not be necessarily included as part of this Project.
