General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

| | <u>Conforming</u> | <u>Non-Conforming/Illegal</u> |
|------------|-------------------|-------------------------------|
| Uses | <u>X</u> | <u> </u> |
| Structures | <u>X</u> | <u> </u> |
| Lot | <u>X</u> | <u> </u> |

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit “E”.

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "F".

as follows:

3. Common Interest: Each apartment will have an undivided percentage interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "D" *.

as follows:

* The Common Interest appurtenant to each Apartment in Building 1 may increase in the event Building 2 is not built.

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "G" describes the encumbrances against the title contained in the title report dated August 4, 2004 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

| <u>Type of Lien</u> | <u>Effect on Buyer's Interest and Deposit if Developer Defaults Or Lien is Foreclosed Prior to Conveyance</u> |

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:**

Developer has entered into an agreement with the general contractor for the Project whereby the general contractor will agree to provide, for the benefit of the Seller, the following:

- (i) A limited warranty which warrants the materials utilized for, and the workmanship of, the "site improvements" of the Project ("Site Work Limited Warranty") to be free from defects, subject to exclusions, limitations and other requirements noted in said Site Work Limited Warranty and the "Homeowner's Manual" prepared by Stanford Carr Development, LLC and provided to each purchaser at closing. The one-year warranty period for the Site Work Limited Warranty begins on the date that the site work improvements were completed and accepted by the Seller; and
- (ii) A limited warranty ("Building Completion Limited Warranty") which warrants the materials and workmanship in the apartments of the Project to be free from defects for a period of one (1) year, subject to exclusions, limitations and other requirements noted in said Building Completion Limited Warranty and said "Homeowner's Manual." The one-year warranty period for the Building Construction Limited Warranty begins on the date that the apartment deed for an apartment is recorded at the Bureau of Conveyances.

Developer may assign the warranties described above to future purchasers if such warranties are still in effect at the time the Apartment is conveyed. The Developer however, makes no representation or warranty whatsoever as to whether such warranties can be further transferred. Any rights of inspection of the Apartment described in the Purchase Agreement conveyed to Purchaser by Developer pursuant to the Purchase Agreement shall not extend to any future Purchasers of such Apartment.

Developer also agrees to provide each Purchaser with a transferable "Ten-Year Limited Warranty" covering construction defects (as such term is defined in the Ten-Year Limited Warranty) in the purchaser's apartment. The term of the Ten-Year Limited Warranty is ten (10) years commencing for each apartment on the date of closing of the apartment. The Ten-Year Limited Warranty requires that all disputes between the Developer and a purchaser concerning the Ten-Year Limited Warranty or the sale or construction of the apartment be resolved by binding arbitration. Developer shall provide each Purchaser with a copy of the Limited Warranty and strongly recommends that each purchaser read the Ten-Year Limited Warranty in its entirety. **TO THE EXTENT PERMITTED BY LAW, THE TEN-YEAR LIMITED WARRANTY IS GIVEN IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, HABITABILITY OR OTHERWISE. THE TEN-YEAR LIMITED WARRANTY DOES NOT COVER INCIDENTAL, CONSEQUENTIAL OR SECONDARY DAMAGES, NOR DOES IT COVER DAMAGES FOR BODILY INJURY.**

2. **Appliances:**

The Developer will pass on the manufacturers' or other vendors' warranties made to it, if any, on any appliances included as part of the apartment being conveyed.

Note (as to 1 and 2 above): Except as provided above, Developer disclaims any implied warranty of habitability, any implied warranty of merchantability, any implied warranty of fitness for a particular purpose or use, any implied warranty of workmanship and any other express or implied warranties, with respect to the apartments, the project, the common elements thereof, or as to any appliances and furnishings contained within the apartments or the project.

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Management Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, your apartment may be liened and sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided. Such maintenance fees may also increase in the event Luna-Kai Marina Park is acquired by the Association or made available for use by the Apartment Owners as described in subsection 2. of the Section entitled "Additional Information Not Covered Above" herein, and in the event the Apartment Owners obtain the right to use Parks D and Park E in The Peninsula at Hawaii Kai – Project II as identified on Condominium Map No. 3507 and as described in subsection 4. of the section entitled "Additional Information Not Covered Above" herein. Such maintenance fees may also increase or decrease based on the cost of maintenance of the recreation area located in Project III based on the equitable use of such area by Project IV owners, as described further in subsection 7. of the Section entitled "Additional Information Not Covered Above" herein.

Exhibit "H" contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change). Note that Exhibit "H" is an updated maintenance fee schedule prepared on September 2004. NOTE THAT IN THE EVENT THE PROJECT IS MERGED WITH PROJECT I OR ANY OTHER PENINSULA PROJECT, THE OWNERS WILL BE CHARGED AN OVERALL ADDITIONAL PENINSULA MAINTENANCE FEE FOR COMMON EXPENSES ATTRIBUTABLE TO THE OVERALL PENINSULA DEVELOPMENT (CONSISTING OF SUCH MERGED PROJECTS). PURCHASERS SHOULD READ THE MASTER DECLARATION AND PROJECT DECLARATION FOR INFORMATION ON POTENTIAL CHANGES UPON MERGER.

THE AMOUNTS SET FORTH IN SAID EXHIBIT "H" ARE ESTIMATES ONLY AND MAY CHANGE FOR REASONS BEYOND THE CONTROL OF THE DEVELOPER. SUCH ESTIMATES ARE NOT INTENDED TO BE AND DO NOT CONSTITUTE ANY REPRESENTATION OR WARRANTY BY THE DEVELOPER, INCLUDING BUT NOT LIMITED TO ANY REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF SUCH ESTIMATES.

A PRELIMINARY RESERVE STUDY HAS BEEN UNDERTAKEN BY THE DEVELOPER.

C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

Each Owner will also have the option to upgrade to digital cable service for an additional charge. If such merger takes place, the bulk rate fee will be a part of the apartment owner's overall additional Peninsula maintenance fee for common expenses attributed to the overall Peninsula development (consisting of such merged projects).

** Refuse collection fees will also be part of the overall additional Peninsula maintenance fee upon merger.

* The compact parking stalls are noted with "C".

** Parking stall nos. 227 through 230 are handicap (HC) stalls, which the Developer intends to eventually designate as Common Elements of the Project pursuant to the Declaration.

*** The Developer intends to eventually reassign the Storage Rooms to the Association as common elements of the Project in accordance with provisions of the Declaration. All Storage Areas in the Project, upon the creation of storage lockers, shall either be reassigned as Limited Common Elements to certain Apartments during the sale of the Apartments in the Project, or converted to Common Elements of the Project pursuant to the Declaration.

A. Apartment Locations

The building is comprised of two (2) segments, Segment A and Segment B and the Apartment numbers are assigned to each segment as follows:

Segment A contains the following units:

First Floor – 8101 through 8114
Second Floor – 8201 through 8214
Third Floor – 8301 through 8314
Fourth Floor – 8401 through 8414

Segment B contains the following units:

First Floor – 8115 through 8128
Second Floor – 8215 through 8228
Third Floor – 8315 through 8328
Fourth Floor – 8415 through 8420; 8422 through 8428 (no Apt. no. 8421)

B. Layout of Apartments

All Apartments of the Project, except for Apartment No. 8420 (Type 5) have the number of bedrooms and bathrooms indicated in the table above, one (1) kitchen, one (1) living room, one (1) walk-in closet, one (1) dining room and one (1) lanai. All Apartments of the Project, excluding Apartment Types 1 and 1R and Type 5, also have one (1) nook. The number of bedrooms, bathrooms and the layout of Apartment No. 8420 shall be determined at a later date by the Owner of such Apartment.

C. Approximate Net Square Footage Area

The approximate net square footage of each Apartment was determined by measuring the area between the interior perimeter walls of each Apartment (excluding both the non-load-bearing and load-bearing walls located between said perimeter walls).

D. Common Interests

The common interest attributable to each Apartment in the Project was calculated by dividing the approximate net square footage of each individual apartment by all Apartments within the Project. In order that the common interest attributable to the Apartments in the Project equal one hundred percent (100%), .00001 percent (.00001%) was subtracted from Apartment No. 8420.

E. Parking Stall Assignment

Each Apartment is assigned to it, for its exclusive use two (2) parking stalls (as applicable) located within the ground floor of the building in which the apartment to which such stall is appurtenant is located. Most Apartments will have assigned tandem stalls. Each Owner should review this exhibit together with the Condominium Map to determine whether such Owner's assigned parking stalls are tandem, compact or full size stalls.

Although the Declaration provides that the Common Expenses of this Project are to be charged to the Apartment Owners in proportion to the Common Interest appurtenant to their respective Apartments as set forth above in Exhibit "B" (which is an undivided percentage interest calculated by dividing the square footage of each individual Apartment by the total square footage of all Apartments within the Project), upon filing the declaration amendment(s) or Certificate of Merger effecting the ownership merger, the Common Interest appurtenant to said Apartments shall automatically be converted to a fractional undivided interest (to be calculated by dividing one (1) by the total number of apartments in the Merged Project). More particularly, the undivided fractional interest that the Developer anticipates will be appurtenant to each apartment upon the merger of Projects I, II and/or III with this Project is as follows:

| Projects Being Merged ¹ | Common Interest Upon Merger ² |
|---|--|
| Project I with Projects II, III* and IV | 1/630 |
| Project I with Project III only | 1/426 |
| Project II with Project III only | 1/301 |
| Project III with Project IV only | 1/319 |
| Project I with Projects II and III only | 1/519 |
| Project I with Projects III and IV only | 1/537 |
| Project II with Project III and IV only | 1/412 |

NOTE REGARDING LAND UNDERLYING PROJECTS I, III AND IV: As noted in Article XXV of the Declaration, as of the date of this public report, Project I, Project III and Project IV are all situate upon a single lot (i.e., the “Property”, as such term is defined herein). As such, the land being submitted to the Declaration of Condominium Property Regime for each such project is or will be an undivided interest in and to the Property, which is calculated by dividing the number of units within each project by the total number of units in all three (3) projects. Based on the current plan of development, the undivided interest in and to the Property submitted to the Declaration of Condominium Property Regime for each project is as follows: 38.246% for Project I, 42.105% for Project III and 19.649% for Project IV. Accordingly, if one or more of said projects are merged for ownership purposes, each owner’s ownership interest in and to the Property shall be increased as follows:

1. If the all three projects are merged for ownership purposes, the owners of the Merged Project will each have an undivided interest in and to the common elements of the Merged Project, which will include the entire Property.
2. If Projects I and III are merged for ownership purposes, the owners of the Merged Project will each have an undivided interest in and to the common elements of the Merged Project, which will include a 80.351% undivided interest in and to the Property.
3. If Projects I and IV are merged for ownership purposes, the owners of the Merged Project will each have an undivided interest in and to the common elements of the Merged Project, which will include a 57.895% undivided interest in and to the Property.
4. If Projects III and IV are merged for ownership purposes, the owners of the Merged Project will each have an

² Project I consists of 218 apartments, Project II consists of 93 apartments, Project III consists of 208 apartments and the Developer presently intends that Project IV will consist of 111 apartments, for a total of 630 apartments in the overall development.

undivided interest in and to the common elements of the Merged Project, which will include a 61.754% undivided interest in and to the Property.

As more particularly described in Section C of Article XXV of the Declaration, if Developer elects not to develop all of the apartments currently scheduled for Project IV, Developer may convey the Reserved Interest to the Owners of Projects I and III, and to thereafter recalculate the undivided interest attributable to each such project by dividing the number of projects in each project by the total number of apartments in Projects I and Project III.

EXHIBIT "H"

ESTIMATED MAINTENANCE FEES

A description of the maintenance fees (as such term is defined in the Declaration) to be charged to each of the Apartments of the Project is set forth in Exhibit "H" attached hereto.

Maintenance fees are intended to cover the Common Expenses of the Project (i.e., the expenses attributable to the maintenance and operation of the "general" Common Elements of the Project) and other expense for the overall Peninsula development. Maintenance fees shall be charged to each Apartment Owner based upon said Owner's Common Interest. The estimated maintenance fees that are attributable to each Apartment of the Project are set forth in Exhibit "H" attached hereto. **PURCHASERS SHOULD BE AWARE THAT IN THE EVENT OF MERGER, AS PROVIDED FOR IN THE PROJECT DECLARATION AND AS DESCRIBED IN SECTION III.H. OF THIS PUBLIC REPORT, OWNERS WILL BE CHARGED AN ADDITIONAL OVERALL PENINSULA MAINTENANCE FEE FOR COMMON EXPENSES ATTRIBUTABLE TO THE COMMON AREAS IN THE OVERALL PENINSULA DEVELOPMENT (CONSISTING OF SUCH MERGED PROJECTS).**

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided. Such maintenance fees may also increase in the event Luna-Kai Marina Park is acquired by the Association or made available for use by the Apartment Owners as described in subsection 2. of the Section entitled "Additional Information Not Covered Above" herein, and in the event the Apartment Owners obtain the right to use Parks D and Park E in The Peninsula at Hawaii Kai – Project II as identified on Condominium Map No. 3507 and as described in subsection 4. of the section entitled "Additional Information Not Covered Above" herein. Such maintenance fees may also increase or decrease based on the cost of maintenance of the Recreation Area located in Project III based on the equitable use of such area by Project IV owners, as described further in subsection 7. of the Section entitled "Additional Information Not Covered Above" herein.

In the event the Project is merged with Peninsula at Hawaii Kai – Project I, Owners will be offered basic analog cable and Road Runner Internet services at a reduced bulk rate with Oceanic Cable. Each Owner will also have the option to upgrade to digital cable service for an additional charge. If merger takes place, the bulk rate fee will be a part of the Apartment Owner's overall additional Peninsula maintenance fee for common expenses attributable to the overall Peninsula development (consisting of such merged projects).

SUMMARY OF PURCHASE AGREEMENT

The specimen Peninsula at Hawaii Kai – Project IV Purchase Agreement ("Agreement") contains, among other things, the following terms and conditions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. The Seller (Developer) has engaged Island Title Corporation ("Escrow") to handle Purchaser's funds and to close the transaction in accordance with the terms of the Agreement. All payments to be made under the Agreement shall be paid by Purchaser to Escrow pursuant to the Escrow Agreement.

B. The Purchaser specifically acknowledges and agrees that the Declaration contains reservations of certain rights in favor of Seller, the Association and other owners, and contains certain other provisions to which the Purchaser consents.

C. The "Closing Date" shall be the date (following the completion of the structure in which the Apartment is located) upon which Seller certifies to the Purchaser in writing that the Apartment is ready for occupancy. All payments shall be due and payable in full on the Closing Date, and, if not paid on said date due to Purchaser's failure to act in a diligent manner in order for said payment to be made on said date, then such nonpayment shall result in a default under the Agreement. If Purchaser, after the delivery by Seller of a copy of the Contingent Final Public Report for the Project, together with any Supplementary Public Report that may have been issued for the Project (except that if the Supplemental Public Report supersedes all prior reports on the Project, then only the Supplementary Public Report need be delivered to the Purchaser), either personally or by registered or certified mail with return receipt requested, shall fail to execute a form of receipt and notice ("Waiver Form") of Purchaser's right to cancel the Agreement (as such right is set forth in and Section 2(d) of the Agreement), the delivery of which is required by Hawaii Revised Statutes Section 514A-62, as amended (or shall fail to give his written approval or acceptance to any material change to the Project as requested by Seller pursuant to the provisions of Hawaii Revised Statutes Section 514A-63, as amended) within thirty (30) days from the date of delivery of such report(s), Seller may at its option: (i) cancel the Agreement upon ten (10) days' written notice to Purchaser of such cancellation and upon such cancellation Seller shall cause Escrow to refund to Purchaser all payments previously made by Purchaser without interest; or (ii) elect (by its failure to give said written notice of cancellation) to treat such failure as a deemed acceptance ("Deemed Acceptance") of such Public Report(s) and as a waiver of the right to cancel the Agreement (or as a Deemed Acceptance of such material change, as the case may be). The conveyance of the Apartment to the Purchaser within said thirty-day period shall also be treated as a Deemed Acceptance of such Public Report(s) by Purchaser and a waiver of Purchaser's rescission rights as set forth in this paragraph.

D. The Purchase Price does not include closing costs which include, among other things, the escrow fee, cost of a preliminary title report, cost of preparation of the Apartment Deed, real property tax and other prorations, all acknowledgment fees, conveyance taxes, dredging fee of approximately \$264.00, title insurance, if requested by Purchaser, cost of any lender's title insurance, appraisal fees, costs for drafting of any notes and mortgages, all recording costs or fees, loan fees, credit report costs and all other applicable mortgage costs, all of which the Purchaser shall be responsible to pay at Closing. Purchaser shall also pay a start-up fee equal to two (2) months of the estimated maintenance fee in advance.

E. Purchaser agrees that it will not assign the Agreement to anyone. Seller may, without any consent of Purchaser, freely assign Seller's interests therein.

F. Purchaser shall not be entitled to possession of the Apartment as the owner thereof until Purchaser has completed all required payments and has executed all documents relating to the purchase, and Purchaser has performed the remaining terms and conditions of the Agreement which are to be performed as of the Closing.

G. Notices to either party may be delivered personally or mailed.

H. The Purchaser acknowledges that Purchaser has entered into the Agreement without any reference or representation by Seller or any salesperson that the Seller, or any managing agent of the Project or anyone else affiliated with the Seller will provide, directly or indirectly, any services relating to the rental or sale or management of the Apartment purchased.

I. The laws of the State of Hawaii shall govern all matters with respect to the Agreement.

J. Purchaser has examined and approved the estimate of monthly maintenance charges for the Property as shown in the Public Report. Purchaser is aware that such amounts are only estimates and may change for reasons beyond the control of Seller, and Purchaser hereby specifically accepts and approves any such changes.

K. Purchaser should be aware that there are additional disclosures set forth in paragraph 41 of the Agreement regarding the various Apartment features.

L. Parking Stall Addendum. This addendum, if necessary, advises the Purchaser that the parking stall noted in the addendum will be assigned to the apartment that the Purchaser is purchasing pursuant to the recordation of an assignment instrument at the Bureau of Conveyances at the same time the apartment deed conveying the apartment to the Purchaser is recorded. In this Addendum, both the Seller and Purchaser agree to do all things necessary to complete and record said assignment instrument. Upon the recordation of the assignment instrument, the parking stall will be a limited common element appurtenant to Purchaser's apartment.

SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement for the Project dated July 16, 2004 ("Agreement") contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. When Seller (Developer) shall enter into a purchase agreement for the conveyance of an apartment or other interest in the Project ("Purchase Agreement"), it shall require the payments of deposits due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Purchase Agreement to Escrow together with the address of the Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the Purchasers, including those received on any Purchase Agreement, and all payments made on loan commitments from lending institutions on account of any apartment in the Project, other than funds received from interim financing.

B. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under Purchase Agreements, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any Purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in an interest bearing account with a federally insured bank, savings and loan or trust company authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement.

C. Escrow shall make no disbursements of Purchasers' funds or proceeds from the sale of apartments in the Project (including any payments made on loan commitments from lending institutions), except by way of refunds thereof as provided in the Agreement, until Escrow has received a letter from Seller stating that the Purchasers have signed the required Receipt and Notice of Right to Cancel or are deemed to have accepted for the public reports and to have waived their right to cancel, and stating further that no subsequent events have occurred which would give the Purchasers the right to rescind, the Purchase Agreements have "become binding" and "the requirements of Sections 514A-40, 514A-39.5 and 514A-63" of the Hawaii Revised Statutes have been met, as said phrases are used in Section 514A-65, Hawaii Revised Statutes, and further that the requirements of Section 514A-62 of the Hawaii Revised Statutes have been met, as each of the foregoing sections may be amended on the date the Purchase Agreement becomes binding and effective.

D. Each Purchaser shall be entitled to a return of his or her funds, without interest, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser if one of the following has occurred:

(1) Escrow receives a written request from Seller to return to the Purchaser the funds of the Purchaser then being held pursuant to the Agreement by Escrow;

(2) Seller notifies Escrow in writing of Seller's exercise of the option to rescind the Purchase Agreement pursuant to any right of rescission stated therein or otherwise available to Seller; or

(3) The conditions providing for a refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes (as amended on the date upon which the Purchase Agreement becomes binding and effective) have been met, and written notice thereof has been provided to Seller.

Upon the cancellation of the Purchase Agreement as specified above, Escrow shall be entitled to a cancellation fee commensurate with the work done by Escrow prior to such cancellation, up to a maximum of \$250.00. Notwithstanding anything in the Agreement or the Purchase Agreement to the contrary, said compensation to Escrow shall be the sole expense of the individual purchaser and shall not in any way be the obligation of the

Seller, unless cancellation is made pursuant to either Sections 514A-62 or 514A-63 of the Hawaii Revised Statutes, whereupon Seller shall pay such fee.

E. If the Purchaser fails to make any payment on or before the due date thereof or if the Purchaser does or fails to do any act, which would constitute an event of default under the Purchase Agreement, Seller shall promptly give to such Purchaser and to Escrow, written notice of default. If Purchaser has failed to cure the default after the delivery of notice by Escrow and such default continues after the expiration of any grace period, Escrow shall so advise Seller. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Purchase Agreement and has notified the Purchaser, or (2) that Purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in paragraph 14 of the Agreement, shall thereafter treat all funds of the Purchaser paid under such Purchase Agreement, less Escrow's cancellation fee, as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller or order and shall return to Seller the Purchase Agreement of such Purchaser and any other documents theretofore delivered to Escrow in connection with the purchase of the apartment specified in such Purchase Agreement shall be returned to the person from whom or entity from which such documents were received.

SUMMARY OF OPTIONS AGREEMENT

The Options Agreement for Peninsula at Hawaii Kai ("Options Agreement") contains, among other things, the following terms and conditions (which may be modified or otherwise limited by the provisions not summarized below. Capitalized terms shall have the meanings ascribed to such terms in the Options Agreement.

A. Provided that Purchaser is not in default hereunder or under any other agreement which Purchaser may have with Seller, Seller agrees to construct and/or install the Options (i.e., upgrades that Purchaser has elected for his or her apartment). Said Options shall be installed on or before that date upon which Seller closes the sale of the Apartment to Purchaser.

B. Purchaser will pay the amount indicated in the Options Agreement for said Options to Island Title Corporation ("Escrow"). Fifty percent (50%) of the total price of all Options selected by Purchaser shall be paid upon Purchaser signing the Options Agreement. For special requests, one hundred percent (100%) of the total price of all Options selected by Purchaser shall be paid upon Purchaser signing the Options Agreement. Such sums shall be non-refundable, and shall be disbursed to Seller immediately upon either (i) closing of the sale of the Apartment; or (ii) cancellation of the Options Agreement or cancellation of the Purchase and Sale Agreement for the Apartment (whether cancelled by Seller or Purchaser). Purchaser has requested that Seller install the Options, and, while Seller would not ordinarily do so, Seller has agreed to do so notwithstanding that closing of the sale of the Apartment has not yet occurred. Accordingly, Seller will be incurring substantial costs in connection with such installation, and will, by installing such Options, be tailoring the Apartment to the individual tastes of Purchaser. Because Seller is accommodating Purchaser in this way, Purchaser agrees that Purchaser shall pay for the costs of installation whether or not Purchaser closes on the purchase of the Apartment from Seller, and Purchaser acknowledges and agrees that the payment to Seller of the price of the Options is fair compensation given Seller's accommodation, and that such price includes not only Seller's cost for the Options and the installation thereof, but shall also be deemed consideration to Seller to cover the accommodation to Purchaser in installing said Options.

E. Any dispute arising under the Options Agreement shall first be resolved by binding arbitration in accordance with the terms of paragraph 9 of the Options Agreement.

F. The Options chosen by Purchaser are final and absolute, and, except as set forth below in paragraph 6 of the Options Agreement, no changes, additions or deletions may be made to such Options.

G. Purchaser should be aware that there are additional disclosures set forth in paragraph 11 of the Agreement regarding the various Apartment features.
