### **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

### **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the Developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The Developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The Developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The Developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a.  No variances to zoning code have been granted.  
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>  X  </u>	<u>          </u>	<u>          </u>
Structures	<u>  X  </u>	<u>          </u>	<u>          </u>
Lot	<u>  X  </u>	<u>          </u>	<u>          </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit “E”.

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "F".

as follows:

\* Note: Land areas referenced herein are not legally subdivided lots.

3. Common Interest: Each apartment will have an undivided percentage interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests and Product Fees for the apartments in this project, as described in the Declaration, are:

described in Exhibit "D".

as follows:

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "G" describes the encumbrances against the title contained in the title report dated December 27, 2005 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the Developer conveys the apartment to a buyer. The buyer's interest will be affected if the Developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults Or Lien is Foreclosed <b>Prior to Conveyance</b></u>
---------------------	--

The Developer intends to finance its own construction; thus, no mortgage liens by the Developer are anticipated.	
---	--

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

The Developer will provide to purchaser a two (2) year "fit and finish" warranty and a one (1) year warranty on the common elements to the Association from the date of turnover.

2. Appliances:

The Developer will pass on the manufacturers' or other vendors' warranties made to it, if any, on any appliances included as part of the apartment being conveyed.

Note (as to 1 and 2 above): Except as provided above, Developer disclaims any implied warranty of habitability, any implied warranty of merchantability, any implied warranty of fitness for a particular purpose or use, any implied warranty of workmanship and any other express or implied warranties, with respect to the apartments, the Project, the common elements thereof, or as to any appliances and furnishings contained within the apartments or the Project.

G. **Status of Construction and Date of Completion or Date of Estimated Completion**

The Developer estimates, but does not guarantee, that the Project will be completed by November, 2008. Completion of all apartments in the Project is dependent on market demand, construction schedules and other variables.

H. **Project Phases:**

The Developer [X] has [ ] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

The Developer has reserved the right to merge the Project with the Beach Villas at Ko Olina Beach Tower ("Beach Tower") condominium project developed on Lot 53D immediately adjacent to the Project. Should such merger occur, the two projects will be treated as one condominium project for administrative purposes and, it is further within the Developer's right to implement an ownership merger of the two projects whereby the projects will be legally merged into one condominium project. Buyers should review page 20 of this report for further information on the Developer's plans to merge the Project with the Beach Tower condominium project.

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

**Initial Condominium Management Agent:** When the Developer or the Developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

not affiliated with the Developer  the Developer or the Developer's affiliate.  
 self-managed by the Association of Apartment Owners  other \_\_\_\_\_

B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, your apartment may be liened and sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit "H" contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change). \*

**THE AMOUNTS SET FORTH IN SAID EXHIBIT "H" ARE ESTIMATES ONLY AND MAY CHANGE FOR REASONS BEYOND THE CONTROL OF THE DEVELOPER AND/OR UPON OWNERSHIP MERGER OF THE PROJECT AND THE BEACH TOWER PROJECT AS SET FORTH IN SECTION 3.H HEREIN AND THE DECLARATION AND THE MASTER DECLARATION FOR THE DEVELOPMENT OF BEACH VILLAS AT KO OLINA. EXHIBIT "M" SETS FORTH THE DEVELOPER'S BEST ESTIMATE OF THE COMMON INTEREST OF EACH APARTMENT UPON OWNERSHIP MERGER AND THE ESTIMATED MAINTENANCE FEES UPON BOTH ADMINISTRATIVE AND OWNERSHIP MERGER. PURCHASER RECOGNIZES AND ACKNOWLEDGES THAT SUCH COMMON INTERESTS AND MAINTENANCE FEES ARE SUBJECT TO CHANGE AS THE PROJECT AND/OR THE BEACH TOWER PROJECT EVOLVES. SUCH ESTIMATES ARE NOT INTENDED TO BE AND DO NOT CONSTITUTE ANY REPRESENTATION OR WARRANTY BY THE DEVELOPER, INCLUDING BUT NOT LIMITED TO ANY REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF SUCH ESTIMATES.**

\* Note that also included in the maintenance fees imposed by the Association of Apartment Owners of Beach Villas at Ko Olina Ocean Tower will be the maintenance fees imposed by the Ko Olina Community Association through the Master Declarations (described on page 6 herein). Purchasers should carefully review such Master Declarations to become familiar with the rights and obligations imposed therein.

C. **Utility Charges for Apartments:**

C. Additional Information Not Covered Above

1. Master Declarations. In addition to the Declaration of Condominium Property Regime of Beach Villas at Ko Olina Ocean Tower ("Project Declaration"), purchasers of apartments in the Project will be subject to that certain Ko Olina Declaration of Covenants, Conditions and Restrictions dated December 1, 1986, recorded in said Office as Document No. 1419771, as the same may be amended and/or supplemented from time to time; and that certain Declaration of Covenants for Ko Olina Community Association dated December 1, 1986, recorded in said Office as Document No. 1419773, as the same may be amended and/or supplemented from time to time (collectively "Master Declarations"). Purchasers should pay special attention to additional design restrictions and design review processes imposed by such Master Declarations.

By way of such Master Declarations, purchasers of the Project will be deemed to have membership in the Ko Olina Community Association and, as such, will be subject to certain obligations, including but not limited to, the obligation to pay all assessments imposed by such Master Declarations, which are included in the Project's maintenance fees. All purchasers should review the Master Declarations for any additional obligations.

2. Master Declaration for the Development of Beach Villas at Ko Olina. The Project is subject to the Master Declaration for the Development of Beach Villas at Ko Olina ("KBV Master Declaration"). This instrument is recorded prior to the Project Declaration and is anticipated to provide, among other things, for the merger of the Project with the Beach Tower condominium project which is immediately adjacent to the Project. The KBV Master Declaration shall set forth the technical procedures to implement the merger of the projects, both for administrative and ownership purposes, as well as the consequences that will ensue from such merger. The Developer reserves the right to implement such merger at any time until December 31, 2025. The common interests that shall be appurtenant to Apartments in the merged project is as stated in Exhibit "M" attached to this report. Such common interests are subject to change, however, in the event the number of apartments in the projects to be merged changes, or the size of apartments in such projects change.

3. Declaration of Reciprocal Easements and Irrevocable Facilities License. The Project is subject to the Declaration of Reciprocal Easements and Irrevocable Facilities License instrument ("Easement Declaration"). The Easement Declaration addresses the rights and obligations of the owners of the Project and of any condominium project developed on the Beach Tower Lot (and their respective associations), with regard to future construction, the granting of easements to facilitate the development of the Project and the Beach Tower Lot, as well as reciprocal access and shared usage rights in favor of each Association over the common element areas as well as recreational and other facilities of each condominium project. If the Developer acquires the Beach Tower Lot and merges any condominium project developed thereon with the Project, it is anticipated that the Easement Declaration will become void and of no further force or effect.

4. Ownership of the Real Property. The developer currently does not own the land underlying the Project. The developer, however, anticipates closing its purchase of the land in May, 2006. As stipulated in the sales contract, and summarized in Exhibit "I" attached hereto, purchasers should be aware that the sale of the apartment to Purchaser is contingent upon Developer's acquisition of title to the real property upon which the project is located. The fee simple owner of the land underlying the Project ("Lot Owner") has signed the Declaration and Bylaws for the sole purpose of permitting the Developer to comply with the requirements relating to the submission of the property to a condominium property regime pursuant to Hawaii Revised Statutes Chapter 514A, as amended, and expressly disclaims any responsibility for the matters set forth herein, or any other documents or agreements relating to the Project, including without limitation the Declaration. Purchaser, its mortgagees, vendors and vendees under Agreements of Sale, tenants and occupants of Apartments and their employees, business invitees and any other persons who may use any part of the Project do so with the understanding that Lot Owner has no liability hereunder, and to the fullest extent permitted by law shall be deemed to have waived as against Lot Owner, and to have released Lot Owner, as to any claim relating to the Project, the Declaration and any other documents or agreements relating to the Project, including without limitation the Bylaws. No action taken by Developer or any other person pursuant to the Declaration shall be deemed to be the act of Lot Owner, unless such action is expressly authorized or approved by Lot Owner in writing in each instance. Notwithstanding anything provided to the contrary, under no circumstances will Lot Owner have any liability for expenses matters set forth herein, or any other documents or agreements relating to the Project, including without limitation the Declaration and any Contingent Final Public Report and/or Final Public Report relating to the Project, except to the extent that Lot Owner is a Buyer and/or an Apartment Owner.

5. Affiliates of Developer. Prospective purchasers are hereby advised that Centex Homes, dba Centex Destinations Properties, the Developer of the Project, is also licensed to act as the Real Estate Broker for the Project.

6. Use of Recreational Facilities; Club Program. The recreational facilities within the Project, including, without limitation, the pool areas, are not common elements of the Project. Instead, such recreational facilities are limited common elements appurtenant to Commercial Apartment C ("Business Apartment 1") of the Project that will be owned by the Developer, its Affiliate or a third-party. It is contemplated, but cannot be guaranteed by the Developer, that Owners will be

permitted to use the recreational facilities upon making payments of a reasonable license fee to be determined by the owner of Commercial Apartment C. Such fee may be charged to Owners, and usage may be implemented, in connection with a license or other arrangement between the owner of Commercial Apartment C and the Association, or pursuant to direct agreements between Owners and the owner of Commercial Apartment C. Subject to the terms of the Project Declaration, the owner of Commercial Apartment C may also implement a club program to permit usage of the recreational facilities by the Owners. Such club program may or may not be mandatory in nature; may permit usage of the recreational facilities by persons who are not Owners in addition to usage of the recreational facilities by Owners; and may permit the owner of Commercial Apartment C, as the operator of the club, to place liens on the Apartments for nonpayment of membership dues. If implemented, the club shall be governed by rules and regulations promulgated by the owner of Commercial Apartment C, which rules and regulations shall be subject to the Project Declaration, the Master Declarations, the KBV Master Declaration and the Easement Declaration.

7. Design Committee. The Project will have a Design Committee, as described in the Bylaws, which will be established by the Association to promulgate design rules and regulations and regulate the apartment owners' compliance with such design rules and regulations.

8. Real Property Tax Assessment. Developer shall be responsible for any real property taxes attributable to the property prior to closing. Any real property taxes paid in advance by Developer for the property will be prorated as a closing cost payable by purchaser pursuant to the Sales Contract.

9. Resale of Apartments. The Developer intends to implement a program whereby any apartment sold within one year of the closing date of said apartment will be subject to the Developer's right to a percentage share of the proceeds of such sale, less the cost of the acquisition of the apartment by the selling party. In the event Developer decides to implement such a program, details of the program will be finalized and disclosed to each purchaser upon the issuance of any Contingent Final Public Report or Final Public Report covering apartments in the Project and prior to the execution of a binding sales contract.

10. Developer to Pay Actual Costs of Project. The Developer hereby discloses that it may initially assume the actual common expenses of the Project, pursuant to Section 514A-15 of the Hawaii Revised Statutes, as applicable, from the date upon which certificates of occupancy are issued for the respective apartments of the Project, unless otherwise prohibited by law. Accordingly, no apartment owner shall be obligated to pay his or her respective share of the common expenses until the Developer files a written statement ("Notification") with the Real Estate Commission of the State of Hawaii ("Commission") notifying the Commission and all apartment owners of the Project that, after a date certain ("Transition Date"), each apartment owner shall thereafter be obligated to pay for the respective share of common expenses allocated to said owner's apartment. The Notification shall be filed with the Commission at least thirty (30) days prior to the Transition Date, and a copy of said amendment shall be delivered to each of the apartment owners whose maintenance expenses were assumed by the Developer.

11. Hospitality Services. The Developer, as Owner of Business Apartment 1, by way of the Declaration and execution with a service provider of its choice, may offer certain Basic First Class Standard Services to all owners and certain optional Enhanced First Class Standard Services to owners selecting such services as set forth in the Declaration (collectively, "Hospitality Services"). The Developer, as owner of Business Apartment 1, may alter the types and amounts of Hospitality Services provided at the Project, may offer additional Hospitality Services or decrease Hospitality Services or offer no Hospitality Services, in its sole discretion. Each owner in the project will be required to participate in the Basic First Class Standard Services program. As such, the cost of Basic First Class Standard Services will be a common expense. Accordingly, the developer's decision to offer more or less services will affect the common expense and may cause an adjustment in the maintenance fees. The individual apartment owner requesting such service or such owner's guest or occupant will pay for Enhanced First Class Standard Services. The Hospitality Services are further described in the Declaration. The Developer intends, upon merger, to provide Hospitality Services for the merged project from the Business Apartment in the Beach Tower. Purchasers should make careful review of the Declaration to further understand the structure of the Project.

12. Transient Use. The apartments in the Project may be used for long-term residential use, hotel or transient vacation rental purposes, or other uses permitted by law, the Declaration and the Bylaws, that are consistent with a resort destination operating pursuant to First Class Standards, as defined in the Declaration; provided that (i) other than as may be provided in the Declaration, no commercial business activity and no home occupation involving visitation by members of the public on a regular basis shall be conducted from any Residential Apartment, as defined in the Declaration; (ii) notwithstanding anything contained in the Declaration or in law to the contrary, the Apartments in the Project or any interest therein, shall not be the subject of or sold, transferred, conveyed, leased, occupied, rented or used at any time under a time share plan (as defined in Hawaii Revised Statutes, Chapter 514E, as amended) or similar arrangement or program whether covered by Chapter 514E or not, including, without limitation, any so-called "fractional ownership", "vacation license",

“travel club membership”, “club membership”, “membership club”, “time-interval ownership” or “interval ownership” as offered and established through a third-party vacation membership service provider who is in the business of providing and managing such programs; and (iii) all hotel or transient vacation uses shall be for periods longer than seven (7) consecutive days.

13. Effects of Joint Development Agreement/Conditional Use Permit. The lot underlying the Project is subject to that certain Agreement for Issuance of Conditional Use Permit Under Section 21-5.380 of the Land Use Ordinance (LUO) dated April 19, 2005 and recorded in said Office as Document No. 3255800, as amended (“CUP”) and that certain Joint Development Agreement and Agreement to Grant Easements dated September 1, 2005 and recorded at said Office as Document No. 3321227, as may be amended from time to time, and may potentially be subject to any other similar agreement required for the development of the Project (collectively, “JDA”). The JDA is a private agreement among landowners of adjoining lots (including the lot underlying the Project) to treat said lots as one zoning lot for purposes of the Land Use Ordinance (“LUO”). In other words, the JDA allows separate adjoining lots, including the lot underlying the Project, to be treated as one (1) contiguous “lot” strictly for zoning purposes to allow for more efficient use of each individual lot, including, but not limited to (i) the ability to freely divide the total allowable floor area allocation for the one (1) contiguous “lot” among the individual lots and (ii) to treat the perimeter around the one (1) contiguous “lot” as the “building envelope” rather than considering the perimeter of each individual lot as separate “building envelopes”. As a result, owners of the individual lots have flexibility to determine the amount of density allocated to each individual lot and the location of structures within each lot. In order for the City to recognize the validity of the JDA and subsequent treatment of the individual lots as one zoning lot, landowners were required to obtain the CUP from the City.

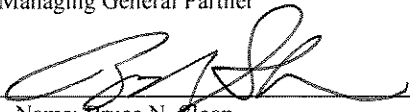

According to the CUP, any violation of the CUP and the zoning regulations constitutes grounds for the City to revoke or suspend any building permits issued on the individual lots involved, and failure to maintain the development in accordance with the CUP shall constitute grounds for the City to revoke or suspend the CUP. Purchaser is hereby notified that violation of the CUP may occur as a result of events beyond Developer’s control. For instance, the owner of one of the lots adjoining the Project may exceed the density allocated to it in its development which may resultingly cause all owners to exceed the maximum density allowed to the one (1) contiguous “lot” under the LUO and be in violation of the CUP. Should construction of the Project be suspended for more than three (3) months or terminated due to the suspension or revocation of any building permits required to complete the Project as a result of the actions, or non-actions, of an owner of a lot covered by the CUP and JDA, other than the Developer, Developer will have the right to cancel the sales contract. Upon any such cancellation, the parties agree that the damage that will be incurred by Purchaser will be difficult and expensive to measure and Purchaser acknowledges that it is impossible to precisely estimate the specific damages to be suffered by Purchaser.

Accordingly, the Developer and Purchaser agree that upon any such cancellation, Purchaser shall be entitled to liquidated damages in an amount equal to \$10,000, which Purchaser and Developer agree is a reasonable estimate of Purchaser’s damages resulting from a delay in construction or termination of Purchaser’s opportunity to own an Apartment in the Project.

D. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

**EXHIBIT "I"**

**SUMMARY OF SALES CONTRACT**

Capitalized terms have the same meaning as ascribed to such terms in the Sales Contract ("Sales Contract").

The specimen Sales Contract, filed with the State of Hawaii Real Estate Commission, provides for, among other things, a description of the Apartment to be sold, the purchase price, the closing costs, the time, manner and place of payment, the Purchaser's obligations regarding financing, the Seller's warranties and disclaimers regarding the Condominium Map and the Project, and the remedies of the Seller and of the Purchaser in the event of a default under the Sales Contract. The Sales Contract further provides that any form of reservation agreement entered into between Purchaser and Seller prior to execution of the Sales Contract shall be automatically terminated upon execution of the Sales Contract and all deposits held under such reservation agreement shall be applied to the Sales Contract, in the manner set forth in the Sales Contract.

Among other provisions the specimen Sales Contract provides:

1. Prior to execution of the Sales Contract, Purchaser shall receive: (i) a copy of the Contingent Final Public Report or Final Public Report for the Project (if any), either personally or by registered or certified mail with return receipt requested, and the receipt and notice ("Receipt and Notice Form") advising Purchaser of Purchaser's right to cancel the Sales Contract, the delivery of which is required by Hawaii Revised Statutes, Section 514A-62, and (ii) a copy of the Federal Property Report. Purchaser shall also have been given an opportunity to read said report(s).

Purchaser may cancel the Sales Contract within thirty (30) days of Purchaser's receipt of the Contingent Final Public Report or, if no Contingent Final Public Report has been issued, the Final Public Report. It is understood that Purchaser may, at any time after Purchaser's receipt of the Receipt and Notice Form, waive Purchaser's right to cancel the Sales Contract. If Purchaser shall fail to execute the Receipt and Notice Form within thirty (30) days of Purchaser's receipt of the Receipt and Notice Form, Purchaser shall be deemed to have received the Contingent Final Public Report or Final Public Report ("Deemed Receipt") and waived Purchaser's right to cancel the Sales Contract (by Purchaser's failure to give said written notice of cancellation). The conveyance of the Apartment to the Purchaser within the thirty (30)-day period referenced above shall also be treated as a Deemed Receipt of the Contingent Final Public Report or Final Public Report and as a waiver by Purchaser of Purchaser's right to cancel the Sales Contract.

Notwithstanding the foregoing pursuant to the Federal Interstate Land Sales Full Disclosure Act Purchaser shall have the option to cancel the Sales Contract by notice to the Seller until midnight of the seventh (7<sup>th</sup>) day following the signing of the Sales Contract by Purchaser. If Purchaser does not receive a Federal Property Report prepared pursuant to the rules and regulations of the Office of Interstate Land Sales Registration, US Department of Housing and Urban Development, in advance of Purchaser signing the Sales Contract, the Sales Contract may be cancelled by Purchaser for two-years from the date of signing by Purchaser. The foregoing seven (7) day rescission period provided pursuant to the Federal Interstate Land Sales Full Disclosure Act shall commence upon Purchaser's execution of this Sales Contract may run concurrent with the thirty (30)-day rescission period provided pursuant to Hawaii law as discussed above.

If the Sales Contract shall become binding prior to the issuance of an effective date for a Final Public Report, the issuance of an effective date for a Final Public Report for the Project by the Real Estate Commission prior to the expiration of the Contingent Final Public Report (and/or any Supplementary Public Report) shall not affect the enforceability of Purchaser's obligations under the Sales Contract. The Sales Contract will continue to be binding on Purchaser. Moreover, upon the issuance of said Final Public Report, Seller shall not be required to deliver to the Purchaser the Final Public Report, together with a Receipt and Notice Form, but may instead promptly deliver to Purchaser a disclosure statement, informing Purchaser that the Real Estate Commission has issued an effective date for the Final Public Report. The disclosure statement shall also contain all information contained in the Final Public Report that is not contained in the Contingent Final Public Report.

If an effective date for a Final Public Report is not issued by the Real Estate Commission prior to the expiration of the Contingent Final Public Report, as may be supplemented by a Supplementary Public Report (if any), as the case may be, then Seller shall notify the Purchaser by certified mail, and the Seller or the Purchaser may rescind the Sales Contract and, in such event, the Purchaser shall be entitled to a prompt refund of the Purchaser's entire deposit plus any escrow fees that Purchaser may have paid less any escrow cancellation fees.

2. The Seller has entered into an Escrow Agreement, summarized in Exhibit J herein, with Island Title Corporation ("Escrow"), covering the deposit with Escrow of all funds paid by the Purchaser under the Sales Contract and the disbursement of the funds by Escrow. Escrow may charge a cancellation fee on account of escrow services performed not to exceed \$250.00.

3. The Sales Contract requires the Purchaser to pay the Total Purchase Price by a series of payments prior to Closing. Such payments include any Reservation Deposit due upon execution of the Deposit and Reservation Agreement, if any, and the initial payment when Purchaser signs the Sales Contract. Purchaser shall then deposit at or prior to Closing, the remaining balance due.

4. The Sales Contract provides that Purchaser will receive interest on Purchaser's Deposits as set forth in the Sales Contract.

5. Purchaser's obligations under the Sales Contract are not contingent or conditional on Purchaser's ability to secure financing from a mortgage lender or on Purchaser's ability to sell Purchaser's current residence or any other property. Financing by Seller of any portion of the Total Purchase Price is not available.

6. The Sales Contract provides that closing costs and expenses shall be allocated as follows: Seller shall pay 60% of the premium for the Title Policy, the cost of drafting of conveyance documents, Seller's notary fees, conveyance tax, and 50% of escrow fees. Purchaser shall pay 40% of the premium for the Title Policy, and any additional costs relating to the issuance of extended coverage policy (including a lender's policy), the cost of drafting of any revisions or addenda to the Sales Contract in addition to those listed in Section C.4 of the Sales Contract, if any, the cost of obtaining Purchaser's consents, if any, Purchaser's notary fees, all recording fees, 50% of escrow fees, any mortgage fees, and Hawaii General Excise Tax. The Sales Contract also provides that at Closing Purchaser shall pay (a) one (1) month's maintenance fee for the Condominium Association, and (b) a non-refundable, non-transferable start-up fee to the Condominium Association in the amount equal to two (2) months' maintenance fee assessments. These start-up fees are one-time assessments at Closing and are not advance payments of common expenses or assessments, and shall be in addition to the normal monthly assessments.

7. The Sales Contract provides that Purchaser may purchase upgrades, including modifications or additions to, or upgrades of, the standard fixtures, appliances and/or layout of the Apartment to be made by Seller, pursuant to an upgrade addendum attached to the Sales Contract upon Purchaser's execution of the Sales Contract. Purchaser must deposit one hundred percent (100%) of the purchase price of the upgrades upon Purchaser's execution of the upgrade addendum.

8. The Sales Contract provides that the sale of the Apartment to Purchaser under the Sales Contract shall be contingent upon Seller's acquisition of title to the real property upon which the Project will be located. Seller anticipates acquiring fee simple title to the land underlying the Project no later than June 30, 2006 ("Acquisition Date"). Should Seller not obtain fee simple title by the Acquisition Date, Seller may terminate the Sales Contract by giving prior written notice to Purchaser. Upon such termination, Purchaser shall receive a refund of all of Purchaser's deposits made under the Sales Contract, plus any interest accrued on such deposits, and any escrow cancellation fees shall be waived. This contingency is for Seller's benefit only and does not vest any termination right in the Purchaser.

9. The Sales Contract provides that the lot underlying the Project is subject to that certain Agreement for Issuance of Conditional Use Permit Under Section 21-5.380 of the Land Use Ordinance (LUO) dated April 19, 2005 and recorded in said Office as Document No. 3255800, as amended ("CUP") and that certain Joint Development Agreement and Agreement to Grant Easements dated September 1, 2005 and recorded at said Office as Document No. 3321227, as may be amended from time to time, and any other similar agreement required for its development of the Project (collectively "JDA"). The JDA is a private agreement among landowners of adjoining

lots (including the lot underlying the Project) to treat said lots as one zoning lot for purposes of the Land Use Ordinance (“LUO”). In other words, the JDA allows separate adjoining lots, including the lot underlying the Project, to be treated as one (1) contiguous “lot” strictly for zoning purposes to allow for more efficient use of each individual lot, including, but not limited to (i) the ability to freely divide the total allowable floor area allocation for the one (1) contiguous “lot” among the individual lots and (ii) to treat the perimeter around the one (1) contiguous “lot” as the “building envelope” rather than considering the perimeter of each individual lot as separate “building envelopes”. As a result, owners of the individual lots have flexibility to determine the amount of density allocated to each individual lot and the location of structures within each lot. In order for the City to recognize the validity of the JDA and subsequent treatment of the individual lots as one zoning lot, landowners were required to obtain the CUP from the City.

According to the CUP, any violation of the CUP and the zoning regulations constitutes grounds for the City to revoke or suspend any building permits issued on the individual lots involved, and failure to maintain the development in accordance with the CUP shall constitute grounds for the City to revoke or suspend the CUP. Purchaser is notified in the Sales Contract that violation of the CUP may occur as a result of events beyond Seller’s control. For instance, the owner of one of the lots adjoining the Project may exceed the density allocated to it in its development which may resultingly cause all owners to exceed the maximum density allowed to the one (1) contiguous “lot” under the LUO and be in violation of the CUP. Should construction of the Project be suspended for more than three (3) months or terminated due to the suspension or revocation of any building permits required to complete the Project as a result of the actions, or non-actions, of an owner of a lot covered by the CUP and JDA, other than the Seller, Seller will have the right to cancel the sales contract. Upon any such cancellation, the parties agree in the Sales Contract that the damage that will be incurred by Purchaser will be difficult and expensive to measure and Purchaser acknowledges that it is impossible to precisely estimate the specific damages to be suffered by Purchaser.

Accordingly, the Seller and Purchaser agree in the Sales Contract that upon any such cancellation, Purchaser shall be entitled to liquidated damages in an amount equal to \$10,000, which Purchaser and Seller agree in the Sales Contract is a reasonable estimate of Purchaser’s damages resulting from a delay in construction or termination of Purchaser’s opportunity to own an Apartment in the Project.

10. The Sales Contract provides that it shall not be construed as a present transfer of any rights or of any interest in the Apartment, but rather states that it is an agreement to transfer in the future. By execution of the Sales Contract, the Purchaser agrees to waive, relinquish and subordinate the priority or superiority of any lien or other legal or equitable interest arising under the Sales Contract in favor of the lien or charge on the Project of the security interests of the Lender, including but not limited to any lien, mortgage or charge securing a loan made to finance the acquisition of the land and the costs of construction (if applicable) and any and all advances therefore until the filing of the Apartment Deed.

11. The Sales Contract provides that it may not be assigned by Purchaser. Any assignment of the Sales Contract is void and of no legal effect. Notwithstanding the foregoing, Purchaser may assign its rights under the Sales Contract to affiliated entities for estate planning purposes without the consent of Seller, provided that any such assignment shall not release Purchaser from its obligations under the Sales Contract. In the event that Purchaser decides to make such an assignment for estate planning purposes, Purchaser shall provide written notice thereof to Seller at least fifteen (15) days prior to the Closing Date, as defined in the Sales Contract, and shall provide to Seller copies of such documents as Seller, in its sole and absolute discretion, deems necessary to complete Closing.

12. The Sales Contract provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract, or the development or management of the Project, the sale of the Apartment or the use or occupancy thereof, or any other aspect of the relationship between Seller and Purchaser regarding the Project which is raised or otherwise asserted after Closing shall be submitted to mediation and, if necessary, to arbitration in accordance with the terms, conditions and procedures set forth in the Sales Contract. The Sales Contract also provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract that is raised or otherwise asserted before Closing need not be submitted to arbitration, and Seller and Purchaser shall be free to pursue such dispute, as otherwise provided herein, in proceedings in a court of competent jurisdiction, provided that any judicial proceedings initiated shall be conducted in Honolulu, Hawaii.

13. The Sales Contract provides that the Apartments shall be sold subject to the Beach Villas at Ko Olina One-Year Resale Restriction Agreement which shall be executed by Purchaser at Closing. Should Purchaser transfer Purchaser's Apartment during the Restriction Period, Purchaser shall be required to compensate Seller for Purchaser's default by payment of Liquidated Damages as further explained in the Sales Contract. A sample form of the Resale Restriction Agreement is also attached to the Sales Contract as Exhibit "B". Purchaser should make careful review of this provision in the Sales Contract and Exhibit "B" attached thereto.

**SUMMARY OF ESCROW AGREEMENT**

The Escrow Agreement for the Project dated June 24, 2005, as amended ("Agreement") contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. Should Seller and prospective Purchaser enters into a form of reservation agreement for the right to purchase of an Apartment in the Project ("Reservation Agreement"), it shall require payment of deposit due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Reservation Agreement to Escrow together with the address of prospective Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the prospective Purchaser.

B. As and when Seller shall enter into a Sales Contract for the conveyance of an Apartment or other interest in the Project ("Sales Contract"), it shall require the payment of deposit due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Sales Contract to Escrow together with the address of the Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the Purchasers, including those received on any Sales Contract, and all payments made on loan commitments from lending institutions on account of any Apartment in the Project, other than funds received from interim financing. Any monies held under the Reservation Agreement shall be applicable to deposits required under the Sales Contract, as set forth in the Sales Contract.

C. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under Reservation Agreements and Sales Contracts, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any Purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in an interest-bearing account with a federally insured bank, savings and loan or trust company authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement. All income derived from said account, and all interest paid thereon from the date of execution of the Sales Contract, shall be credited to the account of Purchaser, unless otherwise directed by a Seller or as otherwise set forth in the Sales Contract.

D. Notwithstanding anything in the Agreement to the contrary, Escrow shall make no disbursements of Purchasers' funds or proceeds from the sale of Apartments in the Project (including any payments made on loan commitments from lending institutions), except by way of refunds thereof as provided in the Agreement, until the Final Public Report for the particular phase of the Project under which such disbursement is requested, has been issued and Escrow has received a letter from Seller stating that the Purchasers have signed the required Receipt and Notice of Right to Cancel or are deemed to have receipted for the public reports and to have waived their right to cancel, and stating further that no subsequent events have occurred which would give the Purchasers the right to rescind, the Sales Contracts have "become binding" and "the requirements of Sections 514A-40, 514A-39.5 and 514A-63" of the Hawaii Revised Statutes have been met, as said phrases are used in Section 514A-65, Hawaii Revised Statutes, and further that the requirements of Section 514A-62 of the Hawaii Revised Statutes have been met.

E. Purchaser's funds may be used for construction and other allowable expenses in accordance with Section 514A-67 of the Condominium Property Act, as amended, and as enumerated in the Agreement and defined below prior to closing, provided that all the requirements in provision D. above have been met. If funds are to be used for construction prior to closing, the funds shall be distributed by Escrow upon the submission of bills and upon direction to do so from Seller and a qualified financially disinterested person from time to time to pay for: (a) construction costs of the buildings and improvements in proportion to the valuation of the work completed by the contractor in accordance with the contract documents, as certified by a registered architect or engineer and approved for payment by a qualified financially disinterested person; (b) architectural, engineering, and interior design service

fees in proportion to the services performed within each phase of services, as approved by a qualified financially disinterested person; (c) the costs of purchasing furnishings and fixtures for the Apartments, as approved by a qualified financially disinterested person; (d) finance and legal fees, and other incidental expenses of constructing the Apartments or developing the Project, as approved by a qualified financially disinterested person; and (e) such other costs incurred in connection with the construction of the improvements of the Project as a qualified financially disinterested person may approve. Any funds remaining shall not be disbursed until construction of the Project has been completed (or until construction of the particular Apartment being conveyed has been completed to the extent that the Condominium Property Act permits such disbursement) and Escrow receives satisfactory evidence that all mechanics' and materialmen's liens have been cleared (or, to the extent permitted by the Condominium Property Act, have been dealt with in such a fashion as to avoid non-compliance with Section 514A-18 of the Condominium Property Act), unless sufficient funds have been set aside for any bonafide dispute.

F. Each Purchaser shall be entitled to a return of his or her funds, without interest, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser if one of the following has occurred:

(1) Escrow receives a written request from Seller to return to the Purchaser the funds of the Purchaser then being held by Escrow;

(2) Seller notifies Escrow in writing of Seller's exercise of the option to rescind the Sales Contract pursuant to any right of rescission stated therein or otherwise available to Seller;

(3) The conditions providing for a refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes (as amended on the date upon which the Sales Contract becomes binding and effective) have been met, and written notice thereof has been provided by Seller.

(4) The conditions providing for refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes, as amended, have been met and which notice thereof has been provided by Seller.

Upon the cancellation of any Sales Contract as specified above, Escrow shall be entitled to a cancellation fee commensurate with the services rendered by Escrow prior to such cancellation, up to a maximum of \$250.00, as described in Exhibit "A" of the Agreement, plus all costs incurred by Escrow, which shall be paid by the Seller or Purchaser.

G. Except as otherwise provided by law, Escrow shall give each purchaser entitled to a return of his or her funds notice thereof by certified or registered mail, addressed to such purchaser at his address shown on the Sales Contract or any address later made known to Escrow by such purchaser. If such purchaser shall not have claimed such refund within sixty (60) days from the date said notice is mailed, Escrow shall deposit such funds into a special account in a bank or other depository selected by Escrow in the name of Seller, as trustee for the benefit of such purchaser. After having sent Seller written notice of the foregoing acts, Escrow shall thereupon be released from further liability hereunder with respect to such funds and such purchaser.

H. If the Purchaser fails to make any payment on or before the due date thereof or if the Purchaser does or fails to do any act which would constitute an event of default under the Sales Contract, Seller shall promptly give to such Purchaser and to Escrow, written notice of default. If Purchaser has failed to cure the default after the delivery of notice by Escrow and such default continues after the expiration of any grace period, Escrow shall so advise Seller. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Sales Contract and has notified the Purchaser, or (2) that Purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in paragraph 15 of the Agreement, shall thereafter treat all funds of the Purchaser paid under such Sales Contract, less Escrow's cancellation fee, as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller or order and shall return to Seller the Sales Contract of such Purchaser and any other documents theretofore delivered to Escrow in connection with the purchase of the Apartment specified in such Sales Contract shall be returned to the person from whom or entity from which such documents were received.

### SPECIAL USE RESTRICTIONS

Capitalized terms have the same meaning ascribed to such terms in the Declaration.

A. **APARTMENTS.** The Apartments in the Project shall be occupied and used only for purposes that are consistent with, and appropriate to, a resort destination operating pursuant to First Class Standards. *Accordingly, the Apartments may be used for long-term residential use, hotel or transient vacation rental purposes, or other uses permitted by law, the Declaration and the Bylaws, that are consistent with a resort destination operating pursuant to First Class Standards;* provided that: (i) other than as may be provided herein, no commercial business activity, or home occupation involving visitation by members of the public on a regular basis shall be conducted from any Residential Apartment; (ii) notwithstanding anything contained herein or in law to the contrary, the Apartments in the Project or any interest therein, shall not be the subject of or sold, transferred, conveyed, leased, occupied, rented or used at any time under a time share plan (as defined in Hawaii Revised Statutes, Chapter 514E, as amended) or similar arrangement or program whether covered by Chapter 514E or not, including, without limitation, any so-called "fractional ownership", "vacation license", "travel club membership", "club membership", "membership club", "time-interval ownership" or "interval ownership" as offered and established through a third-party vacation membership service provider who is in the business of providing and managing such programs; and (iii) all hotel or transient vacation uses shall be for periods longer than seven (7) consecutive days.

The restrictions set forth in subsection (ii) above shall be read broadly, and, among other things, shall encompass any type of plan, the nature of which causes Apartments to be utilized by persons who have either joined a plan or program as a member or whose use is derivative of someone who has joined a plan or program as a member. Determination by the Association that a violation of this provision exists shall be binding on the violating Owner, and the Board may promulgate and effectuate additional rules, regulations and procedures and processes for enforcement of this provision, including but not limited to any surcharge or other charge or assessment that the Board shall solely determine. The first violation of this provision shall result in notice thereof given to the violating Owner, together with a right to cure such violation within 30 days. If such cure shall not timely occur, or if a cure shall be effected, but a second violation shall occur, then the Association shall be vested with a call option, to be exercised at the Association's sole discretion, to purchase the Apartment at ninety percent (90%) of its fair market value, determined at the time the Owner receives notice from the Association that a violation has occurred, which shall be based on the decision of a licensed State of Hawaii residential real estate appraiser selected by the Association in its sole discretion. The decision of the appraiser as to fair market value shall be final and binding. The appraisal process may be re-done on a semi-annual basis. The fees of the appraiser shall be divided equally between the Owner and the Association. The Association, at its sole discretion, shall in the alternative also have the option to force the sale of the Apartment on the open market commencing the date after the determination of the fair market value of the Apartment by the appraiser at a price equal to 90% of the fair market value of the Apartment. All costs associated with the call option or forced sale, including, without limitation, any broker commissions shall be the responsibility of the Owner and shall be deducted from the purchase price on the resale before distribution of any proceeds to the Owner. Prior to exercising its call option or forcing the sale, the Association shall first send the Owner a written notice of such Owner's violation of this provision and the course of action the Association will pursue.

Each and every party acquiring an interest in the Project consents to the right of the Association to exercise the call option or forced sale right set forth herein including, but not limited to the filing of any and all documents, including, without limitation, any deeds necessary to effect the same in said Land Court; agrees to execute, deliver and file such documents and instruments and do such other things as may be necessary or convenient to effect the same; and appoints the Association and its assigns his attorney-in-fact with full power of substitution to execute, deliver and file such documents and instruments and to do such things on his behalf, and to receive or send any legal notices required by Chapter 501 of the Act, and to receive service of process (legal papers) as to legal proceedings in the Land Court of the State of Hawaii, which grant of such power, being coupled with an interest, is irrevocable for the term of said reserved rights, and shall not be affected by the disability of such party or parties; which grant of such power shall be binding upon any assign of, or successor-in-interest to, any such party and shall be deemed to be automatically granted anew by any assign or successor-in-interest upon any transfer of any Apartment or any

interest therein, whether by deed, mortgage, or any other instrument of conveyance. The Association shall further have the right to execute, deliver and file any amendment to this Declaration or to the Condominium Map, Bylaws and/or House Rules, any easement instrument, any deed, any amendment to an apartment deed, assignment of rights or interest, any necessary land court petitions with the Land Court to exercise its rights pursuant to this provision.

Specifically, but without limitation to the generality of the foregoing, except for Apartments owned by the Developer and used for sales and marketing purposes in accordance with Section IV.G. in the Declaration and the limitations on sales in this paragraph and the Declaration of Covenants and Restrictions; Power to Grant Easement dated January 13, 2006 recorded in said Office as Document No. 3379101, no "open houses" or similar activity promoting the sale of an Apartment shall be permitted at the Project. Business Apartment 1 may be used for any purpose permissible by law, this Declaration, Bylaws or the Declaration of Covenants and Restrictions; Power to Grant Easement, including, but not limited to, administrative offices, management offices, locker rooms, juice bar, showers, storage closets, bathrooms, lounges, a fitness center and provision of fitness center related services (subject to the limitations on sales expressed herein). The Owner of Business Apartment 1 may enter into such agreements as it deems appropriate to utilize such Apartment to provide services to Owners (but shall not be limited to such use), including, but not limited to, concierge services and fitness center related services, real estate sales activities related solely to initial sales of Apartments in the Project and any income derived from such services shall belong solely to such Business Apartment 1 Owner, provided that any such use does not violate the Declaration of Covenants and Restrictions; Power to Grant Easement. This Section shall not be terminated or amended without the prior written consent of the Developer, to the extent permitted by applicable law, and shall be subject to the provisions of Section 3B of the Declaration of Covenants and Restrictions; Power to Grant Easements.

**B. OWNERS' RIGHT TO LEASE APARTMENTS AND LIMITED COMMON ELEMENTS.** The Owners of the respective Apartments shall have the absolute right, without obtaining the consent or joinder of any other Owners, to lease or grant licenses with respect to such Apartments, the Limited Common Elements appurtenant thereto, and/or any improvements located thereon, subject to the provisions of the Act, the Declaration and the Bylaws; provided that any Owner engaging in leasing activity shall comply with the provisions of Section 521-43(f) of the Hawaii Revised Statutes, or any successor provision, as applicable, subject to the Master Declarations.

**C. OWNERS' RIGHT TO SELL APARTMENTS.** The Owners of the respective Apartments shall have the absolute right to sell or otherwise transfer such Apartments subject to all provisions of the Act, the Declaration, the Bylaws, the House Rules, the Design Committee Rules (if any) and the Master Declarations.

**D. OWNERS' RIGHT TO MORTGAGE.** The Owners of the respective Apartments shall have the right, without obtaining the consent or joinder of any other Owners, to mortgage or otherwise transfer an interest in their respective Apartments as security for the repayment of a loan.

**E. PROHIBITION ON ACTIVITIES WHICH JEOPARDIZE THE PROJECT.** Except as permitted by the Declaration, no Apartment Owner shall do or suffer or permit to be done anything on any Apartment or appurtenant Limited Common Element or elsewhere on the Project which will (i) injure the reputation of the Project, (ii) jeopardize the safety or soundness of the Project, (iii) create a nuisance or interfere with or unreasonably disturb the rights of other Owners and occupants, (iv) reduce the value of the Project, (v) result in the cancellation of insurance applicable to the Project, or adversely affect the right of recovery thereunder or result in reputable companies refusing to provide insurance as required or permitted by the Bylaws, or (vi) increase the rate of insurance applicable to the Apartments or the contents thereof, or to the Project.

**F. CHANGES TO BUILDING STRUCTURES AND APARTMENTS.** The Board shall have the right to change the exterior appearance of any Building Structure. No change shall be made which shall result in an appearance which is inconsistent with a resort destination operating pursuant to First Class Standards. The Board may delegate the foregoing responsibility to the Resort Manager. Except for the Owner of Business Apartment 1, who shall have the right to change the appearance of such Apartment and any Limited Common Elements appurtenant thereto without the consent of the Board, no Owner of an Apartment shall in any way, form or manner, enclose, affix any improvements thereon or extend any lanai attached to the Apartment. In addition, no Owner shall, without the prior written consent of the Board, change or cause a change to the exterior appearance of an Apartment or Limited Common Element in any other manner.

**G. OWNERS TO MAINTAIN APARTMENTS AND APPURTENANT LIMITED COMMON ELEMENTS IN GOOD ORDER.** The Owner of an Apartment shall keep the Apartment and all plumbing, electrical and other fixtures and appurtenances constituting a part of the Apartment in good order and repair, and shall be responsible for any damage or loss caused by his or her failure to do so. Also, in accordance with and as provided in Article II, Section D of the Declaration, certain Owners shall also keep the Limited Common Elements appurtenant to said Owner's Apartment in good order and repair, and shall be responsible for any damage or loss caused by his or her failure to do so. The Owners of any Apartment, however, shall be responsible for any damage or loss caused by such Owner or such Owner's tenants, guests or invitees to any of the Common Elements and Limited Common Elements and any costs associated therewith.

**H. USE OF COMMON ELEMENTS.** Each Apartment Owner may use the Common Elements in accordance with the purpose for which they were intended without hindering or encroaching upon the lawful rights of the other Apartment Owners, subject always to the rights reserved to the Developer herein and reserved to the declarants in the KBV Master Declaration and in the Master Declarations, and further subject to:

1. The right of the Board, upon the approval of the Owners of seventy-five percent (75%) of the Common Interest, to change the use of the Common Elements;

2. The right of the Board, on behalf of the Association, to lease or otherwise use for the benefit of the Association those Common Elements which are not actually used by any of the Apartment Owners for an originally intended special purpose, as determined by the Board; provided that unless the approval of the Owners of seventy-five percent (75%) of the Common Interest is obtained, any such lease shall not have a term exceeding five (5) years and shall contain a provision that the lease or agreement for use may be terminated by either party thereto on not more than sixty (60) days written notice;

3. The right of the Board to lease or otherwise use for the benefit of the Association those Common Elements not falling within Section H.2 above, upon obtaining: (i) the approval of the Owners of seventy-five percent (75%) of the Common Interest, including all directly affected Owners and all Owners of Apartments to which such Common Elements are appurtenant in the case of Limited Common Elements, and (ii) the approval of all mortgagees of record which hold mortgages on Apartments with respect to which owner approval is required by (i) above, if such lease or use would be in derogation of the interest of such mortgagees; and

4. Notwithstanding anything provided in the Declaration to the contrary, the Owner of the Apartment to which any Limited Common Element is appurtenant has the exclusive right to use such Limited Common Element unless otherwise stated in the Declaration.
