General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

Land Court or Bureau of Conveyances	Date of Document	Document Number
Land Court	March 14, 2007	3575729

Amendments to Declaration of Condominium Property Regime

Land Court or Bureau of Conveyances	Date of Document	Document Number

Land Court	January 25, 2013	T-8439430

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

Land Court Map Number	1878
Bureau of Conveyances Map Number	
Dates of Recordation of Amendments to the Condominium Map: October 25, 2007 & October 20, 2010	

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input checked="" type="checkbox"/>
Have Been Adopted and Date of Adoption	<input type="checkbox"/>
Developer does not plan to adopt House Rules	<input type="checkbox"/>

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make changes to the Condominium Project or Project Documents

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input checked="" type="checkbox"/>	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows: See Exhibit "H"

If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit "I" contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

<input type="checkbox"/>	There are no blanket liens affecting title to the individual units.

The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract:
Ten (10) years from the date the Purchaser signs the sales contract for the Unit.
Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract:

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

<input type="checkbox"/>	<p>Spatial Units. The Developer hereby declares by checking the box to the left that it offering spatial units for sale and will not be using purchasers' deposits to pay for any costs to pay for project construction or to complete the project.</p> <p>Should the developer be using purchaser's deposits to pay for any project construction costs or to complete the project including lease payments, real property taxes, architectural, engineering, legal fees, financing costs; or costs to cure violations of county zoning and building ordinances and codes or other incidental project expenses, the Developer has to meet certain requirements, described below in 5.6.1 or 5.6.2.</p>
--------------------------	--

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not be Disbursed Before Closing or Conveyance

<input type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</p>
--------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input checked="" type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input checked="" type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p>Important Notice Regarding Your Deposits: Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has not submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the Important Notice Regarding Your Deposits set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment. (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the Important Notice Regarding Your Deposits set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.	
1.	Developer's Public Report

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

<p>A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:</p> <ol style="list-style-type: none">(1) The purchaser has signed the sales contract.(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration, Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.(4) The purchaser does at least one of the following:<ol style="list-style-type: none">(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

1. Commercial Units. The developer owns the six (6) Commercial Units in the Project, as further depicted in the Condominium Map. The developer may, at its sole discretion, either a) operate the Commercial Units it owns to provide revenue generating services to Owners, their invitees, occupants and guests and potentially the public and may retain any compensation paid to the developer by such activity or by any vendors operating services in such units in such area; b) convey the Commercial Units to the association or another third party pursuant to its right to do so in accordance with the Declaration; c) lease out the Commercial Unit to other vendors to operate revenue generating activities; or (d) use the Commercial Units as office space.

The Developer has leased Commercial Unit 3 (or Front Desk Unit) together with the Limited Common Elements appurtenant thereto to Azul, the current Resort Manager, for use in its management, administration and operation of the Project at a First Class Standard, as further described in the Declaration.

The Developer may exercise its reserved right to grant patrons of the Commercial Units, including the public, an easement to access and utilize the Common Elements of the Projects and to grant such patrons the accompanying right to participate in any services provided from thereon; provided that such patrons pay an equitable fee for such use.

2. Public Access and Parking. Since the Project is in close proximity to the beach, there may be a public beach access located directly adjacent to the Project. The Developer will also be dedicating eight (8) parking stalls located next to Commercial Unit 6, as depicted on the Condominium Map, to the County for public beach parking as required in its Special Management Area Permit (see 4. below). Owners are aware that the public's exercise of its access rights to the Commercial Units (see 1. above), the beach, and use of the public parking stalls may produce some noise and nuisance at the Project.
3. Special Management Area Permit (SMA(U)-2004-6). The project is located within a Special Management Area under Hawaii Revised Statutes, Chapter 205A, Part II, which generally requires that certain types of development on or near the shoreline may require application and issuance of a Special Management Area use permit. Such permit will be available for review upon request.
4. Construction and Marketing in Phases. The Developer, for registration purposes, will separate the total units in the Project into groups covered by multiple Public Reports in order to accommodate changing construction and/or marketing schedules. This Report currently covers Phase I, which consists of 87 units as set forth in Exhibit "A" attached hereto.

The Developer has also filed a Phase II Public Report to cover the remaining Units in the Project (Reg. No. 6616). The Developer intends to eventually bifurcate the Phase II filing into multiple phases once sales and marketing and construction schedules are finalized. Phase II will likely eventually be separated into up to five (5) separate phases under up to five (5) separate Public Reports.

The Developer hereby discloses that although separate Public Reports may eventually be filed and issued for each phase of the Project, which may consist of up to six (6) separate phases, all 329 units, or lesser number actually constructed, still legally comprise a single legal condominium project on the land described in Section 1.1. In other words, the act of separating the various units into different marketing and sales phases does not create separate and distinct condominium projects, but only creates separate "projects" for Public Report registration purposes. Accordingly, the Project is subject to one condominium declaration, which sets forth the common elements described in Exhibit "D".

The Developer intends to construct and sell the Project phase by phase and currently intends to complete all phases in the Project. The Developer currently intends to concurrently

construct the common element amenities throughout the construction of each phase, which common elements is estimated to be completed by 2014. As such, Owners should be aware that all of the amenities may not be completed and available for owner's use until after Owner closes and for a period of time thereafter. Note, however, that pursuant to Developer's reserved rights in the Declaration to not develop all of the buildings and improvements in the Project and to alter the number of units in the Project, the Developer may readjust the number of phases in the Project, the number of units per phase, may not complete all phases of the Project and/or may not build all or may modify the amenities.

5. Obligation to Pay Maintenance Fees. Each Owner shall be obligated to pay for their respective share of common expenses allocated to said Owner's Unit (i.e., maintenance fees) commencing closing of their Unit.
6. Hospitality Services. The Developer, as Owner of the Front Desk Unit, by way of the Declaration, may require owners participate in certain Standard Hospitality Services and may offer certain optional A la Carte Services as set forth in the Declaration (collectively, "Hospitality Services"). The Developer, as owner of the Front Desk Unit, may alter the types and amounts of Hospitality Services provided at the Project, may offer additional Hospitality Services or decrease Hospitality Services or offer no Hospitality Services, in its sole discretion. The cost of Standard Hospitality Services will be a common expense. Accordingly, the Developer's decision to offer more or less services will affect the common expense and may cause an adjustment in the maintenance fees. The Residential Unit Owner requesting such service or such owner's guest or occupant will pay the Front Desk Unit Owner (or the Resort Manager) directly for A la Carte Services. The Hospitality Services are further described in the Declaration. Purchasers should make careful review of the Declaration to further understand the structure of the Project.
7. Archaeological Sites. There are archaeological sites on the property, including, without limitation, an existing railroad, lava tube and C-shape wall(s). The Developer has an approved preservation plan with the County. The railroad berm will eventually be relocated off the property. Until such time, there will be a permanent buffer around the berm. The lava tube and C-shape wall(s) will also have permanent buffer zones. No structures will be built in the buffer zones. Owners can review the approved preservation plan upon request.
8. Front Desk Unit Lease; Resort Manager. The Developer, as Owner of the Front Desk Unit, has leased the Front Desk Unit and the Limited Common Elements appurtenant thereto to Azul, the current Resort Manager, pursuant to that certain Lease dated June 30, 2009, for a term of five (5) years with one optional extension period of five (5) years. The Lease further provides that Azul utilize the property to provide Hospitality Services to all Owners and their guests pursuant to the Lease and the Declaration. The Resort Manager is responsible for the resort operations at the Project including, without limitation, front desk and guest services and the provision of Hospitality Services, as further described in the Declaration.

The Front Desk Unit Owner shall have the right, in its sole discretion, to (a) select a Resort Manager to manage and/or operate the Front Desk Unit; (b) to change such Resort Manager from time to time and/or to brand the Project. NEITHER THE DEVELOPER, THE FRONT DESK UNIT OWNER NOR ANY OF THEIR RESPECTIVE AGENTS OR REPRESENTATIVES HAVE MADE ANY REPRESENTATIONS, WARRANTIES, GUARANTEES OR OTHER CLAIMS OF ANY KIND REGARDING THE IDENTITY OF THE RESORT MANAGER FOR THE FRONT DESK UNIT OR IF A RESORT MANAGER WILL BE HIRED TO OPERATE AND MANAGE THE FRONT DESK UNIT. THE DEVELOPER AND THE FRONT DESK UNIT OWNER EXPRESSLY DISCLAIM ANY REPRESENTATIONS, WARRANTIES, GUARANTEES OR OTHER CLAIMS OF ANY KIND REGARDING THE SAME.

9. Parking Stalls. Residential Units shall not have an assigned parking stall, and shall not be guaranteed the use of a specific parking stall. The parking stalls located within the 4-car garages throughout the Project shall be Limited Common Elements to the Front Desk Unit.

The Front Desk Unit Owner may license, lease or redesignate these stalls as Limited Common Elements to other Units in the Project. All remaining stalls shall be Common Elements of the Project and shall be available for use by all Owners, unless otherwise marked as "reserved." Managing Agent will manage use of the stalls, however may delegate its right to do so to the Resort Manager. The Resort Manager may establish rules and regulations for the use thereof.

10. Securities Laws and Regulations. Developer makes no representations: (i) regarding the possibility or probability of economic benefit from the purchase and ownership of a unit; (ii) to the effect that Developer will provide services relating to the rental of a unit; or (iii) as to the possible advantages of the ownership or rental of a unit under federal law or state tax laws. Developer makes no representation regarding either the economic benefits to be derived from the ownership, rental or tax treatment of any purchaser of a unit. The tax treatment and economic benefits may vary with individual circumstances, and Seller recommends that a purchaser consult with his or her own attorney, accountant or other tax counsel for advice regarding tax treatment.
11. Real Property Tax Assessment. Developer shall be responsible for any real property taxes attributable to the property prior to closing. Any real property taxes paid in advance by Developer shall be prorated as a closing cost payable by purchaser pursuant to the sales contract for the purchase of a unit.
12. Transient Use: Time Share. According to the Declaration, the Residential Units in the Project may be used for long-term residential use, hotel or transient vacation rental purposes, or other uses permitted by law, the Declaration and the Bylaws, that are consistent with a resort destination operating pursuant to the First Class Standard; provided that, without the prior written consent of the Front Desk Unit Owner: (i) other than as may be provided in the Declaration, no commercial business activity, or home occupation involving visitation by members of the public on a regular basis shall be conducted from any Residential Unit; and (ii) notwithstanding anything contained within the Declaration or in law to the contrary, the units in the Project or any interest therein, shall not be the subject of or sold, transferred, conveyed, leased, occupied, rented or used at any time under a time share plan (as defined in Hawaii Revised Statutes, Chapter 514E, as amended) or similar arrangement or program whether covered by Chapter 514E or not, including, without limitation, any so-called "fractional ownership," "vacation license," "travel club membership," "club membership," "membership club," "destination club," "time-interval ownership," "interval exchange" (whether the exchange is based on direct exchange or occupancy rights, cash payments, reward programs or other point or accrual systems) or "interval ownership" as offered and established through a third-party vacation membership service provider who is in the business of providing and managing such programs; provided that Units owned by an Owner (including Developer) of ten (10) or more Residential Units are exempt from the restriction set forth in (ii) above, subject to applicable law, and any other Residential Unit may be exempt upon prior written consent of the Developer, which may be withheld in the Developer's sole, absolute discretion, and whether it is viable or unviable to do so.

The Developer filed The Residence Collection at Koloa Landing Declaration of Covenants, Conditions and Restrictions dated September 19, 2012 and filed in said office as Document No. T8360245, as may be amended, to create a time share plan at the Project currently comprised of four (4) Units in the Project. The Developer may annex additional Units owned by the Developer into the time share plan over time. In addition, the Developer may also consent to other Units being submitted to the time share plan pursuant to its rights to do so in the Declaration. As such, purchasers should be aware that there could be Units in the Project participating in various other time share programs even if there is only one time share program created and operated at the Project.

13. Construction Defects. CHAPTER 672, HAWAII REVISED STATUTES, EFFECTIVE JULY 1, 2004, CONTAINS IMPORTANT REQUIREMENTS YOU MUST FOLLOW BEFORE YOU MAY FILE A LAWSUIT OR OTHER ACTION FOR DEFECTIVE CONSTRUCTION AGAINST

THE CONTRACTOR WHO DESIGNED, REPAIRED, OR CONSTRUCTED YOUR HOME OR FACILITY. NINETY DAYS BEFORE YOU FILE YOUR LAWSUIT OR OTHER ACTION, YOU MUST SERVE ON THE CONTRACTOR A WRITTEN NOTICE OF ANY CONSTRUCTION CONDITIONS YOU ALLEGE ARE DEFECTIVE. UNDER THE LAW, A CONTRACTOR HAS THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR AND/OR PAY FOR ANY DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY A CONTRACTOR. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER THE LAW AND FAILURE TO FOLLOW THEM MAY NEGATIVELY AFFECT YOUR ABILITY TO FILE A LAWSUIT OR OTHER ACTION.

14. Mold Development. Molds, mildews, toxins and fungi may exist and/or develop within the unit and/or the Project. Purchaser is hereby advised that certain molds, mildews, toxins and/or fungi may be, or if allowed to remain for a sufficient period may become, toxic and potentially pose health risk. By acquiring title to a unit, Purchaser shall be deemed to have assumed the risks associated with molds, mildew, toxins and/or fungi and to have released Developer and the Front Desk Unit Owner from any and all liability resulting from the same.
15. Hotel; Condominium Living. The Developer intends to operate the project as a resort. As such, the intensity of use of the units in the Project may vary substantially. Residential Unit Owners intending to reside long-term at the Project should be aware that they may reside in very close proximity to other persons, as well as Commercial Units operating retail businesses, with attendant limitations on solitude and privacy. Walls, floors and ceilings have been designed to meet applicable building codes. Owners may also hear noise from adjacent units within the Project, including, but not limited to, noise from showers, bathtubs, sinks, toilets or other sources of running water and/or plumbing fixtures. Also, Owners may hear noise from such items as the pool, generators, vacuum cleaners, stereos or televisions, or from people running, walking, exercising or socializing. Finally, Owners may hear high levels of sound, music, noise, odors, vibrations and other nuisances from the Commercial Units in the Project. Owners may also experience light entering the Residential Units from commercial lighting in the Project and from street lights located in close proximity to the window and doors for the Units. Each Residential Unit Owner specifically acknowledges and agrees that Residential Units may be rented to transient guests on each floor that Residential Units are located.
16. Noise. The Association and Developer have no control over and shall not be responsible for the transmission of noise, light or odors within the Project and/or from adjacent retail/entertainment, commercial and hotel developments, and the potential effect of such noise, light or odors on units within the Project.
17. Neighboring Developments. Certain portions of land (the "Neighboring Developments") outside, abutting and/or near the Project may be subject to redevelopment, and in the future may be developed by third parties over whom Developer has no control. The Association and Developer may have no jurisdiction over future Neighboring Developments, and, accordingly, there is no representation as to the nature, use or architecture of any future development or improvements on Neighboring Developments. Any such use, development and/or construction on Neighboring Developments may result in noise, dust, or other "nuisance" to the Project or owners, and Purchaser acknowledges the same. Should Developer also be the developer of any Neighboring Developments, Developer shall have the sole right to determine the nature, use and architecture of such Neighboring Developments.
18. Views. DEVELOPER HAS NOT MADE ANY ORAL OR WRITTEN STATEMENT, REPRESENTATION OR WARRANTY THAT THERE IS ANY "VIEW" FROM THE UNIT OR THAT ANY EXISTING "VIEW" WILL NOT BE OBSTRUCTED IN THE FUTURE. Purchaser, by accepting title to the Unit acknowledges that: (a) there are no protected views in the Project, and the units are not assured the existence or unobstructed continuation of any particular view, (b) any view from the unit is not intended as part of the value of the unit, and is not guaranteed, and Developer makes no representation or warranty regarding the effect of the view on the value of the unit, and (c) any future development, construction, landscaping,

growth of trees or other installation of improvements by Developer, the Front Desk Unit Owner, other owners or owners of other property in the vicinity of the Project, may impair the view from the unit, and Purchaser consents to such view impairment.

19. Potential Beach Hazards. Purchasers should be aware that the beach area fronting the property is known to have high surf and dangerous currents. Swimming in Koloa Beach is purely at your own risk.
20. Security Disclaimer. The Association, the Front Desk Unit Owner, the Resort Manager and/or Managing Agent may, but shall not be obligated to maintain or support certain activities within the Project designed to make the Project safer than it might otherwise be.

Neither the Association, the Front Desk Unit Owner, the Resort Manager, the Managing Agent nor Developer shall in any way be considered insurers or guarantors of security within the Project, and neither the Association, the Front Desk Unit Owner, the Resort Manager, the Managing Agent or Developer, nor any successor or assign of the foregoing shall be held liable for any loss or damage by reason of failure to provide security or the ineffectiveness of security measures undertaken. All owners and occupants of any unit, tenants, guests and invitees of any owner, as applicable, acknowledge that the Association the Board, the Front Desk Unit Owner, the Resort Manager, the Managing Agent or Developer or any successors or assigns of the foregoing do not represent or warrant that any fire protection system or other security system installed within the Project may not be compromised or circumvented, that any fire protection or burglar alarm systems or other security systems will prevent loss by fire, smoke, burglary, theft, hold-up, terrorism or otherwise, nor that fire protection or burglar alarm systems or other security systems will in all cases provide the detection or protection for which the system was designed or intended. Purchaser, his or her family, agents, transient guests, or other occupants of any unit, as applicable, acknowledges and understands that the Front Desk Unit Owner, the Resort Manager, the Association, its Board and committees, the Managing Agent or Developer, and any other successor to Developer is not an insurer, and that each owner, his or her family, agents, transient guests, or other occupants of a unit assume all risks for loss or damage to persons, units and the contents of units, and further acknowledges that the Front Desk Unit Owner, the Resort Manager, the Association, its Board and committees, the Managing Agent or Developer, or any successor-in-interest to Developer have made no representations or warranties, nor has Purchaser, his or her family, agents, transient guests, long-term guests, or other occupants of a unit relied upon any representation or warranty, expressed or implied, including any warranty of merchantability as to the fitness of any alarm systems or other security systems recommended or installed, or any security measure undertaken within the Project.

21. Guest Service Fee. Pursuant to the Declaration, the Resort Manager shall have the right to charge Owners and/or such Owners users, occupants, invitees and guests a Guest Service Fee due upon check-out for each night in occupancy, for the provision of certain front desk, guest services and recreational services, including, without limitation, check in and check out service and key service, as further set forth in the Declaration.
22. Wyndham Agreements. Through execution of the Trademark License Agreement ("Trademark Agreement"), Wyndham TM Corporation ("Wyndham") granted the Association a limited, nonexclusive, nontransferable, conditional right and license to use the name, trademark, service mark, approved logos, designation and identification of "Wyndham" (collectively, "Wyndham Marks") in connection with the advertising, marketing, and promotion of the Project (the "Wyndham License"). The Association is allowed, subject to the terms and conditions of the Trademark Agreement, the use of the Wyndham Marks in connection with, among other things, the identification and operation of the Project. So long as the Wyndham License has not been terminated, the name of the Project and the name of the buildings in the Project may include the "Wyndham" name, subject to Wyndham's approval. Under the Wyndham License, the Association must comply with certain conditions, including the responsibility to operate, manage and maintain the Project according to certain standards.

Except as expressly provided in the Wyndham License, in no event shall any unit owner, without the express consent of Wyndham, use the Wyndham Marks, or any part or derivation thereof, in connection with any advertisement, promotion, rental or sale of any unit (or portion thereof or interest therein). Under no circumstances shall any of the Wyndham Marks be deemed part of the Project or an appurtenance of any Unit or any person subject to the foregoing. The Wyndham Marks shall at all times remain the sole and exclusive property of Wyndham. Other than any benefit derived by owners from owning a unit in the Project that may bear the name "Wyndham," there is no direct benefit to owners, nor should owners anticipate future benefits pursuant to the Wyndham License.

The sales office and/or the Developer will have a copy of the Trademark Agreement available for your review. Purchasers should examine the Trademark Agreement prior to purchasing a Unit in the Project in order to understand the Association's rights and obligations under the Trademark Agreement.

The Developer also entered into a Wyndham Hotel Franchise Agreement with Wyndham Hotels and Resorts, LLC ("Franchise Agreement") and a Condominium Marketing License Agreement with Wyndham TM Corp ("Marketing Agreement"). The Franchise Agreement, among other things, grants to the Developer a license to use Wyndham's proprietary marketing and proprietary reservations system. It also gives to the Developer the nonexclusive right and license to maintain and operate the hotel as a "Wyndham Hotel" in a manner compliant with the Franchise Agreement. Neither Wyndham Hotels and Resorts, LLC ("WHR") or its affiliates are involved in the offering or sale of the Residential Units in the Project. The Franchise Agreement is (and any right to identify the Project as a Wyndham Hotel) may be earlier terminated. Purchaser will be required to acknowledge and agree in the Sales Contract, pursuant to the Franchise Agreement (so long as in effect), that (i) the Residential Units are being sold by the Developer and not WHR; (ii) WHR is not part of or an agent of Developer or the declarant under the condominium documents and has not acted as a broker, finder or agent in connection with the sale of the Residential Units; (iii) the Purchaser waives and releases WHR from and against any liability with respect to any representation or defects, or any other claim whatsoever, relating to the marketing, sale or construction of the Residential Units or the Project; and (iv) in the event that the Franchise Agreement is terminated for any reason, all use of the Wyndham Marks will cease at the Project, and all indicia of connection of the Project with the Wyndham brand and Wyndham Marks will be removed at the Project. The Marketing Agreement, among other things, grants to the Developer use of the Wyndham Marks in connection with the marketing, sales and leasing of the Residential Units in the Project.

IN THE EVENT THE TRADEMARK AGREEMENT, FRANCHISE AGREEMENT AND/OR MARKETING AGREEMENT (COLLECTIVELY, "WYNDHAM AGREEMENTS") ARE TERMINATED UNDER THE TERMS THEREOF, ALL USE OF THE WYNDHAM MARKS, ANY OTHER TRADEMARKS, TRADE NAMES OR SERVICE MARKS BEARING THE WYNDHAM NAME SHALL CEASE. ACCORDINGLY, IN SUCH EVENT, ALL SIGNS OR OTHER MATERIALS BEARING ANY OF THE WYNDHAM MARKS SHALL BE IMMEDIATELY REMOVED FROM THE PROJECT, AS REQUIRED BY THE WYNDHAM AGREEMENTS, AND THE PROJECT SHALL NO LONGER BE BRANDED AS A WYNDHAM PROPERTY.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

Note that the Owner of a Commercial Unit has the right to change the use of such Commercial Unit and the labeling of such Units herein and in the Condominium Map are for reference purposes only to describe initial intended use.

2. **Layout of Units.**

a. **Residential Units.** All Residential Units have the number of bedrooms and bathrooms indicated on the table above and one kitchen. All Residential Units have a living/dining room and all Penthouse 1 (PH-1) type Units have a study. The layouts of the Residential Units are further depicted in the Condominium Map.

b. **Commercial Units.** The layouts of the Commercial Units are depicted in the Condominium Map.

3. **Determination of Approximate Net Living area.**

The approximate net living area of each Unit in the Project was determined by measuring the area between the perimeter walls of each Unit, and includes the area occupied by the non-load bearing walls and some load-bearing columns located between said perimeter walls.

4. Calculation of Percentage of Common Interest.

The common interest attributable to each Unit in the Project was calculated by dividing the approximate net living area of each individual Unit the total net living area of the Units within the Project. In order to permit the common interest for all Units in the Project to equal exactly one hundred percent (100%), the common interest attributable to Commercial Unit 6 was increased by .000054%. THE COMMON INTERESTS SET FORTH HEREIN ARE BASED ON THE DEVELOPER'S BEST ESTIMATE AT THE TIME OF FILING OF THE DECLARATION FOR THE PROJECT. THE DEVELOPER HAS THE RESERVED RIGHT TO MODIFY THE COMMON INTEREST IN THE EVENT THAT THERE IS A VARIATION IN APPROXIMATE NET LIVING AREA.

5. Parking Stalls/Storage Lockers.

All parking in the Project are Common Elements, provided that the parking stalls located within the 4-car garages and any storage locker or areas therein, are specifically Limited Common Elements appurtenant to the Front Desk Unit. Residential Units shall not have an assigned parking stall, and shall not be guaranteed the use of a specific parking stall. However, such Residential Unit will have the right to use one (1) unassigned parking stall on a first come, first served basis, the location of which shall be determined by the Managing Agent or Resort Manager. Some of the parking stalls may also be reserved for the Developer and/or the Resort Manager and Managing Agent for the operation of the Commercial Units and resort operations in general as guest and/or employee stalls. The Managing Agent will manage use of the Common Element parking stalls and may delegate its management right to the Resort Manager.

The parking stalls located within the 4-car garages and the storage lockers located therein, as Limited Common Elements to the Front Desk Unit, are for the exclusive use by and are under the control of the Front Desk Unit Owner; provided that the Front Desk Unit Owner at such Owner's discretion may license, lease out or redesignate such stalls or storage lockers as Limited Common Elements to other Units in the Project.

6. Time Share Plan.

Currently Units 3-204, 3-302, 3-303 and 3-304 are subject to a time share plan. The Developer may annex additional Units owned by the Developer into the time share plan over time.

SPECIAL USE RESTRICTIONS

Capitalized terms have the same meaning ascribed to such terms in the Declaration.

A. RESIDENTIAL UNITS. The Residential Units in the Project shall be occupied and used only for the purposes that are consistent with, and appropriate to, a resort destination operating pursuant to First Class Standards. Accordingly, the Units may be used for long-term residential use, hotel or transient vacation rental purposes, or other uses permitted by law, the Declaration and the Bylaws, that are consistent with a resort destination operating pursuant to First Class Standards; provided that: (i) other than as may be provided herein, no commercial business activity, or home occupation involving visitation by members of the public on a regular basis shall be conducted from any Residential Unit; and (ii) notwithstanding anything contained herein or in law to the contrary, the Units in the Project or any interest therein, shall not be the subject of or sold, transferred, conveyed, leased, occupied, rented or used at any time under a time share plan (as defined in Hawaii Revised Statutes, Chapter 514E, as amended) or similar arrangement or program whether covered by Chapter 514E or not, including, without limitation, any so-called "fractional ownership", "vacation license", "travel club membership", "club membership", "destination club", "membership club", "time-interval ownership" or "interval ownership" as offered and established through a third-party vacation membership service provider who is in the business of providing and managing such programs; provided that Units owned by an Owner (including Developer) of ten (10) or more Residential Units are exempt from the restriction set forth in (ii) above, subject to applicable law, and any other Residential Unit may be exempt upon the prior written consent of the Developer, which may be withheld in the Developer's sole, absolute discretion, and whether it is reasonable or unreasonable to do so.

"TIMESHARING, PURSUANT TO CHAPTER 514E OF THE HAWAII REVISED STATUTES, AS AMENDED, AND THE ADMINISTRATIVE RULES PROMULGATED THEREUNDER, AND TRANSIENT VACATION RENTAL USE, ARE EXPRESSLY PERMITTED AT THE PROJECT."

Specifically, but without limitation to the generality of the restriction set forth in subsection (i), above, except for the Residential Units owned by the Developer which may be used for sales and marketing purposes in accordance with Article IV of the Declaration, no "open houses" or similar activity promoting the sale of a Unit or any other real estate shall be permitted at the Project.

The restrictions set forth in subsection (ii) above shall be read broadly, and, among other things, shall encompass any type of plan, the nature of which causes Units to be utilized by persons who have either joined a plan or program as a member or whose use is derivative of someone who has joined a plan or program as a member. Determination by the Association that a violation of this provision exists shall be binding on the violating Owner, and the Board may promulgate and effectuate additional rules, regulations, procedures and processes for enforcement of this provision, including but not limited to any surcharge or other charge or assessment that the Board shall solely determine.

This Section A., also in Article VI of the Declaration, shall not be terminated or amended without the prior written consent of the Developer.

B. ADA ACCESSIBLE UNITS. In addition to the restrictions imposed upon the use of Residential Units, certain Residential Units may be classified and constructed as ADA Accessible Units. No Owner of an ADA Accessible Unit shall modify or alter such Unit without the written approval of the Developer. As it pertains to ADA Accessible Units, this section shall be superior to and supersede any other provision herein allowing for the alteration of a unit, including, without limitation, any additions or alterations permitted by Article XIX of the Declaration.

C. COMMERCIAL UNITS. The Owner of any Commercial Unit has the right to change the use of such Unit upon prior written approval of the Developer. The Commercial Units, upon approval of such use by the Developer, may be used for any commercial purpose permitted by zoning and other applicable laws that are

consistent with the First Class Standard of the Project, including, without limitation, the right to provide revenue-generating services to Owners, occupants and guests, and to the public.

D. OWNERS' RIGHT TO SELL, LEASE UNITS AND LIMITED COMMON ELEMENTS; AUTHORIZED RENTAL AGENTS. The Owners of the respective Units shall have the absolute right, without obtaining the consent or joinder of any other Owners, to sell, lease or grant licenses with respect to such Units and the Limited Common Elements appurtenant thereto, subject to the provisions of the Act, the Declaration and the Bylaws; provided that any Residential Unit Owner engaging in leasing activity shall comply with the provisions of Section 521-43(f) of the Hawaii Revised Statutes, or any successor provision, as applicable.

Owners may rent or lease their Residential Unit on their own or through a rental agent authorized by the Board ("Board Approved Agent"). Additionally, Owners, or their Board-approved rental agent, are required to notify the Resort Manager in writing of the name, address, expected check-in time and date, and expected check-out time and date of any person renting or leasing Owner's Residential Unit at least twenty-four (24) hours in advance of the expected arrival time. The Resort Manager is specifically authorized to deny the check-in of any person whose name has not been furnished to Resort Manager at least twenty-four (24) hours in advance of the expected arrival time. The Resort Manager is further specifically authorized to deny the check-in of any person into a Residential Unit whose Owner has not furnished Managing Agent with the evidence of Owner's insurance required below.

Any Owner renting or leasing a Residential Unit in accordance with this section shall, at Owner's expense, acquire and maintain in effect with respect to the Residential Unit, (i) bodily injury and property damage liability insurance with a combined single limit of not less than \$1,000,000 per occurrence, (ii) coverage insuring the contents of the Residential Unit against fire and other casualties, and (iii) any other coverage required under the Declaration or Bylaws. Any and all deductible or co-insurance payments related to a claim by or against Owner shall be the sole responsibility of Owner. In furtherance of this section, any Owner renting or leasing a Residential Unit in accordance with this section shall deliver to the Resort Manager certificates of insurance certifying that (i) the above-described insurance coverages are in full force and effect, (ii) the Board and the Resort Manager will receive at least thirty (30) days advance written notice before any such insurance policy is canceled for any reason, including, without limitation, any failure by Owner to pay any premium or to renew any insurance policy, and (iii) the Resort Manager, the Developer, and the Association will be named as additional insureds on such policies. Such certificates of insurance will be delivered to the Resort Manager prior to the first rental or lease of the Residential Unit and on an annual basis thereafter.

The rental of the Residential Units shall be accomplished in a manner that provides the benefit of rental to Owners while at the same time reducing any disruption to the use and enjoyment of other Residential Units and the Project by other Owners, guests, transient renters, long term tenants and occupants. This goal will be accomplished at the Project by means of a review and approval process to be managed by the Board to ensure that authorized rental agents understand the goals of the Project and its Owners, the residential nature of the Project, the desire to maintain the First Class Standard in all regards, the undesirability of transient guests who might be looking for a boisterous resort experience, and the manner in which rental and check-ins must be accomplished at the Project, including the requirements that all persons, including Owners who do not reside at the Project, are required to check in with the Resort Manager so that the Resort Manager at all times knows which persons are entitled to use the Project property. For those Owners properly using the services of an authorized rental agent, the right of an Owner to lease or rent his Residential Unit shall not be subject to the approval of the Association; however, any lease or rental arrangement will be deemed to be an acknowledgment and consent on the part of the lessee-sublessee-tenant to use, occupy and possess such Residential Unit in conformance and compliance with the provisions of the Declaration, as well as the Articles of Incorporation, Bylaws, and the House Rules. In the event that any owner of a Unit shall be in arrears in the payment to the Association of any monies due it, whether maintenance fees, special assessments or other charges, the Managing Agent shall have the authority to make demand upon the Project's resort operator, a rental agent or a long-term tenant to make payment directly to the Association from any rental they have collected on behalf of the Unit owner of any sums due the Association all as pursuant to Section 514B-145 of the

Act. Resort Manager is specifically authorized to prohibit the check-in of any person who has been procured by a rental agent that has not been authorized by the Board.

2. Rental agent agrees to comply with applicable Hawaii State law pertaining to client trust accounts and commingling of funds with other operating accounts of rental agent.
3. Rental agent agrees that in its contract with the Unit Owner for the rental of the Unit, rental agent will include as required by *Hawaii Revised Statutes* on the first page of such contract the language advising the Unit Owner of such Owner's obligation to the filing of returns and payment of taxes for Hawaii General Excise Tax and Transient Accommodation Taxes on revenue earned through rental of the Unit.
4. Rental agent agrees to ensure that the Residential Unit is rented to no more persons than is permitted by the Project Documents or any fire, health or safety regulations promulgated by the appropriate governmental agency.
5. Rental agent agrees to ensure that the Residential Unit is not rented to unaccompanied minor sports groups that have no responsible adult as an occupant nor for the purpose of prom and other high school parties.

The Board shall reasonably and timely review and approve rental agents that meet the criteria to become a Board-authorized rental agent. Furthermore, should any rental agent fail to adhere to the criteria expressed above, the Board may withdraw a rental agent's approval at any time at its sole discretion.

The goal that this Project will be maintained as a resort condominium operated in accordance with a First Class Standard, and as the rental of the Residential Units shall be accomplished in a manner that provides the benefit of rental to Owners while at the same time reducing any disruption to the use and enjoyment of other Residential Units and the Project by other Owners, guests, transient renters, long term tenants and occupants shall further be accomplished by requiring all Owners intending to rent their Residential Units to furnish, equip, clean and maintain their Residential Unit in the manner set forth in any rental management agreement entered into between an Owner and rental agent.

Residential Unit Owners, or their rental agent, are required to notify the Front Desk Unit Owner in writing of the name, address, expected check-in time and date, and expected check-out time and date of the Residential Unit Owner or any person renting or leasing or otherwise occupying Owner's Residential Unit at least twenty-four (24) hours in advance of the expected arrival time. The Front Desk Unit Owner is specifically authorized to deny the check-in of any person whose name has not been furnished to the Front Desk Unit Owner at least twenty-four (24) hours in advance of the expected arrival time. The Front Desk Unit Owner is further specifically authorized to deny the check-in of any person into a Residential Unit whose Owner has not furnished the Front Desk Unit Owner with the evidence of Owner's insurance required pursuant to the Declaration. Without limiting the generality of the foregoing, Front Desk Unit Owner may establish a guest services fee on an annual basis in an amount reasonably determined by Front Desk Unit Owner as the cost of providing check-in and check-out service, registration services, key service, security, administrative services, etc. Each person who occupies a Residential Unit other than the Residential Unit Owner or members of his or her immediate family, shall be charged such guest services fee to compensate the Front Desk Unit Owner for these services, in an amount established annually by the Front Desk Unit Owner in its reasonable discretion. The guest services fee shall accrue nightly for each night that a person other than a Residential Unit Owner or immediate members of his or her family are in residence and shall be paid by the occupant of the Residential Unit upon demand at check-out. Any amounts not paid by the occupant of the

Residential Unit upon check-out shall be invoiced to the Residential Unit Owner and shall be payable within thirty (30) days of delivery of such invoice.

Every guest, transient renter, long-term tenant, and occupant of a Residential Unit including all Residential Unit Owners, shall present himself or herself to the Resort Manager at the Front Desk Unit at the commencement and conclusion of such person's occupancy at the Project. At the time of check-in, the Resort Manager shall collect any and all information deemed necessary by Resort Manager to provide for the safety, security, and operation of the Project. The Resort Manager shall provide a key to the authorized occupant of the Residential Unit. The Resort Manager has the right, in its sole discretion, to deny access to a Residential Unit if: (i) the Resort Manager has the reasonable belief that the intended occupant of the Residential Unit will not comply with the terms of the Declaration, the Bylaws and the House Rules, (ii) the Resort Manager determines that the persons attempting to check in are intoxicated or otherwise intending to engage in appropriate or illegal activity; or (iii) the Resort Manager reasonably believes that the number of intended occupants of the Residential Unit will exceed the number of permitted occupants established in the Project Documents or any fire, health, or safety regulations promulgated by the appropriate governmental agency.

All sales and marketing materials provided to an Owner in connection with the Unit or the Project which are otherwise the property of the Developer or Resort Manager, including, without limitation, any imagery, logos, artistic renderings, weblinks, layout depictions, video clips, etc., may not be used by an Owner or any rental agent in the promotion of any Unit in the Project in any fashion whatsoever without the prior written approval of the Developer in its sole discretion and in accordance with the House Rules. Any use of such material in any way by Owner or any rental agent other than an affiliated rental agent without such permission will entitle Developer to immediately enjoin such use and to pursue any and all remedies against the Owner and/or rental agent that Developer may have, independently of the obligations set forth in the Declaration. The Owner and/or rental agent will be fully responsible to pay for all costs incurred by Developer or Resort Manager in enforcing their proprietary rights in and to such material, including, without limitation, any and all attorneys' fees and costs.

E. PROHIBITION ON ACTIVITIES THAT MAY JEOPARDIZE THE PROJECT. Except as permitted in the Declaration, no Unit Owner shall do or suffer or permit to be done anything on any Unit or appurtenant Limited Common Element or elsewhere on the Project that will: (1) injure the reputation of the Project, (2) jeopardize the safety or soundness of the Project, (3) create a nuisance or interfere with or unreasonably disturb the rights of other Owners and occupants, (4) reduce the value of the Project, (5) result in the cancellation of insurance applicable to the Project or adversely affect the right of recovery thereunder or result in reputable companies refusing to provide insurance as required or permitted by the Bylaws, (6) increase the rate of insurance applicable to the Units or the contents thereof, or to the Project, or (7) cause the violation of any license agreement(s) entered into for the benefit of the Project.

F. CHANGES TO BUILDING STRUCTURES AND UNITS. No Residential Unit Owner shall in any way, form or manner enclose, affix any improvement thereon, or extend any lanai attached to such Unit. Changes to any Commercial Unit affecting the appearance of such Unit and/or any Limited Common Element appurtenant thereto, must first be approved in writing by the Developer. In addition, no Unit Owner shall, without the prior written consent of the Board, and without first obtaining any requisite governmental permits or approvals change or cause a change to the Unit or its Limited Common Element in any manner; provided that the Developer may make changes to the Building Structure and Units that it owns while there are unsold units in such Building Structure. The Developer shall have the right to approve the painting and roofing schedule for the Building Structure, which schedule shall be presented to the Developer within thirty (30) days prior to the end of every calendar year. Any change in color and type of paint and/or change in roofing materials and/or quality shall first be approved by the Front Desk Unit Owner.

G. OWNERS TO MAINTAIN UNITS AND LIMITED COMMON ELEMENTS IN GOOD ORDER. Decisions on repairs or modifications to the Limited Common Elements shall be made by the Owners of Units to which such

Limited Common Elements are appurtenant, subject to the provisions of Article VI of the Declaration, and subject to any additional provisions stated in the Bylaws and House Rules. Unit Owners shall be responsible for any damage or loss caused by such Owner's tenants, guests, or invitees to any of the Common Elements including the Limited Common Elements.

Unit Owners shall have the right to use the Limited Common Elements appurtenant to their Units for any purpose permitted by zoning and other applicable laws, the Declaration, the Resort Rules and the House Rules.

Notwithstanding anything herein to the contrary, the Owner of the Unit to which any Limited Common Element is appurtenant has the exclusive right to use such Limited Common Element, and a proposed change to the use of such Limited Common Element shall not be effective without the consent of the Owner(s) of the Unit to which such Limited Common Elements(s) is/are appurtenant.

I. SPECIAL MANAGEMENT AREA PERMIT AND OTHER GOVERNMENTAL REQUIREMENTS. In accordance with Hawaii condominium law, only those units with certificates of occupancy in the Project are currently being assessed maintenance fees. As such, only units in Phase I are responsible for paying maintenance fees at this point in the development of the Project. The maintenance fees for the 87 units in Phase I are calculated based on each unit's common interest in proportion to those completed units in Phase I. In other words, since all 87 units are responsible for 100% of the common expenses, each unit will pay that portion of the common expenses for Phase I that is proportionate to its common interest allocation in the entire project. In order to calculate each unit's proportionate share, each unit's common interest was divided by the aggregate of all Phase I units' common interest. As the units in Phase II receive certificates of occupancy and the amenities and facilities in Phase II are constructed, the common expense and the maintenance fees will be accordingly adjusted.

SUMMARY OF SALES CONTRACT

Capitalized terms have the same meaning as ascribed to such terms in the Sales Contract ("Sales Contract").

The specimen Sales Contract, filed with the State of Hawaii Real Estate Commission, provides for, among other things, a description of the Unit to be sold, the purchase price, the closing costs, the time, manner and place of payment, the Purchaser's obligations regarding financing, the Seller's warranties and disclaimers regarding the Condominium Map and the Project, and the remedies of the Seller and of the Purchaser in the event of a default under the Sales Contract. The Sales Contract further provides that any form of reservation agreement entered into between Purchaser and Seller prior to execution of the Sales Contract shall be automatically terminated upon execution of the Sales Contract and all deposits held under such reservation agreement shall be applied to the Sales Contract, in the manner set forth in the Sales Contract.

Among other provisions the specimen Sales Contract provides:

1. Prior to execution of the Sales Contract, Purchaser shall receive: (i) a true copy of the Public Report for the Project, either personally or by registered or certified mail with return receipt requested, and the Notice of Right to Cancel advising Purchaser of Purchaser's right to cancel the Sales Contract, the delivery of which is required by Hawaii Revised Statutes, Section 514B-86, and (ii) a copy of the Federal Property Report. Purchaser shall also have been given an opportunity to read said report(s).

2. Purchaser may cancel the Sales Contract within thirty (30) days of Purchaser's receipt of the Public Report. It is understood that Purchaser may, at any time after Purchaser's receipt of the Notice of Right to Cancel, waive Purchaser's right to cancel the Sales Contract. If Purchaser shall fail to execute the Notice of Right to Cancel within thirty (30) days of Purchaser's receipt of the Public Report, Purchaser shall be deemed to have waived Purchaser's right to cancel the Sales Contract (by Purchaser's failure to give said written notice of cancellation). The conveyance of the Unit to the Purchaser within the thirty (30)-day period referenced above shall also be treated as a waiver by Purchaser of Purchaser's right to cancel the Sales Contract.

3. Notwithstanding the foregoing pursuant to the Federal Interstate Land Sales Full Disclosure Act Purchaser shall have the option to cancel the Sales Contract by notice to the Seller until midnight of the seventh (7th) day following the signing of the Sales Contract by Purchaser. If Purchaser does not receive a Federal Property Report prepared pursuant to the rules and regulations of the Office of Interstate Land Sales Registration, US Department of Housing and Urban Development, in advance of Purchaser signing the Sales Contract, the Sales Contract may be cancelled by Purchaser for two-years from the date of signing by Purchaser. The foregoing seven (7) day rescission period provided pursuant to the Federal Interstate Land Sales Full Disclosure Act shall commence upon Purchaser's execution of this Sales Contract and may run concurrent with the thirty (30)-day rescission period provided pursuant to Hawaii law, as discussed above.

4. If the Sales Contract shall become binding prior to the completion of construction, the Sales Contract shall provide a Completion Deadline for Seller's completion of the Project. If the Project is not completed by the Completion Deadline, Purchaser may cancel his or her Sales Contract at any time thereafter.

5. The Seller has entered into an Escrow Agreement, summarized in Exhibit "K" herein, with Title Guaranty Escrow Services, Inc. ("Escrow"), covering the deposit with Escrow of all funds paid by the Purchaser under the Sales Contract and the disbursement of the funds by Escrow. Escrow may charge a cancellation fee on account of escrow services performed not to exceed \$250.00.

6. The Sales Contract requires the Purchaser to pay the Total Purchase Price by a series of payments prior to Closing. Such payments include any Reservation Deposit due upon execution any reservation agreement, if any, the initial payment when Purchaser signs the Sales Contract and a second deposit. Purchaser shall then deposit at or prior to Closing, the remaining balance due.

7. The Sales Contract provides that Purchaser will receive interest on Purchaser's Deposits as set forth in the Sales Contract.

8. Purchaser's obligations under the Sales Contract are not contingent or conditional on Purchaser's ability to secure financing from a mortgage lender or on Purchaser's ability to sell Purchaser's current residence or any other property. Financing by Seller of any portion of the Total Purchase Price is not available.

9. The Sales Contract provides that Purchaser will pay all closing costs associated with the purchase and sale. The Sales Contract also provides that at Closing, Purchaser shall pay (a) one (1) month's maintenance fee for the Condominium Association, and (b) a non-refundable, non-transferable start-up fee to the Condominium Association in the amount equal to two (2) months of maintenance fee assessments. These start-up fees are one-time assessments at Closing and are not advance payments of common expenses or assessments, and shall be in addition to the normal monthly assessments.

10. The Sales Contract provides that it shall not be construed as a present transfer of any rights or of any interest in the Unit, but rather states that it is an agreement to transfer in the future. By execution of the Sales Contract, the Purchaser agrees to waive, relinquish and subordinate the priority or superiority of any lien or other legal or equitable interest arising under the Sales Contract in favor of the lien or charge on the Project of the security interests of the Lender, including but not limited to any lien, mortgage or charge securing a loan made to finance the acquisition of the land and the costs of construction (if applicable) and any and all advances therefore until the filing of the Unit Deed.

11. The Sales Contract provides that it may not be assigned by Purchaser. Any assignment of the Sales Contract is void and of no legal effect. Notwithstanding the foregoing, Purchaser may assign its rights under the Sales Contract to affiliated entities for estate planning purposes without the consent of Seller, provided that any such assignment shall not release Purchaser from its obligations under the Sales Contract. In the event that Purchaser decides to make such an assignment for estate planning purposes, Purchaser shall provide written notice thereof to Seller at least fifteen (15) days prior to the Closing Date, as defined in the Sales Contract, and shall provide to Seller copies of such documents as Seller, in its sole and absolute discretion, deems necessary to complete Closing.

12. The Sales Contract provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract, or the development or management of the Project, the sale of the Unit or the use or occupancy thereof, or any other aspect of the relationship between Seller and Purchaser regarding the Project which is raised or otherwise asserted after Closing shall be submitted to mediation and, if necessary, to arbitration in accordance with the terms, conditions and procedures set forth in the Sales Contract. The Sales Contract also provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract that is raised or otherwise asserted before Closing need not be submitted to arbitration, and Seller and Purchaser shall be free to pursue such dispute, as otherwise provided herein, in proceedings in a court of competent jurisdiction, provided that any judicial proceedings initiated shall be conducted in Honolulu, Hawaii.

13. The Seller, for registration purposes, intends to separate the total units in the Project into groups covered by multiple Public Reports in order to accommodate changing construction and/or marketing schedules. The Seller, however, intends to eventually file up to six (6) separate phases under up to six (6) separate Public Reports. As such, the Unit in the Sales Contract will be located in one of these separate phases.

The Seller hereby discloses that although separate Public Reports may eventually be filed and issued for each phase of the Project, which may consist of up to six (6) separate phases, all 329 units, or lesser number actually constructed, still legally comprise a single legal condominium project on the land described in the Declaration. In other words, the act of separating the various units into different marketing and sales phases does not create separate and distinct condominium projects, but only creates separate "projects" for Public Report registration purposes. Accordingly, the Project is subject to one condominium declaration, which sets forth the common elements described in Exhibit "D" herein.

The Seller intends to construct and sell the Project phase by phase and currently intends to complete all phases in the Project. The Seller currently intends to concurrently construct the common element amenities throughout the construction of each phase. As such, Purchaser should be aware that all of the amenities

may not be completed and available for Purchaser's use until after Purchaser closes and for a period of time thereafter. Note, however, that pursuant to Seller's reserved rights in the Declaration to not develop all of the buildings and improvements in the Project and to alter the number of units in the Project, the Seller may readjust the number of phases in the Project, the number of units per phase, may not complete all phases of the Project and/or may not build all or may modify the amenities.

14. Through execution of the Trademark License Agreement ("Trademark Agreement"), Wyndham TM Corporation ("Wyndham") granted the Association a limited, nonexclusive, nontransferable, conditional right and license to use the name, trademark, service mark, approved logos, designation and identification of "Wyndham" (collectively, "Wyndham Marks") in connection with the advertising, marketing, and promotion of the Project (the "Wyndham License"). Purchasers should examine the Trademark Agreement prior to purchasing a Unit in the Project in order to understand the Association's rights and obligations under the Trademark Agreement.

The Seller also entered into a Wyndham Hotel Franchise Agreement with Wyndham Hotels and Resorts, LLC ("Franchise Agreement"). The Franchise Agreement, among other things, grants to the Seller a nonexclusive right and license to maintain and operate the property as a "Wyndham Hotel" in a manner compliant with the Franchise Agreement. Neither Wyndham Hotels and Resorts, LLC ("WHR") or its affiliates are involved in the offering or sale of the Residential Units in the Project. The Franchise Agreement is (and any right to identify the Project as a Wyndham Hotel) may be earlier terminated. Purchaser will be required to acknowledge and agree in the Sales Contract, pursuant to the Franchise Agreement (so long as in effect), that (i) the Residential Units are being sold by the Seller and not WHR; (ii) WHR is not part of or an agent of Seller or the declarant under the condominium documents and has not acted as a broker, finder or agent in connection with the sale of the Residential Units; (iii) the Purchaser waives and releases WHR from and against any liability with respect to any representation or defects, or any other claim whatsoever, relating to the marketing, sale or construction of the Residential Units or the Project; and (iv) in the event that the Franchise Agreement is terminated for any reason, all use of the Wyndham Marks will cease at the Project, and all indicia of connection of the Project with the Wyndham brand and Wyndham Marks will be removed at the Project.

The Seller also entered into a Condominium Marketing License Agreement with Wyndham TM Corp ("Marketing Agreement"). The Marketing Agreement, among other things, grants to the Seller use of the Wyndham Marks in connection with the marketing, sales and leasing of the Residential Units in the Project.

IN THE EVENT THE TRADEMARK AGREEMENT, FRANCHISE AGREEMENT AND/OR MARKETING AGREEMENT (COLLECTIVELY, "WYNDHAM AGREEMENTS") ARE TERMINATED UNDER THE TERMS THEREOF, ALL USE OF THE WYNDHAM MARKS, ANY OTHER TRADEMARKS, TRADE NAMES OR SERVICE MARKS BEARING THE WYNDHAM NAME SHALL CEASE. ACCORDINGLY, IN SUCH EVENT, ALL SIGNS OR OTHER MATERIALS BEARING ANY OF THE WYNDHAM MARKS SHALL BE IMMEDIATELY REMOVED FROM THE PROJECT, AS REQUIRED BY THE WYNDHAM AGREEMENTS.

SUMMARY OF ESCROW AGREEMENT

The Amended and Restated Escrow Agreement for the Project dated November 13, 2006 ("Agreement"), as amended, contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. As and when Seller shall enter into a reservation agreement ("Reservation Agreement") or a sales contract ("Sales Contract") for the reservation of or the conveyance of a Unit or other interest in the Project, it shall require the payments of deposits due thereunder to be promptly made to Escrow. Seller shall deliver an executed copy of the reservation agreement, if any, or Sales Contract to Escrow together with the name(s) and address(es) of the purchaser as noted on the Reservation Agreement or Sales Contract or otherwise as updated by the purchaser with Seller as being purchaser's last known address.

B. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under the reservation agreements and/or Sales Contracts, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from purchasers or prospective purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514B of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in a trust fund with a bank, savings and loan or trust company authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement.

C. Notwithstanding anything in the Agreement to the contrary, Escrow shall make no disbursements of purchasers' funds or proceeds from the reservation of or sale of units in the Project (including any payments made on loan commitments from lending institutions), except by way of refunds thereof as provided in the Agreement, or for payment of project costs as provided in the Agreement, for payment of projects costs as provided in the Agreement, until (a) Seller has obtained an effective date for the Public Report for the Project; (b) purchaser has waived any right to cancel or rescind the Sales Contract; (c) Seller shall have given Escrow a written waiver of any option reserved by Seller to cancel any Sales Contract; and (d) Seller shall have delivered to Escrow a certification that (i) all conditions contained in the Agreement that must be met prior to disbursement of purchaser funds have been satisfied, (ii) all sales contracts delivered to Escrow are binding upon purchasers, and (iii) no circumstances exist (at the time of the certification) that would permit a purchaser to cancel or rescind the sales contract.

D. If purchaser deposits are to be released prior to closing or if units are conveyed or leased prior to completion of construction, Seller shall certify to Escrow in writing and to Escrow's satisfaction that: (1) Seller has complied with all of the requirements of Section 514B-92 or Section 514B-93 of the Hawaii Revised Statutes, as applicable; (2) that Seller has complied with the requirements of Sections 5(a), 5(b) and 5(c), of the Agreement; and (3) all such purchasers' Sales Contracts have become effective and (a) all conditions contained in the Agreement that must be met prior to the disbursement of such funds have been satisfied, (b) all Sales Contracts delivered to Escrow are binding upon the purchasers, and (c) no circumstances exist (at the time of the certification) that would permit a purchaser to cancel or rescind the Sales Contract.

E. Each purchaser shall be entitled to a return of his or her funds, without interest, unless otherwise provided in the Agreement, and Escrow shall pay such funds to such purchaser, promptly after request for return by the purchaser, if one of the following has occurred:

- (1) A return of funds is requested pursuant to the terms of the reservation agreement, if any;
- (2) Seller and purchaser shall have requested Escrow in writing to return to purchaser the funds of purchaser held hereunder by Escrow;

(3) Seller shall have notified Escrow of purchaser's exercise of purchaser's right to cancel the Sales Contract pursuant to Section 514B-86 of the Hawaii Revised Statutes (thirty-day right to cancel);

(4) Seller shall have notified Escrow of Seller's exercise of the option to cancel or rescind the Sales Contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Seller;

(5) If the Sales Contract is signed prior to the completion of construction, Seller shall have notified Escrow of purchaser's right to cancel the Sales Contract pursuant to Section 514B-89 of the Hawaii Revised Statutes (failure to complete construction before specified completion deadline); or

(6) Seller shall have notified Escrow of purchaser's exercise of purchaser's right to rescind the Sales Contract pursuant to Section 514B-87 of the Hawaii Revised Statutes, by a valid rescission signed by all purchasers of the affected unit and postmarked no later than midnight of the thirtieth calendar day after the date that purchasers received the notice of rescission from Seller.

Upon the cancellation of any Sales Contract as specified above, Escrow shall be entitled to a cancellation fee up to a maximum of \$250.00, plus all costs incurred by Escrow, which shall be paid by the purchaser unless otherwise provided in the Agreement. Escrow shall not be entitled to a cancellation fee where a return of funds is requested pursuant to the terms of the Reservation Agreement.

F. Except as otherwise provided by law, Escrow shall give each purchaser entitled to a return of his or her funds notice thereof by certified or registered mail, addressed to such purchaser at his address shown on the Sales Contract or any address later made known to Escrow by such purchaser. If such purchaser shall not have claimed such refund within sixty (60) days from the date said notice is mailed, Escrow shall deposit such funds into a special account in a bank or other depository selected by Escrow in the name of Seller, as trustee for the benefit of such purchaser. After having sent Seller written notice of the foregoing acts, Escrow shall thereupon be released from further liability hereunder with respect to such funds and such purchaser.

G. If the purchaser fails to make any payment on or before the due date thereof or if the purchaser does or fails to do any act that would constitute an event of default under the Sales Contract, Escrow shall promptly give to such purchaser and to Seller, written notice of default. If the purchaser has failed to cure the default after the delivery of notice by Escrow and such default continues after the expiration of any grace period, Escrow shall so advise Seller. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Sales Contract and has notified the purchaser, or (2) that purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in paragraph 15 of the Agreement, shall thereafter treat all funds of the purchaser paid under such Sales Contract, less Escrow's cancellation fee, as funds of Seller and not of the purchaser. Thereafter, such funds shall be held free of the escrow established by the Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds (less Escrow's cancellation fee).

WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE ESCROW AGREEMENT, PURCHASER MUST REFER TO THE ESCROW AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. SUMMARY OF DEED FORM

Capitalized terms have the same meaning ascribed to such terms in the Unit Deed.

Purchaser appoints Grantor as Purchaser's "attorney-in-fact" which means that Grantor can act for Purchaser or on Purchaser's behalf, with "full power of substitution," which means that someone else may take Grantor's place to sign, deliver and file all documents and to do all things on Purchaser's behalf, which grant of authority, being coupled with an interest, means that the Grantor has an interest beyond just in the power Purchaser is giving, cannot be revoked by Purchaser for the term of the reserved rights, and will not be affected by Purchaser's disability.
