General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit <u>L</u> contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.
--

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. If the box to the left is checked, Sections 5.6.2 and 5.7, which follow below, will not be applicable to the project.
-------------------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

HAZARDOUS MATERIALS. The developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The developer has made no independent investigation as to asbestos or other hazardous substances in the units or in, under or around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos and other hazardous substances in the units, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the unit inspected to determine the extent (if any) of such contamination and any necessary remedial action. The developer will not correct any defects in the units or in the Project or anything installed or contained therein and Buyer expressly releases the developer from any liability to Buyer if any hazardous materials are discovered.

DEVELOPER TO PAY ACTUAL COMMON EXPENSES. Pursuant to Section 514B-41, HRS, disclosure is hereby made that the Developer shall initially assume the actual common expenses of the Project and that the unit owner shall not be obligated to pay his or her respective share of the common expenses until such time as the Developer sends the unit owners written notice that, after a specified date, the unit owners will be obligated to pay for the portion of the common expenses that are allocated to their respective units. The Developer will mail the written notice to the owners, the Association and the Managing Agent at least thirty (30) days prior to the date the common expenses will be charged to the unit owners.

CONDITIONAL USE PERMIT/JOINT DEVELOPMENT. Disclosure is made that File No. 93/CUP 1-20 was approved on May 25, 1993 to allow the joint development of TMK 1-7-2:31 and 41 as one zoning lot.

PETS. The Bylaws provide that dogs, cats, and other usual and customary animals may be kept in reasonable number per rules and regulations established by the Board.

DEVELOPER'S ADDITIONAL DISCLOSURES: Disclosure is hereby made that one of the Developers, Ronald I. Nakatsu, holds an active real estate broker's license in the State of Hawaii and is the Principal Broker and owner of Ron Nakatsu Realty, Inc. the real estate company handling the sale of the units.

ROOFTOP LICENSE AGREEMENT. Disclosure is made that an unrecorded Wahiawa - Rooftop Site License With Option and an Amendment thereof, were entered into by the previous owner of the property and T-Mobile West Corporation, as successor to Western PCS II Corporation, to install and maintain antenna facilities, a microwave dish, and additional equipment for the transmission and reception of radio communication signals. A copy of the Rooftop License Agreement is available for inspection from the Developer or the Managing Agent.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

Dear Mr. Nakatsu:

Subject: Condominium Conversion Project
329 California Avenue
Tax Map Key: 7-3-002: 031 & 041

This is in response to your letter dated October 26, 2006, requesting verification that the structure on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the five-story thirty-two-unit apartment building with thirty-six (36) all-weather-surface off-street parking spaces met all applicable code requirements when it was constructed in 1993 on this 6,825-square-foot (Parcel 31) and 7,525-square-foot (Parcel 41) A-2 Medium Density Apartment zoned lot.

On May 25, 1993, approval was granted with conditions to the proposed joint development (File No. 93/CUP 1-20) of Tax Map Keys 7-3-02: 31 and 7-3-02: 41 and that these two (2) parcels be considered as one (1) zoning lot.

On June 10, 1993, Park Dedication (File No. 93/Park-33) was approved to allow for the construction of a five-story apartment building.

For your information, the Department of Planning and Permitting cannot determine all nonconforming uses or structures, as a result of the adoption or amendment of any ordinance or code.

No variances or other permits were granted to allow deviations from any applicable codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

SUMMARY OF SALES CONTRACT

Prospective purchasers are advised to carefully review the specimen Condominium Purchase Agreement (herein the "Agreement") prior to signing. The Agreement contains, among other things, the following provisions:

1. Inspection. Buyer shall inspect the Unit within seven (7) calendar days of acceptance of this Agreement by Seller. Buyer shall have seven (7) calendar days from the inspection to cancel this Agreement by providing Seller and Escrow with written notice to that effect. If Buyer does not provide Seller and Escrow with written notice of cancellation, Buyer shall be deemed to have accepted the Unit and will proceed with closing.
2. Risk of Loss. Risk of loss to the Unit shall be borne by Seller until the Date of Closing; thereafter, such risk of loss shall be borne by Buyer.
3. Time is of the Essence; Default. Section 10 of the Agreement provides that time is of the essence of the obligations of Buyer under the Agreement. Buyer shall be in default under this Agreement if Buyer fails to make a payment when due or if Buyer fails to perform any other required obligation and such failure continues for fifteen (15) calendar days after Seller gives written notice to Buyer of such failure. Any such notice shall be sent by certified or registered mail and shall be deemed given upon deposit in the United States mail, even if Buyer does not sign a return receipt for the mail. In the event of any such default, Seller may, at Seller's option, terminate this Agreement by written notice to Buyer. In the event of such termination, the parties understand and agree that in view of Seller's financial commitments with respect to the Project; the connection between the sale, cancellation or default with respect to one unit and the sale, cancellation or default with respect to other units in the Project; and the nature of the real estate market in Hawaii, that the injury to Seller will be uncertain as to nature and amount and difficult to ascertain. As a reasonable estimate of Seller's damages resulting from such termination, the parties agree that the sums previously paid by Buyer under this Agreement shall belong to Seller as liquidated damages. If Seller does not terminate this Agreement on account of such default, then all costs, including reasonable attorneys' fees, incurred by reason of the default by Buyer shall be borne by Buyer, and Seller may pursue any and all other remedies on account of such default (other than termination of this Agreement) permitted by law or equity, including but not limited to specific performance. If Seller shall default in selling the Unit to Buyer, the parties agree that Buyer's sole remedy, if Buyer is not in default hereunder, shall be to rescind this Agreement and receive a refund of all amounts paid by Buyer.
4. Estimated Monthly Maintenance Charges; Collection of "Start-up" Fee. Buyer has examined and approved the estimate of monthly maintenance charges and assessments for the Unit as shown in the Public Report. Buyer is aware that such amounts are only estimates, and BUYER AGREES THAT SUCH ESTIMATES ARE NOT INTENDED TO BE AND DO NOT CONSTITUTE ANY REPRESENTATION OR WARRANTY BY SELLER, INCLUDING BUT NOT LIMITED TO ANY REPRESENTATION OR WARRANTY AS TO THE ACCURACY OF SUCH ESTIMATES. In addition to the Purchase Price, Buyer shall pay an additional sum at closing as Buyer's pro rata share of the RNR CONDOMINIUM II's common expense reserve fund. This non-refundable, non-transferable "start-up" fee will become the property of the Association of Unit Owners of RNR CONDOMINIUMS II (the "Association"), and shall be in an amount which will be determined by Seller prior to closing. That amount will in no event be less than TWO (2) months estimated common expense assessments for the Unit, and not less than TWO (2) months estimated reserves, if any.
5. Conversion Of Existing Building; No Warranties. Section 5 of the Agreement provides that Buyer is aware, agrees and affirms that the Project consists of a conversion of an existing 5-story, 32-unit apartment building constructed in 1993 on a 7,525 square foot lot, zoned A-2 Medium Density Apartment. Buyer acknowledges that

Seller was not involved in the construction of the Project. To the best of Seller's knowledge, Seller discloses that at the time of its construction, the building met all applicable code requirements. Seller is not aware of any variances or other permits granted to allow deviations from the applicable building and zoning codes, except for those specifically disclosed in the Developer's Public Report. It is expressly understood and agreed by and between Seller and Buyer that SELLER MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE UNIT, OR CONSUMER PRODUCTS OR ANYTHING ELSE INSTALLED IN THE UNIT OR IN THE PROJECT, INCLUDING BUT NOT LIMITED TO: A) ANY IMPLIED WARRANTY OF MERCHANTABILITY, HABITABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE; B) THE WORKMANLIKE CONSTRUCTION, STRUCTURAL SOUNDNESS, CONDITION OR STATE OF REPAIR, OPERATING ORDER, SAFETY, LIVABILITY OF ANY IMPROVEMENT IN OR WITHIN THE PROJECT; AND C) WHETHER THE PROJECT, THE UNITS, OR ANY OF THE IMPROVEMENTS MEET THE REQUIREMENTS OF ANY BUILDING, ZONING, LAND USE, SET BACK, HEALTH OR OTHER LAW, ORDINANCE, OR RULE OR REGULATION WHICH MAY BE APPLICABLE TO THE PROJECT.

Buyer agrees the Unit is being purchased in its "AS IS" condition, without any warranties, expressed or implied. This means that all land, improvements (including but not limited to the roof, walls, foundations, soils, plumbing, electrical and mechanical systems, etc.) and real property and personal property (if any) are being purchased in their **EXISTING "AS IS" CONDITION, WITHOUT WARRANTY OR REPRESENTATIONS, EXPRESSED OR IMPLIED.** Buyer acknowledges that Buyer will be given an opportunity to inspect the Unit and by closing on the sale of the Unit, Buyer accepts the Unit in its "AS IS" condition as provided for herein. Buyer acknowledges that there may be material facts about the Unit and/or the Project or any of the improvements located within the Project, and the real property and personal property, if any, of which Seller is not aware, which qualified experts may be able to discover, or there may be hidden defects which time may reveal. Buyer understands that Buyer shall give up, waive and relinquish any and all rights to assert any claim, demand, proceeding or lawsuit of any kind against Seller or Seller's Broker or Agents with respect to the condition of the Unit or the Project, except for claims which are based upon Seller's or Seller's Broker or Agent's concealment of material facts and defects which those parties are required by law to disclose.

THIS SUMMARY IS A BRIEF DESCRIPTION OF SOME OF THE TERMS CONTAINED IN THE CONDOMINIUM PURCHASE AGREEMENT. BUYER IS ADVISED TO CAREFULLY REVIEW THE ENTIRE CONDOMINIUM PURCHASE AGREEMENT AND BECOME FAMILIAR WITH THE TERMS AND CONDITIONS CONTAINED THEREIN.

SUMMARY OF ESCROW AGREEMENT

An escrow agreement (hereinafter called the "Escrow Agreement") detailing the manner in which purchasers' funds are to be handled, has been executed and a copy thereof has been filed with the Commission. The Escrow Agent is TITLE GUARANTY ESCROW SERVICES, INC. (hereinafter referred to as "Escrow"). Prospective purchasers are encouraged to carefully review the escrow agreement. The escrow agreement contains, among other things, the following provisions:

1. Delivery of Sales Contracts to Escrow. As of when Developer shall enter into a sales contract for the sale of a unit in the Project, Developer shall deliver an executed copy of such sales contract and any amendments to Escrow. Each sales contract shall contain the correct names and addresses of the purchasers, shall identify the unit number, shall require that all payments to be made thereunder shall be made to Escrow and shall be accompanied by the initial deposit required thereunder.
2. Funds Paid to Escrow. Seller shall pay over to Escrow all monies Seller received from purchasers, including all disbursements made on loan commitments, if any, from lending institutions to individual purchasers. Escrow shall receive and hold in escrow and disburse as herein set forth: (1) all payments received by Escrow under sales contracts made by Seller; (2) all sums received by Escrow from Seller; (3) all funds from any lending institution pursuant to a mortgage loan for the purchase of any unit by an individual purchaser; and (4) all sums received by Escrow from any other source on account of the Project. In accordance with written instructions from Seller that are acceptable to Escrow, Escrow shall deposit all funds so received, within a reasonable time of their receipt by Escrow and in reasonably convenient sums, in a federally-insured, interest-bearing account at any bank, savings and loan association, financial services loan company or credit unit authorized to do business in the State of Hawaii; provided, however, if Escrow is instructed to make such deposits more frequently than once each calendar week, Seller shall pay to Escrow a reasonable service charge for each additional deposit made during such week.
3. Conditions to Be Met Prior to Disbursement of Funds in Escrow. Paragraph 5 sets forth the conditions that must be met prior to disbursement of funds held in escrow. Briefly, Paragraph 5 provides that no disbursement of funds held in escrow shall be made unless and until the following conditions have been met: (a) Seller shall have delivered to purchaser a true copy of the Public Report including all amendments, with effective date(s) issued by the Real Estate Commission, (b) Waiver of Cancellation Rights: Seller shall have delivered to purchaser notice of purchaser's 30-day cancellation right on a form prescribed by the Real Estate Commission, and purchaser shall have waived the right to cancel or shall be deemed to have waived the right to cancel in accordance with HRS Section 514B-86(s), evidence of which shall be provided to Escrow, (c) Waiver of Rescission Rights: Seller shall affirm to Escrow that there has been no material change in the Project after the sales contracts became binding, and (d) Escrow shall have received the opinions or certifications requested.
4. Return of Funds and Documents. A purchaser shall be entitled to a return of his or her funds and Escrow shall pay such funds to such purchaser, together with any interest that may have accrued to the credit of the purchaser, if any one of the following has occurred: (a) Seller and the purchaser shall have requested Escrow in writing to return to purchaser the funds of purchaser held hereunder by Escrow; or (b) Seller shall have notified Escrow of Developer's exercise of an option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Seller; or (c) The purchaser shall have notified Escrow of purchaser's exercise of purchaser's right to cancel the sales contract pursuant to Sections 514B-86 (30-day right to cancel) or 514B-89 (failure to complete construction before a specified completion deadline), Hawaii Revised Statutes, as amended; or (d) The purchaser shall have notified Escrow of purchaser's exercise of his or her right to rescind the sales contract pursuant to Section 514B-87, Hawaii Revised Statutes, as amended. In any of the foregoing events, Escrow shall, upon the occurrence of the event described in (a) or (b) above or upon receipt of a written request for a refund from purchaser upon the occurrence of an event described in (c) or (d) above, unless the purchaser has waived or has been deemed to have waived the right to a refund,

promptly pay said funds to said purchaser, less any cancellation fee commensurate of the work done by Escrow prior to such cancellation, and other costs associated with the purchase, up to a maximum of \$250.00, and thereupon said sales contract and any conveyance document theretofore delivered to Escrow shall be returned to Seller and shall be deemed no longer held hereunder; provided, however, that no refund shall be made to a purchaser at purchaser's request prior to receipt by Seller's of written notice from Escrow of its intent to make such refund.

5. Partial Closings. It is understood that partial closings, i.e., closings for some but not all of the units, may be desired by Developer. If Developer desires to close any or all sales at different times, Escrow agrees to cooperate with Developer and shall vary its performance of the directions contained herein in such manner as will facilitate its performance of such partial closings.

6. Compensation to Escrow. Paragraph 18 of the Escrow Agreement provides, among other things, that an additional fee of \$250.00 shall be charged to purchaser for each mortgage loan obtained by purchaser if purchaser does not obtain a mortgage loan from a lender designated by Seller, and an additional fee of \$500.00 for each mortgage loan obtained by purchaser from an out-of-state lender. If an escrow involves a 1031 Exchange, Escrow has the right to assess additional fees commensurate with the amount of work involved.

THE ESCROW AGREEMENT CONTAINS VARIOUS OTHER PROVISIONS AND ESTABLISHES CERTAIN CHARGES WHICH THE PURCHASE SHOULD BECOME FAMILIAR WITH. THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE COMPLETE ESCROW AGREEMENT. IF THERE ARE ANY CONFLICTS BETWEEN THE TERMS CONTAINED IN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL.
