	Second Amended Report dated February 2, 2009,	
	and Amendment 1 dated November 10, 2009

	Developer's Public Report dated	
	☐ Amended Report dated	
DEVELOPER(S):	D.R. Horton-Schuler Homes, LLC, a Delaware limited liability company dba D.R. Horton-Schuler Division	

Preparation of this Amendment

The Developer prepared this amendment pursuant to the Condominium Property Act, Section 514B-56, Hawaii Revised Statutes (HRS), as amended from time to time. Section 514B-56, HRS, requires that after the Commission has issued an effective date for the Developer's Public Report, if there are any changes, either material or pertinent changes, or both, regarding the information contained in or omitted from the Developer's Public Report, or if the developer desires to update or change the information set forth in the Developer's Public Report, the developer shall immediately submit to the Commission an amendment to the Developer's Public Report or an amended Developer's Public Report clearly reflecting the change, together with such supporting information as may be required by the Commission, to update the information contained in the Developer's Public Report.

The law defines "material change" as used in parts IV and V of Chapter 514B, HRS means any change that directly, substantially, and adversely affects the use or value of (1) A purchaser's unit or appurtenant limited common elements; or (2) Those amenities of the project available for the purchaser's use.

The law defines "pertinent change" to mean, as determined by the commission, a change not previously disclosed in the most recent public report that renders the information contained in the public report or in any disclosure statement inaccurate, including, but not limited to (1) The size, construction materials, location, or permitted use of a unit or its appurtenant limited common element; (2) The size, use, location, or construction materials of the common elements of the project; or (3) The common interest appurtenant to the unit. A pertinent change does not necessarily constitute a material change.

The filing of an amendment to the Developer's Public Report or an amended Developer's Public Report, in and of itself, shall not be grounds for a purchaser to cancel or rescind a sales contract. A purchaser's right to cancel or rescind a sales contract shall be governed by sections 514B-86 and 514B-87, HRS, the terms and conditions of the purchaser's contract for sale, and applicable common law.

This Amendment has <u>not</u> been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this amendment to the Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts, material changes, or pertinent changes about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

The law defines "material facts" to mean any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale.

This amendment may be used by the Developer for promotional purposes only if it is used with the last Developer's Public Report in its entirety.

Prospective purchasers and purchasers are encouraged to read this amendment carefully and to seek professional advice.

Section 4.2 -- Estimate of the Initial Maintenance Fees

The Estimated Maintenance Fee Disbursements for Nanala at Mehana have been compiled by Hawaiiana Management Company, a licensed property manager, assuming that all units in the community as reflected on the Condominium Map are constructed. Although the property manager makes every effort to estimate the actual cost of operation, certain budget items. especially insurance in today's insurance market, may change. The Buyer is aware that such amounts are only estimates and may change for reasons beyond the control of Developer, and the Buyer hereby specifically accepts and approves any such changes. The Buyer is also aware that such estimates do not include the Buyer's obligation for payment of real property taxes. The Buyer understands that such estimates are not intended to be and do not constitute any representation or warranty by the Developer, including but not limited to any representation or warranty as to the accuracy of such estimates. Buyer understands that Developer has not independently confirmed the accuracy or content of the estimates prepared by the licensed independent managing agent. Further, the Developer advises that costs and expenses of maintenance and operation of a condominium community are very difficult to estimate initially and even if such maintenance charges have been accurately estimated, such charges will tend to increase in an inflationary economy and as the improvements age. Maintenance charges can vary depending on services desired by unit owners and may increase significantly depending on the level of services eventually selected by the Association's Board of Directors. The Buyer should examine the maintenance charges schedule to see what services are included in the schedule and address these issues with its Board upon its formation. Buyers should also be aware that the estimates provided are as of the date reflected in the Managing Agent's certification and do not reflect the actual charges that may be incurred upon the formation of the Association and the actual contracting for such services such as insurance and maintenance, etc.

By purchasing a Unit at Nanala at Mehana, the Buyer will become a member of the Mehana Master Association and be required to pay membership dues to that Association. The Association will collect this fee in addition to the Buyer's monthly maintenance fee and pay the same to the Master Association.

The Developer intends to pay all of the actual common expenses of the units and the Buyer shall not be obligated for the payment of the Buyer's share of the common expenses until such time as the Developer causes a 30 day advance written notice to be sent to the Buyers that, after a specified date, the Buyers shall be obligated to pay for the portion of common expenses that is allocated to their respective units. The developer shall mail the written notice to the buyers, the association, and the managing agent, if any, at least thirty days before the specified date.

The estimate of the initial annual maintenance fees and monthly estimated Maintenance fees is attached hereto.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE ESTIMATE OF THE INITIAL MAINTENANCE FEES CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP, HOUSE RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS SUMMARY AS A
