A. The Town Homes at Ka Makana at Hoakalei and Hoakalei Resort.¹

- (1) The Town Homes at Ka Makana at Hoakalei. This condominium project is located within the first residential phase of the Hoakalei Resort master planned community known as Ka Makana at Hoakalei. Ka Makana at Hoakalei consists of approximately 143.4 acres of land and is proposed to be developed incrementally over several phases. A total of approximately 894 dwelling units, including approximately 128 multi-family units (including the Units in the Project), may be developed at Ka Makana at Hoakalei under Planned Development Housing Permit No. 2005/PDH-2 issued by the City Department of Planning and Permitting. This Project is the fifth increment of multi-family town homes that are being developed at Ka Makana at Hoakalei.

Hoakalei Resort. The long-range plan for the Hoakalei Resort calls for certain recreational and commercial components, including a golf course, full-service man-made marina, hotel/timeshare units, retail/commercial center, and approximately 2,300 residential units. Purchase of a unit in The Town Homes at Ka Makana at Hoakalei, Increment 5 shall not entitle a purchaser any right to use of any such recreational components or amenities when and /or if ever built except to the extent disclosed herein. The currently approved master plan for the Hoakalei Resort is depicted in various advertising materials and displays but portions of the master plan are still conceptual in nature and subject to change and reconfiguration as the Hoakalei Resort is developed. There are no guarantees that all of the components will be developed or that the components will be developed as depicted or described in these various advertising materials and displays.

The Hoakalei Country Club golf course will serve as a basin in the regional Kalo drainage system. This drainage basin will service all of the residences in the Hoakalei Resort, the adjacent Ocean Pointe development, as well as the developments upland from the Hoakalei Resort and Ocean Pointe.

All owners of a unit in this condominium project will be subject to the provisions of the Declaration of Covenants, Conditions, and Restrictions for the Hoakalei Resort Community (the "Master Declaration"), Declaration of Covenants, Conditions, and Restrictions for Ka Makana at Hoakalei (the PD-H Declaration"), and the Ka Makana at Hoakalei Architectural Guidelines, as the same may be amended or supplemented from time to time (see Exhibits "P", "O" and "N" for a description of each document, respectively). All owners will also automatically become members of the Hoakalei Resort Community Association, which is the community association for the Hoakalei Resort, and the Ka Makana at Hoakalei Community Association, Inc., which is the community association for Ka Makana at Hoakalei. Unit owners will be responsible for the payment of their respective shares of the expenses incurred by these associations in the maintenance of the Town Homes at Ka Makana at Hoakalei, Ka Makana at Hoakalei, and the Hoakalei Resort. The monthly fees for the various associations are estimated in the budgets attached as Exhibit "J".

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input checked="" type="checkbox"/>	October 28, 2009
Developer does not plan to adopt House Rules	<input type="checkbox"/>	

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

<u>Management of the Common Elements:</u> The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.	
The Initial Condominium Managing Agent for this project is (check one):

<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

<u>Estimate of the Initial Maintenance Fees:</u> The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit J contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:	
<input checked="" type="checkbox"/>	Electricity for the common elements
<input type="checkbox"/>	Gas for the common elements
<input checked="" type="checkbox"/>	Water
<input checked="" type="checkbox"/>	Sewer
<input type="checkbox"/>	TV Cable
<input checked="" type="checkbox"/>	Other (specify) See disclosure in Section 6 regarding bundled cable, telephone & internet service.

4.4 Utilities to be Separately Billed to Unit Owner

<input checked="" type="checkbox"/>	Developer has or will designate the units for sale to Owner-Occupants by publication.

5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

<input type="checkbox"/>	There are <u>no blanket liens</u> affecting title to the individual units.

Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:
Building and Other Improvements: 10 Year Limited Warranty commencing on conveyance date of Unit. See Exhibit M for a summary of the pertinent provisions of the warranty.
Appliances: Generally one (1) year manufacturer's warranty. See Exhibit M .

5.5 Status of Construction, Date of Completion or Estimated Date of Completion

Status of Construction: Commencement of construction is estimated to begin in February 2010
Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract: Two (2) years from the date that the sales contract becomes binding (subject to extension for force majeure as defined in the sales contract). Also, see Section 6, par. A.

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i></p>
-------------------------------------	--

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits: Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</u></p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has not submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

1. **Developer's Public Report**

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

- A. Interstate Land Sales Full Disclosure Act. This public report has not been accepted by the Department of Housing and Urban Development under the Interstate Land Sales Full Disclosure Act. As set forth in the specimen sales contract submitted with this public report, the Developer will complete construction of each unit and have the unit ready for normal occupancy within a period of two (2) years from the date that the sales contract for that particular unit is signed; provided, however, that said two (2) year period shall be extended in the event completion is delayed by matters and/or conditions beyond the control of the Developer.
- B. Subterranean Termite Treatment System Disclosure. Developer on its own initiative will be paying for the costs of subterranean termite treatment on each building of the development. The subterranean termite treatment will carry a limited warranty of three (3) years from the date of the initial sub-slab treatment for each building. The warranty offers limited protection against subterranean termites only and does not offer protection against any other wood destroying pests or organisms including but not limited to drywood termites, dampwood termites, beetles, carpenter ants, or fungi. Any continued use of a subterranean termite treatment or monitoring system for a particular building within the development beyond the expiration of the three (3) year limited warranty will be at the election and the cost of the Association or individual unit owners as the case may be.
- C. Roadway and Traffic. Portions of the condominium project are bordered by two roadways, Keone'ula Boulevard and Kaiwawalo Street. Keone'ula Boulevard is a major roadway which generally runs in an east to west direction and provides the primary access route from Fort Weaver Road to Ka Makana at Hoakalei, the proposed Hoakalei Resort, and the adjacent Ocean Pointe development. Keone'ula Boulevard will also pass through the proposed marina and mixed use areas within the Hoakalei Resort. Although Keone'ula Boulevard will terminate at the western most boundary of the Hoakalei Resort, the City and County of Honolulu and/or the State of Hawaii could extend Keone'ula Boulevard in the future so that it connects with Kalaeloa, the former Barbers Point Naval Air Station. In addition, current plans contemplate the possible connection of Kaiwawalo Street that generally runs in a north-south direction to Essex Road located adjacent to the Barbers Point Golf Course. Kamakana Street, which intersects Keone'ula Boulevard near the condominium project and generally runs in a north-south direction, is currently planned to connect to Geiger Road via a roadway or series of connecting roads located on lands not owned by Seller or its affiliates. Due to the proximity of the Project to Keone'ula Boulevard, there may be increased noise, dust, traffic and other nuisances, annoyances, or hazards to persons residing within the development.
- D. Sewer Outfall Easement. There is a 50 foot wide easement in favor of the City and County of Honolulu ("City") for its sewage outfall (the "Outfall Easement") that runs in a north-south direction through portions of the Area IV development. The easement allows the City the right to repair, maintain, and replace the sewer outfall improvements and associated appurtenances. At least two manholes for the sewage outfall are located within Area IV, including one within the proposed linear park and a second one located near the community facility. Purchaser acknowledges and agrees that the City, its employees, contractors and agents shall have the right to access the easement area, including the manholes, for such purposes. A portion of the Outfall Easement crosses over the Project at the corner of Kaiwawalo Street and Keone'ula Boulevard. No construction of any improvements within the Outfall Easement shall be allowed, and no planting of any trees within or near the Outfall Easement shall be allowed except as otherwise permitted under condition no. 12 of that certain Unilateral Agreement and Declaration of Conditional Zoning dated November 29, 1993 and recorded in the Land Court as Document No. 2091140, as amended from time to time. The Outfall Easement connects to the Honouliuli Wastewater Treatment Plant ("HWTP") which is located approximately one mile north of the Project. Depending on wind and other conditions, it is possible that odors from the HWTP may be detectable from the Project under certain circumstances. Neither Seller nor its affiliates shall have any liability to the Purchaser, the Purchaser's heirs, executors, assigns, or agents for any matter arising out of or related to the Outfall Easement including without limitation the City's repair, maintenance, or replacement of the sewer outfall improvements and associated appurtenances, any sewage spills, odors, or any other hazards associated with the sewer outfall.
- E. Area Schools. There are a number of existing and proposed public schools in the area operated by the State of Hawaii Department of Education ("DOE"). The determination of a school's district boundaries and what school the children of residents at the Project will be able to attend are determined by the DOE in its sole discretion. Developer or its affiliates have no input, influence, or control over how the school district boundaries are or will be established. Purchasers should contact the DOE if they have any questions on what school(s) their children will attend.
- F. Public Facilities. Although not located in the immediate vicinity of the Project, Developer's affiliate has conveyed or dedicated or is in the process of conveying or dedicating certain lands located north of Keone'ula Boulevard to be utilized for public purposes. Under current plans, certain lands have been or will be conveyed

or dedicated for the construction of a district park and fire station. These public facilities, while located near the Hoakalei Resort, are intended to be utilized by and serve the Ewa Beach community, including residents of the nearby Ocean Pointe community, as well as the Hoakalei Resort.

- G. Bundled Telecommunications/Internet Service Package. Developer's affiliate has entered into a five (5) year contract with Oceanic Time Warner Cable ("OTW") for the provision of bundled digital telephone, broadband internet, and digital cable television services ("Bundled Services") covering Ka Makana at Hoakalei, including the Project. In exchange for entering into this contract, OTW will be providing the Bundled Services at a discount over the rates a customer would normally pay if such customer individually subscribed to such services. Although owners of Units in the Project will have the option of obtaining similar services from other providers (if available), the owner will still be obligated to pay for the Bundled Services through a monthly charge that is assessed as part of the monthly Ka Makana at Hoakalei Community Association dues regardless of whether the owner is actually utilizing the Bundled Services or obtaining similar services from other providers. The prices for the Bundled Services are subject to change on an annual basis.
- H. Access to Community Facility. Developer's affiliate is required to construct a community facility (as that term is defined under the Land Use Ordinance) within Area IV pursuant to Planned Development Housing Permit No. 2005/PDH-2. Although definitive plans for the community facility (which will be referred to as the Ka Makana Swim Club) have not been finalized, preliminary plans for the community facility may include a fitness center, manager's office, restrooms, a swimming pool, spa, cabanas, barbeques, a tennis court, and associated parking. The community facility, which is intended to be an amenity for all residents within Area IV (including residents from the Project) and may be used by residents and their authorized guests, will conform to the Land Use Ordinance, the Declaration of Covenants, Conditions and Restrictions of Ka Makana at Hoakalei, including any house rules that may be adopted, and any other requirements which may be imposed by the Department of Planning and Permitting and any other governmental agency having jurisdiction over the construction, placement or use of such facility. Development and construction of the community facility is not expected to occur until sometime towards the end of 2010 or later as part of the development of a future phase of Area IV. The expenses related to maintaining and/or repairing the community facility will be allocated among all residents of Area IV, including Unit owners of the Project, through the monthly dues assessed by the Ka Makana at Hoakalei Community Association. Although the community facility is intended to be an amenity for Area IV, Developer's affiliate has reserved the right to grant access and use of the community facility by residents and their authorized guests of a development to be constructed on Lot 17876, which is located near the community facility but which may or may not be developed as part of Area IV (the "Other Development Area"). The costs of maintaining the community facility will be appropriately allocated to the Other Development Area if the Other Development Area is given access to utilize the community facility.
- I. Other Matters.
- (1) Bike Path. The sidewalks fronting the mauka side of Keone'ula Boulevard are being designed and constructed to incorporate a bike path as part of a widened sidewalk area. Unit owners are advised to exercise caution when walking on such sidewalk areas.
 - (2) No On-Street Parking. No on-street parking will be permitted on Keone'ula Boulevard.
 - (3) Linear Park. Developer or its affiliates will be constructing a grassed linear park over considerable sections of the Outfall Easement where it passes through the Area IV development. It is intended that the linear park will be conveyed and/or dedicated to Ka Makana at Hoakalei Community Association, with the resulting cost to maintain the linear park being included as part of the maintenance fees assessed to all homeowners of the Project as well as other homeowners in Area IV.
 - (4) Overhead Flights and Aircraft Noise. The Project is located within the vicinity of the Honolulu International Airport and the Kalaeloa Airport (formerly the Barbers Point Naval Air Station), and aircraft (including military aircraft) may fly in the proximity of or directly over the Project. The overflights and other airport-related activities may result in noise, vibrations, nuisances, disturbances or hazards to persons and property on or within the Project as a result of such overflights and other airport-related activities.
 - (5) Transfer Fees. Transfer fees shall be payable to the Master Association upon the sale of any covered residential unit. The initial fee is 0.02% of the gross sales price, subject to increase from time to time. See paragraph 11 in Exhibit P.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

1. General.

(a) Except as otherwise provided in this Declaration, 1) restoration, repair or replacement of the Project or of any building or other facility or construction of any additional building or structural alteration or addition to any structure, different in any material respect from the Condominium Map, or 2) any other addition or alteration constituting a "material addition or alteration" under Section 514B-140 of the Condominium Property Act (collectively, the "Proposed Alterations"), shall be undertaken by the Association or any Unit owner(s) only pursuant to an amendment of this Declaration, duly executed by or pursuant to the approval or written consent of Unit owners holding at least seventy-five percent (75%) of the total Common Interests of the Project, together with the approval or written consent of (i) all Unit owners whose Unit or Limited Common Elements appurtenant thereto are directly affected (as determined in a reasonable manner by the Board) by the Proposed Alterations; (ii) the holders of first mortgage liens encumbering any Unit directly affected by the Proposed Alterations (if the lien holders require such approval), and (iii) the Board, which approval or consent shall not be unreasonably withheld.

(b) The Proposed Alterations shall be in accordance with plans and specifications for the Proposed Alterations prepared by a licensed architect or licensed professional engineer and approved by (i) the Board, (ii) the Design Review Committee in accordance with the Design Guidelines, and (iii) the appropriate agencies of the State of Hawaii and the City and County of Honolulu (if such agencies so require).

(c) Promptly upon completion of any Proposed Alteration which is different in any material respect from the Condominium Map, the Association or Unit owner(s), whomever requested the Proposed Alteration, shall duly file or record in the Office of the Assistant Registrar an amendment to the Declaration and the Condominium Map showing the Project as so altered, certified as built by a registered architect or licensed professional engineer.

(d) Notwithstanding the foregoing, any amendment to the Declaration required or necessary for any Proposed Alteration of a Unit by an owner which alteration is in accordance with options, if any, shown on the floor plans for that particular Unit type in the Condominium Map shall not require the approval or written consent of the Unit owners (except those Unit owners whose Unit or Limited Common Elements appurtenant thereto are directly affected); PROVIDED, HOWEVER, that since construction of any such options, if any, shown on the Condominium Map must also comply with all applicable laws, rules, setbacks, and other governmental requirements, such options, if any, may not be available or permitted for all Units in the Project.

Notwithstanding any other provision in this Declaration to the contrary, the owner of a Unit may make any alterations or additions within a Unit or to a Limited Common Element appurtenant to and for the exclusive use of the Unit, and the owner of any two adjoining Units may alter or remove all or portions of the intervening walls, at such owner's expense, if such alterations or additions are not visible from the exterior of the Units and if the structural integrity of the Building is not thereby affected and provided further that any such additions or alterations permitted in this sentence shall constitute "nonmaterial additions and alterations" under Section 514B-140(c) of the Condominium Property Act. The alterations or additions permitted by this Section R.2 shall require only the written approval of the Unit owner's plans and specification therefor, by (a) the Board; (b) the holders of first mortgage liens affecting such Unit(s) (if the lien holders require such approval); (c) the appropriate agencies of the State of Hawaii and the City and County of Honolulu (if such agencies so require); and (d) all other Unit owners thereby directly affected (as determined in a reasonable manner by the Board). Prior to the termination of the common ownership of any two adjoining Units, if the intervening walls shall have been altered or removed pursuant to the foregoing provision and any entrances sealed, the owner of such Unit shall restore such intervening walls and entrances to substantially the same condition in which they existed prior to such alteration or removal.

3. Alterations by Declarant.

(a) General. Notwithstanding any other provision in this Declaration to the contrary, prior to the later of (i) the recording in the Office of the Assistant Registrar of the Unit deed conveying the last unsold Unit in the Project to a purchaser; or (ii) the filing or recording by Declarant of the "as built" verified statement (with plans, if applicable) required by Section 514B-34 of the Condominium Property Act (but in no event later than twenty-four (24) months after the "date of completion" of the Project, as that term is used in Chapter 507, Part II, Hawaii Revised Statutes, as amended), Declarant, without notice to, or the approval, consent or joinder of, the Association, any Unit owner, lienholder, or any other person, shall have the right (which includes the right to amend this Declaration and the Condominium Map accordingly) to (A) make alterations in the Project which change or reverse the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any Unit (and the Limited Common Elements appurtenant thereto) in the Project which is not sold and recorded; (B) recharacterize and redesignate certain Limited Common Elements as may be appurtenant to a Unit as being Common Elements of the Project which is not sold and recorded; (C) recharacterize and redesignate certain Common Elements of the Project as Limited Common Elements appurtenant to a Unit which is not sold and recorded; or (D) make any other alterations in the Project, which make minor changes in any Unit or the Common Elements which do not materially affect the physical location, design or size of any Unit which has been sold and recorded. As used herein the term "sold and recorded" shall mean and refer to the sale of a Unit in the Project and the recording in the Office of the Assistant Registrar of a Unit deed conveying the interest in the Unit from Declarant to parties not signatory to this Declaration.

(b) Construction of Options. Notwithstanding any other provision in this Declaration to the contrary, prior to the time that all of the Units in the Project have been sold and recorded, Declarant shall have the right to make alterations

Unit No.	Common Interest (%)
1901	10.0000
1902	10.0000
1903	10.0000
1904	10.0000

2102	10.0000
2103	10.0000
2104	10.0000
2105	10.0000
2106	10.0000

Developer has reserved the right to amend the Declaration as follows:

(a) At any time prior to the recording in the Office of the Assistant Registrar of the first Unit deed in favor of a purchaser, Developer has reserved the right to amend the Declaration, the Bylaws and the Condominium Map in any manner, without notice to, or the approval, consent or joinder of, the Association or any purchaser of any Unit.

(b) At any time prior to the recording in said Office of the Assistant Registrar of Unit deeds covering 100% of the Units in the Project, Developer has reserved the right to amend the Declaration, the Bylaws and the Condominium Map without the approval, consent or joinder of any purchaser of any Unit or any of the persons then owning any Unit or any lien holder, to make such amendments (i) as may be necessary to correct any technical defects or to make non-substantive changes, or (ii) as may be required by law, the Real Estate Commission of the State of Hawaii, any title insurance company issuing a title insurance policy on the Project or any of the Units, any institutional lender lending funds on the security of the Project or any of the Units, or any governmental agency administering governmental loan programs (including without limitation, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Department of Housing and Urban Development, the Veterans Administration, the State Housing Finance and Development Corporation, and any successor entities or agencies), or (iii) as may be necessary or desirable as determined by Developer as a result of conditions or requirements imposed upon Developer by any governmental agency of the state, county, or local government related to the development of the lands comprising the Project or other lands within the Hoakalei Resort to be developed by Developer or any affiliates, or by any governmental agency of any state, territory, possession or foreign country or other foreign jurisdiction as a condition precedent to the marketing or sale of Units in any such jurisdiction; PROVIDED, HOWEVER, that no such amendment which would change the Common Interest appurtenant to a unit or substantially change the design, location or size of a unit or the Building in which it is located shall be made without the consent to such amendment by all persons having an ownership interest in such Unit.

dimensions of the Units or any change in any Unit number; or (ii) to exercise or effectuate any other rights reserved to Developer pursuant to the Declaration or the Master Declaration.

- 1 Monthly maintenance fees for the townhome units in Increment 5 for calendar year 2010 have been determined on the basis of the annual budget set forth in this column. **The annual budget for Increment 5 was calculated by multiplying the proforma consolidated budget for all Ka Makana Townhome Increments at full build-out (i.e. 128 units) by a fraction, the numerator of which is 10 (the total number of units in Increment 5) and denominator of which is 128.** In the event of a deficit in the actual expenses and the amount actually collected, such deficit shall be subsidized by the Developer until all units within The Town Homes at Ka Makana at Hoakalei, Increment 5 project have been sold.
- 2 This column reflects the projected actual combined expenses and income for all Ka Makana Townhome Increments existing during the 2010 calendar year. Maintenance expenses are based upon common expenses currently incurred as well as those projected to be incurred as additional common areas are turned over to the homeowners association(s) during the year. Maintenance fee income is based upon a projection of 16 closed townhome units as of January 1, 2010, and 64 closed townhome units as of December 31, 2010. In the event of a deficit in the actual expenses and the amount actually collected, such deficit shall be subsidized by the Developer until all units within The Town Homes at Ka Makana at Hoakalei, Increment 5 project have been sold.
- 3 A reserve study (per §514B-148(a)(4), HRS and Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules) has not yet been conducted specifically for Increment 5. The reserves are estimates only based upon information obtained by Hoakalei Residential, LLC from the managing agent of The Town Homes at Ka Makana at Hoakalei.
- 4 The Developer, on its own initiative, will be paying for the costs of subterranean termite treatment for each building within the Project which carries a limited warranty of three (3) years from the date of the initial sub-slab treatment for each building. The costs of continued use of a subterranean termite treatment or monitoring system for a particular building within the Project beyond the expiration of such three (3) year limited warranty period has not been included in the Budget, and any use will be at the election and the cost of the Association or individual unit owners as the case may be.

² This column reflects the projected actual expenses and income for the Community Association during the 2010 calendar year. Maintenance expenses are based upon common expenses currently incurred as well as those projected to be incurred as additional common areas are turned over to the Community Association during the year. Maintenance fee income is based upon a projection of 111 closed units as of January 1, 2010, and 218 closed units as of December 31, 2010 paying monthly assessments at the established rate of \$43.12/month/unit.

³ This line item is an estimate only. No reserve study has been conducted.

⁴ The Total Annual Ka Makana at Hoakalei Assessments per Unit has been calculated by dividing the Total Annual expenses shown in this column by 894 (the estimated total number of units at full build-out). Through the end of calendar year 2010, the Developer will subsidize the Ka Makana at Hoakalei Community Association in an amount equal to the positive difference between the actual out-of-pocket expenses (not including reserves) incurred by the Association during calendar year 2010 and the total Ka Makana at Hoakalei Assessments assessed against all Ka Makana residents during such period.

⁵ This rate is effective January 1, 2010. Each unit in Ka Makana will be assessed this amount on a monthly basis regardless of whether or not the homeowner subscribes to the services provided by Oceanic Time Warner Cable.

⁶ Per month assessments based upon the Full Build-out budget for the Hoakalei Resort Community Association (see Exhibit J, pg. 5).

⁷ This amount represents the actual monthly amount to be assessed against each Ka Makana unit that has closed through calendar year 2010.

¹ This budget sets forth the estimated costs to operate the Hoakalei Resort Community Association at full build-out at an indeterminate future time. The amounts set forth in this budget are estimates only expressed in 2008 dollars and will be subject to change from time to time as development of Hoakalei progresses.

² This column reflects the projected actual expenses and income for the Hoakalei Resort Community Association during the 2010 calendar year. Maintenance expenses are based upon common expenses currently incurred as well as those projected to be incurred as additional common areas are turned over to the Community Association during the year. Maintenance fee income is based upon a projection of 111 closed units as of January 1, 2010, and 218 closed units as of December 31, 2010 paying monthly assessments at the established rate of \$36.00/month/unit.

³ During calendar year 2010, Developer will subsidize the Association by paying a portion of the electricity, water, and maintenance costs (which includes landscape maintenance and tree trimming costs) which would otherwise be borne by the Association. The budgeted amounts shown for these line items represent approximately 72% of the actual projected sum total costs for these line items (combined) for the 2010 calendar year. In addition, during the 2010 calendar year, the Developer will subsidize the Hoakalei Resort Community Association in an amount equal to the actual shortfall that is realized by the Association by offsetting the total of all Hoakalei Resort Community Association Assessments assessed against all members of Hoakalei during the 2010 calendar year against the total actual costs of the line items set forth in this budget that are incurred by the Association during the 2010 calendar year.

⁴ This line item is an estimate only. No reserve study has been conducted.

⁵ Based upon a total of 2,314 residential units at full build-out. Under current plans, the balance of the costs to operate the Hoakalei Resort Community Association will be allocated to the planned districts within Hoakalei including Hotel, Golf, Industrial, Retail, and Marina districts.

⁶ The monthly assessments per Residential Unit has been computed by dividing the Total Estimated Annual Costs Allocable to all Hoakalei Residential Units by the total number of residential units in Hoakalei that are subject to assessment (i.e., 2,314 units at full build-out) and then rounding to the nearest dollar.

Summary of Pertinent Provisions of Sales Contract

A specimen of the Deposit Receipt and Sales Contract (hereinafter the "Agreement") has been submitted to the Real Estate Commission as part of the registration. The Agreement contains the purchase price, description of the unit to be conveyed to a buyer, and the terms and conditions under which a buyer will agree to buy a unit in the Project.

The Agreement provides in part:

1. **Financing of Purchase.** If the buyer (referred to in the Agreement as the "Purchaser") is required to finance any portion of the purchase price, then the buyer agrees to take certain actions within designated time periods including, but not limited to, submitting a complete loan application package to a qualified lender and obtaining a pre-qualification letter from the lender. Upon notice from Developer, the buyer shall obtain a final loan commitment within certain time periods.

Buyer represents that the financial data to be submitted to Developer or lender is true and accurate. The buyer also agrees to provide written evidence to Developer of buyer's ability to make any requisite cash payments. In order to keep the Developer and/or the Developer's broker informed of the buyer's progress in obtaining a mortgage loan, the buyer shall authorize its lender to transmit to the Developer and/or the Developer's broker any and all information necessary for this purpose including, but not limited to, copies of all correspondence between the buyer and the lender.

Buyer acknowledges that Developer's lender, as a condition of its construction financing of the Project, may require Developer and/or Buyer's lender to forward copies of financial related information submitted by Buyer in connection with Buyer's loan application including, but not limited to, a signed loan application, credit report, bank statements, pay stubs, W-2 forms, tax returns and other information.

The Agreement provides the Developer with certain rights, including the right to terminate the Agreement if the buyer fails to comply with the various requirements.

2. **Closing Date.** The terms "Closing Date" or "Closing" as used in the Agreement shall mean the date when the Developer and the buyer have each carried out all of their obligations under the Agreement and escrow is closed by the recording in the Land Court of the Unit Deed and also any mortgage in favor of the buyer's lender, and making all payments required from funds received. The projected "Closing Date" will be determined by the Developer alone (the "Scheduled Closing Date"). For purposes of determining when closing may occur, the buyer agrees to abide by the Developer's good faith estimate of the Scheduled Closing Date. The Scheduled Closing Date, however, is based on a number of factors including, without limitation, the type of loan program selected by the buyer, the projected construction schedule for the unit and the Project, which schedule changes frequently due to a variety of factors. Therefore, the Scheduled Closing Date or any other estimate of the Closing Date provided by the Developer is an estimate only and is subject to change. The Developer

may delay or change the Scheduled Closing Date as necessary and the buyer is advised to work with the Developer in coordinating the actual Closing Date.

3. What the Buyer is Required to Do at Closing. On or prior to the Closing Date, the buyer will sign and deliver to escrow all documents which the buyer must sign in order to effect the closing. This will include, without limitation, any mortgage in favor of the buyer's lender. The buyer shall also pay to escrow any cash payment required on account of the balance of the "Total Purchase Price" (as defined in the Agreement) (including those amounts representing the options, upgrades, and floor selections contracted by buyer), and all sums included in the "Estimate of Additional Sums Payable" (as defined in the Agreement) and further described below (subject to adjustment for actual fees payable as determined at closing).

4. Estimate of Additional Sums Payable. The sums included in the Estimate of Additional Sums Payable are in addition to and are not part of the Total Purchase Price. The buyer's closing costs shall include, but shall not be limited to, all escrow fees, all notary fees, costs of title insurance, legal costs for the preparation of any unit deed or any notes and mortgages, all recording costs or fees, loan fees, credit report costs, appraisal fees and all other applicable mortgage costs. In addition, the buyer agrees to pay the buyer's pro-rata share of applicable monthly maintenance and associations' fees (if closing occurs on a day other than the first day of the month), taxes, assessments and other expenses, which shall be prorated between the buyer and the Developer as of the closing date. Also included will be the monthly maintenance and associations' fees and the Association of Unit Owners start-up fee.

5. The Buyer's Acceptance of the Unit. The buyer agrees to close the sale of the unit on time and accept possession of the unit (a) even if the common elements of the Project have not yet been fully completed and/or construction activity is still in progress, and (b) notwithstanding the existence of any defects in or damage to the unit which does not render the unit unusable. The buyer also promises to indemnify and hold harmless the Developer from any loss or damage, including interest and attorneys' fees and costs, resulting from the buyer's failure to close the sale or to accept possession of the unit as required above.

6. Delay in Closing. The Agreement includes provisions to address if the closing is delayed.

7. Conditions of the Project. The Agreement contains various disclosures made in the Agreement regarding the condition of the Project and the surrounding areas that could affect the buyer's use or enjoyment of a unit in the Project, including potential aircraft noise, ongoing construction and sales activities, roadways, or driveways located nearby, the determination by the Department of Education of a school's district boundaries and what school the children of residents of the Project will attend, the proximity of the Project to the proposed fire station, the proximity of the Project to Keone'ula Boulevard and other nearby streets, and possible environmental and utility effects, that neither the Association of Unit Owners nor Developer or its affiliates are responsible for providing security for the Project. The Agreement also contains disclosures regarding the approximate area of the units, potential mold, electricity charges for certain exterior lighting, the Developer's right to modify the plans and specifications for the production homes, the right to substitute materials, the right to increase or decrease the purchase price of any unit not subject to a binding contract, and that certain improvements constructed and installed for aesthetic reasons have no structural purposes.

8. Disclosures Regarding Model Homes; Advertising Materials. The homes in the Project will be mass constructed based on limited styles and floor plans being offered by

the Developer, but with minor variations to the colors, door styles, elevations, yards, landscaping, walkways, entryways and other features to provide each home with a certain degree of uniqueness. The model homes and various advertising materials, brochures and displays are intended to assist the buyer in visualizing the floor plan of the unit that the buyer is purchasing, but are not intended to be exact replicas or depictions of all the units or buildings in the Project. The model homes and yard areas of the model homes also contain numerous upgrades, options and decorator items which are not included with the unit being purchased by the buyer or the building in which the unit is located, or which, if included with the property being purchased, may differ from that shown with the model homes or in the advertising materials, brochures or displays due to various factors.

9. Disclosures Regarding Ongoing Sales and Advertising Activities. The Agreement discloses that the Developer and others shall have the right to conduct extensive sales activities on the common elements (excluding the limited common elements appurtenant to any sold units) and any unsold units and limited common elements appurtenant thereto until the date that all of the residential units proposed for development in Area IV are sold and conveyed.

10. Landscaping; Fences. The Seller will be providing the initial landscaping of the buyer's front and rear yard areas. The maintenance of such landscaping shall thereafter be the responsibility of the buyer. The buyer also acknowledges that the Developer will install the initial fences enclosing, as the case may be, the rear yard or the front yard of the unit the buyer is purchasing, but that the buyer is responsible for maintaining, repairing and replacing such fences. If any such rear yard fence is shared by more than one unit, the obligation to maintain, repair and replace such fence shall be shared jointly by both unit owners.

11. Utility Infrastructure. The buyer acknowledges that additional utility infrastructure may be constructed in the future which provides utility services for the Project, the cost of which is not included in the purchase price of any unit in the Project.

12. Developer's Repurchase Option. The buyer acknowledges and agrees that the Developer has reserved the option to repurchase the unit during the first twelve (12) month period following the close of escrow to the extent the buyer sells, transfers, assigns, rents or offers to sell, transfer, assign, or rent the unit during such twelve (12) month period. The purchase price paid by Developer to buyer upon the exercise of this repurchase option shall be equal to the Total Purchase Price shown on page 2 of the Agreement, plus the amount of any options, upgrades, and floor selections paid by buyer in connection with the unit, and together with the amount of any capital improvements made by the buyer to the unit. The Agreement also describes the conditions in which certain sales, transfers, or assignments or offers to sell, transfer, or assign will not be subject to the repurchase option.

13. Developer's Limited Warranty for the Unit. The buyer acknowledges the Developer's limited warranty regarding the unit and the common elements, which is described in the summary attached to this public report as Exhibit "M".

14. Interest on the Buyer's Deposits. All interest earned on the buyer's deposits shall accrue to the credit of and shall be paid to the Developer unless (a) the buyer instructs escrow to establish a separate interest-bearing account on the buyer's behalf ("Buyer's Account") and pays escrow a processing fee of \$25.00 (or such other amount as escrow may establish from time to time) and complies with all other requirements of escrow, or (b) a Buyer's

Account is established pursuant to the escrow agreement (in which case the buyer agrees to pay the processing fee provided thereunder).

15. No Rental Service/Investment Representations. The buyer agrees that the buyer has entered into the Agreement without any reference or representation by the Developer or any sales person: (a) that the Developer or anyone affiliated with the Developer or any unaffiliated third party will provide, directly or indirectly, any services relating to the rental or sale or management on behalf of the buyer; (b) as to projected rental income, occupancy rates or other matters related to the rental of the unit; (c) as to possible tax advantages or other economic benefits accruing to an owner who chooses to rent a unit; or (d) as to projected appreciation in the value of the unit. The buyer agrees to be solely responsible for any rental or other disposition of the unit.

16. Default by Buyer. If the buyer fails to make any payment when it is due or fails to keep any of the other promises or agreements of the buyer set forth in the Agreement, the Developer will give the buyer written notice of such failure. If the buyer does not cure such default or failure within ten (10) calendar days after the Developer sends such notice, the Developer shall have the right to do any one or more of the following:

(a) Cancel the Agreement by giving the buyer written notice of cancellation. The Developer may then keep all sums deposited by the buyer, including any and all interest accrued thereon (notwithstanding the establishment of a Buyer's Account), as "liquidated damages" (i.e., the amount agreed to by the buyer and the Developer as properly payable in settlement for breach of contract), in lieu of actual damages and not as a penalty;

(b) Take advantage of any other rights which the law allows, including, for example, a lawsuit for actual damages suffered, or a lawsuit for "specific performance," which means a lawsuit to require the buyer to pay the total purchase price and keep all of the buyer's promises under the Agreement; and

(c) Collect from the buyer all costs, including reasonable attorneys' fees, court costs, escrow cancellation fees, and any document preparation fees if the deed conveying the property to the buyer has been prepared and delivered to escrow, which may be incurred by the Developer because of the buyer's default.

17. Mediation; Arbitration. Any dispute arising out of the Limited Warranty, the construction, or sale of a unit shall first be resolved by binding arbitration. Except as otherwise provided by law, binding arbitration shall be the sole remedy for resolving such disputes. The arbitration shall be conducted by Construction Arbitration Services, Inc. or such other reputable arbitration service that the warranty administrator shall select, in its sole discretion, at the time the request for arbitration is submitted. The rules and procedures of the designated arbitration organization that are in effect at the time the request for arbitration is submitted will be followed. Said arbitration proceeding shall be governed by the United States Arbitration Act (9 U.S.C. §§ 1-16) to the exclusion of any inconsistent state law, regulation or judicial decision. The award of the arbitrator shall be final and binding and may be entered as a judgment in any court of competent jurisdiction. Each party shall bear its own attorneys fees and costs (including expert costs) for the arbitration. The arbitrator shall, as part of any decision, award to the party prevailing at the arbitration any applicable filing fees or other arbitration fees paid by that party.

THE FOREGOING IS A SUMMARY OF SOME OF THE PERTINENT PROVISIONS OF THE AGREEMENT FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE AGREEMENT. THE FULL TEXT OF THE ORIGINAL DOCUMENT SHOULD BE EXAMINED AND CONTROLS OVER THIS SUMMARY.

NOTE: The Developer is offering the buyer a selection of various floor coverings (i.e., tiling and carpeting) and window coverings for the unit which buyer will select in an addendum to the Agreement. In addition, the Developer is also offering various optional floor plans, appliances and upgrades for the unit, each at various prices, and which, if selected, will also be included in an addendum or addenda to the Agreement. The purchase price for such options, appliances and upgrades are non-refundable once the Agreement is deemed binding under the Condominium Property Act.

Summary of Pertinent Provisions of Escrow Agreement

An executed Escrow Agreement has been submitted to the Real Estate Commission as part of this registration. The Escrow Agreement identifies Title Guaranty Escrow Services, Inc. as the escrow agent ("Escrow"). The Escrow Agreement sets up an arrangement under which Escrow will hold deposits that a buyer makes to the Developer under a Deposit Receipt and Sales Contract (the "Sales Contract") for the purchase of a unit in the Project. The Escrow Agreement provides in part:

1. **Payment of Funds to Escrow.** The Developer shall pay over to Escrow any monies received by the Developer from a buyer under a Sales Contract, including all disbursements made on loan commitments, if any, from lending institutions to the buyer. Escrow shall deposit all funds so received in accordance with written instructions from the Developer in a federally-insured, interest-bearing account at a bank, savings and loan association, or trust company authorized to do business in the State.
2. **Return of Funds to a Buyer.** A buyer shall be entitled to a refund of the buyer's funds held in Escrow as follows:
 - (a) Escrow shall refund to the buyer all of the buyer's entire deposit, without interest and less any Escrow cancellation fees, if any one of the following has occurred: (i) the Developer and the buyer request in writing that Escrow return the buyer's funds to the buyer; (ii) the Developer notifies Escrow of the Developer's exercise of the option to cancel or rescind the Sales Contract pursuant to any right of cancellation or rescission provided therein or otherwise available to the Developer; or (iii) the buyer notifies Escrow of buyer's exercise of buyer's right to cancel the Sales Contract pursuant to any right of cancellation or rescission provided therein or otherwise available to the buyer .
3. **Buyer's Default under Sales Contract.** If the Developer terminates a Sales Contract due to a default thereunder by the buyer, Escrow shall thereafter treat all funds of the buyer paid on account of such buyer's Sales Contract as funds of the Developer and not as funds of the buyer. Thereafter, such funds shall be free of the escrow established by the Escrow Agreement and shall be held by Escrow for the account of the Developer.

THE FOREGOING IS A SUMMARY OF SOME OF THE PERTINENT PROVISIONS OF THE ESCROW AGREEMENT FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE ESCROW AGREEMENT. Summary of Pertinent Provisions of Limited Warranties

The Developer provides a limited warranty for the individual units and common elements under the Reservation Agreement and Sales Contract ("Agreement"), a specimen of which has been submitted with this registration. The following is a brief summary of the Developer's limited warranty (capitalized terms have the same meaning set forth in the Agreement):

The Unit and the related Common Elements will be covered under a transferable ten (10) year HOME BUILDER'S LIMITED WARRANTY (the "Limited Warranty"). The Limited Warranty provides coverage for construction defects that occur during the Warranty Period and includes provisions limiting the responsibility and conditions under which it is valid or applicable. The Limited Warranty gives the Purchaser specific legal rights. Seller's obligations under the Limited Warranty are expressly conditioned on prompt notification by Purchaser of any construction defects as set forth in the Limited Warranty. In addition, the Limited Warranty does not cover certain construction defects that result, either directly or indirectly from certain excluded causes or occurrences as set forth in the Limited Warranty. None of Seller's employees, salesmen or other agents are authorized to make any warranty other than the Limited Warranty, nor can they extend or in any way alter the Limited Warranty.

- (a) Acknowledgment and Receipt. Purchaser will receive a sample of the Limited Warranty (PWC Form No. 117) and agrees to read the sample Limited Warranty in its entirety prior to the Closing Date. Purchaser's failure to read the sample Limited Warranty and to obtain any needed assistance in understanding the Limited Warranty shall not in any way change either the Purchaser's or the Seller's rights, duties and obligations under the Limited Warranty. Prior to Closing, Purchaser shall deliver to Escrow a fully executed document entitled "Warranty Acknowledgement of Receipt and Agreement to Read."
- (b) Warranty Period. The term of the Limited Warranty is ten (10) years from the Closing Date. The resale of the Unit by Purchaser will not extend the ten-year term. Notwithstanding the above, however, the Warranty Period for Common Elements of a building or structure commences on the date title for the first Unit in the structure or building is transferred to the first homeowner. The exact dates for the commencement and expiration of the Warranty Period for the Unit will be described in the "Limited Warranty Validation Form" to be mailed to Purchaser by the independent third-party warranty administrator following Closing.
- (c) Warranty Coverage. Coverage under the Limited Warranty is limited to construction defects which occur during the warranty period indicated on the Limited Warranty Validation Form and which are reported to the Seller or its designated agent pursuant to the notification requirements contained in the Limited Warranty. The Limited Warranty shall apply to workmanship actually performed and materials actually installed in the Unit or the Common Elements. Specific terms of the warranty coverage are included in the "Limited Warranty Validation Form" and the Limited Warranty.
- (d) Binding Arbitration. The Limited Warranty requires that all disputes between Seller and Purchaser concerning the Limited Warranty, sale or construction of the Unit be resolved

by binding arbitration pursuant to provisions under the Limited Warranty. The Purchaser gives up any rights to have the dispute resolved by a court of law or jury trial.

- (e) Customer Care Program. In addition to the Limited Warranty, during the first twelve (12) month period following the Closing of the Unit, Seller will initiate and provide to Purchaser at no additional charge a customer care program (the "Program") for defects in materials and workmanship that would otherwise not be deemed to be a "construction defect" under the Limited Warranty. Terms of the Program, which include performance standards the Seller will follow for use during the first year and certain exclusions of the Program, are set forth in the homeowner manual that will be provided to Purchaser upon the Closing of the sale of the Unit. Notwithstanding anything contained herein to the contrary, the Program is extended only to the original purchaser of the Unit and shall terminate upon the sale of the Unit by that purchaser.
- (f) Manufacturers' Warranties. Seller will assign and pass through to the Purchaser any manufacturer's warranties covering any appliances and other consumer products for their unexpired terms, to the extent such warranties exist and to the extent that Seller has the right and power to make such an assignment. Purchaser shall follow the procedure set forth in the manufacturer's warranty if any defects should appear in that item, and any service request should be made directly to the service representative for the manufacturer. Appliances or consumer products are excluded from the Limited Warranty. Seller makes no representation or warranty with respect to the energy consumption of, or efficiency of, any appliance, equipment, or consumer product, or with respect to energy or utility costs.
- (g) Limitations of Warranty and Seller Liability. Except for the Limited Warranty, Seller makes no other warranties, express or implied, and SELLER EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTY OF HABITABILITY, ANY IMPLIED WARRANTY OF MERCHANTABILITY, ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR USE, ANY IMPLIED WARRANTY OF WORKMANSHIP, AND ANY OTHER EXPRESS OR IMPLIED WARRANTIES WITH RESPECT TO THE UNIT, OR THE PROJECT. EXCEPT FOR THE OBLIGATIONS OF SELLER SPECIFICALLY SET FORTH IN THE LIMITED WARRANTY, SELLER SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES WHETHER BASED ON CONTRACT, TORT, OR ANY OTHER LEGAL THEORY (REGARDLESS OF WHETHER SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES).
- (h) Claim Procedure. If any defect appears which Purchaser believes should be covered by this Limited Warranty, Purchaser shall give Seller written notice describing the defect in detail at the following address: Hoakalei Residential, LLC, 91-1001 Kaimalie Street, Suite 205, Ewa Beach, Hawaii 96706, Attn: Customer Service. Seller will not reimburse Purchaser for any repair or other action taken by Purchaser without Seller's prior written consent.

Description of Ka Makana at Hoakalei Architectural Guidelines

Ka Makana at Hoakalei ("Ka Makana") is the first residential phase within the Hoakalei Resort, a master-planned resort community (see Section A on page 1a of the developer's public report for a description of Ka Makana and Hoakalei Resort). Being part of a master-planned community, developmental guidelines are necessary to promote the community's evolution in a manner consistent with the original design principles, as approved by the City and other governmental agencies.

To accomplish this purpose and to maintain the Ka Makana special character, Ka Makana Architectural Guidelines (the "Architectural Guidelines") have been prepared to regulate construction, additions, modifications, and site improvements visible from the street or neighboring properties. A copy of the proposed Architectural Guidelines has been submitted to the Real Estate Commission as part of this registration.

The Architectural Guidelines, which are both prescriptive and restrictive, are intended to be illustrative of acceptable improvements and seek to provide an overall framework for future modifications within this Project and Ka Makana. The Architectural Guidelines contain various rules and guidelines, including but not limited to, architectural guidelines, examples of acceptable improvements, materials and color schemes, and Architectural Review Committee application procedures.

The Architectural Review Committee, which has been established pursuant to the Declaration of Covenants, Conditions, and Restrictions for the Hoakalei Resort Community (see Exhibit P for a description of this document), is or will be responsible for reviewing applications for compliance with the Architectural Guidelines.

THE FOREGOING IS A DESCRIPTION OF THE ARCHITECTURAL GUIDELINES FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THESE ARCHITECTURAL GUIDELINES. THE FULL TEXT OF THE ARCHITECTURAL GUIDELINES SHOULD BE EXAMINED AND CONTROLS OVER THIS SUMMARY.

Description of the Declaration of Covenants, Conditions, and Restrictions for Ka Makana at Hoakalei

As mentioned in Section A on page 1a of the developer's public report, the Project is located within the residential project known as Ka Makana at Hoakalei ("Ka Makana") and is therefore subject to the terms and conditions set forth in the Declaration of Covenants, Conditions, and Restrictions for Ka Makana at Hoakalei, dated November 10, 2008, recorded as Land Court Document No. 3805046, as amended and/or supplemented (the "Ka Makana Declaration").

The purpose of the Ka Makana Declaration is to facilitate the development, ownership, and use of the "Property" (as defined in the Ka Makana Declaration) and to provide for the formation of the Ka Makana at Hoakalei Community Association, Inc. (the "Community Association") that administers the Property. The following is a brief description of some of the significant provisions of the Ka Makana Declaration (unless defined herein, capitalized terms shall be defined as set forth in the Ka Makana Declaration).

1. **Scope.** The Property encumbered by the Ka Makana Declaration presently consists of the initial phases of Ka Makana (i.e., Area IVA, Phase 2 and Area IVB). Although the Developer has reserved the right to annex additional lands for future phases of Ka Makana, including all or any portion of the property generally described as being located within the "Subdivision Project" (as that term is defined in the Ka Makana Declaration), the Developer is not obligated to annex any such additional phases to the Ka Makana Declaration at this time.

The Developer has also reserved the right to develop the future phases of the Subdivision Project as separate projects and merge such projects with Ka Makana. Additionally, the Developer also reserves the right to withdraw any portions of land from the Ka Makana Declaration, including but not limited to any lands which are annexed to Ka Makana. The Developer's rights to withdraw, annex, and merge portions of the Property may be exercised at any time prior to the "Last Conveyance Date" (which is the date that the last residential unit proposed to be developed within Ka Makana and the balance of the Subdivision Project is sold). The Developer's rights to withdraw, annex, and merge the Property (or portions thereof) are generally covered in Sections 2.2, 2.3 and 2.4 of the Ka Makana Declaration.

2. **Amendment.** Generally, the Ka Makana Declaration can be amended only with the vote of 75% of the units within the Property. However, prior to the Last Conveyance Date, such amendments will require the approval of the Developer and the Developer has reserved the right to amend the Ka Makana Declaration unilaterally (i) for any reason prior to conveying any unit within the Property; (ii) as to any unit, lot, or group of units/lots, where the same are owned by Developer; (iii) for the purpose of correcting technical defects, to make non-substantive changes, to comply with the requirements of various governmental loan programs, or to comply with various governmental or statutory requirements; (iv) for any other changes that do not have a material adverse effect on the rights of any "Owner" (as defined in the Ka Makana Declaration); or (v) to annex, merge, or withdraw any property pursuant to the Ka Makana Declaration or to change the designation of the "Common Area" (as defined in the Ka Makana Declaration). The Developer and HASEKO (Ewa), Inc., an affiliate of the Developer (the "Master Declarant") have the right to amend the Ka Makana

Declaration unilaterally at any time to exercise their rights that are otherwise reserved or referenced in the Ka Makana Declaration. Under other circumstances, the Owners shall have the right to amend the Ka Makana Declaration only with the approval of the Developer (see generally Section 2.1).

3. Association Membership/Voting. Membership in the Community Association will be divided into two classes: (a) Class A members are all Owners (including Developer as to each unit Developer owns) and there will be one vote for each unit; and (b) the sole Class B member shall be the Developer. The Class B member shall have the right to select all Community Association board members until the fourth (4th) anniversary of the date that the first unit in the Property is conveyed to a Person other than a Builder. Following this, the Class B member shall have the right to select a majority of the Community Association board members until the later to occur of (i) the date when 75% of all of the units to be constructed under the "Subdivision Permit" (as defined in the Ka Makana Declaration) have been sold to Persons other than Builders (but no later than December 31, 2030), or (ii) the tenth (10th) anniversary of the date that the first unit in the Property is conveyed to a Person other than a Builder. If the sale of 100% of the units occurs prior to the tenth (10th) anniversary date, then Developer's rights to select Board members shall terminate. Generally, in all matters other than the election of board members, there shall only be one class of membership (see generally Article III).

4. Community Association Powers and Duties. The Community Association has broad powers to administer the Property. Generally, the Community Association has the power: (i) to acquire, hold, and dispose of property; (ii) to pay, compromise, or contest real property taxes and assessments on the Common Area and other Community Association property; (iii) to enforce the Ka Makana Declaration; (iv) to enter into contracts for the purpose of carrying out its duties under the Ka Makana Declaration (including management contracts); (v) to collect assessments; (vi) to maintain books and records of its receipts and expenditures; and (vii) to maintain the Common Area which will initially consist of the service lanes, pedestrian pathways, utility lots, and the interior and perimeter mini-parks (except that the perimeter mini-parks will be maintained for an indefinite period of time by the Master Association as provided in the Master Declaration). In addition to the Common Area, the Community Association shall initially maintain, repair, and replace the roadway landscaping (e.g. sidewalk planting strips) within dedicated roadways (not otherwise maintained by the Master Association), irrigation lines serving such areas, the private non-dedicated storm drain improvements and private utilities located within the service lanes, the grouped mailbox structures, landscaping within the well sites, and any service lane lighting located on the garage improvements of any units. The Community Association also has the authority to maintain other improvements in the exercise of the board's discretion.

5. Use of Common Areas. Generally, the Owners have a non-exclusive right and easement to use the Common Areas subject to: (i) any restrictions set forth in any Rules adopted by the Community Association; (ii) any restrictions, encumbrances, easements, and rights of way which may be reserved at the time any Common Areas are transferred to the Community Association; (iii) any road, utility, or similar easements and rights of way which may be required by any governmental entity, or that may be taken under power of eminent domain, or granted or conveyed by the board; and (iv) other rights reserved to the Developer or Master Declarant in the Ka Makana Declaration. Owners may not relinquish rights to use the Common Areas and thereby avoid their obligations for assessments.

6. Assessments. The Community Association has the right to assess Owners common assessments for the expenses incurred by the Community Association (see generally Article VI). The common assessments to be levied on each unit shall be computed by multiplying the sum of all common expenses plus capital expenses within the Property by a fraction, the numerator of which is one (1), and the denominator of which is the total number of units within the Property, as adjusted from time to time. The Community Association is also entitled to levy special assessments as follows: (i) against an Owner when an Owner defaults in the performance of its obligations under the Ka Makana Declaration, (ii) to make up a shortfall in receipts due to Owner delinquencies; (iii) where the budget is exceeded due to unanticipated circumstances; or (iv) for other reasons determined by the board. Nonpayment of any assessments will give rise to a lien against the Owner's unit in an amount equal to the unpaid assessments plus interest, attorney's fees, and costs of collection. The board may foreclose on such lien as provided by law.

Until the Last Conveyance Date, the Developer may annually elect either to pay to the Community Association either the common assessments due on its unsold units or, the difference between the amount of all common assessments assessed against all units (other than those units owned by Developer) subject to assessment and the amount of the actual expenditures required to operate the Community Association during the fiscal year.

7. Owner's Maintenance and Use Restrictions. Article VII of the Ka Makana Declaration sets forth the scope of the Owners' obligations with respect to the maintenance of their units and also contains general guidelines and restrictions concerning animals and pets, vehicle repairs, antennas and satellites dishes, landscaping, pools, guns, air conditioning units, lighting, window coverings, house decorations, vehicle washing, and other matters.

8. Additional Developer Reserved Rights. Article VIII of the Ka Makana Declaration provides that the Developer and the Master Declarant may assign their rights reserved under the Ka Makana Declaration to any third party. In addition, the Developer reserves the right to conduct sales activities within the Property and has reserved the right in its sole discretion to modify its development plans for the Property.

9. Community Facility; Cross-Easements. Developer has reserved the right to enter into cross-easements or cost-sharing agreements with the owners/developers and/or association of unit owners of the A-2 Parcel, whereby the owners of the residential units with the A-2 Parcel are granted the rights to use the Community Facility and/or other portions of the Common area on such terms and conditions as Developer shall determine in its sole discretion; provided that such agreement shall confer such rights and obligations relating to the use, maintenance, and operation of the Community Facility (or other portions of the Common Area as the case may be), and the proportionate allocation of the costs and expenses incurred in connection therewith, as are consistent with the general principles pertaining to the allocation of such costs among the Owners as otherwise provided in the Declaration.

10. Insurance. The Community Association is required to carry the following types of insurance: (i) blanket property casualty insurance on all insurable improvements within the Common Area; (ii) commercial general liability insurance (with umbrella liability coverage); (iii) worker's compensation insurance (where required by law); (iv) directors and officers liability insurance; (v) fidelity insurance; (vi) non-owned and hired automobile liability coverage, (vii) such additional insurance as the board may determine from time to time. Premiums for insurance carried by the Community Association shall be common expenses which will be included in the common assessments.

11. Easements. Article X of the Ka Makana Declaration provides for encroachment easements in favor of improvements which encroach upon neighboring units or the Common Area if such encroachment occurs due to unintentional placement or settling or shifting of such improvements. The Developer has also reserved for itself, the Master Declarant, and their respective designees blanket perpetual easements as well as the right to designate, grant, dedicate, realign, relocate, or cancel perpetual easements for various purposes including access and utility purposes across the service lanes and Common Area, and across individual units within any specific easement areas designated on any subdivision map for any portion of the Property. Such easements may be assigned to the Community Association or the Master Association on such terms and conditions as are acceptable to the Developer. The Developer has also reserved the right to reserve easements over the Common Area for access and utility purposes serving other developments within "Ka Makana" (as defined in the Ka Makana Declaration). The Community Association shall generally have a right of entry over any portion of the Property (including any units) in order to carry out its duties under the Ka Makana Declaration.

12. Term. The term of the Ka Makana Declaration shall be for a period of sixty (60) years from the date that the Ka Makana Declaration is recorded. Thereafter, the Ka Makana Declaration shall automatically be extended for successive periods of ten (10) years unless an instrument in writing, approved by an affirmative vote of 75% of the total votes in the Association and signed by two officers of the Association, has been recorded within the year preceding the extension, agreeing to amend, in whole or in part, or terminate this Declaration, in which case, this Declaration shall be amended or terminated as specified therein.

THE FOREGOING IS A GENERAL DESCRIPTION OF THE KA MAKANA DECLARATION FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE KA MAKANA DECLARATION. THE FULL TEXT OF THE KA MAKANA DECLARATION SHOULD BE EXAMINED AND CONTROLS OVER THIS DESCRIPTION.

Description of the Master Declaration of Covenants, Conditions, and Restrictions for the Hoakalei Resort Community

As mentioned in Section A on page 1a of the developer's public report, in addition to being part of the Ka Makana development, the Project is also a part of the Hoakalei Resort master-planned mixed use community and will therefore be subject to the terms and conditions set forth in that certain Master Declaration of Covenants, Conditions, and Restrictions for the Hoakalei Resort Community, dated November 10, 2008, recorded as Land Court Document No. 3805045, as the same may hereafter be amended and/or supplemented from time to time (the "Master Declaration"). The Master Declaration was prepared and executed by Developer and Developer's affiliated companies, HASEKO (Ewa), Inc. ("Land Owner") and Hoakalei Development, LLC (the "Master Declarant").

The purpose of the Master Declaration is to facilitate the development, ownership, and use of the "Hoakalei Resort Community" (as defined in the Master Declaration) and to provide for the formation of the Hoakalei Resort Community Association (the "Master Association") that administers the Hoakalei Resort Community. The following is a brief description of some of the significant provisions of the Master Declaration (unless defined herein, capitalized terms shall be defined as set forth in the Master Declaration).

1. **Scope.** The Land Owner is the owner of and Master Declarant is the master developer of the Hoakalei Resort Community. Land Owner has conveyed part of the Hoakalei Resort Community to Developer for the purpose of developing Ka Makana. If developed as initially planned, the overall Hoakalei Resort Community will be comprised of areas which have been master planned by Master Declarant as residential, retail, hotel, marina, golf and industrial areas. The residential areas may be comprised of single family residences, multi-family residences, and apartment residences, including fractional projects. The retail areas may be comprised of retail establishments located upon lots or upon leaseholds of parts of certain lots in the Hoakalei Resort Community. The hotel areas may be comprised of hotels, timeshare and fractional projects, condominium-hotel projects or similar transient land uses. The marina areas may include, among other uses, condominium boat slips and other marina related land or water uses adjacent to or in the vicinity of the marina to be constructed in the Hoakalei Resort Community. The industrial areas may be comprised of industrial uses in the vicinity of the marina. The golf areas may be comprised of golf greens, clubhouses, golf course storage and support facilities, and parking facilities. Presently, only a limited portion of the Hoakalei Resort Community consisting solely of residential uses has been annexed to the Master Declaration (the annexed portion is referred to as the "Covered Property" in the Master Declaration). The Master Declarant is not obligated to develop and annex to the Master Declaration any part of the Hoakalei Resort Community not already part of the Covered Property. The rights reserved to Master Declarant include the right to develop and or to annex as much or as little of the Hoakalei Resort Community to the Master Declaration as it may decide, in its sole discretion. Including without limitation, the right not to annex the hotel, retail, golf course, marina, retail and

other areas (other than the Covered Property) that are depicted as part of the Hoakalei Resort Community in the Declaration.

2. Association Membership/Voting. Membership in the Master Association is divided into three classes: (a) Class A members are all Owners (excluding Master Declarant until the Class B membership has been terminated and is converted to Class A membership) and will be entitled to a vote equal to the Equivalent Unit for each Separate Interest owned (the assignment of Equivalent Units for the individual Separate Interests is set forth in Exhibit C to the Master Declaration). The Class B member shall mean the Master Declarant until the Class B membership terminates and is converted to a Class A membership and will be entitled to a vote equal to three (3) times the Equivalent Units allocated to each Separate Interest owned. The Class C member shall mean the Master Declarant until such time as the Class C membership terminates (i.e. on the later to occur of the closing of the sale of one hundred percent (100%) of the Separate Interests in the Covered Property or, the twenty-fifth (25th) anniversary of the first conveyance of a Separate Interest in the Hoakalei Resort Community). Until such time as the Class C membership terminates, the Class C member (Master Declarant) shall have the exclusive right to appoint all of the Master Association board members. Generally, in all matters under the Master Declaration which require the vote of the Class A members who are also members of the Ka Makana Community Association (including Owners of units within the Project), such voting rights will be exercised by one of the officers of the Ka Makana Community Association.

3. Assessments. The Master Association shall have the right to assess Owners common assessments for the expenses incurred by the Master Association (see generally Master Declaration, Article IV). The common assessments to be levied on each Unit (Separate Interest) shall be computed by multiplying the sum of all common expenses by a fraction, the numerator of which is the Equivalent Units assigned to the Owner's Unit/Separate Interest, and the denominator of which is the total number of Equivalent Units that have been established under the Master Declaration. The Master Declarant may from time to time elect either to pay the common assessments due on its Separate Interests or to pay to the Association the difference between the amount of all common assessments assessed against all Separate Interests and the amount of the actual expenditures required to operate the Master Association as more particularly described in Section 4.1 of the Master Declaration. Nonpayment of any assessments will give rise to a lien against the Owner's Unit/Separate Interest in an amount equal to the unpaid assessments plus interest, attorney's fees, and costs of collection and the board may foreclose on such lien as provided by law.

4. Adjustment of Equivalent Units. An Owner's voting rights and share of common assessments are determined by the Equivalent Units that have been assigned to such Owner's Unit (Separate Interest). Each residential unit has been assigned an Equivalent Unit equal to .500 (see Exhibit C to the Master Declaration). Master Declarant has assigned Minimum Equivalent Units to each planned use classification within the proposed Hoakalei Resort Community (e.g. residential, hotel, golf, industrial, retail, and marina). The total Minimum Equivalent Units assigned to the residential classification is 1,157 based on a total of 2,314 residential units at full buildout of the Hoakalei Resort Community. The total Minimum Equivalent Units assigned to each use classification may not decrease, but could increase under limited

circumstances (provided, however, that no Minimum Equivalent Units shall be allocated to a particular use classification if no Separate Interests within that classification are annexed to the Master Declaration). If for example, the total number of residential units eventually annexed to the Master Declaration exceeds 2,314, then the total Minimum Equivalent Units assigned to the residential classification will be increased accordingly (while the Equivalent Units assigned to each residential unit will remain at .500). On the other hand, if less than 2,314 residential units are eventually annexed to the Master Declaration, then the total Minimum Equivalent Units assigned to the residential classification will remain at 1,157 resulting in an increase in the Equivalent Units being assigned to each residential unit. For example, if only 1,500 residential units are eventually annexed to the Master Declaration, then the resulting Equivalent Units for each residential unit would be calculated as follows: 1157 (total Minimum Equivalent Units for the residential classification) *divided by* 1500 (actual number of residential units annexed) equals approximately .771 Equivalent Units per residential unit. Master Declarant has reserved the right to amend the Master Declaration to effect the adjustment in Equivalent Units described above.

5. Amendment. Generally, amendments to the "HRCA Management Documents" (as defined in the Master Declaration) that are "material" (as defined in Section 17.4 of the Master Declaration) will require the vote of the Owners holding 67% of the voting power in the Master Association (together with the vote of 51% of the voting power of Separate Interests subject to mortgages held by "Eligible Mortgage Holders" (as defined in the Master Declaration). For other amendments, unless a different percentage is specified in the Master Declaration, amendments of the Master Declaration will require the majority vote of the Class A members in addition to the approval of the Master Declarant (for so long as the Class C membership continues to exist). Notwithstanding the above requirements, so long as the Class C membership exists, the Master Declarant shall have the right to amend the Master Declaration without obtaining the consent of any Owner or any other third party at any time, such rights to include, without limitation the right to amend the Master Declaration to cover (i) the addition or deletion of Delegate Districts and the dilution of the voting rights of a Delegate District, (ii) the addition, dilution or elimination of the right of a Delegate District or a class of Delegate District to elect or appoint directors to the Board, (iii) any amendment of Exhibit C to the Master Declaration pertaining to assessment of the Separate Interests or to a class of Separate Interests or the "Equivalent Units" (as specified in said Exhibit C) attributable to each Separate Interests or to a class of Separate Interest, (iv) any amendment to Exhibit C or any other provision of the Master Declaration in connection with the annexation of additional Separate Interests under the Master Declaration (v) any amendment which is required by any of the "Public Agencies" or the "Federal Agencies" (as those terms are defined in the Master Declaration) as a condition to approving the documents or the Hoakalei Resort Community, or any construction thereon, or if any an amendment is required by a mortgagee or any governmental agency having jurisdiction; (vi) any amendment that may be necessary in order to comply with the requirements of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Administration, or any other federal or governmental programs, in order to make the Covered Property or any portion thereof (including any Separate Interests) financeable under such programs; (vii) any amendment to correct any technical defects or to make any other non-substantive amendments as determined by Master Declarant; (viii) any other amendment pursuant to rights reserved to Master Declarant under the Master Declaration; or (ix) to any other

provision in the Master Declaration provided that such amendment does not materially and adversely affect the value of any Separate Interest.

6. Master Association Powers and Duties.

a. General. The Master Association has all of the powers granted to a nonprofit corporation as set forth in Section 414D of the Hawaii Revised Statutes to administer the Hoakalei Resort Community. Generally, the Master Association has the power: (i) to acquire, hold, and dispose of property; (ii) to institute, defend, settle or intervene in litigation; (iii) to enforce the HRCA Management Documents; (iv) to designate portions of the Common Area as HRCA Common Area; (v) to enter into contracts with Owners to provide services to Owners including the maintenance of the Owners' Separate Interests; (vi) to enter into contracts with any other individual, or with any owner's association within the Hoakalei Resort Community or the Ocean Pointe Community in order to carry out its duties and obligations under the HRCA Management Documents; (vii) to collect assessments; (viii) to maintain books and records of its receipts and expenditures; (ix) to obtain a source of non-potable water if and when required under Section 18.25 of the Master Declaration; (x) to operate a cable television station serving the Hoakalei Resort Community; (xi) to grant permits, licenses and easements across the Master Association Property for utilities, roads, and other purposes. (xii) to comply with all land use permits, entitlements, ordinances, conditions, and constraints issued or imposed by various state, federal, and county governmental and quasi-governmental entities and agencies (including without limitation any Public Agency) in connection with the development of the Hoakalei Resort Community (the "Project Conditions"); and (xiii) maintain property owned by the Master Association (defined in the Master Declaration as the "HRCA Common Area") as well as other property designated in the Master Declaration or any Supplementary Master Declaration from time to time.

b. Master Association Maintenance Obligations. Currently, the Master Association is responsible maintaining the landscaping located within Keoneula Boulevard and portions of Ka Makana Street as well as all or portions of the fences and walls surrounding the Ka Makana project. In the future, as additional portions of the Hoakalei Resort Community are developed, the Master Association may be required to maintain (or bear a portion of the costs of maintaining in conjunction with other third parties) as a common expense of the Master Association additional facilities as determined by Master Declarant in its sole discretion, including without limitation, the following (the "Additional Project Components"): (a) landscaping located within roadways to be dedicated including those portions of Keoneula Blvd, and Kaileolea Drive located within the Hoakalei Resort Community and the Ocean Pointe Community (including the entry feature lots located at the intersection of Keoneula Blvd. and Ft. Weaver Road), (b) any private roadways (including landscaping and roadway Improvements), pedestrian pathways, bikeways, parking lots and structures, parks, open space, landscaping areas, and other related facilities located within or adjacent to the Hoakalei Resort Community, (c) components of the "Drainage Infrastructure" (as that term is defined in Section 18.24 of the Master Declaration), (d) additional infrastructure serving or benefiting the Hoakalei Resort Community including without limitation non-dedicated sewer lines and lift stations, non-dedicated potable and non-potable water systems, and perimeter and other walls and a cable television station serving the Hoakalei Resort Community, (e) Marina facilities (whether or not dedicated) including without limitation the boat ramp complex, fishing piers, marina perimeter improvements,

7. Use of HRCA Common Area. Generally, the Owners have a non-exclusive right and easement to use the HRCA Common Area subject to: (i) any restrictions set forth in the HRCA Management Documents; (ii) any restrictions, encumbrances, easements, and rights of way which may be reserved at the time any HRCA Common Area is transferred to the Master Association; (iii) any road, utility, or similar easements and rights of way which may be required by any governmental entity, or that may be taken under power of eminent domain, or granted or conveyed by the board; and (iv) other rights reserved to the Master Declarant or others as may be set forth in the Master Declaration (or any supplement thereto adopted from time to time) including the right to designate portions of the HRCA Common Area for use by the general public in order to satisfy the Project Conditions. Owners may not relinquish rights to use the Master Facilities and thereby avoid their obligations for assessments.

8. Design Standards. All construction and alteration of improvements within the Hoakalei Resort Community are subject to approval by the Architectural Committee and must be in compliance with the Architectural Guidelines which will be initially adopted by the Master Declarant (see generally Master Declaration, Article V). Until the Class C Membership terminates, all members of the Architectural Committee will be appointed by the Master Declarant. The Architectural Committee will have the authority to grant variances under specified circumstances and shall also have the authority to order the removal of any work which is not performed in accordance with the Master Declaration and Architectural Guidelines.

9. Additional Reserved Rights of Master Declarant and Land Owner. Generally, Article XXI of the Master Declaration provides that the Master Declarant and/or Land Owner (as the case may be) (i) may assign their rights reserved under the Master Declaration to any third party, (ii) may construct additional improvements within the Covered Property, (iii) have reserved the right to conduct sales activities within portions of the Hoakalei Resort Community, (iv) have reserved the right to erect signs within the Hoakalei Resort Community,, (v) have reserved the right to approve the annexation of certain property to the Master Declaration and to approve certain capital assessments and amendments to the HRCA Management Documents, (vi) have reserved the right to conduct public and private functions, as well as educational, cultural, artistic, musical, recreational, sporting and entertainment activities within the Hoakalei Resort Community, (vii) have reserved the right to establish and require the Master Association to operate a cable television station serving the Hoakalei Resort Community; (viii) have reserved the right to make repairs to common property which is otherwise the responsibility of the Master Association to maintain, and (ix) have reserved the right to require the Master Association to enter into cost sharing agreements with any Sub-Association, one or more Owners, the Ocean Pointe Community, or any other

party in connection with the operation and maintenance of the Additional Project Components as well as other subject matter. Master Declarant and Land Owner have reserved the following additional rights:

a. Easements. Under Section 8.1 of the Master Declaration, the Master Declarant and Land Owner have reserved for themselves and their designees blanket perpetual easements as well as the right to designate, grant, dedicate, realign, relocate, or cancel perpetual easements for various purposes including access and utility purposes across the Hoakalei Resort Community.

b. Drainage. Until the termination of the Class C membership, Master Declarant shall have the right from time to time in its sole discretion, and without obtaining the consent or joinder of any Owner or any other third party to allocate all costs of dredging the Marina as well as all other costs of maintaining, repairing, and operating all other drainage infrastructure within the Hoakalei Resort Community, including without limitation, any and all retention basins, lakes, culverts, channels, ditches, structures, and all other drainage improvements benefiting the Hoakalei Resort Community (including without limitation, any such drainage Improvements located within the golf course property) (collectively, the "Drainage Infrastructure").
