## **General Information On Condominiums**

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually brought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

## **Operation of the Condominium Project**

The Association of Units Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

#### 1.5 Boundaries of the Units

Boundaries of the Unit:

Each unit is a free-standing unit separate and apart from any other unit. Therefore the boundaries of each unit are the structural components of each unit's perimeter walls, roof, and floor, as shown on the condominium map for this Project.

#### 1.6 Permitted Alterations to the Units

Permitted alterations to the unit (if the unit is defined as a non-physical or spatial portion of the project, also describe what can be built within such portion of the project):

The common interest, elements and easements appurtenant to each unit shall have a permanent character, and shall not be altered without the consent of all owners or the units affected thereby and all of the institutional holders of all liens affecting any of the units affected.

#### 1.7 Common Interest

Common Interest: Each unit will have a percentage interest in the common elements appurtenant to each unit. This interest is called the "common interest". It is used to determine each unit's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by unit owners. The common interest for each unit in this project, as described in Declaration, is:

Described in Exhibit ---.

### 3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

#### 3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

BUREAU OF CONVEYANCES	MAY 28, 2010	2010-082850

##### Amendments to Declaration of Condominium Property Regime

#### 3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

### 3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input checked="" type="checkbox"/>	MAY 28, 2010
Developer does not plan to adopt House Rules	<input type="checkbox"/>	

### 3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

### 3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

## 4. CONDOMINIUM MANAGEMENT

### 4.1 Management of the Common Elements

**Management of the Common Elements:** The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit "D" contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

### 5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.  <i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i>
-------------------------------------	---

### 5.6.2 Purchaser Deposits Will be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/> N/A	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or

While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p><b>Box B</b></p> <p><input type="checkbox"/> N/A</p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <b><u>Important Notice Regarding Your Deposits</u></b> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <b><u>you will not have the right to rescind or cancel the sales contract by reasons of such submission and amendment.</u></b> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) ## 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

### 5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective dated issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

#### **5.8.2 Right to Cancel a Sales Contract if Completion Deadline is Missed**

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

#### **5.8.3 Purchaser's Right to Rescind a Binding Sales Contract**

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30<sup>th</sup> calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modification and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

- (i) That the Developer makes no representations concerning rental of an apartment, income or profit from an apartment, or any other economic benefit to be derived from the purchase of an apartment (C-70).

The Purchase Contract contains various other important provisions relating to the purchase of an apartment in the Project including cancellation and termination rights. Purchasers and prospective purchasers should carefully read the specimen Purchase Contract on file with the Real Estate Commission.

Purchaser's Right to Rescind a Binding Sales Contract:

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30<sup>th</sup> calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modification and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

### **SUMMARY OF THE PROVISIONS OF THE ESCROW AGREEMENT**

#### **5.1 Sales Documents Filed with the Real Estate Commission (Continued from page 13)**

Among other provisions of the Escrow Agreement, the Agreement provides that:

Disbursement from the escrow fund may be made to pay for construction costs upon certification and approval for payment by an architect or engineer, and approved by Seller's lender. However, the agreement further provides that no disbursement of Purchaser's funds shall be made until (a) Escrow is notified by Seller that Real Estate Commission has issued an effective date for a Developer's Public Report, superseding all prior reports, on the project and that each purchaser has been given a copy of said Developer's Public Report; (b) Purchaser executes the form of Receipt for Public Report and Notice of Right to Cancel and waives his right to cancel; and (c) the completion of construction of the project and the forty-six day lien period has expired or Seller has posted a Surety Bond or submits title insurance with lien waivers.

Further, Purchaser shall be entitled to a refund of Purchaser's funds, and Escrow shall pay the funds to Purchaser, without interest and less Escrow's cancellation fee upon receipt by Escrow of a written request from Seller to return to Purchaser the funds of such Purchaser then held hereunder by Escrow.

Subject to such deduction as may be provided in the Sales Contract, and an escrow cancellation fee, the Purchaser shall be entitled to a return of his funds, and Escrow shall pay such funds to the Purchaser, without interest, upon Purchaser's written request, and, if any, one of the following events has occurred:

(a) Seller has instructed Escrow in writing to return to the Purchaser the funds of the Purchaser then being held hereunder by Escrow; or

(b) Seller has notified Escrow in writing of the Seller's exercise of the option to rescind the Sales Contract pursuant to any right of rescission stated herein or otherwise available to the seller; or

(c) With respect to a Purchaser whose funds were obtained prior to the issuance of the Developer's Public Report, the Purchaser has exercised his right to cancel the contract pursuant to Section 514B-86, Hawaii Revised Statutes, as amended; and, upon any such cancellation, Purchaser shall be entitled to a prompt refund of all monies paid, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00; or

## **EXHIBIT "F"**

(d) A Purchaser has exercised his right to rescind the contract pursuant to Section 514B-87, Hawaii Revised Statutes, as amended; or

(e) If, in accordance with Part V, Chapter 514B, Hawaii Revised Statutes:

i) no sales contract is offered to purchaser who was place on the Developer's reservation list of owner-occupants, or upon a request from a person who is on the final reservation list but who has elected not to execute a sales contract; or

ii) the Purchaser has been unable to obtain adequate financing, or a commitment for adequate financing, for his unit within fifty (50) calendar days following the end of the ten (10) calendar-day period during which the Developer is limited to selling to owner-occupants.

Upon the return of said funds to the purchaser as aforesaid, Escrow shall return to Seller such Purchaser's Sales Contract and any conveyancing documents theretofore delivered to Escrow pursuant to such Sales Contract. Other documents delivered to Escrow relating to the sale of the units identified in such Sales Contracts will be returned to the person from whom or entity from which they were received.

(f) In the event of default of the Purchaser, Purchaser's initial deposits shall be retained by Seller, as liquidated damages.
