If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

## **General Information On Condominiums**

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

## **Operation of the Condominium Project**

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

**1.4 Parking Stalls**

Total Parking Stalls in the Project:*	452 residential and 793 commercial (see Exhibit "B" for breakdown)
Number of Guest Stalls in the Project:	21
Number of Parking Stalls Assigned to Each Unit:	1-3 (see Exhibit "A")

If the Developer has reserved any rights to assign or re-assign parking stalls, describe such rights. The residential parking stalls described on Exhibit "E" as Individual Residential Limited Common Elements to Residential Unit 601 may eventually be redesignated to other Residential Units as Individual Residential Limited Common Elements by the Developer. The Developer also has the right to redesignate Individual Residential Limited Common Element parking stalls between Residential Units it owns.

It may also be used for other purposes, including voting on matters requiring action by unit owners. The common interest for each unit in this project, as described in Declaration, is:

### 3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

#### 3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

Land Court or Bureau of Conveyances	Date of Document	Document Number
Declaration of Condominium Property Regime for "1555 Kapiolani Condominium" Condominium Project	November 1, 2010	4015523

#### Amendments to Declaration of Condominium Property Regime

Land Court or Bureau of Conveyances	Date of Document	Document Number
See page 10a		

#### 3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

See page 10a		

#### 3.3 Condominium Map

The Condominium Map contains a site plan and floor plans, elevations and layout of the condominium project. It also shows the floor plan, unit number and dimensions of each unit.

**3.4 House Rules**

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

**3.5 Changes to the Condominium Documents**

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit "I" contains a breakdown of the revised estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

### 5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

<input type="checkbox"/>	There are <u>no blanket liens</u> affecting title to the individual units.

### 5.4 Construction Warranties

Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract:  The Developer shall complete construction of the Residential Unit covered by a sales contract so as to provide normal occupancy of the Unit within six (6) years from the date the sales contract becomes binding.

<input type="checkbox"/>	Spatial Units. The Developer hereby declares by checking the box to the left that it offering spatial units for sale and will not be using purchasers' deposits to pay for any costs to pay for project construction or to complete the project.
<input type="checkbox"/>	Should the developer be using purchaser's deposits to pay for any project construction costs or to complete the project including lease payments, real property taxes, architectural, engineering, legal fees, financing costs; or costs to cure violations of county zoning and building ordinances and codes or other incidental project expenses, the Developer has to meet certain requirements, described below in 5.6.1 or 5.6.2.

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

**5.6.1 Purchaser Deposits Will Not be Disbursed Before Closing or Conveyance**

<input type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.  If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.
--------------------------	--

**5.6.2 Purchaser Deposits Will Be Disbursed Before Closing**

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):

<input checked="" type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p><b>Box A</b></p> <p><input checked="" type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><b><u>Important Notice Regarding Your Deposits: Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</u></b></p>
<p><b>Box B</b></p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <b><u>Important Notice Regarding Your Deposits</u></b> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <b><u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u></b> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <b><u>Important Notice Regarding Your Deposits</u></b> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

**Material House Bond.** If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

## 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

### 5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

### **5.8.2 Right to Cancel a Sales Contract if Completion Deadline is Missed**

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

### **5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change**

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

## 6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

Capitalized terms used herein not otherwise defined shall have the definition set forth in the Declaration or the Bylaws.

1. Developer to Pay Actual Costs of Project. The Developer may initially assume the actual common expenses of the Project, pursuant to Section 514B-41(b) of the Hawaii Revised Statutes (“HRS”), from the date upon which the certificates of occupancy are issued for Units within the Project. Residential Unit owners shall not be obligated for the payment of their share of the common expenses until such time as the Developer sends to the owners written notice that, after a specified date, the unit owners shall be obligated to pay for the portion of the common expenses that are allocated to their respective units.
2. Real Property Tax Assessment. Developer shall be responsible for any real property taxes attributable to the Residential Units prior to closing. Any real property taxes paid in advance by Developer shall be prorated as a closing cost payable by purchaser pursuant to the Purchase Agreement for the purchase of a Unit.
3. The Commercial Developer; Operations of Commercial Units Nos. 1 and 2. Kapiolani Retail LLC (“Commercial Developer”), constructed a majority of the improvements in the Project, other than the Tower, and currently owns Commercial Units 1 and 2 in the Project. The Commercial Units in the Project may have retail activities that will be open to the public, who will access the Commercial Units through the Ground Floor (which is the same level as the residential Lobby, as depicted on the Condominium Map). It is not guaranteed that the Commercial Units will continue to be used as retail space and or be open for public access. The Commercial Units, their undivided interest in the Common Elements, the Commercial Limited Common Elements and the Individual Commercial Limited Common Elements as set forth in Exhibit “E” attached hereto shall comprise the “Commercial Development” portion of the Project. The Residential Units, their undivided interest in the Common Elements, the Commercial Limited Common Elements and the Individual Residential Limited Common Elements as set forth in Exhibit “E” attached hereto shall comprise the “Residential Development” portion of the Project. The Residential Development and Commercial Development shall have shared maintenance, control and use of the Retail/Parking Structure, as depicted on the Condominium Map, generally based on whether the areas are Commercial Limited Common Elements or Residential Limited Common Elements, as depicted on the Condominium Map and further explained in the Declaration. The Commercial Developer shall have no responsibility for the construction of the Residential Development and sale of the Residential Units.

Each purchaser, by acceptance of a Unit Deed to a Unit, acknowledges that the Residential Developer is the developer of certain improvements which includes the Residential Units and their appurtenant Residential Limited Common Elements within the Residential Development and that the Residential Developer is independent from and not affiliated with Commercial Developer. In addition, there are certain approval rights required by the Commercial Developer for certain alterations to the Residential Development and to the Residential Units. The Purchaser should review the Declaration carefully to be familiar with such consent and approval requirements.

The Commercial Developer shall not assume or be responsible for any liabilities, warranties or obligations which have accrued or may accrue to the Residential Developer, its successors and assigns, including, but not limited to, any liabilities, warranties or obligations concerning any Residential Units, buildings or other improvements constructed, or to be constructed, by or on behalf of the Residential Developer.

4. Reserved Rights of Residential Developer and Commercial Developer. Generally, the Residential Developer, as to the Residential Development, and the Commercial Developer, as to the Commercial Development may perform alterations that may affect the exterior appearance of the Project (among other things). Each has separate and independent reserved rights, as set forth in the Declaration, which are summarized on the attached Exhibit "H." **Purchaser should carefully review the Residential Developer's and Commercial Developer's reserved rights set forth in Exhibit "H" and in the Declaration.**
5. Special Cost and Alternative Allocation. According to HRS §514B-41, as amended, in a mixed-use project, common expenses may be allocated among the commercial units and the residential units in a fair and equitable manner. For instance, since the use, responsibility and cost of maintenance of the Retail/Parking Structure is shared between the Residential Development and the Commercial Development, the Declaration creates an "Alternative Allocation" method by which certain "Special Costs" are shared between the developments. The costs attributable to the Residential Development are then shared among the Residential Unit Owners based on the Residential Class Common Interest (set forth in the attached Exhibit "A"). As such, the Residential Class Common Interest is not an ownership interest, but rather an interest used to calculate each Residential Unit Owner's share of the Residential Unit Class Expense. Exhibit "D" of the Declaration sets forth the Special Costs and Alternative Allocations shared between the Residential Development and the Commercial Development. The Alternate Allocation may not be amended without the consent of the Commercial Developer and Residential Developer (until the end of the Development Periods, then the Association).
6. Residential Managing Agent. The Developer, acting as the Association, has retained Hawaiiana Management Company, Ltd. as the physical manager for the Residential Development and the administrative and fiscal manager of the Project ("Residential Managing Agent"). The Commercial Developer will retain a manager to perform physical management of the Commercial Development ("Commercial Managing Agent"), or self-manage the Commercial Development. The Commercial Managing Agent is responsible for providing the Residential Managing Agent any documents necessary for filings required for the Association in accordance with Chapter 514B of the HRS. The Residential Managing Agent, in addition to physical management of the Residential Development, shall have the authority, subject to the provisions of the Declaration and Bylaws, to assume control and responsibility for the administration and fiscal management of the Project
7. Joint Development: Variance. The Project is subject to a conditional use permit (File No. 2005/CUP-23) dated April 5, 2005 ("CUP"), which was approved by the County, with conditions, for twelve (12) parcels including the Project lot. The CUP is attached hereto as Exhibit "O" for your review. The CUP allows separate adjoining lots, including the lot underlying the Project, to be treated as one (1) contiguous "lot" strictly for zoning purposes to allow for more efficient use of each individual lot, for example, including, but not limited to (i) the ability to freely divide the total allowable floor area allocation for the one contiguous "lot" among the individual lots and (ii) to treat the perimeter around the one contiguous "lot" as the "building envelope" rather than considering the perimeter of each individual lot as separate "building envelopes". According to the CUP, any violation of the CUP and the zoning regulations constitutes grounds for the County to revoke or suspend any building permits issued on the individual lots involved, and failure to maintain the development in accordance with the CUP shall constitute grounds for the County to revoke or suspend the CUP. Purchaser is hereby notified that violation of the CUP may occur as a result of events beyond Developer's control. For instance, the owner of one of the lots adjoining the Project may exceed the density allocated to it in its development which may cause all owners to exceed the maximum density allowed to the one (1) contiguous "lot" under the Land Use Ordinance ("LUO"), and be in violation of the CUP. The Residential Developer and Commercial Developer have a development agreement with the developer of the joint

development lots, which generally sets forth design limitations and specifications to ensure the Project stays within the total joint lot allowances.

The Project is subject to File No. 2005/VAR-31 (“Variance”) dated January 11, 2006, which permits the vehicular and pedestrian bridges connecting the Retail/Parking Structure to Ala Moana Shopping Center to encroach into required yards. The Developer makes no representation that if these bridges are destroyed, they will be able to be reconstructed as they currently exist. The Variance is attached hereto as Exhibit “P” for your review.

8. Easement for Encroachment. The Retail/Parking Structure currently encroaches onto the neighboring Lot 73. The owners of Lot 73 and Lot 74 entered into an Easement for Encroachment Agreement dated August 30, 2012 and recorded in the Office of the Assistant Registrar of the Land Court of the State of Hawaii as Document No. T-8337153 to address such encroachment and allow the encroachment to remain on Lot 73.
9. Kona Street Easement. By way of an easement agreement (Document No. 1121201), as amended, the Project has an access and utility easement over “Kona Street Parcels.” There is a cost sharing structure built into the agreement for maintenance and use of the easement; however, to date, there has not been any assessment of fees to the Project lot. Purchasers should be aware that the easement agreement provides that the Kona Street Parcels owner has the right to charge and collect such fees from the Association.
10. HHMK Development, LLC was Developer’s Agent; Now Manager. Pursuant to that certain Amended and Restated Pre-Development Agreement effective as of September 7, 2012 and entered into between Kapiolani Residential, LLC and HHMK Development, LLC, a Delaware limited liability company (“HHMK”), and among other parties, HHMK had authority, as the Developer’s Agent, to 1) act on the Developer’s behalf and take all actions necessary to obtain all building permits and other permits and approvals from all federal, state or local authority having jurisdiction over the Project, and any agency, department, commission, board, bureau or instrumentality of any of them required to commence construction of the Project in accordance with the construction plans and specifications approved by Developer and HHMK; 2) engage any qualified architects, engineers, consultants or other professionals that are required to complete the Project; provided that Developer has approved, in writing such architects, engineers, consultants or other professionals and the terms of the applicable engagement, in each case, prior to such engagement; 3) obtain, on behalf of Developer, all of the entitlements and all of the governmental permits and approvals required to commence the development and construction of the Project and 4) enter into an agreement or agreements to construct the Project with the licensed general contractor and obtain a payment and performance bond for the Project from the contractor in favor of Developer. HHMK is now the Manager of Kapiolani Residential, LLC.
11. Lot 73 and Unit C-1 Lease. The Land and improvements submitted to the condominium property regime are subject to the unrecorded lease dated June 15, 2005 (“2005 Lease”) by and between the Lot 73 Owner and Nordstrom, Inc. The Project shall be subject to the right, title and interests described in and created by the 2005 Lease including, without limitation, rights to use and occupy Unit C-1 and rights and obligations to insure or self insure the improvements that make up Unit C-1 and the requirements for reconstruction after damage or destruction and the rights and obligations in connection with any condemnation of Unit C-1 as set forth in the 2005 Lease, all of which shall take precedence over any conflicting provisions in the Project Declaration. During the term of the 2005 Lease, the lessee shall be considered the owner of the improvements that constitute Unit C-1. Notwithstanding the foregoing, the lessee shall not be considered an “Owner” for purposes of the Condominium Documents. Pursuant to the Project Declaration, plumbing, drainage lines or similar facilities shall be not be installed or placed over Unit C-1 (the “**Unit C-1 Air Rights Area**”), including within Unit C-1, and no construction or alteration of any improvements within the Unit C-1 Air Rights Area may be made without the express written

approval of the Lot 73 owner (lessor under the 2005 Lease) and the lessee and are subject to the approval of the Commercial Developer. Unit C-1 has appurtenant to it as Individual Commercial Limited Common Elements all of the Commercial parking stalls, except for stalls 2-A 01, as set forth in the Declaration. The Project Declaration further sets forth other instances in which the Lot 73 owner's and Lot 73 lessee's approvals are required and as such should be carefully reviewed.

12. Resident Manager Unit. The Residential Developer is the Owner of Residential Unit 601, which is initially intended to be used as the Resident Manager Unit. The Residential Developer may sell, pledge, lease, assign, convey, mortgage and/or transfer Unit 601 to a third party, including without limitation, the Association, in its sole discretion. Upon such conveyance, the Residential Developer does not guaranty, warranty or represent that Unit 601 will continue to be used as a Resident Manager Unit or be utilized to serve the Project or its Owners.
13. Sewer Connection. The Project has an approved sewer connection permit from the City and County of Honolulu for a permanent sewer connection to Kapiolani Boulevard.
14. Declaration of Easements and Covenants. Based on the Declaration of Easements and Covenants dated November 10, 2010 and recorded in said Office as Document No. 4015518, as amended by that certain Amendment dated August 30, 2012 and recorded in said Office as Document No. T-8337154 ("Declaration of Easements"), the prior owner of Lot 73 and Lot 74 (the Project lot) granted certain rights and easements to Lot 73 to benefit the Nordstrom property, lessee of Lot 73 (and burdening Lot 74), including, without limitation, the right, privilege and easement: (1) to use Commercial Parking Spaces and Common Area (as defined in the Declaration of Easements); and (2) to maintain, repair or reconstruct improvements upon Commercial Unit C-1. The easements and covenants set forth in the Declaration of Easements generally expire (a) when all easement(s) reserved in the Declaration of Easements are not used for a continuous period of three (3) years by the Declarant, or (b) when the Declarant determines such easement(s) and covenants are no longer useful, or the right to exercise the same will no longer be valuable to the Declarant.
15. Memorandum of Development Agreement. The Memorandum of Development Agreement dated November 1, 2010 ("Memorandum") summarizes certain provisions of the Development Agreement dated November 1, 2010 ("Development Agreement") entered into by and between Kapiolani Retail, LLC and Kapiolani Residential, LLC (the developer of the Project), which sets forth certain terms and conditions governing the Developer's development and construction of the Project, including without limitation, conditions precedent to the construction thereof. The Memorandum generally sets forth that (1) no mechanics' or materialmens' liens are permitted against the Commercial Units or Lot 73; (2) the Developer will not create, incur, assume, or suffer to exist, any lien upon or with respect to the Commercial Units, Ala Moana Shopping Center or Lot 73 during the construction of the Project; (3) any developer successor of the Commercial Units or the Project shall assume the obligations under the Development Agreement (other than a mortgagee) and (4) the Developer shall be permitted to transfer its interest in the Project or the Development Agreement to a party approved by the Owner, subject to the Development Agreement. The Development Agreement shall terminate upon completion of the Residential Units and the Residential Project.
16. Park Declaration. In connection with the development of the Project and pursuant to Rule 10 of the Park Dedication Rules and Regulations of the City and County of Honolulu, the Developer will enter into that certain Declaration of Restrictive Covenants (Private Park) to be recorded in said Office ("Park Declaration") to designate the area set forth in Exhibit B (located in the Project's Amenity Deck) of the Park Declaration exclusively for private park, playground and recreational purposes by the occupants, owners or lessees of the Project in perpetuity. The Park Declaration cannot be repealed, amended or altered in any way except by a majority vote of the

owners of units in the Project with the written approval of the Developer and the Director of Planning and Permitting of the City and County of Honolulu.

A. **LAYOUT AND FLOOR PLANS OF UNITS.** There are thirty-one (31) different Residential Unit types (including “reverse” types) and one Resident Manager Unit (Residential Unit 601). Of the thirty-one (31) Residential Unit types, four (4) types are Penthouse Units. Each type has the number of bedrooms and baths and the layouts depicted on the Condominium Map and described above. There are two (2) types of Commercial Units, including the retail Commercial Unit and the loading dock Commercial Unit. The Commercial Units do not have bedrooms or baths and the layouts of the Commercial Units are depicted on the Condominium Map.

B. **APPROXIMATE NET LIVING AREAS.** The approximate net living areas of the Commercial Units and the Residential Units are based on measurements taken from the interior surface of all perimeter walls, except that no reduction has been made to account for interior walls, ducts, vents, shafts, stairways and the like located within the perimeter walls.

C. **COMMON INTEREST.** The Common Interest for each of the two hundred and eight (208) Units (including both Commercial Units and Residential Units) in the Project is calculated based on dividing the approximate net living area of the Unit by the total net living area of all Units in the Project. In order to permit the Common Interest for all Units in the Project to equal exactly one hundred percent (100%), the Common Interest attributable to Residential Unit 601 was decreased by 0.00017%.

D. **COMMERCIAL CLASS COMMON INTEREST AND RESIDENTIAL CLASS COMMON INTEREST.** The Commercial Class Common Interest is calculated by the Commercial Developer in a fair and equitable manner. The Residential Class Common Interest is calculated based on dividing the approximate net living area of the Residential Unit by the total net living area of all Residential Units in the Project. In order to permit the Residential Class Common Interest to equal exactly one hundred percent (100%), the Residential Class Common Interest attributable to Residential Unit 601 was decreased by 0.000007%.

E. **PARKING STALLS, STORAGE ROOMS AND STORAGE LOCKERS.** Each Residential Unit has as an Individual Residential Limited Common Element or as Individual Residential Limited Common Elements the parking stall(s) identified above. Other numbered parking stalls (including guest parking stalls) not otherwise identified as Individual Residential Limited Common Elements above in the Residential Development are described in Exhibit E as being appurtenant to Residential Unit 601 and all storage rooms and storage lockers identified on the Condominium Map are Individual Residential Limited Common Elements appurtenant to Residential Unit 601. The Residential Developer has the reserved right to redesignate such parking stalls, storage rooms and storage lockers currently designated as Individual Residential Limited Common Elements appurtenant to Residential Unit 601 to other Residential Units in the Project as Individual Residential Limited Common Elements appurtenant to such Residential Units.

F. **PENTHOUSE UNITS; LANAIS AND ROOF TERRACES.** Residential Unit types GPH A, GPH A-R and GPH B and GPH B-R each have Individual Residential Limited Common Element Lanais and Roof

Terraces as depicted on the Condominium Map and as set forth below. The approximate areas of such Lanais and Roof Terraces in square feet are further described as follows:

	<u>Lanai Area</u>	<u>Roof Terrace Area</u>
GPH A/GPH A-R	Approx. 426	Approx. 1,458
GPH B/GPH B-R	Approx. 173	Approx. 1,935

\* See Condominium Map for depiction and location of parking stalls.

Non-conforming stalls noted with "N" on the Condominium Map are not considered parking stalls that meet County parking stall requirements.

Stall No. 4147, as depicted on the Condominium Map, is a legal sized parallel stall. It meets the County requirements for parking stalls.

Although stalls 4448, 4449 and 4450 are included in the parking stall counts, they are currently intended for use as surfboard storage. The Developer has the right to change the use and use them as parking stalls.

### PERMITTED ALTERATIONS TO RESIDENTIAL UNITS

Capitalized terms have the same meaning ascribed to such terms in the Declaration.

A. **IN GENERAL.** The provisions of the Declaration apply, except as otherwise provided by the federal Fair Housing Act (42 U.S.C. Sec. 3601 et seq.), as amended by the Fair Housing Amendments Act of 1988, and the rules and regulations adopted under it, as either of them may be amended from time to time and except as otherwise provided in the Declaration. The provisions herein do not apply to changes made by the Commercial Developer when exercising the Commercial Developer's Reserved Rights or to changes made by the Residential Developer when exercising the Residential Developer's Reserved Rights. Neither the Association nor any Owner may make any structural change or addition to the General Common Elements, Units, or the Limited Common Elements that is different in any material respect from the Condominium Map, except pursuant to any requisite vote by the Association and amendment of the Declaration, or as otherwise set forth herein or in the Bylaws. Any such restoration, replacement, construction, alteration or addition must be made in accordance with complete plans and specifications that are first approved by the Board in writing. Promptly after the work is completed, the Association, the Commercial Developer, the Residential Developer or the Unit Owner must record the amendment along with any necessary changes to the Condominium Map. This Section does not apply to "**nonmaterial structural additions to the Common Elements**" as that term is used in Section 514B-140 of the Act. Nothing in this Section 1) authorizes any work or change that would jeopardize the soundness, safety or structural integrity of any part of the Project or Lot 73; 2) authorizes any work or change by a Residential Unit Owner that would materially change the uniform external appearance of the Project without the approval of the Board; 3) authorizes any work or change by the Board or the Residential Developer that would materially change the exterior skin of the Residential Development without the approval of the Commercial Developer; 4) prohibits the Board from making or requiring that an Owner make changes within any Unit or Limited Common Element as needed to comply with the fire code and all other laws that apply to the Project.

B. **BY RESIDENTIAL UNIT OWNERS OR RESIDENTIAL DEVELOPER.** Owners of Residential Units are not allowed to change or cause a change to the exterior skin of the Residential Units, or the Residential Class Limited Common Elements, or Individual Residential Limited Common Elements without the prior written approval of the Board pursuant to Section X.H of the Declaration. During the Development Period (as set forth in the Declaration), however, the Association's and the Board's approval to any such change to the exterior skin of any Residential Unit, Residential Limited Common Element or Individual Limited Common Element shall be subject to Commercial Developer's approval. The Residential Developer, in its exercise of its Residential Developer Reserved Rights, shall not require the approval of the Board.

Each Residential Unit Owner has the right, subject to the terms and provisions in the Condominium Documents and Board approval, which shall not be unreasonably withheld or delayed, to make any of the following changes, additions and improvements solely within the Owner's Residential Unit or within Individual Residential Limited Common Elements that are appurtenant to such Residential Units at the Owner's sole cost and expense:

1. To install, maintain, remove and rearrange non load-bearing partitions and walls from time to time within the perimeter walls of the Residential Unit; provided that the Residential Unit Owner shall not have the right to enclose all or any portions of any exterior lanai;

2. To finish, change or substitute any plumbing, electrical or other fixtures attached to the ceilings, floors or walls, as appropriate, for the use of the Residential Unit or Individual Residential Limited Common Element, (subject to applicable approvals required by Section XXXV of the Declaration to the extent such changes are located within the Unit C-1 Air Rights Area and constitute a Plumbing Installation);

3. To make such changes, additions and improvements to the Residential Unit or appurtenant Individual Residential Limited Common Element to facilitate handicapped accessibility within the Residential Unit or Individual Residential Limited Common Element;

4. To consolidate two (2) Residential Units owned by the same Owner, provided that any intervening walls removed are not load-bearing or structural walls, and to install doors and other improvements in the intervening wall and/or make other reasonable additions. The Residential Unit Owner must ensure that the structural integrity of the Residential Unit, Limited Common Elements and the building will not be adversely affected; the finish of the remaining Common Element improvements are restored to substantially the same condition as prior to removal; and all construction activity is completed within a reasonable time.

The Residential Unit Owner's right to alter the Unit is subject to the approval of the Board, as set forth in Section X.H of the Declaration.

\* \* \* \* \*

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL RESTRICTIONS ON ALTERATIONS TO UNITS CONTAINED IN THE DECLARATION, BYLAWS AND HOUSE RULES ("COLLECTIVELY, CONDOMINIUM DOCUMENTS"). WHILE THIS SUMMARY IS A GENERAL SUMMARY OF THE RIGHTS AND OBLIGATIONS UNDER THE CONDOMINIUM DOCUMENTS, PURCHASER MUST REFER TO THE DECLARATION, BYLAWS AND HOUSE RULES TO DETERMINE THE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PROJECT DOCUMENTS, THE CONDOMINIUM DOCUMENTS WILL CONTROL.

This Section shall not be considered a representation and/or warranty of the Residential Developer that any or all of the Recreational Amenities will be built, located on the Recreation Deck, and/or offered to Owners, or that Recreational Amenities will be built at all. This Section shall not be terminated or amended without the prior written approval of the Residential Developer, to the extent permitted by applicable law.

The Residential Developer and its Representatives, as guests, (as approved by the Residential Developer) shall have the reserved right to utilize the Recreational Amenities in the Project in the same manner as an "Owner" in the Project, subject to the Declaration and the House Rules for a period of ten (10) years from the execution of the Declaration; provided that 1) no more than twenty (20) persons, as periodically designated by the Residential Developer, at its discretion, shall be allowed to exercise this use right at any one time and 2) the Residential Developer shall pay the Association an equitable fee of three hundred dollars (\$300.00) per year per person designated that year, with the right of substitution, up to the maximum of twenty (20) designee spots at any one time, for use of the Recreational Amenities. ### SUMMARY OF PURCHASE AGREEMENT AND DEPOSIT RECEIPT

Capitalized terms have the same meaning as ascribed to such terms in the Purchase Agreement & Deposit Receipt ("Purchase Agreement").

The specimen Purchase Agreement, filed with the State of Hawaii Real Estate Commission, provides for, among other things, a description of the Unit to be sold, the purchase price, the closing costs, the time, manner and place of payment, the Purchaser's obligations regarding financing, the Seller's warranties and disclaimers regarding the Condominium Map and the Project, and the remedies of the Seller and of the Purchaser in the event of a default under the Purchase Agreement.

Among other provisions the specimen Purchase Agreement provides:

1. Prior to execution of the Purchase Agreement, Purchaser shall receive: (i) a true copy of the Public Report for the Project, either personally or by registered or certified mail with return receipt requested, and the Notice of Right to Cancel advising Purchaser of Purchaser's right to cancel the Purchase Agreement, the delivery of which is required by Hawaii Revised Statutes, Section 514B-86, and (ii) a copy of the Federal Property Report. Purchaser shall also have been given an opportunity to read said report(s).

2. Purchaser may cancel the Purchase Agreement within thirty (30) days of Purchaser's receipt of the Public Report. It is understood that Purchaser may, at any time after Purchaser's receipt of the Notice of Right to Cancel, waive Purchaser's right to cancel the Purchase Agreement. If Purchaser shall fail to execute the Notice of Right to Cancel within thirty (30) days of Purchaser's receipt of the Public Report, Purchaser shall be deemed to have waived Purchaser's right to cancel the Purchase Agreement (by Purchaser's failure to give said written notice of cancellation). The conveyance of the Unit to the Purchaser within the thirty (30)-day period referenced above shall also be treated as a waiver by Purchaser of Purchaser's right to cancel the Purchase Agreement.

3. Notwithstanding the foregoing, pursuant to the federal Interstate Land Sales Full Disclosure Act, Purchaser shall have the option to cancel the Purchase Agreement by notice to the Seller until midnight of the seventh (7<sup>th</sup>) day following the signing of the Purchase Agreement by Purchaser. If Purchaser does not receive a federal Property Report prepared pursuant to the rules and regulations of the federal Consumer Financial Protection Bureau, in advance of Purchaser signing the Purchase Agreement, the Purchase Agreement may be cancelled by Purchaser for two-years from the date of signing by Purchaser. The foregoing seven (7) day rescission period provided pursuant to the federal Interstate Land Sales Full Disclosure Act shall commence upon Purchaser's execution of this Purchase Agreement and may run concurrent with the thirty (30)-day rescission period provided pursuant to Hawaii law, as discussed above.

4. If the Purchase Agreement shall become binding prior to the completion of construction, the Purchase Agreement shall provide a Completion Deadline for Seller's completion of the Project. If the Project is not completed by the Completion Deadline, Purchaser may cancel his or her Purchase Agreement at any time thereafter.

5. The Seller has entered into an Escrow Agreement, summarized in Exhibit "K" herein, with Title Guaranty Escrow Services, Inc. ("Escrow"), covering the deposit with Escrow of all funds paid by the Purchaser under the Purchase Agreement and the disbursement of the funds by Escrow. Escrow may charge a cancellation fee on account of escrow services performed not to exceed \$250.00.

6. The Purchase Agreement requires the Purchaser to pay the Total Purchase Price by a series of payments prior to Closing, including an initial payment when Purchaser signs the Purchase Agreement, a second deposit and a third deposit. Purchaser shall then deposit the remaining balance due on the Date of Pre-Closing or four (4) business days prior to the Scheduled Closing Date, subject to loan requirements set forth in the Purchase Agreement.

7. Before expiration of Purchaser's Rescission Period, Purchaser must submit to Seller a Qualification Letter, in form and content acceptable to Seller (in Seller's sole discretion), issued by Qualification Agent. Purchaser understands and accepts that only a Qualification Letter issued by a Qualified Agent approved and designated by Seller shall comply with the requirements set forth in this Agreement.

8. If purchaser is obtaining mortgage financing, Purchaser represents and understands that Purchaser is solely responsible for taking all necessary and appropriate steps as requested from time to time by (A) Qualification Agent or (B) a lender arranged for, by or through Qualification Agent or (C) selected by Purchaser to obtain financing. The lender selected for mortgage financing shall be the "Buyer's Permanent Lender." The Buyer's Permanent Lender shall complete the process of applying for and obtaining the required mortgage loan to pay for the designated portion of the Purchase Price to be paid by mortgage loan proceeds ("Buyer's Permanent Loan"), as set forth in the Purchase Agreement.

9. PURCHASER'S OBLIGATIONS UNDER THE PURCHASE AGREEMENT ARE NOT CONTINGENT OR CONDITIONED ON PURCHASER'S ABILITY TO SECURE FINANCING FROM A MORTGAGE LENDER OR ON PURCHASER'S ABILITY TO SELL PURCHASER'S CURRENT RESIDENCE OR ANY OTHER PROPERTY OR ASSETS OR ON OBTAINING A DESIRED INTEREST RATE. The sale and purchase of the Unit is not contingent upon Purchaser's ability to retain the interest rate quoted at the time of approval of the Qualification Letter or Purchaser's Permanent Loan, and Purchaser will be required to pay the interest charged by Purchaser's Permanent Lender at the Close of Escrow (as defined in Paragraph 9(a) of the Purchase Agreement). No financing by Seller of any portion of the Purchase Price is available.

10. The Purchase Agreement provides that Purchaser may earn interest on Purchaser's deposits, pursuant to the requirements and limitations as set forth in the Purchase Agreement.

11. Purchaser's obligations under the Purchase Agreement are not contingent or conditional on Purchaser's ability to secure financing from a mortgage lender or on Purchaser's ability to sell Purchaser's current residence or any other property. Financing by Seller of any portion of the Total Purchase Price is not available.

12. The Purchase Agreement provides that Purchaser will pay a non-refundable, non-transferable "start-up" fee for the Association of Unit Owners in an amount of two (2) month's estimated maintenance fees for the Unit; plus one (1) month's estimated maintenance fees for the Unit as an advance payment for the initial month's maintenance fees payable by a Unit Owner. These start-up fees are one-time assessments at Closing and are not advance payments of common expenses or assessments, and shall be in addition to the normal monthly assessments. In addition, Purchaser is responsible for all closing costs in connection with this sale, including, without limitation, any mortgages and other financing documents and all costs related to obtaining and preparing the same, the cost of drafting the conveyance document, all acknowledgment fees, all recording fees, the title insurance premium, one-half (½) of the escrow fee, and the applicable conveyance taxes and all other applicable taxes. Seller will pay for one-half (½) of the escrow fee.

13. Regardless of the status of construction of the Project and in order to accommodate a bulk closing or series of bulk closings of the Units by Seller, Seller intends to pre-close a bulk number of units from time to time, upon not less than ten (10) calendar days' prior written notice to Purchaser (the "Seller's Pre-Closing Notice") which will establish a date on or about sixty (60) calendar days prior to the then Scheduled Closing Date (the "Date of Pre-Closing") by which all documents necessary for closing shall be executed and deposited with Escrow. Seller's Pre-Closing Notice may establish a schedule with differing dates for certain requirements for the pre-closing to be met by Purchaser. Purchaser shall execute all necessary documents for such pre-closing, including irrevocable escrow instructions, and deposit the same with Escrow no later than the date specified in Seller's Pre-Closing Notice, and Purchaser further agrees to pay into Escrow all sums due from Purchaser at closing, excluding only Buyer's Permanent Loan proceeds, if applicable, upon the date specified in Seller's Pre-Closing Notice.

14. Purchaser or Purchaser's agent shall inspect the Unit on a date and at a time specified by Seller in a written notice to Buyer. Upon completion of such inspection, Buyer agrees to sign or to cause its agent to sign an inspection sheet to be furnished by Seller or the contractor which shall list all defects or damages to the Unit, if any. If Buyer or its agent does not inspect the Unit, Buyer hereby appoints the Architect, or Seller or any agent of Seller, to so inspect the Unit and to execute said inspection sheet on behalf of Buyer. Buyer agrees to accept possession of

the Unit despite the existence of defects or damages to the Unit, including appliances, which do not render the Unit uninhabitable, so long as Seller agrees to correct or repair legitimate defects or damages based on Seller's evaluation within a reasonable time thereafter.

15. The Purchase Agreement provides that it shall not be construed as a present transfer of any rights or of any interest in the Unit, but rather states that it is an agreement to transfer in the future. By execution of the Purchase Agreement, the Purchaser agrees to waive, relinquish and subordinate the priority or superiority of any lien or other legal or equitable interest arising under the Purchase Agreement in favor of the lien or charge on the Project of the security interests of the Lender, including but not limited to any lien, mortgage or charge securing a loan made to finance the acquisition of the land and the costs of construction (if applicable) and any and all advances therefore until the filing of the Unit Deed.

16. The Purchase Agreement generally provides that it may not be assigned by Purchaser. See Purchase Agreement for definition of what constitutes an "assignment." Any assignment of the Purchase Agreement is void and of no legal effect. Notwithstanding the foregoing, Purchaser may assign its rights under the Purchase Agreement to affiliated entities for estate planning purposes without the consent of Seller, provided that any such assignment shall not release Purchaser from its obligations under the Purchase Agreement. In the event that Purchaser decides to make such an assignment for estate planning purposes, Purchaser shall provide written notice thereof to Seller at least fifteen (15) days prior to the Closing Date, as defined in the Purchase Agreement, and shall provide to Seller copies of such documents as Seller, in its sole and absolute discretion, deems necessary to complete Closing.

17. The Purchase Agreement provides that any dispute by or between Seller and Purchaser arising out of or incident to the Purchase Agreement, or the development or management of the Project, the sale of the Unit or the use or occupancy thereof, or any other aspect of the relationship between Seller and Purchaser regarding the Project which is raised or otherwise asserted after Closing shall be submitted to mediation and, if necessary, to arbitration in accordance with the terms, conditions and procedures set forth in the Purchase Agreement. The Purchase Agreement also provides that any dispute by or between Seller and Purchaser arising out of or incident to the Purchase Agreement that is raised or otherwise asserted before Closing need not be submitted to arbitration, and Seller and Purchaser shall be free to pursue such dispute, as otherwise provided herein, in proceedings in a court of competent jurisdiction, provided that any judicial proceedings initiated shall be conducted in Honolulu, Hawaii.

\* \* \* \* \*

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS OR DISCLOSURES CONTAINED IN THE PURCHASE AGREEMENT. THE PURCHASE AGREEMENT CONTAINS OTHER DISCLOSURES ABOUT THE CHANGES THAT MAY BE MADE BY DEVELOPER IN THE PROJECT AND ABOUT OTHER ITEMS AFFECTING ENJOYMENT AND USE OF THE PROJECT. AS SUCH, THIS SUMMARY IS A GENERAL SUMMARY OF SOME OF THE PURCHASER'S RIGHTS AND OBLIGATIONS UNDER THE PURCHASE AGREEMENT, PURCHASER MUST REFER TO THE PURCHASE AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE AGREEMENT, THE PURCHASE AGREEMENT WILL CONTROL.

### SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement for the Project dated September 17, 2012 ("Agreement"), as amended, contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. As and when Seller shall enter into a Purchase Agreement & Deposit Receipt ("Purchase Agreement") for the conveyance of a Unit or other interest in the Project, it shall require the payments of deposits due thereunder to be promptly made to Escrow. Seller shall deliver an executed copy of the Purchase Agreement to Escrow together with the name(s) and address(es) of the purchaser as noted on the Reservation Agreement or Purchase Agreement or otherwise as updated by the purchaser with Seller as being purchaser's last known address.

B. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under the Purchase Agreement, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from purchasers or prospective purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A and/or Chapter 514B of the Hawaii Revised Statutes, as applicable ("Act"). All monies received by Escrow shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in a trust fund with a bank, savings and loan or trust company authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement.

C. Any interest earned on funds deposited in escrow under this Agreement shall accrue as specified in the Purchase Agreement. If the Purchase Agreement does not specify to whom interest is to accrue, any interest earned on funds deposited in escrow under this Agreement shall accrue to the credit of the purchaser. Escrow shall not be liable to either Seller or any purchaser for loss or diminution in funds invested in accordance with instructions given to Escrow. If the Purchaser requests that a separate account be established for the purchaser, the purchaser shall furnish to Escrow the purchaser's social security number or federal identification number and the purchaser shall pay Escrow a fee of \$25.00 for such separate account.

D. Notwithstanding anything contained in the Agreement to the contrary, Escrow shall make no disbursements of purchasers' funds or proceeds from the sale of such units (including any payments made on loan commitments from lending institutions), except by way of refunds thereof, until the Commission has issued an effective date for the Public Report for the Project under Chapter 514B, Seller has provided a letter to Escrow stating (a) that the Purchase Agreements have become binding under the provisions of Section 514B-86 of the Act, (b) that there have been no material changes to the Project that would give purchasers a right to rescind under Section 514B-87 of the Act, and (c) that Seller waives any option reserved in any Purchase Agreement in favor of Seller to cancel the Purchase Agreement.

E. Purchasers' funds may be used for construction and other allowable expenses as identified below prior to closing pursuant to Section 514B-92 of the Act, provided that binding contracts exist under which such funds have been deposited into escrow, and said expenses are approved for payment by Seller and the project lender or an otherwise qualified, financially disinterested person. If such funds are to be used for construction prior to closing, the funds shall be taken from all purchasers under binding Purchase Agreement for the building in which said purchaser's unit is located and shall be disbursed by Escrow upon the submission of bills therefor, and upon direction to do so from Seller from time to time to pay for:

(a) Construction costs of the buildings and improvements in proportion to the valuation of the work completed by the contractor in accordance with the contract documents, as certified by a registered architect or engineer;

(b) Architectural, engineering, and interior design service fees in proportion to the services performed within each phase of services;

(c) The costs of purchasing furnishings and fixtures for the units; and

(d) Finance and legal fees, and other incidental expenses of constructing the units or developing the Project.

Any funds remaining shall not be disbursed until construction of the Project has been completed (or until construction of the particular unit being conveyed has been completed, to the extent that Chapter 514B permits such disbursement) and Escrow receives satisfactory evidence that all mechanics' and materialmen's liens have been cleared (or, to the extent permitted by Chapter 514B, have been dealt with in such a fashion as to avoid non-compliance with Section 514B-45 of the Act), unless sufficient funds have been set aside for any bona-fide dispute.

F. Each purchaser shall be entitled to a return of his or her funds, without interest, except as provided below, and Escrow shall pay such funds to such purchaser, promptly after request for return by the purchaser, if one of the following has occurred:

(a) Seller and purchaser shall have requested Escrow in writing to return to purchaser the funds of purchaser held hereunder by Escrow; or

(b) Seller shall have notified Escrow of purchaser's exercise of a purchaser's right to cancel the Purchase Agreement pursuant to HRS §514B-86 (thirty-day right to cancel); or

(c) Seller shall have notified Escrow of Seller's exercise of the option to cancel or rescind the Purchase Agreement pursuant to any right of cancellation or rescission provided therein or otherwise available to Seller; or

(d) Purchaser or Seller shall have notified Escrow of purchaser's exercise of purchaser's right to cancel the Purchase Agreement to HRS §514B-89 (failure to complete construction before specified completion deadline); provided that Escrow shall first verify with Seller that Seller has not extended the completion deadline by reason of *force majeure*; or

(e) Purchaser or Seller shall have notified Escrow of purchaser's exercise of purchaser's right to rescind the Purchase Agreement pursuant to HRS §514B-87, by a valid rescission signed by all purchasers of the affected unit and postmarked no later than midnight of the thirtieth calendar day after the date that the purchasers received the notice of rescission from Seller, in which case the purchasers shall be entitled to a prompt and full refund of any moneys paid.

Upon the cancellation or rescission of any Purchase Agreement, as specified above, Escrow shall be entitled to a cancellation fee commensurate with the services rendered by Escrow prior to such cancellation, plus all costs incurred, up to a maximum of \$250.00. Notwithstanding anything in the Agreement or in any Purchase Agreement provided to the contrary, said cancellation fee shall be the sole expense of the purchaser and shall not in any way be the obligation of Seller, unless the purchaser rescinds the Purchase Agreement pursuant to HRS §514B-87, whereupon Seller shall pay such fee. Seller further understands and acknowledges that in the event of a rescission by the purchaser under HRS §514B-87, if Seller required the purchaser to secure a financing commitment, the purchaser shall be entitled to reimbursement from Seller (and not from Escrow) of any fees incurred by the purchaser in securing that financing commitment required by Seller. No refund shall be made to a purchaser at the purchaser's request prior to receipt by Seller of written notice from Escrow of Escrow's intent to make such refund. Escrow receives a written request from Seller to return to the purchaser the funds of the purchaser then being held hereunder by Escrow;

G. Except as otherwise provided by law, Escrow shall give each purchaser entitled to a return of his or her funds notice thereof by registered, certified, or regular mail, postage prepaid, addressed to such purchaser at his or her address shown on the Purchase Agreement or any address later made known to Escrow by such purchaser.

If such purchaser shall not have claimed such refund, Escrow shall escheat such unclaimed funds pursuant to HRS §523A-3.5. Escrow shall thereupon be released from further liability hereunder with respect to such funds and such purchaser.

H. Seller shall give notice in writing to Escrow of the occurrence of each event that initiates an obligation of a purchaser to make a payment to Escrow pursuant to the Purchase Agreement as well as notice of the amount and due date of such payment. If the purchaser fails to make such payment to Escrow on or before the due date thereof or if the purchaser fails to perform in any matter that is being handled by Escrow, Escrow shall promptly notify Seller of any such failure on the part of the purchaser. If Seller subsequently certifies in writing to Escrow that Seller has terminated the Purchase Agreement contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination and proof of receipt sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's Purchase Agreement as funds of Seller and not as funds of the purchaser. Thereafter, such funds shall be free of the escrow established by this Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller, less any escrow cancellation fee. Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.

  - (D) Disposition of Appeal. The Board shall vote as to whether the fine or penalty shall be affirmed. If a majority of those present vote in the affirmative, the fine or penalty shall stand and shall be remitted by the offender in full within seven (7) days of the date of such meeting. If less than a majority of those present vote in the affirmative, then the fine or penalty shall thereby be rescinded. The Board, however, cannot act unless a quorum is present and the meeting is held as provided in the Bylaws.

Dear Mr. Striph:

Subject: Condominium Conversion Project  
1555 Kapiolani Boulevard  
Tax Map Key: 2-3-040: 022

This is in response to your letter dated June 15, 2011, requesting verification that the structure on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the six-story retail/parking structure with 1,273 parking spaces and two loading stalls met all applicable code requirements when it was constructed in 2007 on this 95,725-square-foot BMX-3 Community-Business-Mixed-Use-District-zoned lot.

Investigation also revealed the following:

1. On April 5, 2005, a joint development (File No. 2005/CUP-23) was approved with conditions for twelve parcels: TMKs 2-3-038: 001, 003, 006, and 007; 2-3-039: 001; and 2-3-040: 005, 007, 009, 011, 014, 016 and 018. All lots identified in the joint development shall be considered to be one zoning lot.
2. On January 11, 2006, a variance (File No. 2005/VAR-31) was approved with conditions to allow various structures, including a parking garage and vehicular and pedestrian bridges, to encroach into required yards and increase nonconformity.
3. On July 27, 2007, a subdivision (File No. 2007/SUB-73) was granted approval for designation of Easement W-1 (for waterline purposes in favor of the Board of Water Supply) affecting Lots D-1 and D-2 of Ala Moana Center as shown on DPP File No. 1998/SUB-539.

4. On June 29, 2007, a subdivision (File No. 2007/SUB-74) was granted approval for designation of Easement W-2 (for waterline purposes in favor of the Board of Water Supply) affecting Lot 39 as shown on Map 2 of Land Court Consolidation 20.

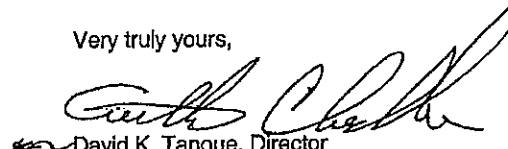

For your information, the Department of Planning and Permitting cannot determine all legal nonconforming uses or structures, as a result of the adoption or amendment of any ordinance or code.

No other variances or other permits were granted to allow deviations from any applicable codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

If you have any questions regarding this matter, please contact Alex Sugai of our Commercial and Multi-Family Code Enforcement Branch at 768-8152.

Very truly yours,

David K. Tanoue, Director

**SUMMARY OF LIMITED WARRANTY UNIT DEED, ENCUMBRANCES AND  
RESERVATIONS OF RIGHTS WITH POWER OF ATTORNEY  
ONE ALA MOANA**

Capitalized terms have the same meaning ascribed to such terms in the Unit Deed.

The specimen Limited Warranty Unit Deed, Encumbrances and Reservations of Rights with Power of Attorney One Ala Moana ("Deed" or "Unit Deed") contains among others, the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. The premises conveyed comprises a portion of One Ala Moana condominium property regime situate at the City and Honolulu of Honolulu, State of Hawaii.

B. The Seller is the lawful owner of the fee simple interest in the Residential Unit and the rights to be transferred to the Purchaser; the same are free and clear of and from all encumbrances except as identified in the Deed and except for the lien of real property taxes not yet by law required to be paid; the Seller has good right and title to sell and convey said real property in the manner set forth in the Deed; and the Seller will WARRANT AND DEFEND the same unto the Purchaser forever against the lawful claims and demands of all persons, except as mentioned in the Deed.

C. Purchaser agrees, for the benefit of all other owners of the other Units in the Project, to at all times observe, perform, comply with and abide by all of the covenants, agreements, obligations, conditions and other provisions set forth in the Declaration, the Bylaws and the House Rules, as any of the same exist or may hereafter be amended in accordance with law, and accepts and approves of the Declaration, Bylaws and House Rules.

D. Purchaser agrees and consents to the exercise by Seller of any of its reserved rights set forth in the Deed and in the Declaration, and Purchaser agrees to sign such documents and do such things as may be required to permit Seller to exercise those reserved rights, including the signing, delivery and filing of all documents which may be necessary. Purchaser appoints Seller as Purchaser's "attorney-in-fact" which means that Seller can act for Purchaser or on Purchaser's behalf, with "full power of substitution," which means that someone else may take Seller's place to sign, deliver and file all documents and to do all things on Purchaser's behalf, which grant of authority, being coupled with an interest, means that the Seller has an interest beyond just in the power Purchaser is giving, cannot be revoked by Purchaser for the term of the reserved rights, and will not be affected by Purchaser's disability.

Date

- B. Proposal: To allow various structures, including a parking garage, and vehicular and pedestrian bridges, to encroach into required yards and increase nonconformity.

The applicant proposes to expand the existing *Ala Moana Shopping Center* by adding a new retail store (*Nordstrom's*) and other related improvements. See Exhibit A-3. Portions of the new development have frontage along Kona Street, which is a private roadway that is considered a "street" for zoning purposes, because it serves more than two (2) zoning lots. See Exhibit A-1.

A minimum five (5)-foot front yard is required along both sides of Kona Street, which is an internal roadway that is part of the same zoning lot as the shopping center and the property where the new store will be built. See Exhibit A-2. The structures will encroach a maximum of five (5) feet into the five (5)-foot mauka front yard at ground level for a span of about 390 feet. The structures will also encroach a maximum of five (5) feet into both the mauka and makai five (5)-foot front yards at the Mall-level (Level 2), and Upper-levels 3 ("retail level") and 4 ("restaurant level"). On the mauka side, the building span is about 175 feet; on the makai side, it is about 210 feet. See Exhibits A-5 through A-8, and B-1 through B-6.

The encroachments, between Keeaumoku Street and the west-side of the *Ala Moana Pacific Center* building, include a new parking structure for the *Nordstrom's* building, a pedestrian promenade at the 20- and 36-foot levels; and, vehicular bridges at the 20- and 40-foot levels above Kona Street connecting the two (2) parking structures (existing and new). See Exhibit B-7. The request will also increase the extent of yard encroachments on the site, thereby increasing nonconformity.

- C. Variance Required: Land Use Ordinance (LUO) Sections 21-3.120-2(b) [Table 21-3.4], 21-4.30(a) and 21-4.110(b)(3), relating to yard and nonconformity regulations.
- D. Applicant's Justification: The applicant provided justification statements which are part of the file.

## II. FINDINGS OF FACT

On the basis of the evidence presented, the Director has found:

- A. Description of Site and Surrounding Uses: The 62.28-acre site has an irregular shape, and is developed with a large regional shopping center complex and various other commercial buildings and uses. See Exhibit A-1. Some of the existing structures are internally connected by bridges across Kona Street. The site includes portions of four (4) streets, including Kona Street, which is an 80-foot-wide private roadway with two-way traffic that runs from Piikoi Street to Atkinson Drive. Kona Street has three (3) vehicular outlets to Kapiolani Boulevard via Kona Iki, Keeaumoku and Mahukona Streets (Mahukona Street is also a private roadway that is part of the same zoning lot). See Exhibits A-1 and A-2.

The surrounding neighborhood is in mixed use, consisting of low- to high-rise buildings devoted primarily to commercial uses and multi-family dwellings. There is also a major public park (*Ala Moana Beach Park*) to the south across Ala Moana Boulevard; and, there is a nonconforming hotel (*Ala Moana Hotel*) to the east across Mahukona Street, which is connected to the site by a bridge.

- B. Nonconformities or Irregularities: Portions of the existing shopping center (parking lots and structures, and access ramps and bridges) encroach into the five (5)-foot front yards along both sides of Kona Street. The structures were allowed as part of the shopping center developments in the 1960s. About 1969, a bridge over Kona Street was constructed between the shopping center's mall-level and the *China House* restaurant. In 1970, construction of the Ala Moana Hotel included a bridge across Mahukona Street between the shopping center and the hotel. In 1983, construction of the *Ala Moana Pacific Center* also included a bridge across Kona Street to the shopping center.

The unified development of some of the lots and private roads associated with the site was considered a nonconforming joint development prior to a recent approval of a conditional use permit. See Part C-1 of "Other Permits and Approvals," below.

C. Other Permits and Approvals:

1. Conditional Use Permit: A conditional use permit (No. 2005/CUP-23) was approved on April 5, 2005, for the joint development of the 12 parcels (32 lots) that comprise the site.
2. Building Permits: The development associated with the proposal would require building permits.

- D. Public Hearing Comments: The applicant (Mr. Jeff Dinsmore) and his agent (Mr. Keith Kurahashi) spoke in support of the request. The agent noted that the proposed development is permitted by the zoning, except for the front yard encroachments along Kona Street. The proposed design offsets the Kona Street encroachment by providing a 10- to 14-foot setback along Kapiolani Boulevard, and a 6-foot setback along Keeaumoku Street whereas the required setback is only five (5) feet. He explained that the additional setback along Kapiolani Boulevard is specifically intended to facilitate the retention of "significant" street trees (monkeypods) along that major corridor. He said it was only the parking structure portion of the new building that would encroach into the Kona Street front yard at ground level. Further, the store portion of the new building would be set back 13 feet from the Kona Street right-of-way, and would also be well landscaped. The agent indicated that the proposed design promotes better off-street parking and traffic circulation; and, the applicant has a right to convenient access between the various parts of the jointly developed zoning lot; i.e., it is a "reasonable use."

The agent stated that the site and the regional shopping center are unique in many ways. He said, like other joint developments, the site, including the *Ala Moana Shopping Center* and other uses and structures, functions as an integrated complex. There are no similar regional shopping centers in the area; and, no other site which could seek the same kind of variance. The zoning lot is large, and includes private "streets." He suggested that Kona Street functions more as an internal alley than as a street, which facilitates circulation within and around the site. There are existing bridges between the shopping center and several abutting lots. The site of the planned store is affected by three (3) street frontages: Kapiolani Boulevard, Keeaumoku Street, and Kona Street; so, it is affected by three (3) front yard requirements. The yard encroachments are similar to existing encroachments on the site, and will not be readily visible from outside the site.

The applicant added that the Ala Moana/Kakaako Neighborhood Board No. 11 had been briefed concerning the request; and, it expressed no concerns.

There was no other testimony given.

### III. ANALYSIS

- A. The Director may grant a variance upon the ground of unnecessary hardship if the record shows that (1) the applicant would be deprived of the reasonable use of such land or building if the provisions of the zoning code were strictly applicable. The proposed store and related developments are considered retail uses, which are permitted principal uses in the BMX-3 District. The applicant indicates that the proposed encroachments into the Kona Street front yards would permit an optimal design solution; that is, it would help to maintain established street trees along Kapiolani Boulevard and improve the quality of internal circulation (both pedestrian and vehicular) on the site. Having the applicant close Kona Street, a private roadway owned by the applicant, in whole or in part would be an unnecessary hardship to the applicant and also to the public in general.

The LUO defines a street as "*any public right-of-way for vehicle purposes or a private right-of-way for vehicle purposes, which provides access to more than two zoning lots.*" Kona Street is a private right-of-way for vehicle purposes, and it provides access to more than two (2) zoning lots. Therefore, it must be considered a street for zoning purposes. However, between the *Ala Moana Building* on the ewa-side of Keeaumoku Street and the diamond head-side of the *Ala Moana Pacific Center* building, Kona Street is bounded on both sides by a "single" zoning lot that was formed by the approved joint development. See Exhibits A-1 and A-2. In essence, this means that within the area of the planned development, Kona Street provides access to only one (1) zoning lot, which also happens to be the same zoning lot that Kona Street is a part of. Thus, arguably Kona Street fronting the proposed development does not fall within the LUO definition of a street. If such is the case, there would be no front yard requirement. The circumstances related to this situation are plainly unique. The full length of Kona Street must be considered a street for zoning purposes, because it is viewed as a whole, rather than by individual

segments, due to the technical requirements of the LUO. The applicant could proceed with its planned retail development as proposed without the need for a variance if a segment of Kona Street were closed; i.e., blocked off. However, within the proposed development area, Kona Street only provides access to the single zoning lot of which it is a part. A strict, technical application of the zoning code (i.e., definition of a "street") without regard to the unique circumstances of the site would prevent development (a design alternative), and result in a "denial of reasonable use" and thus hardship. Therefore, the variance is justified.

- B. The Director may grant a variance upon the ground of unnecessary hardship if the record shows that (2) the request of the applicant is due to unique circumstances and not the general conditions in the neighborhood, so that the reasonableness of the neighborhood zoning is not drawn into question. The request is due to unique circumstances. Foremost, Kona Street is both a "street" for zoning purposes and a part of the jointly developed zoning lot, which includes the proposed development site. Further, Kona Street bisects that portion of the zoning lot in the area associated with the planned retail expansion of the shopping center. See Exhibits A-2 and A-3. These circumstances are highly unusual. Normally, a street is not a part of a joint development zoning lot, but it occurs occasionally with private roadways. Typically, the roadway functions as an internal driveway providing access only to subdivision lots that are part of a single joint development zoning lot, thus it would no longer be considered a "street" for zoning purposes. It is extremely unusual, if not unique to the site, that the street actually bisects a part the jointly developed lot. "Joint development" is explicitly intended to facilitate *"the development of two (2) or more adjacent lots under a single or unified project concept."* (Reference: LUO Section 21-10.1, Definitions.) Thus, ordinarily, within a joint development, the internal yards and/or setbacks between subdivision lots are not required. The five (5)-foot setback is required because a part of the jointly developed zoning lot uniquely remains a street for zoning purposes. The uniqueness of the situation also has to do with the location of the proposed building, which occurs at a portion of the site where Kona Street provides vehicular access only to the zoning lot itself, i.e., where the right-of-way functions as an internal access drive. In other words, along that particular segment of the right-of-way, no other zoning lots share access. If Kona Street were terminated at the point of the proposed development, a segment of Kona Street would no longer be a street. However, closing Kona Street would affect the internal traffic circulation pattern and practical function and would have a significant impact on surrounding public streets. A variance to authorize the encroachments would allow the applicant to make maximum use of the site, without detriment to the public.

The applicant suggests that having three (3) front yard requirements is a unique circumstance supporting the variance. However, multiple street frontages is not a unique circumstance. For instance, there are numerous incidences where existing developments occupy a entire block, and have as many as four (4) street frontages. Nevertheless, the applicant is proposing to provide additional setbacks on all three (3) of its street frontages. See Exhibits A-4 and A-5. Along Kapiolani Boulevard, the applicant will provide a setback of 10 to 14 feet. Where it fronts Keeaumoku Street, the building will be set back more than six (6) feet. And, at ground level, the new retail store portion of

the new building will be set back 13 feet from Kona Street. The resulting average front yard for the new building will thus be a little more than seven (7) feet, which exceeds the minimum 5-foot front yard requirement by over two (2) feet. This more than offsets the proposed encroachment at ground level. And, the encroachments of the various bridges only occur above ground. Since the encroachments can be attributed to the unique conditions of the site, and the additional building setbacks will more than offset them, the reasonableness of neighborhood zoning is not drawn into question. Since the additional setbacks are to offset the impact of the encroachments, however, the variance should be conditioned such that the additional setbacks are maintained for the life of the building; i.e., no future uses and/or structures should be allowed within the planned setbacks for the life of the requested encroachments.

- C. **The Director may grant a variance upon the ground of unnecessary hardship if the record shows that (3) the request, if approved, will not alter the essential character of the neighborhood nor be contrary to the intent and purpose of the zoning ordinance.** The proposed yard encroachments along Kona Street will not alter the essential character of the neighborhood. Because of the unique characteristic of the site in general, there are numerous existing encroachments along Kona Street, such as parking structures and bridges. The proposed encroachments are confined to a portion of the site, which is strictly internal to the jointly developed zoning lot. The proposed encroachments will not be readily visible, if at all, from outside the jointly developed zoning lot. The average front yard for the new building will be about seven (7) feet at ground level; and, most of Kona Street frontage will be amply landscaped. See Exhibit A-4. Therefore, the proposed encroachments into the Kona Street front yards will not change the existing character of the streetscape. See Exhibit B-7. The zoning code allows necessary access drives and walkways within required yards. The proposed pedestrian and vehicular bridges require a variance to encroach into the Kona Street front yards because they are above grade. However, in function, they are similar to grade-level as access drives and walkways, which are permitted to traverse required yards to provide access to off-street parking and optimize internal traffic circulation. The applicant has a right to convenient access within the site, particularly since it is a joint development zoning lot. For these reasons, the request is not contrary to the intent and purpose of either the yard or nonconformity regulations.

#### IV. CONCLUSIONS OF LAW

The Director hereby makes the following Conclusions of Law:

- A. There is evidence that the applicant would be deprived of a reasonable use of the land or building if the provisions of the zoning code were strictly applied.
- B. The request of the applicant is due to unique circumstances and not to general neighborhood conditions, and it does not question the reasonableness of the neighborhood zoning.

- C. The request will not alter the essential character of the neighborhood nor be contrary to the intent and purpose of the zoning ordinance.

#### V. DECISION AND ORDER

Pursuant to the foregoing Findings of Fact and Conclusions of Law, the Director of Planning and Permitting hereby APPROVES the application for a variance to allow structures, including a parking garage, and vehicular and pedestrian bridges, which encroach into required yards and increase nonconformity, subject to the following conditions:

- A. The encroachments shall be essentially as shown on Exhibits A-4 through A-8, and B-1 through B-6, attached hereto, which shall be considered the approved plans for the variance. No other uses or structures shall be located within the approved building setbacks for the life of the encroachments.
- B. The setback area along Kapiolani Boulevard shall be maintained in landscaping, including all existing monkeypod trees.
- C. This variance may be revoked by the Director when, due to a material change in circumstances, one or more of the three Charter-required findings of hardship can no longer be made; or when there is a breach of any of the conditions above stated; provided that, for good cause, the Director may amend the above conditions.
