The Condominium Map (8 1/2 x 11) will NOT be provided to Buyer. Pursuant to Section 514B-86(a)(1) (A) of the Act, Seller advises Buyer that it is impractical, for legibility reasons, to provide buyers a letter-sized Condominium Map. Accordingly, Buyer shall have the opportunity to examine the Condominium Map at the Sales Office of Seller upon request.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i></p>
-------------------------------------	--

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):

<input type="checkbox"/>	<p>For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or</p>
<input type="checkbox"/>	<p>For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.</p>

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p>Important Notice Regarding Your Deposits: Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the Important Notice Regarding Your Deposits set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the Important Notice Regarding Your Deposits set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

(b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or

(c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

See Exhibit U.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

*Unit has an appurtenant one-car garage on the ground level, which garage is not included in the Unit Area noted.

**Except for Units 813 and 913, unit has an appurtenant one-car garage on the ground level, which garage is not included in the Unit Area noted.

Note regarding Net Living/Floor Areas: Throughout the Awakea at Mehana documentation, the area of individual units is generally expressed as "net living/floor area" square footage. This measurement represents the architect's best estimate of the interior square footage of the unit as measured from the unit's perimeter walls, which are included in the unit. This measurement is based upon the plans for the construction of the unit and different architects performing the same measurement may obtain a larger or smaller result.

Units followed by an "R" represent a reverse floor plan configuration from that reflected on the condominium map.

The following classifications of Units are included in the Community:

(a) **"Residential Unit(s)"** which means those attached or detached Units that may be or are delineated on the Condominium Map and are identified in **Exhibit "D-2"** to the Declaration or an amendment to the Declaration, all Improvements and facilities constructed or reconstructed therein, and all Limited Common Elements appurtenant to such Unit(s). These Units are designated for residential use as limited by the Declaration. Residential Units are intended for use for dwelling purposes or long-term residential purposes, and shall not be used for any other purpose.

(b) **"Live-Work Unit(s)"** which means those Type D and D1/D1R two (2) story Units that may be or are delineated on the Condominium Map and are identified in **Exhibit "D-2"** to the Declaration or an amendment to the Declaration, all Improvements and facilities constructed or reconstructed therein, and all Limited Common Elements appurtenant to such Unit(s). These Units are designated for mixed residential and commercial uses as limited by the Declaration. Subject to the limitations contained at **Section H.2** of the Declaration or otherwise in the Declaration, Live-Work Units are intended for long-term residential use on a portion of the ground floor and the entire second floor of such Units and commercial purposes on a portion of the ground floor. Declarant has the reserved right to change the designation and use of any one or more or portion of the Live-Work Units and the Limited Common Elements appurtenant thereto such that they may be used solely as Residential Units, subject to the limitations specified in the Declaration. Declarant has the additional reserved right to change the designation and use of Live-Work Units and the Limited Common Elements appurtenant thereto such that they may be used wholly as one or more Commercial Units (sometimes such designated Live-Work Units are described as **"Designated Commercial Live-Work Units"**), without prejudice to the Owner of such Live-Work Unit to use the Unit as a Residential Unit or a Live-Work Unit having mixed commercial and residential uses, subject to the limitations specified in the Declaration, provided such designation by Declarant shall in no event cause the

total Net Living/Floor Area available for commercial use within the Community to exceed twenty percent (20%) of the total Net Living/Floor Area of all Units in the Community,

(c) **"Designated Commercial Live-Work Unit(s)"** means and refers to those Live-Work Units designated by Declarant for use wholly as a Commercial Unit.

(d) **"Commercial Unit(s)"** which means those Type Commercial 1, Commercial 2, Commercial 3, Commercial 4, and Commercial 5 Units that may be or are delineated on the Condominium Map and are identified in **Exhibit "D-2"** to the Declaration or an amendment to the Declaration, all Improvements and facilities constructed or reconstructed therein, and all Limited Common Elements appurtenant to such Unit(s). This term also refers to Designated Commercial Live-Work Units where appropriate to the context. As described in the Declaration, these Units shall be operated and used only for commercial purposes or uses authorized under the County's **AMX-2** zoning classification described in the LUO, subject to the limitations contained in the Declaration, and/or as approved by Declarant. Declarant has the reserved right to change the designation and use of any one or more or portions of the Commercial Units and the Limited Common Elements appurtenant thereto to any other use classification as set forth in the Declaration.

THIS EXHIBIT IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE UNIT TYPES AND SIZES OF UNITS CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP, COMMUNITY RULES AND OTHER CONDOMINIUM DOCUMENTS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS EXHIBIT AND THE DECLARATION, BYLAWS, CONDOMINIUM MAP, COMMUNITY RULES OR OTHER DOCUMENTS OF THE COMMUNITY, SUCH DOCUMENTS WILL CONTROL. EXHIBIT F

Section 1.6 -- Permitted Alterations

1. Repair, Reconstruction, Restoration, and Replacement. Except as provided specifically to the contrary in the Declaration, repair, reconstruction, restoration and replacement of the Community or any building or other structure or unit within the Community or construction of any additional building or other structure or structural alteration or addition thereto, different in any material respect from the Condominium Map shall be undertaken by the Association or any Unit Owners only pursuant to an amendment of the Declaration. Except as expressly provided otherwise in the Declaration, any such amendment shall be duly executed by or pursuant to the affirmative vote of seventy five percent (75%) of the Unit Owners and accompanied by the written consent of the eligible holders of first mortgage (as hereinafter defined) on Units to which at least sixty seven percent (67%) of the votes of Units subject to mortgages held by such eligible holders are allocated, and in accordance with complete plans and specifications therefor first approved in writing by the Board. Promptly upon completion of such repair, reconstruction, restoration, replacement, construction, alteration or addition, the Association shall duly Record and file of record such amendment together with a complete set of floor plans of the Community as so altered, certified as built by a licensed, registered architect or professional engineer.

2. Permitted Alterations. Notwithstanding anything to the contrary contained herein but subject to (1) the Easements and other rights and licenses reserved for the benefit of other Unit Owners, (2) compliance with the Design Guidelines, and (3) such other limitations specified below, each Unit Owner has the following rights:

(a) Each Owner has the right to make any of the following changes, additions and Improvements solely within the Owner's Unit or Limited Common Element that such Owner controls, subject to the Owner's compliance with the Design Guidelines:

(i) To install, maintain, remove, and rearrange partitions and other non-load bearing structures from time to time within the Unit or Limited Common Element; provided that the Owner shall not have the right to enclose any exterior lanai or Private Yard Area;

(ii) To finish, change, or substitute any plumbing, electrical, or other fixtures attached to the ceilings, floors, or interior walls as appropriate for the use of the Unit or Limited Common Element;

(iii) To decorate, paint, repaint, wallpaper or otherwise change the appearance of any walls, floors, and ceilings of the Unit or Limited Common Element that are not readily visible from outside the Unit or Limited Common Element subject to any limitation, if any, as may be contained in the Design Guidelines;

(iv) To tile, finish, carpet, re-carpet, and install, change, or remove other flooring in the Unit or Limited Common Element which is not readily visible from outside the Unit or Limited Common Element, subject to the limitation on the installation of "hard" flooring as may be contained in the Design Guidelines; or

(v) To make such changes, additions and improvements to the Unit or Limited Common Elements to facilitate disabled person accessibility within the Unit or Limited Common Element.

(b) Except as otherwise provided in the Declaration, the Bylaws or the Design Guidelines, an Owner may make "nonmaterial structural additions" to an Owner's unit as the foregoing term is used in and subject to the provisions of Section 514B-140(c) of the Act.

(c) The Owner of two (2) Units that are separated by a Common Element that is a wall, floor, or a ceiling, or whose lanai or Limited Common Elements are separated from each other or from such Units by a Common Element that is a wall, floor, or ceiling, has the right and an easement, subject to Board approval and compliance with the Design Guidelines, to change or remove all or part of the intervening wall, floor, and/or ceiling. The Owner also has the right, subject only to Board approval and compliance with the Design Guidelines, to install doors, stairways, and other Improvements in such opening or openings in the intervening Common Element, to seal hallways or other openings, and to make other reasonable changes or additions which do not adversely affect the structural integrity of the Unit or Limited Common Element or the building in which such Unit is situated. Before terminating its common ownership of any of the adjacent Units, the Owner must restore the Common Element wall, floor, ceiling, hallway, and/or other openings to substantially the same condition as before the change or removal, unless the new Owners each agree otherwise in writing.

(d) An Owner who owns any two (2) adjacent Units separated as described in subsection (c) above and Section N.4(c) of the Declaration has the right, subject only to Board approval and compliance with the Design Guidelines: (i) to consolidate the Units into a single Unit; and (ii) to make any Common Element walls, floors or ceilings between the Units part of the Unit or its Limited Common Elements. The Common Interest of the newly created Unit will be equal to the sum of the Common Interests of the Units being consolidated.

(e) Each Owner shall be entitled to install a split air conditioning system equal or superior in quality and operational noise level as the system installed or designated by the Declarant in Units within the Community; provided such systems do not exceed the energy consumption and wattage requirements of the Declarant installed systems. Installation of such a system by the Owner(s) shall not require the consent of any other Unit Owner, but such installation must first be approved as required by and must comply with the Design Guidelines. Except as provided in Section F.2(a) of the Declaration, condenser units serving such systems shall be located in the Private Yard Area of the Unit to be served by the air conditioning system. As provided in Section F.2(b) of the Declaration Owners Units may install a split air conditioning system, components of which, including specifically condenser units and piping, may be located in the common elements of the community (solely in that general location that may be indicated on the Condominium Map by a rectangle and noted in the Site Legend for the map), and each such Owner shall have an easement over that portion of the common elements described in Section F.2(b) of the Declaration for the purpose of installing, maintaining and repairing the air conditioning system's condenser units and piping and other facilities located within the common elements.

3. Alterations or Additions. Any alterations or additions solely within a Unit, including without limitation, the addition of an exterior air conditioning unit to service the Unit that may protrude through a Common Element wall, or within a Limited Common Element appurtenant to and for the exclusive use of a Unit or more than one Unit, shall in all instances comply with the requirements of the Declaration, the Design Guidelines and the Community Rules, and shall require the written approval thereof, including the plans thereof, by the Owners of such Unit(s), by the holders of first mortgage liens affecting such Unit(s) (if the lien holder require such approval), by the appropriate agencies of the State of Hawaii and the County, if such agencies so require, the Awakea DRC, if created, and by the Board (which approval shall not be unreasonably or arbitrarily withheld or delayed), and by all other Owners thereby directly

affected (as determined in a reasonable manner by the Board as the same may be limited, directed or constrained by the Community Rules); provided, however, that the Board shall always have the right to disapprove a proposed addition or alteration that the Board reasonably determines could jeopardize the soundness or safety of the Property, impair any easement, or interfere with or deprive any non-consenting Owner of the use or enjoyment of any part of the property. Upon completion of such alterations or additions, the Unit Owner(s) directly affected shall duly Record and file of record an amendment to the Declaration together with the approved plans showing only such alterations or additions within a Unit space or within a Limited Common Element as aforesaid. Such amendment to the Declaration need only be executed by the Unit Owner(s) directly affected and their first mortgagees, as may be required. Notwithstanding the foregoing, no alteration of a Unit may be made that causes or requires a protrusion through a common element wall.

THIS EXHIBIT IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE PERMITTED ALTERATIONS CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP, COMMUNITY RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS AS A GENERAL SUMMARY, PURCHASERS SHOULD REFER TO THE CONSTITUENT DOCUMENTS OF THE COMMUNITY. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS EXHIBIT AND THE DECLARATION, BYLAWS, CONDOMINIUM MAP, COMMUNITY RULES OR OTHER DOCUMENTS OF THE COMMUNITY, SUCH DOCUMENTS WILL CONTROL. EXHIBIT K

Section 1.11 -- Special Use Restrictions

Subject to the rights reserved to Declarant in the Community Documents, the Community and each of the Units are intended for and shall be restricted to the following purposes and uses, which, together with any other restrictions contained in the Community Documents, are intended and shall be deemed to be cumulative.

1. Residential Units.

(a) Except for Home-Based Small Businesses (defined below) otherwise or as provided in the Declaration, and subject to the limitations specified in the Declaration, the Residential Units shall at all times be occupied and used only for residential purposes in accordance with applicable laws, the Declaration, and the Bylaws, and for no other purposes. Without limiting the foregoing, no Unit shall be used or caused, allowed, or authorized to be used in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending, or other such non-residential purpose.

(b) "Home-Based Small Business" shall mean a business which: (i) is operated solely within the Residential Unit incidental to the use of the Unit for residential purposes; (ii) is limited to arts and crafts, the rendition of professional services not permitting client visitation, or other similar activities; (iii) is operated by the Owner of the Residential Unit (or a member of such Owner's family) whose principal residence is the Residential Unit; (iv) is permitted by, and is at all times in compliance with, all applicable laws, the Declaration, the Bylaws, and the Community Rules; (v) maintains at all times, any licenses and permits necessary for such business as required by law; (vi) maintains a policy or policies of public liability insurance in an amount which is reasonable for such business and any additional insurance as determined by the Association, in each case naming the Association as an additional insured; (vii) does not result in (A) the violation of any of the provisions of the Declaration, (B) any unreasonable increase in the flow of traffic within the Community, (C) any odor, noise, or vibration outside of the Residential Unit, or (D) parking problems within the Community; and (vi) excludes in all cases manufacturing, kilns, hammering and sawing. (a) Subject to the limitations specified in this Section and Section H.2 of the Declaration, Live-Work Units inclusive of the Limited Common Elements appurtenant to such Units, shall at all times be occupied and used (i) only for residential purposes, in which event the limitations on use of Residential Units shall be applicable to the Live-Work Unit, (ii) as a mixture of residential and commercial purposes in accordance with applicable laws, the Declaration and the Bylaws, or (iii) as a Designated Commercial Live-Work Unit, and for no other purposes. Except as denominated by Declarant by Supplemental Declaration designating a Live-Work Unit as a Designated Commercial Live-Work Unit, the interior living area of the Unit consisting of (1) the ground floor bathroom, storage area, the interior stairwell serving the second floor of Live-Work Units, and the second floor of such Units shall be used solely for residential purposes, subject to the use limitations imposed on Residential Units, and (2) the ground floor of Live-Work Units inclusive of ground floor bedroom and flex space shown on the Condominium Map, but excluding the ground floor bathroom and storage area, which are intended to serve the residential portion of the Unit, may be used for commercial or residential purposes. If such

commercial use portion of a Live-Work Unit is used for commercial purposes, such portion of the Unit shall be operated and used only for those commercial purposes or uses authorized under the County's AMX-2 zoning classification described in the LUO, without the need to secure a conditional use permit - Major, subject to the limitations contained in the Declaration and/or approved by Declarant. All AMX-2 uses requiring a major conditional use permit or plan review use are specifically prohibited in Live-Work Units. No commercial use of a Live-Work Unit shall be undertaken or permitted unless first approved in writing by Declarant or the Commercial Use Committee.

(b) Notwithstanding the specific examples of permitted uses set out in the Permitted Commercial Use Exhibit and subject to the right of the Declarant to prohibit a use, the Commercial Use Committee may authorize other uses, using reasonable discretion, so long as such other uses do not detract from the overall image of the Community, and are not otherwise precluded by law. The Commercial Use Committee will consider the effect on Live-Work Units in the Community, and the Commercial Use Committee will not approve a use on Live-Work Unit that has a materially adverse impact on any other Unit in the Community or on the Property (as defined in the Master Declaration). The Commercial Use Committee may fairly and reasonably define the Permitted Commercial Uses, from time to time, more clearly than the guidelines outlined in the Declaration. The Commercial Use Committee may establish special Rules and Regulations to apply specifically to the Live-Work Units. Moreover, the Commercial Use Committee may adopt Rules and Regulations establishing procedures allowing Owners and Persons under contract to purchase a Live-Work Unit in the Community to apply to the Board for written authorization of a proposed business use.

3. Commercial Units. Subject to the limitations specified in this Section and Section H.3 of the Declaration, Commercial Units, inclusive of the Limited Common Elements appurtenant to such Unit, shall at all times be occupied and used (i) only for commercial purposes, (ii) only for residential purposes, or (iii) a mixture of residential and commercial purposes in accordance with applicable laws, the Declaration and the Bylaws, and for no other purposes. If a Commercial Unit is used solely for residential purposes, the use of such Unit shall be subject to the limitations on use applicable to Residential Units. Conversion of use of the Commercial Unit from residential use to commercial use or mixed use shall require the advance approval of the Declarant or the Commercial Use Committee. If a Commercial Unit is used for mixed residential and commercial purposes, the use of such Unit shall be subject to the limitations on use applicable to Live-Work Units. Conversion of the use of the Commercial Unit from mixed use to commercial use shall require the advance approval of the Declaration or the Commercial Use Committee. Commercial Units used solely for commercial purposes shall be operated and used only for commercial purposes or uses authorized under the County's AMX-2 zoning classification described in the LUO, without the need to secure a conditional use permit - Major, subject to the limitations contained in the Declaration and/or approved by Declarant. Declarant has the exclusive right to use and/or assign any Parking Stalls that are not appurtenant to any specific Unit, including any parking stalls reserved to Declarant in the Declaration or in a Recorded amendment to the Declaration. Declarant may relinquish this right and if Declarant waives this right with respect to any one or more unassigned Parking Stalls, use of those unassigned Parking Stalls, if any, may be governed by rules and regulations adopted in accordance with the Bylaws to assure equitable use of the stalls by all Owners. The Board of Directors may install parking meters, gates, security devices, checkpoints, and other equipment appropriate to this end and may issue stickers or adopt a permit or an allocation system. Without limiting the foregoing, the Board may establish additional regulations as it deems appropriate in its sole discretion with regard to street parking within the Community and with respect to any of the parking areas not

assigned to individual Units, including, without limitation, designating "residential guest parking," "commercial parking," "parking," and "no parking" areas thereon. Any parking areas shall be subject to such further reasonable control and use limitations as the Board may establish. The Board shall determine, in its discretion, whether there is a violation of the parking and vehicular restrictions set forth in the Declaration or established by the Board, and, if such noncompliance is determined by the Board to exist, the Board shall have the power to enforce all parking and vehicle use regulations applicable to the Property, including the power to remove violating vehicles from any of the Property pursuant to law. To enforce such a system, the Board and the Declarant shall also have the power to adopt and implement a ticket, fine, and towing program to foster compliance with any parking regulations that may be adopted. Non-payment of any approved fines or tickets may be treated as the equivalent of non-payment of common expenses and afford the Board and Declarant with same enforcement rights available under the Declaration with respect to such items.

19. Declarant's Rights With Respect to Parking Stalls. The restrictions in use set out in Sections 17(b) – (e), inclusive, Sections H.17(b) – (e) of the Declaration, inclusive, Section 18 and Section H.18 of the Declaration shall not apply to Declarant and the parking stalls reserved to Declarant.

The rights granted by this Section and Section H.21 of the Declaration are further subject to the following conditions: (a) the modifications shall be consistent with applicable building code requirements; (b) the modifications shall be consistent with the intent of otherwise applicable provisions of the Declaration pertaining to safety or the aesthetic integrity of the Community; (c) the modifications which are external to the Unit shall not prevent reasonable passage by other Owners or invitees on the Community, and shall be removed by the Owner when the Unit is no longer occupied by persons requiring those modifications; (d) any Owner who intends to modify a Unit pursuant to this Section and Section H.21 of the Declaration shall submit their plans and specifications to the Board for review to determine whether the modifications comply with the provisions of the Declaration; and (e) any change in the exterior appearance of a Unit shall be in accordance with the provisions of the Declaration and all applicable provisions of law. Any Owner with a disability desiring such a modification shall make such request, in writing, to the Board. The Board shall not unreasonably withhold or delay its consent to such request and the Board shall not deny approval of the proposed modifications under this Section and Section H.21 of the Declaration without good cause.

Further, each Owner acknowledges and agrees that the Owner is responsible for the control of pests (termites, insects, rodents and the like) in or around the Owner's Unit and Private Yard Areas and Improvements to the Private Yard Area. Notwithstanding anything to the contrary in the Declaration, responsibility for maintenance shall include responsibility for repair and replacement, as necessary. Notwithstanding anything to the contrary contained in the Declaration, each Owner shall have and shall comply with each of those obligations specified in the form of Declarant's Limited Warranty provided to the Association and undertake each of those actions therein required to be taken by the Unit Owner.

23. Maintenance.

(a) Appearance of Improvements. Each Owner shall maintain the Unit and the exterior appearance of the Improvements to their Private Yard Area in a neat and attractive manner, consistent with the surrounding areas in accordance with the provisions of the Declaration and the maintenance responsibilities set out in Exhibit "J-2" of the Declaration. If, at the expiration of said ten (10) day period of time, the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken and the cost thereof shall be a Special Assessment against the offending Owner and the Owner's Unit, secured by a special assessment lien enforceable in accordance with Sections K.1 and O of the Declaration.

24. Design Guidelines. Each Owner shall comply with the Design Guidelines set forth in the Community Rules and the Master Design Guidelines.

Each Owner shall maintain the grade and ground cover of the Owner's Private Yard Area so as to prevent soil erosion and, excessive water run off onto any neighboring Private Yard Area or Common Elements, and the ponding of any water on the Private Yard Area. Such erosion and ponding may contribute to expansion or shrinking of soils underlying improvement and damage the area.

26. Landscaping.

Landscaping on all Private Yard Areas shall be maintained in a neat and attractive manner, consistent with any surrounding Common Elements and shall conform to any additional landscape maintenance standards established in the Design Guidelines and which may be established under the Master Declaration and the Declaration. The entire Private Yard Area must be landscaped within 90 days after Recordation of the Deed to Owner. In the event an Owner fails to landscape these areas on Owner's Private Yard Area within 100 days after Recordation of the Deed to the Owner's, either the Declarant or the Association may, at their respective option, perform all such clearing and landscape work and the Owner shall reimburse the Declarant or the Association, as the case may be, for the cost thereof upon demand together with interest thereon at the maximum rate allowed by law; provided, however, that the cost thereof does not exceed \$5,000, exclusive of interest. All such sums expended shall be a special assessment lien on the Unit, subject to foreclosure in accordance with Sections K and O of the Declaration.

(b) Similarly, if after 30 days following written demand, the Owner fails to maintain, repair and/or restore, as the case may be, the landscaping on the Private Yard Area in a neat and attractive manner, the Declarant or the Association may at their respective option perform the work and shall be reimbursed therefor, together with the interest on amounts advanced to perform such work. Any sums not paid by the Owner on demand shall be a lien against the Unit, subject to foreclosure as herein permitted. All landscaping in Private Yard Areas, including without limitation, plants, flowers, bushes, shrubs, or foliage of any kind, must be at least two (2) feet away from the Unit in order to prevent possible termite damage to the Unit.

The Association shall be responsible for the proper maintenance and care of any trees planted in any Planting Strip Area adjacent to the Community. Each Owner shall be responsible for the proper care and maintenance of any tree planted in such Owner's Private Yard Area. Under no circumstances may the Owner alter the Planting Strip Area without written permission of the Board of Directors and the Declarant. Neither the Association or any Owner shall alter the existing drainage pattern within the Community or on any Private Yard Area, nor shall any Owner modify any existing drainage facility located on the Owner's Private Yard Area. The final locations of the fences and walls will be shown on the Condominium Map filed with the "as built" statement.

31. Future Additions and Alterations. No Owner shall add to or alter any Improvement constructed by the Declarant, including the Units, without the prior written consent of the County Agency with jurisdiction thereover, the DPP, and the Association's Board. All Improvements constructed within the Private Yard Areas by an Owner shall conform with the requirements of the Master Declaration, the Declaration and the Design Guidelines, if any, and the restrictions contained in the Declaration. Specifically, but without limitation, yard setbacks and the height of all Improvements on each Private Yard Area shall comply with any and all applicable zoning requirements, including, without limitation, any applicable requirements of the "Land Use" or "Zoning" or "Building" Ordinance for the County. Upon written request from the Board, the Owner(s) shall, at his, her or their own cost and expense, remove such nonconforming construction, alteration, or other work and shall restore the altered area to substantially the same condition as existed prior to the nonconforming construction, alteration, or other work. Should an Owner fail to remove and restore as required in this Section and Section J.11 of the Declaration, the Board or its designee(s) shall have the right to enter the Unit or Private Yard Area, remove the violation and restore the property to substantially the same condition as existed prior to the nonconforming construction, alteration or other work. The Owner shall be

liable for all costs thereof together with interest thereon at the maximum rate allowed by law, and the Association shall have an assessment lien to secure the payment of such costs.

33. Dispute Resolution. All disputes among Unit Owners concerning the common or individual responsibility for items described in Section J of the Declaration shall first be reviewed by the Board or a committee thereof designated for that purpose and the Board's non-binding opinion may be accepted by the disputing parties. Any Owner dissatisfied with such non-binding opinion may thereafter resolve the matter pursuant to Section T of the Declaration.

Notwithstanding anything to the contrary herein contained, Declarant may amend the Declaration (and when appropriate the Condominium Map) without the approval, consent or joinder of, or notice to, any person or group of persons, including the Association, any Unit Owner or any mortgagee, lienholder, Unit purchaser or any other person who may have an interest in the Community or in any Unit in any manner required to retrofit guest parking stalls so they are suited for use by persons with disabilities and to assign such retrofitted stalls or existing guest stalls designated for use by persons with disabilities as appurtenant Limited Common Elements to any one or more of the units intended for use by persons with disabilities upon substitution therefor of alternate guest parking stall(s). Such reassignment is hereby specifically

declared not to constitute a material amendment of the Declaration or Condominium Map. All costs of such reassignment shall be borne as determined by Declarant. Notwithstanding the foregoing, Declarant also reserves the right to interchange guest parking stalls and the handicap guest parking stall with other parking stalls in the control of Declarant as owner of a Unit to accommodate Unit owners in need of such.

5. Votes Required. Any provision of this Section or Section R of the Declaration to the contrary notwithstanding, any amendment affecting any provision of the Declaration which is for the express benefit of holders or insurers of first mortgages on Units shall require the approval of holders of first mortgages on Units to which at least sixty seven percent (67%) of the votes of Units subject to mortgages held by such holders are allocated, together with such other approval requirements as set forth in this Section and Section R of the Declaration. Except to the extent such rights are specifically reserved by the Declarant under the Declaration, any holder, insurer, or guarantor of a first mortgage of a Unit whose interest appears in the record of ownership or who has otherwise delivered a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the House number) shall be entitled to:

(a) Prior written notice of any proposed amendment by the Association to the Declaration or these Bylaws effecting a change in (1) the boundaries of a Unit, (2) the common interest pertaining to the Unit, or (3) the purposes to which the Unit, the Limited Common Elements appurtenant thereto, or the Common Elements are restricted;

(b) Prior written notice of any proposed termination of the Community;

(c) Timely written notice of any actual or threatened condemnation or eminent domain proceeding or casualty loss affecting the Property or any portion thereof;

(d) Timely written notice of any significant damage or destruction to the Common Elements or to a Unit on which there is a first mortgage held, insured, or guaranteed by such holder which results in a loss greater than ten percent (10%) of the annual Association Budget;

(e) A copy of any bond required to be posted before commencing or permitting construction of any Improvements on or to the Property;

(f) Timely written notice of all meetings of the Association (the holder or insurer of a first mortgage being permitted to designate a representative to attend all such meetings);

(g) Notice of any default by the Owner of the Unit involved which is not cured within sixty days;

(h) Upon request therefore, a certificate of any then unpaid assessments for common expenses due from the Owner of the Unit involved, as provided in Section 6.13 of the Bylaws;

(i) A copy of all pleadings filed in any lawsuit, administrative proceedings, or other action affecting the Property, or any portion thereof, upon specific written request and at such Person's expense;

(j) Prior written notice of any proposal by the Association to subdivide, encumber, sell, or transfer the Common Elements or any part thereof, provided that the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Community shall not be deemed a transfer within the meaning of this subsection;

(k) Prior written notice of a lapse, cancellation, or material modification of any insurance policy maintained by the Association;

(l) Prior written notice of any proposed action that requires the consent of a specified percentage of mortgagees;

(m) In the event provisions requiring the use of a professional management company are removed from the Declaration or the Bylaws, a majority of eligible mortgagees shall have the right to demand that the Association use professional management; and

(n) In the event provisions requiring an annual audit of the Association's financial records are removed from the Declaration or the Bylaws, a majority of eligible mortgagees shall have the right to demand an audit of the Association's financial records.

6. No Impairment or Diminishment of Declarant's Rights. Any provision of the Declaration to the contrary notwithstanding, and in addition to such other approval requirements as are set forth in this Section and Section R of the Declaration, to the extent permitted by Section 514B-106(d) of the Act, the prior written approval of Declarant is required before any amendment which would impair or diminish the rights of Declarant to complete the Property or sell or lease Units therein in accordance with the Declaration shall become effective. Notwithstanding any other provisions of the Declaration, until such time as Declarant no longer owns any Unit in the Community, the following actions, before being undertaken by the Association, shall first be approved in writing by Declarant:

(a) Mortgagee Approval. Any amendment or action requiring the approval of Mortgagees pursuant to the Declaration;

(b) Capital Improvement Assessment. The levy of a capital improvement Assessment for the construction of new facilities not constructed in the Common Element by Declarant;

(c) Reduction in Services. Subject to any restrictions contained in the Bylaws regarding limitations on general assessment increases, any significant reduction of Association maintenance or other services;

(j) Declarant's Reserved Rights. Any modification of the rights reserved and granted to Declarant herein with respect to development or sale of the Property or which are for the express benefit of Declarant.

Amendment to Bylaws:

Pursuant to Section 3.2 of the Bylaws, the Bylaws may be amended to reduce the number of Board members where at least seventy percent (70%) of the unit owners do not reside at the Community by the written consent of a majority of Owners or the vote of a majority of a quorum at any annual meeting or special meeting called for that purpose.

Pursuant to Section 11.2 of the Bylaws, the Bylaws may be amended in any respect not inconsistent with law or the Declaration by the affirmative vote or written consent of not less than sixty-seven percent (67%) of the Owners.

Until such time as the Declarant has turned over administration of the Community to the Association, Declarant shall have the right to amend the Bylaws without the approval, consent or joinder of, or notice to, any person or group of persons, including the Association, any Unit Owner or any mortgagee, lienholder, Unit purchaser or any other person who may have an interest in the Community.

EXHIBIT O

Section 3.6 -- Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

In addition to the easements established as Limited Common Elements and any easements and reserved rights described in Exhibit "D-1" attached to the Declaration, (including without limitation the rights reserved to Declarant and others in Section F of the Declaration), the Units and Common Elements shall have and be subject to the following easements and reserved rights by Declarant who shall have the right to change any of the Community Documents for any of the following reasons or purposes:

1. The rights reserved in this Section and Section E of the Declaration are intended to permit the Declarant to complete the development and sale of the Units, as contemplated by the Declaration and as shown on the Condominium Map. Except as otherwise provided, the rights reserved in this Section and Section E of the Declaration shall terminate upon the closing and recordation of the last Declarant owned Unit in the Community.

2. Declarant shall have the right to designate, grant, convey, transfer, cancel, relocate and otherwise deal with any easements over, under, across or through the Common Elements of the Community, the Private Yard Areas and the Community Access Drive(s) as shown on the Condominium Map for any reasonable purpose, which may include, but shall not be limited to, those purposes which are necessary for the use, operation, care, upkeep, maintenance or repair of any Unit, the Common Elements or any easements for utilities or for any public purpose, which may include the creation and grant of easements for utilities, air conditioning service or access ways or stairs for one or more units, any public-type facility (mailboxes and the like), sanitary and storm sewers, cable television transmission facilities, party walls (including the creation of the same on the Community boundaries), refuse disposal, sight distance, landscape, maintenance, driveways, parking areas, access drives, Community Access Drive(s) and other similar purposes, on, over, across, under and through the Common Elements of the Community and the Private Yard Areas. Without limiting the generality of the foregoing, Declarant reserves the right to utilize any common roadway and utility facilities (including without limitation water, sewer, electrical, telephone, and cable) described in the prior sentence (such as, but not limited to, waterlines, sewer lines, Community Access Drive(s) and the like) whether located in designated easement areas or otherwise, together with the right of entry to construct, reconstruct, operate, maintain, repair and relocate such lines, facilities and appurtenances and to grant any such easements or rights of way to governmental or quasi-governmental authorities, utility or service companies, homeowner's associations or other entities and the right to grant, dedicate, designate, use and enjoy easements and/or rights-of-way for access purposes (including for vehicular and pedestrian access). Declarant may, in its discretion, complete any construction of intended facilities in advance of the designation or creation and granting of the easement covering the facilities so constructed. Without limiting the generality of the foregoing, Declarant reserves the right to grant easements in favor of the Master Association, including, without limitation, for access landscape, electricity, utility, and maintenance purposes over any portion of the Land. The rights reserved to Declarant include specifically without limitation the right to utilize any utility service to the Community to complete such construction, to perform warranty or punchlist repair services within the Community and to serve adjacent and separate developments outside of the Community provided Declarant with respect to such separate and/or adjacent communities submeters such use, and may use the Community Access Drive(s) to serve adjacent developments provided the association controlling such development shares pro rata in the cost of maintenance and repair of the Community Access Drive(s) and reimburses the Association for any submetered use. The easements retained in this Section and these reserved rights shall

be exercised in a manner that will not materially impair or interfere with the use of any Unit. In the event of a submetered use (such as water service), the Association shall be entitled to confirm submeter readings. Each Owner, by purchasing a Unit, consents to any such designation, granting, conveyance, transfer, cancellation, relocation and reservation of easements and/or rights of way as provided above without the necessity of any Owner or those claiming by, through or under an Owner entering into any further agreement respecting such action or document; provided, however, that such Owner and those claiming by, through or under an Owner agrees to join in and execute such documents and instruments and do such other things as may be necessary or convenient to effect the same promptly at the request of Declarant without payment of additional consideration.

3. Easement to Conduct Sales Activities. Declarant, and its agents, successors, mortgagees and assigns, shall for the benefit of the Mehana Community have the right and an easement to conduct extensive sales activities on and at the Community, including the use of any Unit owned by Declarant (and any other Unit, with the express permission of the Owner of such Unit) and the Common Elements (excluding Limited Common Elements appurtenant to other Units) for model units, sales and management offices, parking and extensive sales displays and activities, and the posting and maintenance of signs and other advertisements relating to such sales activities. Declarant's sales activities may include one or more sales offices for other portions of the Mehana Community.

4. Reserved Right to Make Continuing Disclosures. Declarant reserves, for itself and its successors and assigns, the right during the course of Declarant's sales of Units in the Community to supplement, modify and amend the estimated breakdown of annual maintenance fees and estimated cost of assessment to each Unit, as Declarant deems appropriate, to reflect changes in estimated expenses applicable to ownership of Units attributable to the increase in cost of service or modification of proposed service to the Association reflected in the budget for annual maintenance fees. Upon such modifications, Declarant may supplement and amend its public report applicable to the Community, which modification shall not be deemed material in any respect.

5. Declarant's Easement to Complete Construction and Make Repairs. Declarant and its agents, employees, contractors, licensees, successors, mortgagees and assigns shall have an easement over, under and upon any portion of the Community, including the Common Elements, any utility service, Limited Common Elements and any Unit, as may be reasonably necessary for the inspection of and for the completion of improvements to and correction of defects and other "punchlist" and warranty items in the Unit or Private Yard Area or the Community, including without limitation, for the purpose of changing, correcting, or otherwise modifying the grade or drainage channels of any portion of the Community for all reasons determined appropriate by Declarant, including without limitation so as to improve the drainage of water within the Community. The rights reserved in this Section shall continue the later of: (i) the Recording of the "as built" verified statement required by Section 514B 34 of the Act; (ii) the "date of completion" of improvements requiring repair as defined in Section 507 43(f), Hawaii Revised Statutes of the last Unit constructed in the Community, (iii) the expiration of the applicable limited warranty period for any portion or portions of the Common Elements, or (iv) the conclusion of the statute of repose as set forth in Section 657-8, Hawaii Revised Statutes, with respect to the last Unit constructed in the Community.

6. Declarant's Easements for Development, Construction, and Sale. Declarant and its agents, employees, contractors, licensees, successors, mortgagees and assigns shall have an easement over, under and upon the Community and each and any portion of the Community and the individual Units to create and cause noise, dust, vibration and other nuisances or

annoyances created by and resulting from any work connected with or incidental to the development, construction and sale of any Unit or other Improvement to the Community, any additional Increment to the Community, or any other community which Declarant, its successors or assigns, may develop on property adjacent to or in the vicinity of the Community. Each and every Owner or other person acquiring any interest in the Community waives any and all rights, claims or actions that might otherwise be asserted against Declarant, its agents, employees, licensees, successors, mortgagees and assigns, based on any such noise, dust, vibration and other nuisances or annoyances. Without limitation of the foregoing:

(a) Declarant, its agents, employees, consultants, contractors, licensees, successors, mortgagees and assigns, shall have an easement over, under and upon the Community as may be reasonable or appropriate for additional construction, the completion of renovations to the improvements of the Community, and (at the option of Declarant) the correction of defects therein. In addition to any other easements reserved to Declarant under the Declaration, in connection with, and to the extent necessary for the development and construction of Units, common facilities, and/or Increments following the transfer of ownership of any Unit to an individual or entity other than Declarant, Declarant shall have the right to enter upon the Community premises with employees, agents and contractors for all purposes reasonably necessary for or useful to constructing and completing all Increments in accordance with the Declaration and the Condominium Map. Such rights shall include, but are not limited to, the following:

(i) An easement over, under and across the Common Elements of the Community and all utility service to the Community for the purposes of all work connected with or incidental to the development, construction and sale of the Units or Increments; and

(ii) The right in the nature of an easement over and upon the existing buildings and Common Elements of the Community to create and cause dust, noise, vibration and other nuisances created by and resulting from any work connected with or incidental to the development, construction and sale of the Increments or Units.

(b) Declarant, its contractors, subcontractors, licensees, mortgagees and assigns, and their respective employees and agents, shall have the right and an easement at any time and from time to time to enter upon, use, remove, replace, add to, or otherwise alter the Common Elements and the Limited Common Elements of the Community and to do all things reasonably necessary, desirable or useful for designing, developing, constructing or completing any additional Increment to the Community, connecting any such additional Increment to the utility installations of the Community, and selling the Units contained within any such additional Increment, including, but not limited to, the right to consolidate any parcel(s) of land covered hereby with any other parcel(s) of land in connection with the merger of increments; provided that the exercise of the rights granted herein shall not cause any permanent or avoidable interruption in the service of utilities to the Community, and provided further that any person exercising such rights shall use reasonable efforts, without additional cost to Declarant and consistent with maintaining the progress of the design, development, construction, completion and sale of the additional Increment, to minimize interference with the Owners' use and enjoyment of the Property. Declarant further reserves the right to grant, for the benefit of the owner or owners from time to time of all or any portion of each of the other Increments, easements over, under, across, along, upon and through the Common Elements of the Community for ingress and egress purposes, access purposes, electrical, gas, sight distance, communications and other utility purposes, sanitary sewer, drainage and drainline, waterline, and flowage purposes, and all other purposes, to the State of Hawaii, the County, the Board of Water Supply of the County, any other appropriate governmental agency, and/or any

public or private utility or other corporation, partnership, individual or entity, provided that such easements and rights-of-way do not materially impair or interfere with the use of any Unit in the Community or the Common Elements of the Community.

(c) Declarant's exercise of rights reserved in this Section are subject to Declarant's agreement to repair at its sole cost, in a good and workmanlike manner and in accordance with all laws any damage caused to the Community by reason of the exercise of the easements granted by this Section.

7. Declarant's Reserved Right Regarding Licenses and Permits. Developer shall have the reserved right, which may be exercised as herein provided or as provided in **Section U.2** to (a) amend any of the Community Documents, including, without limitation, the Declaration as permitted by the Declaration, (b) enter into any agreements, including, without limitation, to declare and subject the Land and Improvements to restrictive covenants, (c) designate and grant easements, (d) secure any other governmental permits, and (e) do all things necessary and convenient to satisfy, alter or amend the requirements of any land use or other permits pertaining to the Community, including, without limitation, such permits as may be issued authorizing the Community, including one or more building permits, Conditional Use Permit(s) (Minor), Zoning Adjustment(s), and Special District (Major) Permit(s), issued by the Department of Planning and Permitting of the County (the "**DPP**"), and to execute, file and deliver any and all documents necessary to effect the same, including, but not limited to, any amendments to the Declaration and to the Condominium Map.

Without limitation of the foregoing, each Owner acknowledges and agrees that Declarant, on behalf of the Association or Declarant, may (i) seek or has obtained certain licenses and permits from the DPP and other government agencies relating to the development of the Community, including, but not limited to items that may include or address the public storm sewer system and parking, conditional use permits (major or minor), and the joint development of the Land subject to the Declaration pursuant to Section 21-5.380 of the LUO; (ii) enter and Record as an encumbrance on the Land any declaration regarding improvements or use of the Property Declarant is required to impose on the Land in order to proceed with the development of the Land and/or (iii) impose on the Association obligations imposed on Land and the development of the Land by such licenses and permits, the declarations required to proceed with the improvement, use, or development of the Property, and the Unilateral Agreement (collectively these items and all such items of a substantially equivalent nature are described as the "licenses and permits"). To the extent that any such licenses or permits have not been issued to the Association, Declarant and its agents, employees, contractors, licensees, successors, mortgagees and assigns, reserve the right to transfer to the Association any and all obligations arising under or imposed in connection with such licenses or permits. Declarant hereby reserves the right (a) to enter and/or to amend such license or permit as may be required or issued by the DPP or other government agency or in respect of which Declarant has reserved such right in the applicable instrument, (b) to encumber the Land and the Association with the obligations thereunder arising, and (c) to modify Improvements to the Community to conform to the licenses and permits. In connection with such licenses and permits, the Association shall have the responsibility to comply at all times now and in the future with all requirements and obligations under such licenses and permits transferred to the Association or that encumber the Land, and all DPP regulations and any other applicable statutes, ordinances and rules and regulations of Federal, State or County agencies relating to the discharge, drainage and runoff of storm water and surface water, and their constituents, from the Community into the public storm sewer system. Neither the Association nor any Owner shall take any actions that may in any way undermine the Association's obligations to comply with the

foregoing requirements. Each Owner and the Association shall execute any and all documents required by Declarant in Declarant's sole discretion to transfer, if required, any applicable license or permit to the Association, including without limitation any license relative to discharge, drainage and runoff.

Without limitation of the foregoing, the rights reserved to Declarant by this Section include by way of example and not limitation, the right: (i) to provide open space(s) and a sidewalk for use by the public in the Community; (ii) to establish a private park area(s) at the Community; (iii) to designate one or more areas and/or to record against the Community one or more agreements with the Department of Land and Natural Resources of the State of Hawaii for purposes of addressing the preservation, establishment, location and/or relocation of any burial or historic sites or artifacts found during development of the Community and protected under the laws of the State of Hawaii; (iv) to amend the Community Declaration and to modify the Condominium Map and scope of any Limited Common Element or Common Element, including, without limitation, the recreational facilities and parking facilities; (v) to perform such additional offsite requirements as may be mandated, including, without limitation, road widening improvements and/or the provisioning of utilities, traffic signals, bus stops and/or stop signs; (vi) to modify building types, unit types (alter the number of rooms and Net Living/Floor Area, and location within the Community), the overall "product mix", the landscaping plan, available number of parking stalls (both Common Element and Limited Common Element parking stalls), or the size and/or location of any Commercial Unit or commercial structure; and (vii) to prohibit enclosure of the lanais to any Unit in the Community. The Association and each Owner shall indemnify and hold harmless Declarant, its successors and assigns, from and against any and all claims and demands for damages in connection with the Association's fulfillment of its obligations under transferred licenses and permits, including, without limitation, any storm sewer connection obligations.

8. Declarant's Reserved Right to Transfer Property to the Association. The Association shall accept title to any property, including any Improvements thereon and personal property transferred to the Association by Declarant, together with the responsibility to perform any and all duties associated therewith, which, upon conveyance or dedication to the Association, the Association shall maintain at its expense for the benefit of the Owners as provided in the Declaration. Property interests transferred to the Association by Declarant shall constitute Common Elements of the Community, which may include, without limitation, any landscaping, flowage, drainage, or utility easements (pending dedication of all or portions of the affected easement areas to the County), the adjacent roadways, parks, walkways, pathways, landscape buffers, any tradename, recreational or leisure equipment or facilities, any unassigned parking stall or parking stall reserved to Declarant under the terms of the Declaration, and may encompass fee simple title, easements, leasehold interests and licenses to use; provided, however, that any property or interest in property transferred to the Association by Declarant shall, except to the extent otherwise specifically approved by resolution of the Board, be transferred to the Association "as-is," "where-is," free and clear of all liens and encumbrances except for the following: (a) the lien for property taxes and assessments not then due and payable; (b) the terms of the Declaration and the terms of any Supplemental Declaration annexing the property to the Property; (c) easements, rights-of-way, reservations, covenants, conditions, restrictions and equitable servitudes or other non-financial encumbrances as Declarant in its discretion may deem appropriate; and (d) such financial encumbrances as may be reasonably accepted and assumed by the Association and specifically approved by resolution of the Board. Any property or interest in property transferred to the Association by Declarant shall not impose any unreasonable or special burden on the Association other than the normal burdens of ownership and maintenance of property and the

operation of facilities thereon; provided, however, such conveyance instrument may contain an indemnity of the Declarant by the Association. Each Owner, by accepting title to any portion of the Property and becoming an Owner, is deemed to approve and accept the acquisition by the Association of Common Elements as provided herein, and any Common Expenses which may relate thereto. The conveyance by Declarant may be without warranty of any kind except as aforesaid and without the benefit of escrow or title insurance, provided, however, the Association may purchase such title insurance, at the Association's expense, as the Association may wish. Upon transfer, the Association agrees to assume the obligations of the Declarant under any applicable leases, contracts, and other agreements. Furthermore, and notwithstanding anything to the contrary contained or implied in the Declaration, Declarant shall have the absolute right to convey to the Association the Common Element(s) and properties described in this Section. Without limitation of the foregoing, items that may be conveyed to the Association include parks, playgrounds, footpaths, including the "Village Walk", shown in Exhibit B-2 to the Unilateral Agreement, Village Walk Concept Plan A, dated August 19, 2004, attached to the Unilateral Agreement, designed to provide public pedestrian and vehicular connections to the regional drainage corridor as shown in the Updated Preliminary Land Use Plan dated August 19, 2004 (Exhibit B-1 to the Unilateral Agreement), which is described as the regional drainage channel in the Master Declaration ("**Regional Drainage Channel**"). Declarant reserves the right to designate the Village Walk as a Common Element of the Community and also has the power and right under the Master Declaration to require the Association the right to maintain, repair and care for the Village Walk.

9. Declarant's Reserved Rights Regarding Alterations and Repairs. Any other provision in the Declaration to the contrary notwithstanding, Declarant does hereby reserve the rights described in this Section unto Declarant, its successors and assigns. Prior to the later of (i) the time that all Units in the Community have been sold and the conveyance thereof Recorded, and (ii) the filing by Declarant of the "as built" verified statement (with plans, if applicable) required by Section 514B-34(a) of the Act, Declarant shall have the right, but not the obligation, to do the following:

(a) Configuration of Units, and Other Changes. Declarant shall have the absolute right, notwithstanding the lease, sale, or conveyance of any Unit to make alterations in the Community (and to amend the Declaration and the Condominium Map accordingly) or change the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any building or Unit (and the Limited Common Elements appurtenant thereto) in the Community which is not sold and the conveyance thereof Recorded, to alter the Common Elements to create Limited Common Element(s) benefitting a single or more than one Unit (inclusive of private yard areas), including without limitation by creating, expanding or reducing lanais, fenced areas, gates, pathways and sidewalks, utility placement locations. Declarant also reserves the right to (i) modify exterior elevations of buildings, exterior door and window types (open versus fixed, slider versus awning or otherwise) and the location of the same, roof types and materials, (ii) to change the size and location of lanais and lanai railings and coverings, parking stall locations and coverings, air conditioning unit locations, (iii) to add, delete, and/or relocate exterior stairways, (iv) to alter, building materials, exterior stairways and rails, walkways, air conditioning units (which reserved right shall include the right to (A) establish air conditioning guidelines respecting split air conditioning systems to the extent installed and/or (B) permit window air conditioning units subject to the Mehana Design Guidelines), fences and walls (installation and deletion of same) and utility locations from those reflected on the Condominium Map, (v) to substitute any included appliances as standard, and (vi) to create an enclosed and/or covered storage area. In addition to the foregoing, Declarant shall have the right to amend the Declaration, Bylaws and/or Community Rules to change the name of the

Community, alter the pet policy of the Community, and make such other changes to the Community Rules as Declarant desires.

(b) Right to Improve and Fix Location of Recreation Facilities and Barbeque Areas. Declarant shall have the absolute right to improve any area within the Community with parks, recreational facilities, which may include, but are not limited to, barbeque areas, tables, pathways, and play and/or exercise structures or facilities. These areas, facilities and structures may result in the creation of public activity zones that may negatively impact the Owner's use, views, privacy and enjoyment of their Unit. Upon the construction of such items, they shall be Common Elements of the Community.

10. Right of Inspection. Declarant reserves the right, but not the obligation, to make any inspection of the Common Elements, Limited Common Elements, or Units.

11. Declarant's Reserved Right to Permit Different Use of Units. Declarant reserves the right to change the designation and use (for a term of years or such period as Declarant elects, in its sole discretion) of any one or more or portion of the Live-Work Units and the Limited Common Elements appurtenant thereto such that they may be used solely as Residential Units. Declarant additionally reserves the right to change the designation and use (for a term of years or such period as Declarant elects, in its sole discretion) of any Live-Work Units and the Limited Common Elements appurtenant thereto to Designated Commercial Live-Work Units such that they may be used wholly as one or more Commercial Units, with or without prejudice to the Owner of such Live-Work Unit to use the Unit as a Residential Unit or a Live-Work Unit having mixed commercial and residential uses; provided such designation by Declarant shall in no event cause the total Net Living/Floor Area available for Commercial Use within the Community to exceed 20% of the total Net Living/Floor Area of all Units in the Community. Declarant further reserves the right to change the designation and use (for a term of years or such period as Declarant elects, in its sole discretion) of any one or more or portion of the Commercial Units or Residential Units and the Limited Common Elements appurtenant thereto to any other use classification as set forth in the Declaration. The rights reserved to Declarant under Section E.10 shall be exercised, if at all, with respect to each such Unit in respect of which the right is reserved prior to the Recordation of the conveyance of such Unit to an unrelated party. Declarant's reserved right under Section E shall be extinguished upon the conveyance of the affected Unit.

12. Alterations and Transfers of Common Interest. Declarant reserves and shall have the right to alter the common interest and easements appurtenant to each Unit, which otherwise shall have a permanent character, as noted in this Section. The common interest, voting rights and easements appurtenant to each Unit may be altered (diminished or increased) by a Recorded amendment to the Declaration: (a) as may be determined necessary by Declarant, without the consent of any party, to correct typographical or mathematical errors in the statement of such common interests, (b) filed by Declarant upon the alteration of the Community as permitted pursuant to the Declaration, and/or (c) upon the action or consent of all Owners of Units affected thereby, and the consent of the holders of any mortgage affecting such Units as shown in the Association's records of ownership, or who have given the Board notice of their interest.

13. Declarant's Right to Change Parking Stall Types and to Change Unit Numbering or Other Designations. Declarant reserves the right (a) to change the designation of compact and standard sized parking stalls, (b) to change covered and uncovered parking stalls from that

depicted on the Condominium Map, (c) to relocate or renumber parking stalls, (d) to reassign parking stalls designated as Limited Common Elements appurtenant to a Unit provided such Unit shall have assigned to it not less than one (1) parking stall, and (e) to amend the Declaration and Condominium Map as necessary or convenient to describe such changes. Any parking stall designated on the Condominium Map as a standard sized parking stall may be constructed as a compact size parking stall or vice versa.

14. Declarant's Right to Construct Community in Increments. Any other provision in the Declaration to the contrary notwithstanding, the Declarant shall have the right (but shall not be obligated) at its sole discretion under this Section to develop, construct, transfer, convey and/or sell the Units hereunder in legal phases or Increments on a building by building basis, or to abandon and not develop or construct such Increments as Declarant may determine in its sole and absolute discretion. For purposes of the Declaration the term "**Increment**" means any cluster or clusters of Units in this Community together with related facilities appurtenant thereto as reflected on the Condominium Map, developed and built on an incremental basis in accordance with this Section. The Community consists of those Units described in **Exhibit "D-2"**, that have been annexed into the Community. Declarant shall develop the Community in no more than sixteen (16) Increments, and has identified the Units comprising Increment 1 (being Units 501-506), and has annexed Increment 2 (being Units 101-108). Increment 3, being Units 201-208, is hereby incorporated and annexed into the Community. Before proceeding with development of future Increments, Declarant shall and hereby reserves the right to amend the Declaration to evidence the incorporation and annexation of the Units included in such future Increments within the Community. However, Declarant reserves the right to construct the remaining Increments 4-16 in Declarant's sole discretion, which discretion shall include, without limitation, determining the order of the Units constructed and the number of Unit to be included each Increment,. Upon the completion of any Unit within an Increment, the Declarant may, notwithstanding the incompleteness of any other Increment(s) or other Units in the pending Increment, but subject to the Community Documents and the provisions of the sales contract for the sale of a Unit in such Increment, thereupon transfer ownership of such Unit to a purchaser.

15. Completion of Increments and Community. In connection with, and to the extent necessary for the development and construction of the Community, other Units and/or Increments following the transfer of ownership of any Unit to an individual or entity other than the Declarant, the Declarant shall have the right to enter upon and have an easement over all portions of the Community and enter and use the same for all purposes reasonably necessary for or useful to constructing and completing all Increments in accordance with the Declaration and the Condominium Map without any obligation to reimburse the Association for any cost or benefit attribute to the exercise of Declarant's rights reserved under this **Section E**. Without limitation of the foregoing, Declarant reserves and shall have the right to enter upon, use, remove, replace, add to, or otherwise alter the Common Elements and the Limited Common Elements of the Community and to do all things reasonably necessary, desirable or useful for designing, developing, constructing or completing any additional Increment to the Community, connecting any such additional Increment to the Community Access Drive(s) and utility installations of the Community, and selling the Units contained within any such additional Increment, including, but not limited to, the right to consolidate any parcel(s) of land covered hereby with any other parcel(s) of land in connection with the addition of an Increment; provided that the exercise of the rights granted herein shall not cause any permanent or avoidable interruption in the service of utilities to the property, and provided further that any person exercising such rights shall use reasonable efforts, without additional cost to the Declarant and consistent with maintaining the progress of the design, development, construction, completion and sale of the additional Increment, to minimize interference with the Owners' use and enjoyment of the property.

16. Declarant's Reserved Rights Regarding Incremental Development. The rights reserved to the Declarant in Sections E.13 and E.14, above, are subject to the following terms and conditions:

(a) Construction shall be in accordance with complete plans and specifications therefor prepared by a licensed architect or engineer and in accordance with the Declaration and the Condominium Map (as the same may be amended pursuant to the Declaration), and each Increment shall be generally consistent with the other Increments in terms of quality of construction;

(b) No plans and specifications shall require the alteration or demolition of any existing Units or Limited Common Elements, except that the Declarant shall have the right to utilize, relocate and realign existing, and/or to develop additional, central and appurtenant installations for services to the additional Units for electricity, hot and cold water and other applicable utilities and services and, when applicable, to add, delete, relocate, realign, designate, cancel and grant easements and rights of way over, under and on the Common Elements as necessary and desirable in connection therewith; provided that the same shall not cause an interruption, other than a temporary interruption, in the service of such utilities to any other part of the Community;

(c) Construction of each Increment shall be at the Declarant's expense and shall be completed within five (5) years of commencement thereof, subject to delays beyond the control of the Declarant;

(d) During the entire course of such construction, the Declarant will cause to be maintained at its expense builder's all risk insurance in an amount not less than the estimated cost of construction. The Association may be named as an additional insured and evidence of such insurance may be deposited with the Board of Directors;

(e) Prior to commencement of such construction, the Declarant may, in Declarant's sole discretion, deposit with the Association evidence of a payment and performance bond or an irrevocable letter of credit issued by a bank, material house or other entity authorized to do business in the State of Hawaii, naming the Association as a co obligee, in an amount not less than one hundred percent (100%) of the cost of construction as estimated by the Declarant, or in lieu thereof a guarantee issued by Declarant against mechanic's and materialmen's liens;

(f) The Declarant shall not in any way encumber individual Units no longer owned by the Declarant in connection with the financing of construction of Increments, provided that the Declarant may assign, by way of security, its interest in the Units owned by the Declarant; and

(g) Promptly upon the completion of each Increment, Declarant shall duly Record and file of record an amendment to the Declaration (which may be titled "Supplemental Declaration of Annexation") evidencing the incorporation and annexation of the completed Increment, without the approval, consent or joinder of, or notice to, any person or group of persons, including the Association, any Unit Owner or any mortgagee, lienholder, Unit purchaser or any other person who may have an interest in the Community, together with a complete set of floor plans of the Community as so altered, certified, if required, as built by a licensed, registered architect or professional engineer or verified as complete by Declarant in the form of a Declarant's certificate of completion (a "Declarant's Certificate of Completion").

17. Amendment to Declaration and Condominium Map. Declarant shall have the absolute right, notwithstanding the lease, sale, or conveyance of any Unit to exercise the rights herein reserved to Declarant and to amend the Declaration and the Condominium Map as necessary or convenient to describe any new Improvements constructed on the Property in accordance with the Declaration and to make such amendments to the Declaration as are appropriate in accordance with this Section and Section E of the Declaration.

18. Assignment of Declarant's Rights. The rights of the Declarant under this Section shall extend to the Declarant and its respective successors and assigns. Without limitation of the foregoing, Declarant may, by Recorded instruments or by Supplemental Declaration, assign or partially assign, while retaining equivalent rights to Declarant, to any assignee, including without limitation the Association, any one or more of the rights and easements reserved to Declarant under this Section and Section E of the Declaration and its subparts (or otherwise reserved to Declarant in the Declaration).

19. Declarant's Reserved Right to Assign Parking Stalls to Unit. Declarant may reserve to itself parking stalls in the Community (sometimes the "**Declarant Reserved Stalls**") and further reserves to itself the right to amend the Declaration to denominate such Declarant Reserved Stalls and/or establish spatial Units consisting of one or more of the foregoing parking stalls. Declarant further reserves the right to amend the Declaration in any manner to assign additional parking stalls that are reserved to the Declarant to any Unit as appurtenant Limited Common Element(s) to such Unit as Declarant in its sole discretion determines. Further Developer may assign such stalls to any Unit and reserves all right of use and access to such stalls together with the right to sell the stalls and/or transfer the stalls to another Unit. The amendments described in this Section are hereby specifically declared not to constitute a material amendment of the Declaration or, when appropriate, the Condominium Map.

20. Declarant's Reserved Right to Modify Community to Comply with Law. Declarant shall have the reserved right, to effect such modifications to the Units and Common Elements in the Community and/or to execute, record and deliver any amendments to the Declaration, the Condominium Map as well as the Bylaws and rules and regulations promulgated thereunder, as may be necessary or required to effect compliance or conformance by the Community, the Association, or by Declarant with laws which apply to the Community, including, without limitation, the Fair Housing Act, as amended, 42 U.S.C. §§ 3601 et seq., including any and all rules and regulations promulgated thereunder, and the Americans With Disabilities Act, as amended, 42 U.S.C. §§ 12101 et seq., including any and all rules and regulations promulgated thereunder, or to make the Units eligible for financing programs of federally regulated mortgage insurance or purchasing oversight programs. Without limitation, Declarant may amend the Declaration (and, when appropriate, the Condominium Map) in any manner required to retrofit guest parking stalls, including without limitation any adaptable parking stall, so they are suited for use by persons with disabilities and to assign such stalls as appurtenant Limited Common Elements to any one or more of the Units intended for use by persons with disabilities upon substitution therefor of alternate guest parking stall(s). Such stall assignment may be made to Units, the Owners of which Declarant, in its sole judgment, determines require a parking stall accessible to persons with disabilities. Such reassignment is hereby specifically declared not to constitute a material amendment of the Declaration or, when appropriate, the Condominium Map. All costs of such reassignment shall be borne as determined by Declarant. Notwithstanding the foregoing, Declarant also reserves the right, but does not hereby undertake any obligation, to interchange guest parking stalls and the disabled guest parking stalls to accommodate Unit Owners in need of such parking. The rights of Declarant under this Section may be assigned to the Association.

21. Reserved Right to Control Association for Limited Period. Declarant shall have the reserved right to control the Association in accordance with Section 514B-106(d) of the Act, during which time Declarant, or persons designated by Declarant, may appoint and remove the officers and members of the Board of Directors. Such period of control of the Association by Declarant (the "Control Period") shall terminate no later than the earlier of:

(a) Sixty (60) days after conveyance of seventy-five percent (75%) of the common interest appurtenant to Units to Owners other than Declarant or an affiliate of Declarant;

(b) Two (2) years after Declarant has ceased to offer Units for sale in the ordinary course of business;

(c) Two (2) years after any right to add new Units was last exercised; or

(d) The day Declarant, after giving written notice to Unit Owners, Records an instrument voluntarily surrendering all rights to control activities of the Association.

Declarant may voluntarily surrender the right to appoint and remove officers and members of the Board of Directors before termination of the Control Period, but in such event Declarant may require, for the duration of the period of Declarant control, that specified actions of the Association or Board, as described in a Recorded instrument executed by Declarant, be approved by Declarant before they become effective, provided, however, that during the Control Period (i) Declarant must provide a copy of all amendments to the Department of Veterans Administration (the "VA"), and (ii) the Association may not make any material amendments or take any extraordinary actions as described in VA Pamphlet 26-7 revised, as may be applicable, without the approval of VA.

Until such time as the Declarant has turned over administration of the Community to the Association, Declarant shall have the right to amend the Bylaws.

22. Declarant's Right to Designate Units as Affordable Housing. Declarant shall have the right, but not the obligation to designate certain Units as affordable housing (the "**Affordable Units**") for owner-occupants meeting the income qualification eligibility requirements of the DPP and only in accordance with and to satisfy certain affordable housing conditions mandated by DPP pursuant to the Unilateral Agreement and Declaration for Conditional recorded as Document No. 3195643 adopted as part of the City in County of Honolulu Ordinance No. 04-46. Affordable Units will be subject to a four (4) year or eight (8) year buy-back restriction benefiting the City and County of Honolulu that limits the lease, resale, or rental of the Affordable Unit during the restriction period. The applicable buy-back restriction will be determined by the income of the purchaser. Declarant reserves the right to change the terms of the affordable housing program it offers in Declarant's sole discretion. Declarant reserves the right to develop, market and sell as many Affordable Units in the Community as Declarant desires. Each Owner waives any and all claims arising under the presence of Affordable Units, or lack thereof, in the Community. The Affordable Units shall be as follows: 601-605, inclusive, 701-705, inclusive, 1001-1005, inclusive, 1101-1105, inclusive, 1501-1505, inclusive, and 1601-1605, inclusive. Declarant reserves the right to terminate the designation of any unsold Affordable Unit and remove any Affordable Unit from the affordable housing program. Additionally, Declarant reserves all rights of enforcement and recourse against the Owner of an Affordable Unit available under Chapter 5 of the Department of Planning and Permitting City and County of Honolulu State of Hawaii Amendment of the Affordable Housing

Rules for Unilateral Agreements adopted February 12, 2010, in the event of a failure of the Owner of an Affordable Unit to comply with the requirements arising under the applicable buy-back restriction, including, without limitation, by seeking financial recourse from such Owner. The buyback restrictions shall be automatically extinguished and shall not attach in subsequent transfers of title when a mortgage holder or other party becomes the owner of an Affordable Unit pursuant to a mortgage foreclosure, foreclosure under power of sale, or a conveyance in lieu of foreclosure after a foreclosure action is commenced.

23. Declarant's Exercise of Rights. Each of the rights reserved to Declarant in this Section and Section E, Section G and Section R or otherwise in the Declaration may be exercised by Declarant or its authorized representatives in their respective sole and absolute discretion and without being required to obtain the consent or joinder of, or provide notice to, any Person or group of Persons, including the Association, any Unit Owner or any mortgagee, lien holder, any Unit purchaser, or any other person who may have an interest in the Community or in any Unit. Pursuant to Section X.1 of the Declaration, each and every Unit Owner by acceptance of a Deed for a Unit and/or acknowledgement of the Declaration, appoints Declarant, with full right of substitution, as the attorney in fact of such Owner or acquiring party to execute such documents and to do such things on such Owner's or acquiring party's behalf; and such appointment, being coupled with an interest, shall be irrevocable for the specific period(s) of Declarant's reserved rights as set forth in the Declaration and shall not be affected by the disability of any such Owner or acquiring party.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL OF THE RIGHTS RESERVED BY THE DEVELOPER UNDER THE CONDOMINIUM DOCUMENTS CONTAINED IN THE DECLARATION, BY LAWS, CONDOMINIUM MAP, COMMUNITY RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF SUCH RESERVED RIGHTS, PURCHASER CAN USE THIS SUMMARY OF SUCH RESERVED RIGHTS, PURCHASER SHOULD REFER TO THE CONDOMINIUM DECLARATION TO DETERMINE THE ACTUAL RIGHTS RESERVED BY THE DEVELOPER. IF ANY CONFLICT OR DIFFERENCES EXISTS BETWEEN THIS SUMMARY AND THE CONDOMINIUM DECLARATION, THE CONDOMINIUM DECLARATION WILL CONTROL. CAPITALIZED TERMS USED HEREIN, UNLESS OTHERWISE DEFINED HEREIN, SHALL HAVE THE MEANINGS GIVEN TO THEM IN THE DECLARATION.

EXHIBIT P

Section 4.2 -- Estimate of the Initial Maintenance Fees

The Estimated Maintenance Fee Disbursements for Awakea at Mehana have been compiled by Hawaiiana Management Company, a licensed property manager, assuming that all units in the Community as reflected on the Condominium Map are constructed. Although the property manager makes every effort to estimate the actual cost of operation, certain budget items, especially energy costs, labor costs, and insurance, may change. The Buyer is aware that such amounts are only estimates and may change for reasons beyond the control of Developer, and the Buyer hereby specifically accepts and approves any such changes. The Buyer is also aware that such estimates do not include the Buyer's obligation for payment of real property taxes. The Buyer understands that such estimates are not intended to be and do not constitute any representation or warranty by the Developer, including but not limited to any representation or warranty as to the accuracy of such estimates. Buyer understands that Developer has not independently confirmed the accuracy or content of the estimates prepared by the licensed independent managing agent. Further, the Developer advises that costs and expenses of maintenance and operation of a condominium community are very difficult to estimate initially and even if such maintenance charges have been accurately estimated, such charges will tend to increase in an inflationary economy and as the improvements age. Maintenance charges can vary depending on services desired by unit owners and may increase significantly depending on the level of services eventually selected by the Association's Board of Directors. The Buyer should examine the maintenance charges schedule to see what services are included in the schedule and address these issues with its Board upon its formation. Buyers should also be aware that the estimates provided are as of the date reflected in the Managing Agent's certification and do not reflect the actual charges that may be incurred upon the formation of the Association and the actual contracting for such services such as insurance and maintenance, etc.

By purchasing a Unit at Awakea at Mehana, the Buyer will become a member of the Mehana Master Association and be required to pay membership dues to that Association. The Association will collect this fee in addition to the Buyer's monthly maintenance fee and pay the same to the Master Association.

The Developer intends to pay all of the actual common expenses for the units and the unit owner shall not be obligated for the payment of the owner's share of the common expenses until such time as the Developer causes a 30 day advance written notice to be sent to the Owners that, after a specified date, the unit owners shall be obligated to pay for the portion of common expenses that is allocated to their respective units. The developer shall mail the written notice to the owners, the association, and the managing agent, if any, at least thirty days before the specified date.

The estimate of the initial annual maintenance fees and monthly estimated Maintenance fees is attached hereto.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE ESTIMATE OF THE INITIAL MAINTENANCE FEES CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP, COMMUNITY RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF SUCH RESERVED RIGHTS, PURCHASER CAN USE THIS SUMMARY OF SUCH RESERVED RIGHTS, PURCHASER SHOULD REFER TO THE DECLARATION TO DETERMINE THE ACTUAL RIGHTS RESERVED BY THE DEVELOPER.

IF ANY CONFLICT OR DIFFERENCES EXISTS BETWEEN THIS SUMMARY AND THE DECLARATION, THE DECLARATION WILL CONTROL. CAPITALIZED TERMS USED HEREIN, UNLESS OTHERWISE DEFINED HEREIN, SHALL HAVE THE MEANINGS GIVEN TO THEM IN THE DECLARATION.

CERTIFICATE

I, the undersigned, duly sworn on oath, depose and affirm as follows:

1. I am the Senior Vice President for Hawaiiana Management Company, Ltd., a Hawaii corporation, designated by the Developer of the Awakea at Mehana condominium project (the "Project") to act as the Managing Agent for the management and administration of the Project.

2. Attached hereto is a true and correct copy of the projected budget for the Project. The estimates contained therein, including the maintenance fee assessments and disbursements, are based upon and in reliance on the assumptions, expense and income data provided by the Developer along with information gathered by the Managing Agent from projects of comparable size and character. The estimated figures do not account for inflation, market adjustments, future utility rate changes, future insurance premium rate changes or other unanticipated events, including but not limited to, acts of government, acts of God, terrorism or war. In addition, the projected budget is based upon and in reliance on discussions with the Developer.

3. I hereby certify that the breakdown of the annual maintenance charges and the monthly estimated cost for each unit in the Project, as attached hereto and hereby incorporated herein by reference, were determined in accordance with Section 514B-148 of the Hawaii Revised Statutes and Chapter 107 of the Hawaii Administrative Rules, and that the Managing Agent made a good faith effort to calculate such estimates for the one-year period commencing December 2014, based on generally accepted accounting principles.

4. As permitted pursuant to Section 514B-148(b), new associations need not collect estimated reserves until the fiscal year which begins after the association's first annual meeting. The Developer has not conducted a reserve study for the Project. The budget amount for Reserves is an estimate only.

5. The Budget has been prepared on a cash basis.

(1) Represents additional expense applicable only to the Commercial Units within Building Type II (i.e., for maintenance and regular stocking and cleaning of the bathroom on the ground floor), which expenses are allocated and shared among all such commercial Units on a pro rata basis (proportionate to the common interests appurtenant to each such unit).

The estimated initial monthly maintenance fee assessments do not include mandatory dues payable to the Mehana at Kapolei Community Association. The current anticipated fee is \$25.00 per unit per month, and the fee is expected to increase to at least \$45.00 per unit per month when certain Mehana common facilities are available to residents. Depending on the scope of the Mehana Association's responsibility for the maintenance of the Kapolei Regional Drainage Facilities, this cost may increase. Pending delivery of such facilities, Master Association fees may be increased at any time to \$30.00 per month or such other amount that the Master Association determines in accordance with the Master Association. The Association will collect this fee in addition to the Unit Owner's monthly maintenance fee and pay the same to the Master Association.

The limited common element expense for water and sewer usage will appear as a separate line item on each Unit Owner's monthly maintenance fee bill. In addition to the water and sewer usage charges, a fee of \$10 per unit per month will be added to each Unit Owner's monthly bill to off-set the cost of meter reading and billings services for water and sewer. Section 5.1 -- Summary of Pertinent Provisions of Sales Contract

The Fee Simple Unit Sales Agreement (the "**Sales Contract**" or "**Purchase Agreement**") contains the price and other terms and conditions under which a purchaser will agree to buy a Unit in the Community. Among other things, the Sales Contract states:

- (a) The total purchase price, method of payment and additional sums which must be paid in connection with the purchase of a Unit.
- (b) That the purchaser acknowledges having received and read the public report for the Community prior to signing the Sales Contract.
- (c) That the Developer makes no representations concerning rental of a Unit, income or profit from a Unit, or any other economic benefit to be derived from the purchase of a Unit.
- (d) That the Sales Contract may be subordinate to the lien of a construction lender.
- (e) The Sales Contract provides that it shall not be construed as a present transfer of any rights or of any interest in the Unit, but rather states that it is an agreement to transfer in the future. By execution of the Sales Contract, the Purchaser agrees to waive, relinquish and subordinate the priority or superiority of any lien or other legal or equitable interest arising under the Sales Contract in favor of the lien or charge on the Community of the security interests of the Lender, including but not limited to any lien, mortgage or charge securing a loan made to finance the acquisition of the land and the costs of construction (if applicable) and any and all advances therefore until the filing of the Deed.
- (f) That the purchaser's money will be held in escrow, under the terms of the Escrow Agreement.
- (g) Requirements relating to the purchaser's financing of the purchase of a Unit.
- (h) The Sales Contract provides that Purchaser may purchase upgrades, including modifications or additions to, or upgrades of, the standard fixtures, appliances and/or layout of the Unit to be made by Seller, pursuant to an option addendum attached to the Sales Contract upon Purchaser's execution of the Sales Contract. Purchaser must make deposits for the upgrades as required by Seller.
- (i) That the Unit and the Community will be subject to various other legal documents which the purchaser should examine, and that the Developer may change these documents under certain circumstances.
- (j) That, except to the extent of a limited warranty in form attached to this Public Report, the Developer makes no warranties regarding the Unit, the Community or anything installed or contained in the Unit or the Community.
- (k) That the Community will be subject to ongoing construction and sales activities which may result in certain annoyances to the purchaser.

- (l) That the purchaser must close the purchase at a certain date and pay closing costs, in addition to the purchase price.
- (m) That the Developer has reserved certain rights and powers relating to the Community and the purchaser acknowledges and consents to the exercise of such rights and powers.
- (n) That except under certain circumstances, as set forth in the Sales Contract, all interest on deposits toward the purchase price shall be the property of the Developer.
- (o) If the purchaser defaults, Developer may retain purchaser's deposits and bring an action against purchaser. If the Developer defaults, purchasers may bring an action against Developer. All actions are subject to the rules of the Dispute Prevention Resolution, Inc., as provided in the Sales Contract.
- (p) Buyer may not at any time assign its rights or obligations under the Purchase Agreement.
- (q) Any assignment of the Sales Contract is void and of no legal effect.
- (r) The Sales Contract provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract, or the development or management of the Community, the sale of the Unit or the use or occupancy thereof, or any other aspect of the relationship between Seller and Purchaser regarding the Community which is raised or otherwise asserted before or after Closing shall be submitted to mediation and, if necessary, to arbitration in accordance with the terms, conditions and procedures set forth in the Sales Contract.

The Sales Contracts contains various other important provisions relating to the purchase of a Unit in the Community. Purchasers and prospective purchasers should carefully read the specimen Sales Contracts on file with the Real Estate Commission. Unless otherwise defined herein, all capitalized terms used herein shall have the same meanings given them under the Purchase Agreement.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS-CONTAINED IN THE PURCHASE AGREEMENT. WHILE A BUYER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF BUYER'S RIGHTS AND OBLIGATIONS UNDER THE PURCHASE AGREEMENT, BUYER MUST REFER TO THE PURCHASE AGREEMENT TO DETERMINE BUYER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE AGREEMENT, THE PURCHASE AGREEMENT WILL CONTROL.

EXHIBIT R

Section 5.1 -- Summary of Pertinent Provisions of Escrow Agreement

The Escrow Agreement sets up an arrangement under which the deposits a purchaser makes pursuant to a Sales Contract will be held by a neutral party ("**Escrow**"). Under the Escrow Agreement, these things will or may happen:

- (a) Escrow will let the purchaser know when payments are due.
- (b) Escrow will arrange for the purchaser to sign all necessary documents.
- (c) Except under certain circumstances as set forth in the Sales Contract, all deposits toward the purchase price shall be the property of the Developer. Provided that the purchaser is not in default under the Sales Contract and the Sales Contract contains a financing provision, purchaser's deposits, less escrow cancellation fees and third party lender fees, is refundable to purchaser if purchaser fails to qualify for a mortgage loan. Otherwise, all deposits toward the purchase price shall be the property of the Developer. The purchaser will be entitled to a refund of his or her funds only under certain circumstances.
- (d) The purchaser will be entitled to a refund of his or her funds only under certain circumstances as set forth in the Sales Contract.

The Escrow Agreement also establishes the procedures for the retention and disbursement of a purchaser's funds and says what will happen to the funds upon a default under the Sales Contract. The Escrow Agreement contains various other important provisions and establishes certain charges with which a purchaser should be familiar. Purchasers and prospective purchasers should carefully read the signed Escrow Agreement on file with the Real Estate Commission. A copy is available at the Developer's sales office. The Escrow Agreement contains the following provisions (which may be modified or otherwise limited by provisions not set forth below):

1. As and when Seller enters into a Sales Contract, Seller will give Escrow a signed copy of the Sales Contract and Buyer's deposit towards the purchase price of a Unit. The Sales Contract will require Buyer to pay to Escrow all other payments of the purchase price required under the Sales Contract. If Buyer gets a mortgage loan, the money from the loan will be paid to Escrow, along with the lender's mortgage for recording, and Escrow shall follow the lender's instructions. The Sales Contract will show the correct name and address of each Buyer. If a Sales Contract is signed and the sale occurs in a state other than Hawaii, the Sales Contract will show the place where the sale occurs.

2. Escrow will put all of the money it gets from Buyer in one or more special accounts (the "**trust fund**"). The trust fund will be deposited only at a depository designated by Seller or in banks or savings and loan institutions in Hawaii that are insured by the federal government as directed by Seller. The place, or places, where the trust fund is set up will be chosen by Escrow, unless otherwise selected or directed by Seller. Unless any of the Sales Contracts show different instructions, Seller will get all of the interest earned on the trust fund. Escrow will deposit the payments it gets from Buyer into the trust fund one or more times each week, so that the funds may earn the maximum interest.

3. Notwithstanding anything in this Agreement to the contrary, if Seller has submitted to the Real Estate Commission a material house bond securing the construction of improvements in the Community, the following provisions shall apply:

(i) Buyer's money shall not be disbursed to pay for construction costs or other expenses of the Community until the Unit to be conveyed has been completed and the Deed to Buyer has been recorded; and

(ii) If closing is to occur prior to the expiration of the applicable mechanic's lien period, Seller shall provide Buyer with a mechanic's lien endorsement to Buyer's owner's title insurance policy that protects Buyer against all future mechanic's and materialmen's liens. Further, Seller shall confirm to Escrow that Seller has provided the Real Estate Commission with a release by the general contractor of the contractor's lien rights.

4. The Sales Contract states when refunds of deposits may be made to Buyer. In the case where the Sales Contract is not yet binding and Buyer requests a refund, Escrow shall notify Seller of such request. Escrow may refund the deposit to Buyer, less any cancellation or other fees to which Escrow is entitled, only after receiving written approval from Seller. In all other cases, Escrow shall not make any refund to a Buyer who asks for it unless Escrow receives written approval from Seller or from a court of competent jurisdiction. The words "cancellation fees" mean Escrow's cancellation fees which are described in the Sales Contract and are described later in this Agreement. Fees for cancellation may also be charged by the lender who has agreed to lend Buyer money to buy the Unit. The Sales Contract states the instances when Escrow is to subtract cancellation fees from the amount to be refunded unless Seller tells Escrow not to charge the cancellation fees. Escrow shall give each Buyer who is to get a refund written notice of the refund. Escrow will send this notice by registered or certified mail to Buyer at the address shown on Buyer's Sales Contract or to the last address which Buyer may have given to Escrow.

5. Escrow will notify Seller and Buyer promptly if Buyer fails to make a payment or is otherwise in default under the Sales Contract (to the knowledge of Escrow). Seller will notify Escrow in writing if a Buyer has defaulted or not done something that Buyer promised to do in the Sales Contract. Seller will tell Escrow in the same letter that, because Buyer has defaulted, Seller is cancelling the Sales Contract and will give Escrow a copy of the letter that Seller delivered in person or sent by registered or certified mail to Buyer, telling Buyer of the default and cancellation. Seller will also give Escrow a copy of a receipt signed by Buyer or the registered or certified mail return receipt. Escrow will then send a letter to Buyer by registered or certified mail, informing Buyer that Seller has cancelled the Sales Contract because of the default. Escrow will wait for fifteen (15) days after the date which shows on the return receipt as the date when Buyer got Escrow's letter or the date which shows the last time that the post office tried to deliver the letter. If Escrow does not hear from Buyer during that time, Escrow may deduct its cancellation fee from Buyer's funds and treat Buyer's funds which are left as belonging to Seller. If Buyer tells Escrow that Buyer has not defaulted or tells Escrow not to do anything with Buyer's funds, then Escrow may proceed in accordance with Section 5.2 of the Escrow Agreement (to interplead funds) or deliver the funds to Seller.

6. Escrow will set the time (in accordance with Sales Contract and Seller's interest to pre-close) for taking in all money from each Buyer and for the signing of all of the documents that each Buyer must sign to complete the purchase, except for the mortgage documents, which may be signed at the lender's place of business. The conveyance tax certificates, preliminary closing statements, escrow instructions and final closing statements will be prepared by Escrow,

and Escrow will do all of the escrow acts required under this Agreement or any other written agreements between Seller, Buyer and Escrow. Escrow will give Buyer and Seller copies of HARPTA and FIRPTA forms, or provide the online link to obtain copies of those forms, with a recommendation that the parties seek appropriate counsel to complete the forms. Escrow will coordinate with Buyer's lender, the title companies and all others who are a part of the purchase so that closing will occur at a suitable time. Escrow agrees to close all of the sales at the same time or individually from time to time, as directed by Seller. "Closing" is complete when all necessary conveyance and financing documents to complete a purchase are recorded in the appropriate Hawaii recording office. After all documents have been signed, Escrow will close on the closing date as agreed to in the Sales Contract only if:

- (i) The required money has been paid to Escrow;
- (ii) All necessary documents can be recorded, as appropriate;
- (iii) All mortgages having to do with the purchase can be recorded, following the lender's instructions; and
- (iv) All necessary releases can be recorded so that the Unit is conveyed free and clear of all blanket liens in accordance with the Condominium Law.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE ESCROW AGREEMENT, ONE MUST REFER TO THE ACTUAL ESCROW AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL AND NOT THIS SUMMARY.

Section -- 5.2 Sales to Owner Occupants

**AWAKEA AT MEHANA
AFFIDAVIT OF INTENT TO PURCHASE AND RESIDE IN AN OWNER-OCCUPANT
DESIGNATED CONDOMINIUM UNIT**

[] Chronological System [] Lottery System

We, the undersigned "owner-occupants", on this _____ day of _____, 20____, do hereby declare that it is our intention to purchase and reside in a condominium unit designated for an "owner-occupant" in the Awakea at Mehana condominium community ("Community") proposed by D.R. Horton – Schuler Homes, LLC, a Delaware limited liability company, dba D.R. Horton-Schuler Division ("Developer").

We understand, affirm, represent and agree by signing this Affidavit that:

1. It is our intent to reserve and purchase an owner-occupant designated residential unit ("designated residential unit") pursuant to Section 514B-96 of the Owner-Occupant Law, and upon closing escrow, to reside in the designated residential unit as our principal residence for 365 consecutive days.

2. The term "owner-occupant" as used herein is defined in section 514B-95 of the Owner-Occupant Law as:

"...any individual in whose name sole or joint legal title is held in a residential unit that, simultaneous to such ownership, serves as the individual's principal residence, as defined by the department of taxation, for a period of not less than three hundred and sixty-five consecutive days; provided that the individual shall retain complete possessory control of the premises of the residential unit during this period. An individual shall not be deemed to have complete possessory control of the premises if the individual rents, leases, or assigns the premises for any period of time to any other person in whose name legal title is not held; except that an individual shall be deemed to have complete possessory control even when the individual conveys or transfers the unit into a trust for estate planning purposes and continues in the use of the premises as the individual's principal residence during this period." (Emphasis added).

3. We understand that if two or more prospective owner-occupants intend to reside jointly in the same designated residential unit, only one owner-occupant's name shall be placed on the reservation list for either the chronological system or the lottery system.

4. Should we require financing from a financial institution to purchase the designated residential unit, the financing shall be an owner-occupant mortgage loan. The financial institution is required to take all reasonable steps necessary to determine whether the borrower intends to become an owner-occupant.

5. At any time after obtaining adequate financing or a commitment for adequate financing up until the expiration of this Affidavit (365 days after recordation of the instrument conveying the designated residential unit to us), we shall notify the Real Estate Commission immediately upon any decision to cease being an owner-occupant of the designated residential unit.

6. At closing of escrow, we shall file a claim for and secure an owner-occupant property tax exemption with the appropriate county office for the designated residential unit.

7. We have personally executed this Affidavit and we are all of the prospective owner-occupants for the designated residential unit. This Affidavit shall not be executed by an attorney-in-fact.

8. We shall not sell or offer to sell, lease or offer to lease, rent or offer to rent, assign or offer to assign, convey or otherwise transfer any interest in the designated residential unit until at least 365 consecutive days have elapsed since the recordation of the instrument conveying title to the designated residential unit to us. Furthermore, we understand that we have the burden of proving our compliance with the law. We affirm that we will notify the Real Estate Commission immediately upon any decision to cease being an owner occupant.

9. We understand that it is the affirmative duty of any developer, employee or agent of a developer, and real estate licensee, to report immediately to the Real Estate Commission any person who violates or attempts to violate the Owner-Occupant Law. No developer, employee or agent of a developer, or real estate licensee shall violate or aid any person in violating the Owner-Occupant Law.

10. The Real Estate Commission may require verification of our owner-occupant status and if we fail to submit such verification, we may be subject to a fine in an amount equal to the profit made from the sale, assignment or transfer of the designated residential unit.

11. Section II. The Limited Warranty

A. Introduction to the Limited Warranty

1. This book provides specific details, conditions and limitations of the Limited Warranty including procedures for requesting warranty performance and for binding arbitration, in accordance with the procedures of the Federal Arbitration Act. Additional information may be received by calling RWC at (717) 561-4480. Read this document in its entirety to understand the protection it affords, the exclusions applicable to it, the Warranty Standards which determine its interpretations and operation and your responsibilities.
2. This is NOT an insurance policy, a maintenance agreement or a service contract. It is an explanation of what you, the Purchaser, can expect from this Limited Warranty.
3. Appliances and Equipment included in the Home are not warranted under this Limited Warranty, but may be covered by separate warranties provided by the manufacturer or supplier. These warranties are passed on to you by your Builder at closing and are separate from this Limited Warranty.
4. You are responsible for maintenance of your new Home. General and preventative maintenance are required to prolong the life of your new Home.
5. This Limited Warranty is **automatically transferred** to subsequent Owners during the ten-year term of this Limited Warranty, except in the case of a foreclosure that voids the warranty as provided in Section II.A.6.*
6. This Limited Warranty becomes void and all obligations on the part of Warrantor cease as of the date an Owner vacates the Home due to foreclosure proceedings.*
7. This Limited Warranty is subject to changes required by various regulating bodies. FHA and VA, as well as some local agencies have mandated the additions noted in the Addenda Section of this Limited Warranty book. Notations throughout indicate where the Addenda apply.

B. The Limited Warranty

1. **Actions taken to cure Defects will NOT extend the periods of specified coverages in this Limited Warranty.**
2. Only warranted elements which are specifically designated in the Warranty Standards are covered by this Limited Warranty.
3. The Warrantor has the choice to repair, replace or pay the reasonable cost to repair or replace warranted items which do not meet Warranty Standards and are not excluded in the Limited Warranty.
4. If a warranted MSD occurs during the appropriate coverage period, and is reported as required in **Section IV.**, the Warrantor will repair, replace or pay you the reasonable cost to repair or replace the warranted MSD, limited to actions necessary to restore the MSD to its load-bearing capacity.

C. Warranty Coverage*

1. **ONE YEAR COVERAGE:** Your Builder warrants that for a period of one (1) year after the Effective Date Of Warranty, warranted items will function and operate as presented in the Warranty Standards of Year 1, **Section III.A.** Coverage is **ONLY** available where specific Standards and Actions are represented in this Limited Warranty.*
2. **TWO YEAR COVERAGE:** Your Builder warrants that for a period of two (2) years from the Effective Date Of Warranty, specified portions of the Heating, Cooling, Ventilating, Electrical and Plumbing Systems, as defined in this Limited Warranty, will function and operate as presented in the Warranty Standards of Years 1 and 2 only, **Section III.B.**‡
3. **TEN YEAR COVERAGE:** Major Structural Defects (MSD) are warranted for ten (10) years from the Effective Date Of Warranty.

Warranted common elements are those portions of the defined Electrical, Heating, Ventilating, Cooling, Plumbing and structural Systems which serve two (2) or more residential units, and are contained wholly within a residential structure. 1. If a Defect occurs in Years 1 and 2, you must notify your Builder in writing. Your request for warranty performance should clearly describe the Defect(s) in reasonable detail.
2. Request for warranty performance to your Builder does not constitute notice to the Administrator, and it will not extend applicable coverage periods.
3. If a request for warranty performance to your Builder does not result in satisfactory action within a reasonable time, written notice must be given to RWC, Administrator, 5300 Derry Street, Harrisburg, Pennsylvania 17111, Attn: Warranty Resolution Department. This notice should describe each item in reasonable detail and should be forwarded by certified mail, return receipt requested.
4. *Please note that a written request for warranty performance must be mailed to RWC and postmarked no later than thirty (30) days after the expiration of the applicable warranty period. For example, if the item is one which is warranted by your Builder during your second year of coverage, a request for warranty performance must be mailed to RWC and postmarked no later than thirty (30) days after the end of the second year to be valid.*
5. You must provide the Warrantor with reasonable weekday access during normal business hours in order to perform its obligations. Failure by you to provide such access to the Warrantor may relieve the Warrantor of its obligations under this Limited Warranty.
6. If your Builder does not fulfill its obligations under this Limited Warranty, the Administrator will process the request for warranty performance as described in the Limited Warranty and subject to the provisions of IV.F.

B. Notice to Warrantor in Years 3-10

Any such notice should describe the condition of the MSD in reasonable detail. Requests for warranty performance postmarked more than thirty (30) days after the expiration of the term of this Limited Warranty will not be honored.

C. Purchaser's Obligations

1. **Your notice to the Administrator must contain the following information:**

From time to time, the Administrator may request information from you regarding an alleged Defect. Failure by you or your appointed representative to respond with the requested information within thirty (30) days of the date of the Administrator's request can result in the closing of your warranty file.

D. Mediation and Inspection

Within thirty (30) days following the Administrator's receipt of proper notice of request for warranty performance, the Administrator may review and mediate your request by communicating with you, your Builder and any other individuals or entities who the Administrator believes possess relevant information. If, after thirty (30) days, the Administrator has not been able to successfully mediate your request, or at any earlier time when the Administrator believes that your Builder and you are at an impasse, then the Administrator will notify you that your request has become an Unresolved Warranty Issue. At any time following the receipt of proper notice of your request for warranty performance, the Administrator may schedule an inspection of the item. You must provide the Administrator reasonable access for any such inspection as discussed in Section IV.A.5. The Administrator, at its discretion, may schedule a subsequent inspection to determine Builder compliance.

When a request for warranty performance is filed and the deficiency cannot be observed under normal conditions, it is your responsibility to substantiate that the need for warranty performance exists including any cost involved. If properly substantiated, you will be reimbursed by the Warrantor.

E. Arbitration*

You begin the arbitration process by giving the Administrator written notice of your request for arbitration of an Unresolved Warranty Issue. The written notice of your request for arbitration must be received by the Administrator no later than thirty (30) days following the expiration of the ten year warranty period. Within one (1) year after an arbitration award, either party may apply to the U.S. District Court where the Home is situated to confirm the award. The Administrator's receipt of a written request for arbitration in appropriate form shall stop the running of any statute of limitations applicable to the matter to be arbitrated until the Arbitrator renders a decision. The decision of the Arbitrator shall be final and binding upon all parties.†

Since this Limited Warranty provides for mandatory binding arbitration of Unresolved Warranty Issues, if any party commences litigation in violation of this Limited Warranty, such party shall reimburse the other parties to the litigation for their costs and expenses, including attorney fees, incurred in seeking dismissal of such litigation.*

In Years 1 & 2, the Builder shall have sixty (60) days from the date the Administrator sends the Arbitrator's award to the Builder to comply with the Arbitrator's decision. In Years 3-10, the Warrantor shall have sixty (60) days from the date the Administrator receives the Arbitrator's award to comply with the Arbitrator's decision. Warranty compliance will begin as soon as possible and will be completed within the sixty-day compliance period with the exception of any repair that would reasonably take more than sixty (60) days to complete, including, but not limited to, repair delayed or prolonged by inclement weather. The Warrantor will complete such repair or replacement as soon as possible without incurring overtime or weekend expenses.

You may request a compliance arbitration within twenty (20) days after the sixty-day compliance period has expired by giving the Administrator written notice of your request. You must pay the fees for the compliance arbitration prior to the matter being submitted to the arbitration service.

F. Conditions of Warranty Performance

1. When your request for warranty performance is determined to be a warranted issue, the Warrantor reserves the right to repair or replace the warranted item, or to pay you the reasonable cost of repair or replacement.
2. In Years 1 and 2, if your Builder defaults in its warranty obligations, the Administrator will process the request for warranty performance provided you pay a warranty service fee of \$250 for each request prior to repair or replacement.**◆
3. In Years 3 through 10 you must pay the Administrator a warranty service fee of \$500 for each request.**◆
4. If the Administrator elects to award you cash rather than repair or replace a warranted item, the warranty service fee will be subtracted from the cash payment.
5. If the Warrantor pays the reasonable cost of repairing a warranted item, the payment shall be made to you and to any mortgagee or mortgagee's successor as each of your interests may appear; provided that the mortgagee has notified the Administrator in writing of its security interest in the Home prior to such payment. Warrantor shall not have any obligation to make payment jointly to the Purchaser and mortgagee where the mortgagee has not notified your Builder or the Administrator in writing of

its security interest in the Home prior to such payment. Any mortgagee shall be completely bound by any mediation or arbitration relating to a request for warranty performance between you and the Warrantor.*

6. Prior to payment for the reasonable cost of repair or replacement of warranted items, you must sign and deliver to the Builder or the Administrator, as applicable, a full and unconditional release, in recordable form, of all legal obligations with respect to the warranted Defects and any conditions arising from the warranted items.
7. Upon completion of repair or replacement of a warranted Defect, you must sign and deliver to the Builder or the Administrator, as applicable, a full and unconditional release, in recordable form, of all legal obligations with respect to the Defect and any conditions arising from the situation. The repaired or replaced warranted item will continue to be warranted by this Limited Warranty for the remainder of the applicable period of coverage.
8. If the Warrantor repairs, replaces or pays you the reasonable cost to repair or replace a warranted item, the Warrantor shall be subrogated to all your rights of recovery against any person or entity. You must execute and deliver any and all instruments and papers and take any and all other actions necessary to secure such rights, including, but not limited to, assignment of proceeds of any insurance or other warranties to the Warrantor. You shall do nothing to prejudice these rights of subrogation.
9. Any Warrantor obligation is conditioned upon your proper maintenance of the Home, common elements and grounds to prevent damage due to neglect, abnormal use or improper maintenance.
10. **Condominium Procedures:**
 - a. In the case of common elements of a condominium, at all times, owner(s) of each unit affected by the common elements in need of warranty performance shall each be responsible to pay the warranty service fee (\$250 in Years 1 and 2, \$500 in Years 3 through 10) for each request for warranty performance.**
 - b. If a request for warranty performance under this Limited Warranty involves a common element in a condominium, the request may be made only by an authorized representative of the condominium association. If the Builder retains a voting interest in the association of more than 50%, the request may be made by unit owners representing 10% of the voting interests in the association.
 - c. If a request for warranty performance under this Limited Warranty involves a common element affecting multiple units, and all affected units are not warranted by the RWC Warranty Program, the Insurer's liability shall be limited to only those units warranted by the RWC Warranty. The limit of liability shall be prorated based upon the number of units warranted by this Limited Warranty.

2. All prospective purchasers should also be aware that the Private Yard Areas, if any are available to Units in the Community, are not subdivided lots, but are exclusive use areas appurtenant to the Unit(s).
3. Developer may revise the specimen deed and sales contract for the Community to conform with any future amendments that may be made to the Declaration and the Community.
4. Each prospective purchaser should review the Condominium Map Site Plan so that they may identify easement areas benefiting the community, which easements may affect the use of the Private Yard Area, if any.
5. Buyer may landscape the easement area(s) within a Private Yard Area, if any, as long as you do not interfere with the use of the easement area(s) affecting your unit. The grantee of the easement area, whether it is HECO, the Community Association, the Master Association or an agency of the County, will have the right to trim and keep trimmed any plants within the easement area that may be in the way. Also, you may not be permitted to construct other structures in the area depending on the nature of the easement. Such structures may require the grantee's approval. Additionally, should the grantee determine that it must remove any plants or foliage within the easement area, it may NOT be obligated to replace them, but rather will only be obligated to restore the surface of the ground within the easement area as much as the grantee determines is reasonably possible.
6. Exterior elevations, door and window locations and types may be modified from that reflected on the Condominium Map.
7. HRS 672E contains important requirements you must follow before you file a lawsuit or other action for defective construction against the contractor who designed, repaired, or constructed your unit or facility. Ninety days before you file your lawsuit or other action, you must serve on the contractor a written notice of any construction conditions you allege are defective. Under the law, a contractor has the opportunity to make an offer to repair and/or pay for the defects. You are not obligated to accept any offer made by a contractor. There are strict deadlines and procedures under the law and failure to follow them may negatively affect your ability to file a lawsuit or other action.
8. Certain portions of the Community may be used as a sales office. The buyer is aware that noise and traffic from these areas may cause a disturbance. The buyer is responsible for investigating noise levels in and around the Community to determine if the buyer is satisfied with the acoustics and noise levels within the unit and within the Community as a whole. Developer makes no guaranty as to these matters now or in the future.

9. The buyer should be aware that the Community may be periodically affected by certain environmental conditions due to historical, existing and prospective surrounding conditions and uses. Those uses include, without limitation, industrial, commercial, recreational, and other non-residential uses, animal husbandry and pasture uses, and a railroad easement. 10. Buyers are encouraged to find out which parking stalls are available for their use and the location of the parking stalls.

11. The buyer should be aware that the Community and/or the Unit may be affected by traffic, aircraft noise, and adverse effects from the Kalaeloa Community Development District and that an expansion of military uses and associated adverse impacts may occur within Kalaeloa.

13. The buyer should be aware that the Community is located near the OR&L Historic Railway and the operation of trains on the railway may result in noise and other impacts associated with the operation of trains.

14. Buyers should be aware that the Community includes mixed uses, and is not exclusively a residential community, and that the presence of the mixed uses in the Community may adversely affect an Owner's use and enjoyment of their Unit.

15. Buyers shall comply with the County approved Solid Waste Management Plan attached hereto as Exhibit W and are encouraged to recycle waste materials accordingly.

16. Developer has the reserved right to control the Association in accordance with Section 514B-106(d) of the Act, during which time Developer, or persons designated by Developer, may appoint and remove the officers and members of the Board of Directors. Such period of control of the Association by Developer (the "**Control Period**") shall terminate no later than the earlier of:

(a) Sixty (60) days after conveyance of seventy-five percent (75%) of the common interest appurtenant to Units to Owners other than Developer or an affiliate of Developer;

(b) Two (2) years after Developer has ceased to offer Units for sale in the ordinary course of business;

(c) Two (2) years after any right to add new Units was last exercised; or

(d) The day Developer, after giving written notice to Unit Owners, Records an instrument voluntarily surrendering all rights to control activities of the Association.

Developer may voluntarily surrender the right to appoint and remove officers and members of the Board of Directors before termination of the Control Period, but in such event Developer may require, for the duration of the period of Developer control, that specified actions of the Association or Board, as described in a Recorded instrument executed by Developer, be approved by Developer before they become effective, provided, however, that during the Control Period (i) Developer must provide a copy of all amendments to the Department of Veterans Administration (the "VA"), and (ii) the Association may not make any material amendments or take any extraordinary actions as described in VA Pamphlet 26-7 revised, as may be applicable, without the approval of VA.

Until such time as the Declarant has turned over administration of the Community to the Association, Declarant shall have the right to amend the Bylaws.

 - iv. An approximate two-acre site for BMX-3 zoning is permitted on the Land.
 - v. Front-loaded single-family housing products are permitted. Rear-loaded homes will be the predominate single-family home featured along the two main collector roads as shown on Exhibit B-1, the Updated Preliminary Land Use Plan dated August 19, 2004.
 - vi. With regards to block sizing, the Declarant is required to substantially conform to the roadway grid as reflected in the Updated Preliminary Land Use Plan dated August 19, 2004 (Exhibit B-1).
- b. Parks and Open Space
- i. Kapolei Green shall be dedicated to the City and shall include the amenities and features as contemplated pursuant to D.R. Horton's letter dated August 26, 2004, attached hereto (Exhibit C-1) and made a part hereof, to the Department of Parks and Recreation (DPR) and DPR's written reply to D.R. Horton dated September 13, 2004, attached hereto (Exhibit C-2) and made a part hereof, in which D.R. Horton agreed to provide a clean, graded, grassed and irrigated central park with a total area of approximately 4.5 acres. DPR agreed to recommend the proposed park as planned for dedication to the City once constructed. Additional improvements, if provided by the Declarant at the request and/or agreement of the City, would qualify as excess Park Dedication Credits for the Declarant. Final

terms of such an arrangement shall be subject to a formal agreement, between the Declarant and the City when such improvements are sought.

- ii. The Declarant shall establish parks and pedestrian and bike paths as shown on the Updated Preliminary Land Use Plan dated August 19, 2004 (Exhibit B-1), including the connection of the parks and the elementary school fields and playground (which also could serve as an active open space) by a landscaped linear path.
- iii. The "Village Walk", as originally planned to be within the approximate center of the Mehana at Kapolei site, is now being relocated along the Project's mauka boundary. The Declarant shall construct Village Walk improvements such as an 8-foot walkway, landscaping and street furniture, up to their property line, as shown in Exhibit B-2, Village Walk Concept Plan A dated August 19, 2004, attached hereto and made a part hereof. These improvements shall supplement the adjoining improvements to be provided by The Estate of James Campbell or its successor entities, as shown on the Village Walk Concept Plan A dated August 19, 2004 (Exhibit B-2).
- iv. A reserve area for a possible roadway in proximity to the makai edge of the school site shall be provided by the Declarant for connection within the area to Ft. Barrette Road. This future connection point and eventual road alignment could be different from that represented on the Updated Preliminary Land Use Plan dated August 19, 2004 (Exhibit B-1), as negotiations between Declarant and various governmental agencies are finalized. The reserve area shall remain in effect unless the State Department of Transportation or other governmental agencies, as appropriate, determine that a roadway connection to Ft. Barrette Road is not permitted. In that event, the reserve shall terminate and the area shall be available for residential development.

- c. Roadways
 - i. Employing Subdivision Street Standards as adopted by the Department of Planning and Permitting of the City and County of Honolulu (DPP) is permitted.
 - ii. Eliminate from the Kapolei Urban Design Plan any references to the collector road that borders the mauka edge of the property, subject to the relocation of the Village Walk as discussed above, and Renton Road Extension, which is an unconnected remnant along the makai boundary of Mehana.
 - d. Regional Drainage
 - i. The regional drainage corridor abutting the mauka side of the OR&L right-of-way, shall be developed as a grass-lined drainage system with trees along a bicycle path, open for public use, within or abutting the drainage system, as shown in concept in the Drainage Corridor Concept Plan dated August 27, 2004, attached hereto as Exhibit "B-3" and made a part hereof. The final plans for the drainage system shall be subject to the approval of the Director of DPP. The Declarant shall improve the drainage system as described and dedicate the drainage system subject to a schedule approved by the Director of DPP. Hardscaping within the drainage facility will be permitted for easements for electrical transmission, fuel and sewerage, bike and pedestrian paths and vehicular crossings.
 - ii. The Declarant shall provide public pedestrian and vehicular connections to the regional drainage corridor as shown in the Updated Preliminary Land Use Plan dated August 19, 2004 (Exhibit B-1).
2. Prior to the approval of the first building permit by DPP, the Declarant shall submit "Mehana Design Guidelines" for the Project (except for the school site) illustrating site planning guidelines and

building design features, including a variety of elevations, fencing, roofing elements, landscaping, lanais, etc. for approval by the City of Kapolei Design Advisory Board ("DAB") and DPP. The Mehana Design Guidelines shall be consistent with the City of Kapolei Urban Design Plan ("Kapolei UDP") in effect. Thereafter, individual site plans and front elevations for all project phases shall be submitted to DPP for approval and shall evidence general conformance with the design concepts of the Mehana Design Guidelines. Modifications to the Mehana Design Guidelines shall be subject to approval by the Director of DPP. Said site plans for all project phases shall be deemed approved by the Director of DPP if no comments are received by Declarant within 45 days of submittal to DPP.

The Mehana Design Guidelines are intended to serve as interim guidelines until amendments to the Kapolei UDP are approved by the Council. As such, conformance with the Mehana Design Guidelines shall no longer be required upon approval by the Council of appropriate amendments to the Kapolei UDP incorporating these or other design guidelines that the Council deems appropriate.

Any development that is inconsistent with the Mehana Design Guidelines and the then-effective Kapolei UDP shall not be permitted until appropriate amendments to the Kapolei UDP are approved by the Council.

3. Prior to approval of subdivision applications (except those for bulk lot purposes), the Declarant shall submit, in coordination with the State Department of Transportation (DOT) and the City Department of Transportation Services (DTS), a roadway master plan for roadways within and adjacent to the Project consistent with the roadway layout provided in the Updated Preliminary Land Use Plan, dated August 19, 2004 (Exhibit B-1), to DPP for review and approval. The roadway master plan shall include road cross-sections and associated land uses. An analysis of auxiliary left and right turn lane lengths shall also be provided as may be required by DPP. The plan shall also take into account the need to provide enhanced pedestrian and bicycle facilities, as presented in the Declarant's zone change application, as well as future transit stop locations. An identification of which intersections may warrant future traffic signal

installation shall also be included. The development of the Land shall conform to the approved roadway master plan, provided that the plan may be amended from time to time with the prior written approval of the Director of DPP.

4. Transportation. The Declarant shall carry out the following requirements related to traffic and transportation improvements:
 - a. Prior to applying for building permits for any additional dwelling unit beyond 400 dwelling units, the Declarant shall consult with the State DOT, DTS and DPP, and submit for approval to the Director of DPP a supplemental update to the Traffic Impact Assessment Report (Declarant's Traffic Impact Study dated May 5, 2004, hereinafter called the "TIAR"), or provide supplemental information to the Traffic Impact Assessment Report updates required by the conditions relating to traffic and transportation improvements attached to the enactment of Bill 72 (2004), as amended. The Declarant's submittal, hereinafter called the "Supplemental Traffic Impact Assessment Report (TIAR)", shall include a Traffic Management Plan (TMP) identifying Traffic Demand Management (TDM) strategies to reduce area wide traffic congestion. The Supplemental TIAR area shall generally be that area described in Exhibit D, attached hereto and made a part hereof. Prior to applying for building permits for any additional dwelling unit beyond 800 dwelling units, the Declarant shall submit an update to the Supplemental TIAR, identifying roadway infrastructure improvements that are or will be needed to support the Project during its various stages including an analysis of traffic signal warrants.
 - b. Fund and/or construct its share of roadway improvements, described in the TIAR and supplemental updates, as may be required by State and City transportation agencies, within the Project area or directly attributable to the Project.
 - c. On an annual basis, Declarant shall participate in a meeting to be organized by DPP and to include State DOT and DTS to discuss the coordination and implementation of traffic improvements in and around the City of Kapolei and the need

for additional studies. This condition for participation in an annual meeting shall be deemed satisfied and shall be fully released upon the approval of the last building permit of the last phase of the Project. In its annual report to the City required by Condition 14, the Declarant shall report on the status and scheduling of its implementation of traffic improvements related to the Project.

5. The Declarant shall develop the necessary potable and non-potable water system improvements to serve the Project, including the school site and the drainage corridor discussed in Condition 1.d. herein, as may be required by the Board of Water Supply, prior to any subdivision or building permit approval, whichever comes first.
6. Prior to subdivision, residential cluster or residential building permit approval, the Declarant shall execute an agreement to participate in an affordable housing plan acceptable to DPP in accordance with adopted rules. The agreement shall provide for no less than 30% of the total residential units of the Project to be delivered to households with incomes up to and including 120 percent of median income or less, including no less than 10 percent of the total units to be delivered to households with incomes up to and including 80 percent of median income or less. "Median income" means the median income for Honolulu, adjusted for family size, as determined by the United States Secretary of Housing and Urban Development.
7. The Declarant shall contribute to the development, funding, and/or construction of school facilities, on a fair-share basis, as determined by and to the satisfaction of the State Department of Education (also referred to as "DOE"). Terms of the contribution agreement shall be agreed upon in writing by the Declarant and the DOE, prior to obtaining building permits.
8. Prior to building permit approval, the Declarant shall submit to the Department of Health (DOH) and DPP, a solid waste management plan as may be required by the DOH. The Declarant shall comply with the approved solid waste management plan.

9. Prior to grading permit approval, the Declarant shall prepare and submit a dust control plan to DPP and DOH, as may be required by DOH. The Declarant shall comply with the approved dust control plan.
10. The Declarant shall inform all prospective purchasers or lessees of single- and multi-family dwellings in the Project of all of the following:
 - a. The potential impacts, including but not limited to traffic, aircraft noise, and adverse effects from the Kalaeloa Community Development District and that an expansion of military uses and associated adverse impacts may occur within Kalaeloa;
 - b. The development is located within the contours of the Honolulu International Airport 1987 Noise Contour Map; and
 - c. The development is located near the OR&L Historic Railway and the operation of trains on the railway may result in noise and other impacts associated with the operation of the trains.

The disclosure shall be made through a Disclosure Document acceptable in form and content to the DPP and the Corporation Counsel. The Disclosure Document shall be signed by the purchaser or lessee as an affirmative acknowledgment of the potential impacts. All disclosures shall be included in any deed or lease of residential property and any applicable Declaration of Covenants, Conditions and Restrictions, and shall be recorded so as to run with the land of the affected property. The form, content, and manner of recordation of the disclosures shall be approved by the DPP and the Corporation Counsel prior to any subdivision approval (except those for bulk lot purposes) or building permit approval, whichever occurs first.

11. The Declarant shall submit a revised drainage master plan and implementing schedule for the drainage improvements required for the development of the Project. The master plan shall be approved by the Director of DPP prior to any subdivision approval (except those for bulk lot purposes). The Declarant shall comply with the revised drainage master plan and implementing schedule.

12. If, during construction, any previously unidentified archaeological site or remains (such as artifacts, shell, bone, or charcoal deposits, human burials, rock or coral alignments, paving, or walls) are encountered, the Declarant shall stop work and contact the State Historic Preservation Division (SHPD) immediately. Work in the immediate area shall be stopped until the SHPD is able to assess the impact and make further recommendations for mitigative activity.
13. The Declarant acknowledges that approval of this zone change does not constitute compliance with other Land Use Ordinance or governmental agencies' requirements. They are subject to separate review and approval. The Declarant shall be responsible for ensuring that the final plans for the Project comply with all applicable Land Use Ordinance and other governmental agencies' provisions and requirements.
14. On an annual basis, the Declarant shall submit a written status report to DPP documenting its satisfaction of and/or describing its progress toward complying with each condition of approval for this zone change. The status report shall be submitted to DPP by December 31 of each year until such time as DPP has determined that all conditions of approval have been satisfied. If a status report is not submitted within the time specified, the DPP may defer the processing of permits until a status report is submitted.
15. In the event of noncompliance with any of the conditions set forth herein, the Director of Planning and Permitting shall inform the Council and may initiate action to rezone the Land, seek civil enforcement, or take appropriate action to terminate or stop the Project until applicable conditions are met.
16. Failure to fulfill any conditions to the zone change may be grounds for revocation of the permits issued under this zoning and grounds for the enactment of ordinances making further zone changes, including revocation of the underlying zoning, upon initiation by the proper parties in accordance with the Revised City Charter.

17. Declarant expressly acknowledges and agrees that its obligations hereunder shall survive the termination of the Estate of James Campbell and shall be binding upon its successors and assigns.

NOW, THEREFORE, Declarant hereby makes the following additional Declarations:

For purposes of this document, any references to a specific City department or agency shall be deemed to include a reference to any successor department or agency.

That the conditions imposed herein are reasonably conceived to fulfill public service demands created by the requested change in zoning and are rationally related to the objective of preserving the public health, safety and general welfare and the further implementation of the General Plan of the City and County of Honolulu.

The development of the Land shall conform to the aforesaid conditions with the understanding that, at the request of the Declarant and upon the satisfaction of the conditions set forth in this Unilateral Agreement, the Department of Planning and Permitting may fully or partially release, as applicable, any of the foregoing conditions that have been fulfilled.

That if there are any conflicts between this Unilateral Agreement and any previous unilateral agreement(s) applicable to the Land, the terms and conditions of this Unilateral Agreement shall apply.

AND IT IS EXPRESSLY UNDERSTOOD AND AGREED that the conditions imposed in this Declaration shall run with the Land and shall bind and constitute notice to all the parties hereto and subsequent lessees, grantees, assignees, mortgagees, lienors, successors, and any other persons who have or claim to have an interest in the Land, and the City and County of Honolulu shall have the right to enforce this Declaration by rezoning, appropriate action at law or suit in equity against all such persons, provided that the Declarant or its successors and assigns may file a petition with the Department of Planning and Permitting for amendment or removal of any conditions or termination of this Declaration, such petition to be processed in the same manner as petitions for zone changes.

Mehana at Kapolei
Neighborhood Park Dedication Recommendation

Dear Mr. Balfour,

Thank you very much for your time and advice at our August 12, 2004 meeting, to discuss Mehana's proposed neighborhood park. It will play a vital role in establishing Mehana as a desirable place to live and we look forward to working with the City and County to create a first class park for the community.

I have enclosed a copy of the conceptual park plan we reviewed with you and your staff, for your records. Based on our representations at the meeting, you indicated that your department would recommend that the approximately 4.5-acre park area be accepted by the City and County for park dedication purposes. We request your acknowledgment of this recommendation be forwarded to the Department of Planning and Permitting relative to the pending Mehana Zone Change application (DPP File No. 2004/Z-5).

It is our intention to grade, grass and irrigate the 4.5 acre park site and dedicate the park to the City. The other improvements, such as the parking lot, restrooms, children's play structure and basketball/volleyball courts will be constructed by the City & County.

As discussed at the meeting, we are considering the possibility of constructing some or all of the park improvements—according to a mutually acceptable plan. It is our understanding that these improvements could be credited towards any outstanding or future on- or off-site park dedication requirements.

EXHIBIT W

SOLID WASTE MANAGEMENT PLAN MEHANA AT KAPOLEI

(As developed in consultation with the State of Hawaii, Department of Health,
Solid Waste Management Branch, December 2006)

Recycling of materials (construction and established development on going use) is the primary goal of the Mehana at Kapolei Solid Waste Management Plan. To that end the following recommendations are being provided to contractors, homeowners and AOA's for the project:

1. Gypsum and plaster are not subject to recycling since there are no current facilities to permitted to accept gypsum board. Should recycling facilities be available in the future, recycling is encouraged.
2. Treated wood wastes are not subject to recycling and should be disposed of at an approved Landfill. PVT is a currently approved landfill. Should recycling facilities be available in the future, recycling is encouraged.
3. Non-reusable glass shall be properly disposed. PVT is a currently approved disposable location.
4. Reuse of glass in a reusable form is encouraged. Currently (on Oahu) glass bottles are only accepted for recycling.
5. Non-ferrous metals including uncontaminated brass, copper or aluminum should be recycled. Current facilities recovering non-ferrous metals are: C. M. Recycling, LLC; Hans Metals; Okuda Metals; Reynolds Recycling and Island Recycling.
6. Paper products including white or colored paper, newsprint and cardboard should be recycled. Current facilities recycling paper products are Honolulu Recovery and Island Recycling.
7. Green waste products generated during construction and ongoing maintenance should be delivered to composting materials when feasible. Current facilities accommodating composting include Hawaiian Earth Products.
8. Provide opportunities for residents to recycle. This will be primarily accommodated by encouraging/endorsing property owners to participate with City and County recycling programs that become available. Association newsletters can be used to inform residents.

(Note: This Solid Waste Management Policy has been developed in consultation with the State of Hawaii Department of Health Solid Waste Management Branch based on December 27, 2006 correspondence. Materials subject to recycling and approved recyclers identified above are subject to change. This plan is not intended to be in conflict with any other solid waste management policies including those of the City and County of Honolulu with respect to construction and or City and County of Honolulu existing or future residential or commercial recycling plans)

EXHIBIT X
(Awakea at Mehana Affordable Housing Information Circular)

AWAKEA AT MEHANA AFFORDABLE HOUSING INFORMATION

Thank you for your interest in Awakea at Mehana. We at D.R. Horton-Schuler Homes, LLC ("D.R. Horton") are pleased to introduce one of the newest housing communities on Oahu containing affordable units. The designated affordable units have been constructed and marketed in cooperation with the City and County of Honolulu (the "**City and County**") and sales of affordable units in the community will be administered by the City's Department of Permitting and Planning ("DPP"). ***Sales of affordable units will be by lottery as described in this information circular.***

GENERAL ELIGIBILITY REQUIREMENTS

1. Applicants must meet all of the eligibility requirements of Section 3-2 of DPP's Affordable Housing Rules adopted in February 2010 (the "**Affordable Housing Rules**"). A copy of this Section of the Rules is attached as Exhibit 1. The eligibility requirements are generally summarized below.
2. Applicants must not own any real estate suitable for residential use, prior to closing of a unit in Awakea at Mehana or for the year prior to the date of the Applicant's housing application.
3. Applicants must be at least 18 years old and a citizen of the U.S. or a resident alien living in the State of Hawaii with a bona-fide intent to reside in the unit purchased.
4. Designated affordable units in the community will be offered for sales to eligible purchasers earning up to 120% of the City and County of Honolulu's "Median Household Income".
5. Applicants must abide by the applicable Buy-back Restriction attached as Exhibit 2 to this information circular (four (4) years or eight (8) years) regarding sales of affordable units at Awakea as mandated in Unilateral Agreement and Declaration for Conditional Zoning, recorded as Document No. 3195643 (the "UA"), and the Affordable Housing Agreement applicable to the community. Renting, selling, leasing, offering to rent, sell, or lease, or changing title of an affordable housing unit are restricted under the City's affordable housing rules. The UA and the Affordable Housing Agreement applicable to the community give the City and County an option to purchase the affordable unit sold to an eligible purchaser if the eligible purchaser seeks to rent, lease or sell the designated affordable unit, among other items, during the buy-back restriction period. If circumstances require you take one of these types of actions you must first notify the City and County Department of Budget and Finance ("DBF") at 808-768-8652 and D.R. Horton in writing of your circumstances, and provide the City the option to purchase your unit as provided in the buy-back restriction. If the DBF does not wish to repurchase your unit, the City may require you to rent, lease, or sell the unit to individuals who qualify as affordable unit purchasers/renters under the City's affordable housing rules. D.R. Horton has the right to enforce your promise to reside in your unit for the restriction period and the right to enforce any condition imposed by the City in connection with any approved rental, lease or sale of your unit. This means you can be prevented (and that D.R. Horton can go to court to prevent you) from renting, leasing or selling your unit during the applicable restriction period. It also means that you may be able only to rent, lease or sell your unit to individuals who have first qualified as affordable unit purchasers/renters with the City.
6. The ***duration of the buy-back restriction period varies*** depending on the income qualification level of the affordable unit purchaser provided, however, sales of units may be limited to those eligible buyers described in subpart (ii). The restrictions on transfer, use and sale of the designated affordable unit is (i) ***eight (8) years*** for buyers earning up to eighty percent (80%) of the median household income, and (ii) ***four (4) years*** for buyers earning between eighty-one percent (81%) and one hundred twenty percent (120%) of the median household income. Applicants must be owner-occupants at all times during the applicable buy-back restriction period.

Each affordable housing unit will be subject to and encumbered by the restrictions on transfer, use and sale of affordable housing units stated in §§201H-47, 49, and 50, HRS, except as those restrictions are modified in §5-2, §5-3, and §5-4. The restrictions on transfer, sale/buyback, and use shall be fully stated in their entirety in all instruments conveying or renting any interest in an affordable housing unit.

§5-2 Principal Residence. Affordable housing units purchased under the Program shall be occupied as the purchaser's principal residence for the duration of the transfer restriction (buyback) period. The City, developer, or designated affordable housing provider shall have the right during the above buy-back restriction period to verify owner occupancy of the principal residence.

The City, developer, or designated affordable housing provider shall reserve the right to seek financial recourse from the purchaser if this provision is violated. Terms of the financial recourse shall be fully stated in their entirety in all instruments conveying or renting any interest in an affordable housing unit. Financial recourse may include the appreciated value of the affordable housing unit. Funds collected from any financial recourse action shall be credited to the entity that provided the affordable housing subsidy or to the City to fulfill an outstanding affordable housing unit obligation. The City reserves the right to disqualify units which are non-compliant with the restriction period requirement.

§5-3 Term of Restrictions. - (1) The purchaser wishes to transfer title to the real property by devise or through the laws of descent to a household member who would otherwise qualify under these rules.
- (2) The sale or transfer of the real property would be at a price and upon terms that preserve the intent of this section without the necessity of BFS repurchasing the real property; provided that, in this case, the purchaser shall be required to sell the unit or lot and sell or assign the property to a person who is a "qualified resident" as defined in section 201H-112, HRS, and who is in the same income category as the original purchaser at the time of the original sale, approved by BFS.

§5-6 Consent. Only mortgages and liens consented to in advance by the City and created for the purpose of financing, refinancing, purchase of the fee, repayment of subsidy, maintenance and repair of the affordable housing unit or essential improvements, or other household expenditures of an emergency or life-threatening nature may be placed on the property.
