This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has <u>not</u> been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

Additional parking units may also be available for sale to any buyer of a residential unit in the Condominium.
- 3. General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

In addition to the common facilities described in Section 1.8 above, the common elements for this project, as described in the Declaration, are set forth below. Described in Exhibit E

1.14 Other Zoning Compliance Matters

| Conforming/Non-Conforming Uses, \$ | Structures and | Lots |
|------------------------------------|----------------|------|
|------------------------------------|----------------|------|

In general, a non-conforming use, structure or lot is a use, structure or lot that was lawful at one time but that does not now conform to present zoning requirements. Under present zoning requirements, limitations may apply to extending, enlarging or continuing the non-conformity and to altering and repairing non-conforming structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

If a variance has been granted or if uses, structures or lots are either non-conforming or illegal, the purchaser should consult with county zoning authorities as to possible limitations that may apply in situations such as those described above.

A purchaser may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure or lot.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

| agreeme Develop | veloper is required to deposit all moneys paid by purchasers in trust under a written escrow ent with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the er or on behalf of the Developer prior to closing, except if a sales contract is canceled or if er has met certain requirements, which are described below. |
| 5.6. | Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance |
| | The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. |
| | If this box is checked, Sections 5.6.2, which follow below, will not be applicable to the project. |

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

| binding | law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a sales contract may be used before closing to pay for certain project costs. For this project, the per indicates that purchaser deposits may be used for the following purposes (check applicable |
|---------|---|
| × | For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or |
| | For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses. |

In connection with the use of purchaser deposits (check Box A or Box B):

Box A The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report. If Box A is checked, you should read and carefully consider the following notice, which is required by law: Important Notice Regarding Your Deposits: Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase. The Developer has not submitted all information and documents required by law and the Box B Commission, and, until all such information and documents are submitted, thus, the Developer × cannot use purchaser deposits. If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the Important Notice Regarding Your Deposits set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment. (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report. You should understand that, although the Important Notice Regarding Your Deposits set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
 - (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer, Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT [Continued from page 1a "Special Attention:]

- 7. The Bylaws provides: "No smoking of any substance, including, but not limited to, cigarettes, smokeless cigarettes, pipes, and cigars, is permitted throughout the Condominium, including the units and lanais. The Condominium House Rules similarly prohibit smoking and imposes fines for violations.
- 8. The maintenance fees for each residential unit have been calculated based upon the assumption that a two bedroom unit would be occupied by not more than 5 persons, a one bedroom unit would be occupied by not more than 3 persons, and a studio unit would be occupied by not more than 2 persons. If such units are occupied by more than such assumed number of persons, the Association, through the Managing Agent, may charge an excess occupancy charge as provided in the House Rules. See Exhibit G for further information regarding the excess occupancy charge.
- 9. Certain pets are permitted in the Condominium subject to the restrictions in the Bylaws and the House Rules. See <u>Exhibit N</u> for further information regarding pets.

HCDA shall have the right to enforce the HCDA Development Agreement by appropriate action at law or suit in equity against all such persons. In addition, the Condominium may be subject to HCDA's District-Wide Improvement District Assessment Program under which Unit owners may be assessed for the cost of improvements made in the vicinity of the Condominium. If any such assessments are made, Unit Owners shall be responsible for and shall pay their respective prorated share of any such Improvement District Assessment based on the Units Common Interest in the Condominium.

Developer reserves the right, without the consent or joinder of any other person or entity, to sign and record (if appropriate) such documents or instruments (including but not limited to amendments of the Declaration, the Bylaws, or the Condominium Map), enter into such agreements and do all things that may be reasonably necessary to obtain such further permits and/or agreements as may be required by HCDA, the HCDA Development Permit, the Mauka Area Rules, the Kakaako Reserved Housing Rules and/or other Land Use Permits (including but not limited to the HCDA Development Agreement), and to comply with all applicable permits, laws, rules, ordinances and other governmental requirements that pertain to the Condominium.

The 11 corner storage areas on Levels 1, 2, 3, 4, 9 and 10 of the Parking Structure are common elements available for rental for storage of bicycles and oversized sports equipment as provided in Section IV.Q of the House Rules. The 8 corner storage areas on Levels 5, 6, 7 and 8 of the Parking Structure are limited common elements appurtenant to and reserved for the exclusive use of Unit 106, subject to Declarant's right to convert any or all such storage areas to general common elements as set forth in Section 31.e of the Declaration.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. Each residential unit is designated on the Condominium Map by a unit number consisting of either a three or four digit number. Each unit as so designated and identified by a unit number is located in the Condominium as shown on the Condominium Map.

Unit 110 shall have two bedrooms, two bathrooms, and a living/dining/kitchen room.

Each type 01, 02, 13, and 14 unit shall have two bedrooms, two bathrooms, a living/dining room, and a kitchen.

Each type 05 and 09 unit shall have one bathroom, and a living/dining/kitchen room.

Each unit will have the number of rooms (exclusive of lanais), approximate net living floor area in square feet (exclusive of lanais), and approximate net lanai floor area in square feet set forth below. Each residential unit is approximately eight (8) feet in height from floor to ceiling.

The approximate net living floor areas set forth below are based on measurements taken from the undecorated or unfinished interior surface of all perimeter or party walls, except that no reduction has been made to account for interior walls, ducts, vents, shafts and the like located within the perimeter walls and/or vertical planes. All approximate net lanai floor areas set forth below are based on measurements taken from the inner surfaces of all perimeter and party walls and boundaries of the lanai areas. All floor areas set forth below are not exact but are approximations based on the floor plans of each type of unit. All floor areas set forth below have also been rounded to the lowest full square foot where the approximation of such floor areas exceed a square foot by any fraction of a square foot. For these reasons, the measurements of the floor areas set forth below may not follow the designation of the limits of the units (the legally

designated areas of the units) set forth below, and the floor areas set forth below may be different from the actual floor areas of the units as constructed.

Each residential unit will have immediate access through the walkways, corridors, stairways and/or elevators of the Residential Tower which lead to the lobby areas and other common elements of the Condominium to public streets.

(b) <u>Description of Parking Units</u>. Each parking unit consists of the spaces within the boundary lines, floors and ceilings of the respective parking unit as shown on the Condominium Map.

Each parking unit is designated on the Condominium Map by a unit number consisting of a three or four digit number, some of which are followed by a "C". The "C" type parking units are compact parking stalls. The parking units with no "C" designation are regular stalls. Parking unit 118 is a handicap stall. Each unit as so designated and identified by a unit number is located in the Condominium as shown on the Condominium Map.

Each parking unit will have the approximate floor area in square feet as set forth below. Each parking unit is approximately nine (9) feet two (2) inches in height from floor to ceiling. Each regular and handicap parking unit is approximately eight feet thee inches (8'3") wide by eighteen feet (18') long. Each compact parking unit is approximately seven feet six inches (7'6") wide by sixteen feet (16') long.

Each parking unit will have immediate access through the walkways, corridors, stairways and/or elevators of the Parking Structure which lead to the lobby areas and other common elements of the Condominium to public streets.

(c) Description of Parking Stalls

The Condominium includes an eleven (11) level parking structure (the "Parking Structure") containing a total of nine hundred fifteen (915) parking stalls [five hundred eighty-one (581) regular stalls, three hundred twenty-three (323) compact stalls, and eleven (11) handicapped stalls, eleven (11) of which shall be used as standard stalls until such time as a unit owner presents proof of need for a handicapped stall and a stall is designated and marked accordingly], including the 280 parking units. Stalls numbered 1001, 1027 through 1032, and 1084 through 1090 on the tenth level of the Parking Structure, and 1101 through 1175 on the eleventh level of the Parking Structure, as shown on the Condominium Map, shall be uncovered stalls.

Each parking stall is designated on the Condominium Map by a number consisting of a three or four digit number, some of which are followed by a "C". The "C" type parking stalls are compact parking stalls. The parking stalls with no "C" designation are regular stalls. Parking stalls 118, 281, 381, 481, 581, 681, 781, 881, 981, 1081 and 1175 are handicap stalls. Each stall as so designated and identified by a number is located in the Condominium as shown on the Condominium Map.

(d) <u>Description of Common Interest</u>

Paragraph 7 of the Declaration states as follows:

"7. Common Interest. Each unit shall have appurtenant thereto an undivided interest in the common elements of the Condominium (called the "common interest") and, except as herein expressly provided for in this Declaration, including Section 13 of this Declaration, the same proportionate share in all common profits and expenses of the common elements of the Condominium and the same proportionate interest for all other purposes, including, without limitation, voting. The common interest apportioned to the parking units are not in proportion to their relative area. The common interest for each unit is dependent upon the total number of units constructed and shall be subject to adjustment upon development, annexation or withdrawal of units as provided in Section 31 or otherwise as provided in this Declaration. The initial common interests appurtenant to the units initially subject to this Declaration are shown in Exhibit C. The common interests are computed based upon the calculations set forth in Exhibit C and adjusted as provided in Section 31."

The common interest of each unit is also set forth below.

(e) Exhibit C of the Declaration. Exhibit C of the Declaration provides as follows:

Nothing stated in this Declaration shall be construed as a representation or promise by Declarant that any units or improvements after the initial units and improvements will be developed, nor shall anything in this Declaration require Declarant to develop any additional units or improvements in the Condominium. If additional units are developed, a larger or smaller number than 650 residential units and 915 parking units and 30,000 square feet for commercial use may be developed and the mix of units between residential units, parking units or units for commercial use may differ from Declarant's current intentions. Additional common elements developed on the Future Development Area may be designated by Declarant as common elements or as limited common elements appurtenant to all of the units developed on the Future Development Area or only some of them or to all of the initial units or only some of them. Declarant reserves the right and easement to create, develop, convert and construct such additional units and other improvements in the Condominium and to annex such units and improvements and any additional land to the Condominium in the manner specified below. Declarant shall further have the reserved right to execute and record an amendment to this Declaration, the Bylaws and to the Condominium Map to create any such additional units and other improvements within the Condominium and to annex the same and any additional land, to be governed by this Declaration."

Declarant shall have the right with respect to any unit which it owns to: (i) alter the type, layout and dimensions (including overall net area) and/or the limited common elements appurtenant thereto; (ii) subdivide the unit to create two or more units provided that the total common interest appurtenant to the newly created units shall equal the common interest appurtenant to the original unit; (iii) consolidate two or more units into a single unit; (iv) convert limited common elements appurtenant to and physically adjacent to the unit to a part of the unit; and (v) equitably reapportion common interests appurtenant to such units if appropriate to reflect such changes. Declarant shall have the right to redesignate any limited common elements appurtenant to a unit owned by Declarant as (1) being general common elements of the Condominium; or (2) limited common elements appurtenant to another unit or units owned by Declarant. Any such alteration, subdivision, consolidation, conversion or redesignation of unit(s) and limited common elements shall be effective if these procedures are followed:
 - "(1) Declarant records or causes to be recorded an amendment to this Declaration describing the unit(s) and limited common elements in question and setting out at least: (1) a description of the altered unit(s) or limited common element(s), as the case may be; (2) in the case of the consolidation of units, the common interest appurtenant to the newly formed unit, which shall be calculated by adding together the common interests for the units to be consolidated; or (3) in the case of the subdivision of

a unit the common interest appurtenant to each of the newly formed units, which shall equal the total of the common interest appurtenant to the original unit. In the event of concurrent consolidation and resubdivision the common interests of the resulting units shall equal the total common interests of all units consolidated.

- "(2) Declarant shall record or cause to be recorded an amendment to the Condominium Map for the unit(s) being altered, subdivided or consolidated complying with Section 514B 34 of the Act; and
- "(3) Any such alteration shall comply in all respects with all applicable governmental codes, statutes, ordinances, rules and regulations, or with all variances granted from them.
- "k. Declarant shall have the reserved right to subdivide, consolidate or jointly develop with the Future Develop Area, resubdivide, and/or withdraw Land and units as set out in this Section.
 - "(1) Declarant shall have the right to subdivide, consolidate or jointly develop with the Future Development Area, resubdivide, and/or withdraw from the operation of this Declaration, all or any portion of the Land underlying, and units in, the Condominium. In connection with such right, Declarant shall have the further reserved right to enter and go upon the Land to do all things necessary or proper to effectuate such subdivision, consolidation, joint development, resubdivision, and/or withdrawal of portions of the Land and/or units, including making surveys to undertake a realignment of boundaries of the Land (it being understood that Declarant shall have the reserved right to effect any such realignment), and to facilitate the deletion, addition, relocation, realignment, reservation, designation, grant and receipt of easements and rights-of-way for electrical, water, gas, telephone, cable television, communications and other utilities. sanitary and storm sewers, drainage and flowage purposes, refuse disposal, driveways, parking areas and roadways, and all other required easements and rights-of-way. The subdivision, consolidation, joint development, resubdivision, and/or withdrawal of portions of the Land and/or units shall be subject to, and Declarant shall, at its own expense, comply with, all of the then-applicable governmental laws, and related rules and regulations, including subdivision requirements.
 - "(2) In connection with the exercise of its reserved right to subdivide, consolidate, jointly develop, resubdivide, and/or withdraw, Declarant further reserves the right to: (i) delete, add, relocate, realign, reserve, designate, grant, and/or receive, over, upon, across and under the Condominium, as appropriate, easements and rights-of-ways for any of the purposes described in Section 31.k(1) above; and (ii) relocate or realign any existing easements and rights-of-way over, across and under the Condominium, as appropriate, including any existing utilities, sanitary and storm sewer lines, and cable television lines and connect the same over, across and under the Condominium, provided that such easements and such relocations and connections of lines do not materially impair or interfere with the use of any unit in the Condominium as then constituted; and provided further that Declarant specifically reserves the right, whether or not in

connection with its right to subdivide, consolidate, jointly develop, resubdivide, and withdraw, to grant an easement for access, driveway and parking purposes over the Condominium in favor of the withdrawn portion of the Land in the event the same shall be withdrawn from the operation of this Declaration.

- "(3) Upon the exercise of its reserved right to subdivide, consolidate, jointly develop, resubdivide, and/or withdraw, Declarant shall, at Declarant's expense and without being required to obtain the consent or joinder of any unit owner or lienholder, execute and record in the Bureau of Conveyances an amendment to this Declaration and the Condominium Map:
 - "(A) describing the withdrawn land and any improvements on it;
- "(B) describing the realigned boundaries of the Land upon which the units then constituting the Condominium are located;
- "(C) where applicable and appropriate, granting, reserving or relocating easements over, under and on the common elements as permitted above; and
- "(D) if necessary, adjusting the common interest for each unit which remains a part of the Condominium in accordance with Section 31.j. The recording of the amendment to this Declaration and the Condominium Map shall effectuate the subdivision, consolidation, joint development, resubdivision, or withdrawal, without any further consent or joinder of any party. Any withdrawn land shall belong to Declarant and Declarant shall have the right, as grantor, to execute and deliver a deed of the subdivided and withdrawn area upon recording of the withdrawal amendment."

5. Section 33 of the Declaration provides in part;

"Declarant hereby reserves the right, without the consent or joinder of any other person or entity, to sign and record (if appropriate) such documents or instruments (including but not limited to amendments of this Declaration, the Bylaws, or the Condominium Map), enter into such agreements and do all things that may be reasonably necessary to obtain such further permits and/or agreements as may be required by HCDA, the HCDA Development Permit, the Mauka Area Rules, the Kakaako Reserved Housing Rules and/or other Land Use Permits (including but not limited to the HCDA Development Agreement), and to comply with all applicable permits, laws, rules, ordinances and other governmental requirements that pertain to the Condominium."

6. Paragraph E.16.a of the Sales Contract provides:

"(1) At any time prior to the conveyance of all of the units in the Project to persons other than Seller or any mortgagee of Seller, Seller reserves the right to modify the Condominium Documents as may be required by law, the Real Estate Commission, a title insurance company, an institutional mortgagee or any governmental agency and Buyer authorizes Seller to make and specifically approves all changes to said documents and the Condominium.

- "(2) Seller reserves the right to amend or change the common interest appurtenant to, the limited common interest assigned to, the configuration of, the number of rooms of, the size of or the location of any unit in the Project for which a unit deed has not been recorded in the Bureau of Conveyances of the State of Hawaii (the "Recording Office").
- "(3) Seller reserves the right to require alterations of the Condominium (and to modify any of such Condominium Documents accordingly) to change the configuration of, to alter the number of rooms of, to decrease or increase the size of, or to change the location of any other unit and/or parking area, and to make other minor changes in Buyer's Unit, any of the other units, or the common elements.

The Condominium architect may make changes necessary to correct any design errors or other shortcomings; and the Condominium architect may vary the type of window glass and install different types of glass throughout the Condominium to achieve the best combination of energy savings and aesthetics. ADDITIONAL RESERVED RIGHTS OF DEVELOPER

- 1. Paragraph 10 of the Declaration provides in part as follows:
- "j. Any provision of this Declaration to the contrary notwithstanding, Declarant may lease the right to use any parking stalls that are appurtenant to its residential units or any parking unit owned by Declarant to occupants of the Condominium or to others on a monthly basis, and shall not be subject to any Parking Pool arrangement or to payment of any Garage

Administration Fee unless Declarant in its sole and absolute discretion, elects to submit such parking stall or parking unit to rental through a parking rental program instituted by the Managing Agent. Declarant must notify the Managing Agent of the identity of the lessee together with such lessee's vehicle description, and length of anticipated use and such other information as the Managing Agent or the Association shall reasonably request.

"k. As to any parking units owned by Declarant, Declarant shall have the right from time to time to elect to submit or withdraw such parking units to or from management by the Managing Agent, by giving at least thirty (30) days prior written notice to the Managing Agent of such election and the effective date of such submittal or withdrawal. For each month that the Managing Agent collects rental income from the rental of parking stalls in the Condominium, the Managing Agent shall pay to Declarant a sum (the "Rental Income to Declarant") equal to the lesser of: (i) the total rental income from the rental of any parking stalls in the Condominium for that month, less the Garage Administration Fee payable by Declarant equal to six percent (6%) (or such other percentage approved by Declarant) of the rental income from such rental of the parking units; or (ii) the prevailing monthly rental rate per parking stall multiplied by the number of Declarant's parking units submitted to rental through a parking rental program instituted by the Managing Agent, less the Garage Administration Fee payable by Declarant equal to six percent (6%) (or such other percentage approved by Declarant) of the rental income from such rental of the parking units. In each month that Declarant's parking units are submitted to the Managing Agent's parking rental program, the Declarant shall be entitled to receive the Rental Income to Declarant before any parking rental income is payable to any other owner in the parking rental program.

2. Paragraph 23 of the Declaration, provides:

"Declarant's Right to Retain or Acquire Unit Ownership. Declarant reserves the right to retain or acquire the ownership of any number of units in the Condominium. Declarant shall be entitled to make such use of the units retained or acquired as Declarant, in its sole discretion, sees fit; provided that Declarant shall comply with all rules and regulations established for the governance of the Condominium."

3. Paragraph 24 of the Declaration, provides:

"Declarant's Repurchase Option. Declarant shall have the right to repurchase a unit from a unit owner for a period of ten (10) years from the date of recordation of the deed initially conveying such unit to an owner, upon the following terms and conditions, if and only if a unit owner shall have made a complaint to Declarant about the physical condition and/or design of such unit owner's unit or the Condominium or any matter in connection with the unit or the Condominium and Declarant after a good faith and diligent effort shall be unable to rectify the complaint to such unit owner's satisfaction within a reasonable period of time, as determined by Declarant in the exercise of its sole discretion. The exercise of said option shall be as follows:

"a. Option Notice. Declarant shall give such unit owner written notice of Declarant's exercise of its option to repurchase such unit owner's unit.

- "b. Option Closing. The closing of the purchase shall be no earlier than six (6) months nor later than nine (9) months from the date of delivery of Declarant's written notice of its exercise of the option. The closing costs shall be apportioned between such unit owner and Declarant in accordance with customary practice in the State of Hawaii.
- "c. Option Purchase Price. The purchase price for the unit shall be a price equal to the aggregate of (i) the price (the "Price") at which the unit owner purchased the unit which is proposed to be transferred, (ii) the cost of any improvements added by the unit owner to the unit proposed to be transferred, and (iii) two percent (2%) per annum simple interest on the portion of the Price paid in cash from time to time by the unit owner for the unit proposed to be transferred from the date so paid until the date such unit is sold to Declarant. The purchase price shall be paid in cash at the closing.
- "d. <u>Purchase of Appliances</u>. All appliances originally sold with the unit (or their replacements) shall remain in the unit at the date of closing and shall be a part of the property purchased by Declarant as evidenced by the standard conditions of the form of residential purchase contract used by the Honolulu Board of Realtors or similar group at the time of exercise of the option.
- "e. Option Binding on Successors and Assigns. This right to repurchase given by each unit owner shall be binding upon each and every unit owner, such unit owner's heirs, personal representatives, successors and assigns (including, without limitation, any subsequent owners of the unit), and shall be an encumbrance upon the unit.
- "f. <u>Assignment of Option</u>. Declarant's right to repurchase may be assigned by Declarant without the prior written consent of any unit owner or any other person; provided, however, that upon the exercise of the right of repurchase granted hereunder, the person exercising such right shall provide to the unit owner and unit owner's mortgagee a copy of the assignment instrument by which such person acquired the right to repurchase hereunder.
- "g. Mortgagee Protection. Declarant's right to repurchase a unit granted by this paragraph 24 shall be subordinate to the interest of any mortgagee of record. Declarant shall not exercise its right to purchase a unit under any option granted under this paragraph 24 if prior to or within sixty (60) days of giving notice to a unit owner and such owner's mortgage lender of Declarant's intent to exercise such option, the mortgage lender has commenced a foreclosure action against the unit. Notwithstanding the formula for calculation of the purchase price set forth in subparagraph 24.c above, the purchase price shall, at a minimum, be sufficient to satisfy the affected unit owner's purchase money mortgage or mortgages. The restrictions prescribed in this paragraph 24 shall be automatically extinguished upon any transfers of title to a mortgage holder or other party pursuant to a mortgage foreclosure, foreclosure under power of sale, or a conveyance in lieu of foreclosure after a foreclosure action is commenced, or when a mortgage is assigned to a federal housing agency. Any provision herein to the contrary notwithstanding, a mortgagee under a mortgage covering any interest in the unit prior to commencing mortgage foreclosure proceedings, may notify Declarant in writing of (i) any default of the mortgage under the mortgage within ninety (90) days after the occurrence of the default and (ii) any intention of

the mortgagee to foreclose the mortgage; provided that the mortgagee's failure to provide such written notice to Declarant shall not affect such holder's rights under the mortgage."

- 4. Paragraph 31 of the Declaration states in part as follows:
- "a. Declarant, together with its brokers, sales agents and their other related persons, shall have the right and easement to conduct extensive sales and marketing activities on or from the Condominium, including, without limitation, the use of model units, sales and management offices, parking stalls and extensive sales displays and activities until the earlier of the end of the Development Period (defined in Section 21.b(3) above) or the closing of the sale of the last unsold unit in the Condominium.
- "b. During the Development Period, Declarant, its agents, employees, contractors, licensees, successors and assigns shall have an easement over, under and upon the Condominium, including the common elements and any Unit, as may be reasonably necessary for the construction and completion of improvements to and correction of defects in the Condominium. Without limiting the generality of the foregoing, during the Development Period, Declarant, its agents, employees, contractors, licensees, successors and assigns shall have an easement over, under and upon the driveways of the Condominium as may be reasonably necessary for the construction of speed bumps in such driveways.
- "c. During the Development Period, Declarant, its agents, employees, contractors, licensees, successors and assigns shall have an easement over, under and upon the Condominium or any portion thereof, to create and cause noise, dust and other nuisances created by and resulting from any work connected with or incidental to the development, construction and sale of any unit or other improvements in the Condominium, the construction and sale of additional units that are or may be annexed to the Condominium or created on it, or the subdivision, consolidation, resubdivision and/or withdrawal of portions of the Land and/or units, and each unit owner, lessee, mortgagee, lien holder or other person with an interest in the Condominium waives any right, claim or action which such person may have or acquire against Declarant, its agents, employees, contractors, licensees, successors and assigns as a result of such activity or activities.
- "d. During the Development Period, Declarant shall have, incidental to the development and construction of the Condominium, the right to delete, add, relocate, realign, reserve, designate, grant and receive any and all easements and rights-of-way deemed necessary or desirable in Declarant's sole discretion, including easements and rights-of-way, exclusive or nonexclusive, for electrical, water, gas, telephone, cable television, communications and other utilities, and sanitary and storm sewers, drainage and flowage purposes, refuse disposal, driveways, parking areas and roadways, over, under, across, along, upon and through the Condominium, and together also with the rights of reasonable access thereto in connection with the exercise of said easement rights; provided however, that such rights must be exercised in such manner as to not materially interfere with the use of the Condominium by the unit owners and those claiming by, through or under the unit owners. Without limiting the foregoing, Declarant reserves the right, but not the obligation, to install a photo voltaic system on the top level of the Parking Structure, including the right to install posts and other improvements within

certain parking stalls or parking units, and an easement for such purpose. Such photo voltaic system will be owned by Declarant or its designee and intended to be leased to the Association to provide electricity for the common elements of the Condominium. Each and every party acquiring an interest in the Condominium, by such acquisition, consents to such deletion, addition, relocation, realignment, reservation, designation, granting and/or receipt of easements and/or rights of way as provided in this paragraph and to the recordation of any and all documents necessary to effect the same, including any amendment or amendments of this Declaration; agrees to execute such documents and instruments and do such other things as may be necessary or convenient to effect the same; and appoints Declarant, its successors and assigns as such party's attorney-in-fact with full power of substitution to execute such documents and instruments and to do such things on such party's behalf, which grant of such power, being coupled with an interest, is irrevocable for the term of said reserved rights, and shall not be affected by the disability of such party or parties.

- "e. Declarant shall have the reserved right, but not the obligation, to convey units that are owned by Declarant to the Association and/or to redesignate limited common elements appurtenant to units owned by Declarant to units owned by the Association or to redesignate them as general common elements. Without limiting the generality of the foregoing, Declarant shall have the reserved right, but not the obligation, to convey any or all of the 30 Visitor Parking Units in the Parking Structure that are owned by Declarant to the Association for use as visitor parking stalls for the Condominium and the deed(s) to effect such transfer need be signed only by Declarant. Without limiting the generality of the foregoing, Declarant shall have the reserved right, but not the obligation, to convert any or all of the eight (8) corner storage areas on the fifth, sixth, seventh and eighth levels of the Parking Structure to general common elements and the amendment(s) to effect such change need be signed only by Declarant. Such deed(s) and/or amendment(s) shall become effective only upon recordation in the Bureau, and a copy of such deed(s) and amendment(s), showing recordation data, shall be promptly delivered to the Association through the Secretary or the Managing Agent.
- "f Declarant shall have the reserved right to effect such modifications to units and common elements in the Condominium and/or to execute, record and deliver any amendments to this Declaration, the Condominium Map, the Bylaws and the House Rules as may be necessary or required by Declarant in its sole discretion, or to effect compliance by the Condominium, the Association, or by Declarant, with laws which apply to the Condominium, including the Fair Housing Act, as amended, 42 U.S.C. §§3601 et seq., including any and all rules and regulations promulgated under it, and the Americans With Disabilities Act, as amended, 42 U.S.C. §§12101 et seq., including any and all rules and regulations promulgated under it ("ADA"). For instance, Declarant will have the right to re-stripe parking stalls and reconfigure parking stalls to meet the requirements of the ADA.
- "g. Declarant shall have the right to enter into any agreements, to construct improvements, to grant easements, and to do all other things that may be necessary or convenient to satisfy the requirements of the Land Use Permits (defined in Section 33 below) and any other requirements of applicable law or governmental authority.

obligation, to develop in the Future Development Area up to 650 additional residential units, up to 915 additional parking units, and additional unit or units having approximately 30,000 square feet in the aggregate for commercial purposes. Nothing stated in this Declaration shall be construed as a representation or promise by Declarant that any units or improvements after the initial units and improvements will be developed, nor shall anything in this Declaration require Declarant to develop any additional units or improvements in the Condominium. If additional units are developed, a larger or smaller number than 650 residential units and 915 parking units and 30,000 square feet for commercial use may be developed and the mix of units between residential units, parking units or units for commercial use may differ from Declarant's current intentions. Additional common elements developed on the Future Development Area may be designated by Declarant as common elements or as limited common elements appurtenant to all of the units developed on the Future Development Area or only some of them or to all of the initial units or only some of them. Declarant reserves the right and easement to create, develop, convert and construct such additional units and other improvements in the Condominium and to annex such units and improvements and any additional land to the Condominium in the manner specified below. Declarant shall further have the reserved right to execute and record an amendment to this Declaration, the Bylaws and to the Condominium Map to create any such additional units and other improvements within the Condominium and to annex the same and any additional land, to be governed by this Declaration. ...

"l. During the Development Period, Declarant shall have the right to install signs throughout the Condominium, to satisfy the requirements of applicable law or governmental authority, or to address disputes with or among any unit owner, occupant, the Association, the Board, any third party or Declarant."

5. Paragraph 32 of the Declaration states:

- "32. <u>Declarant Control Period</u>. In accordance with Section 514B-106(d) of the Act, Declarant, or any person designated by Declarant shall have the unilateral right to appoint and remove all of the officers and members of the Association's Board of Directors for the period (the "Developer Control Period") that will terminate upon the earlier of:
- "a. Sixty (60) days after conveyance of seventy-five percent (75%) of the common interest appurtenant to units to owners other than Declarant or an affiliate of Declarant;
- "b. The day Declarant, after giving written notice to unit owners, records an instrument voluntarily surrendering all rights to control activities of the Association.

"Declarant may surrender the right to appoint and remove officers and members of the Board before termination of the Developer Control Period but may require, for the duration of the Developer Control Period, that specified actions of the Association or the Board, as described in a recorded instrument executed by Declarant, be approved by the Declarant before they become effective."

- 6. Paragraph E.18 of the Sales Contract states in part as follows:
- "a. Seller, together with its brokers, sales agents and their other related persons, shall have the right and easement to conduct extensive sales and marketing activities on or from the Condominium, including, without limitation, the use of model units, sales and management offices, parking stalls and extensive sales displays and activities. These rights and easements may exist until all of the units in the Condominium are sold.
- "b. Seller, its agents, employees, contractors, licensees, successors and assigns have reserved an easement over, under and upon the Condominium, including the common elements and any Unit, as may be reasonably necessary for the construction and completion of improvements to and correction of defects in the Condominium, including without limitation, an easement over, under and upon the driveways of the Condominium as may be reasonably necessary for the construction of speed bumps in such driveways.
- "c. Seller, its agents, employees, contractors, licensees, successors and assigns have reserved an easement over, under and upon the Condominium or any portion thereof, to create and cause noise, dust and other nuisances created by and resulting from any work connected with or incidental to the development, construction and sale of any unit or other improvements in the Condominium, the construction and sale of additional units that are or may be annexed to the Condominium or created on it, or the subdivision, consolidation, resubdivision and/or withdrawal of portions of the Land and/or units.
- "d. Seller has reserved the right, incidental to the development and construction of the Condominium, to delete, add, relocate, realign, reserve, designate, grant and receive any and all easements and rights-of-way deemed necessary or desirable in Seller's sole discretion, including easements and rights-of-way, exclusive or nonexclusive, for electrical, water, gas, telephone, cable television, communications and other utilities, and sanitary and storm sewers, drainage and flowage purposes, refuse disposal, driveways, parking areas and roadways, over, under, across, along, upon and through the Condominium, and together also with the rights of reasonable access thereto in connection with the exercise of said easement rights; provided however, that such rights must be exercised in such manner as to not materially interfere with the use of the Condominium by the unit owners and those claiming by, through or under the unit owners. Without limiting the foregoing, Seller has reserved the right, but not the obligation, to install a photo voltaic system on the top level of the Parking Structure, including the right to install posts and other improvements within certain parking stalls or parking units, and an easement for such purpose. Such photo voltaic system will be owned by Declarant or its designee and is intended to be leased to the Association to provide electricity for the common elements of the Condominium.
- "e. Seller has reserved the right, but not the obligation, to convey units that are owned by Declarant to the Association and/or to redesignate limited common elements appurtenant to units owned by Declarant to units owned by the Association or to redesignate them as general common elements. Without limiting the generality of the foregoing, Seller has reserved the right, but not the obligation, to convey any or all of the 30 Visitor Parking Units in the Parking Structure to the Association for use as visitor parking stalls, and the right, but not the obligation,

to convert any or all of the eight (8) corner storage areas on the fifth, sixth, seventh and eighth levels of the Parking Structure to general common elements.

- "f. Seller has reserved the right to modify the Condominium and/or amend the Condominium Documents as may be necessary or required by Seller in its sole discretion, or to effect compliance by the Condominium, the Association, or by Seller, with laws which apply to the Condominium.
- "g. Seller has reserved the right to enter into any agreements, to construct improvements, to grant easements, and to do all other things that may be necessary or convenient to satisfy the requirements of the Land Use Permits (defined in Section 33 of the Declaration) and any other requirements of applicable law or governmental authority.
- "h. Seller has reserved the right, but not the obligation, to construct in the Future Development Area (defined in Section 2 and described in Exhibit A-1 to the Declaration) additional residential and parking units, and units for commercial purposes, and common elements, and to annex such units and improvements and any additional land to the Condominium. Upon creation of the additional units in the Condominium, the common interests for all units in the Condominium shall be recalculated by using the calculations set forth as described in Exhibit C to the Declaration with minor adjustment to the common interest of the commercial unit(s) and/or the units for rental to the resident manager(s), to permit the total common interest percentage for all units to equal 100%. Seller may reduce the common interest appurtenant to each existing unit in accordance with the formula in Exhibit C.
- "i. Seller has reserved the right with respect to any unit which it owns to: (i) alter the type, layout and dimensions (including overall net area) and/or the limited common elements appurtenant thereto; (ii) subdivide the unit to create two or more units provided that the total common interest appurtenant to the newly created units shall equal the common interest appurtenant to the original unit; (iii) consolidate two or more units into a single unit; (iv) convert limited common elements appurtenant to and physically adjacent to the unit to a part of the unit; and (v) equitably reapportion common interests appurtenant to such units if appropriate to reflect such changes. Seller has also reserved the right to redesignate any limited common elements appurtenant to a unit which it owns as (1) being general common elements of the Condominium; or (2) limited common elements appurtenant to another unit or units owned by Seller.
- "j. Seller has reserved the right to subdivide, consolidate or jointly develop with the Future Develop Area, resubdivide, and/or withdraw from the operation of the Declaration, all or any portion of the Land underlying, and units in, the Condominium; to enter the Land to do all things necessary or proper to effectuate such subdivision, consolidation, joint development, resubdivision and/or withdrawal, including making surveys to undertake a realignment of boundaries of the Land and to facilitate deletion, addition, relocation, realignment, reservation, designation, grant and receipt of easements and rights for way; to grant, reserve, add, delete, receive, realign and/or relocate easements and rights-of-ways; and relocate or realign any existing easements and rights-of-way over, across and under the Condominium, as appropriate, including any existing utilities, sanitary and storm sewer lines, and cable television lines and connect the same over, across and under the Condominium, provided that such easements and

such relocations and connections of lines do not materially impair or interfere with the use of any unit in the Condominium as then constituted.

- "k. In the event Buyer disputes the terms of this Agreement or refuses to perform any of Buyer's obligations hereunder prior to Final Closing, Seller shall have the right, but not the obligation, to cancel this Agreement in which event Seller shall refund, without interest, Buyer's deposit and any other funds advanced by Buyer under this Agreement. This right is without limitation to Seller's right to declare a default on the part of Buyer pursuant to the paragraph E.22 hereof.
- "I. Seller shall have the right to repurchase the Unit from Buyer upon the terms and conditions as set forth in the Declaration. This right shall include the right to exercise this option to repurchase if and only if Buyer shall have made a complaint to Seller about the physical condition of Buyer's unit or the Condominium or any matter in connection with the unit or the Condominium and Seller shall be unable to rectify the complaint to Buyer's satisfaction within a reasonable period of time, as determined by Seller in the exercise of its sole and absolute discretion."
- 7. Buyers shall acknowledge the following conditions in paragraph E.16 of the Sales Contract:
- "b. The Declaration and the Condominium Map as the Only Description of the Unit and Condominium. Buyer acknowledges that this sale of the Unit may be a "pre-sale", i.e., a sale of a condominium unit in a Condominium which is yet to be built and which has not been completed. Buyer expressly agrees that the description of the Unit, as contained in the Declaration and the Public Report(s), is intended to be the sufficient and the definitive description, as against any other map, artist's rendering or other descriptive document. The Unit, therefore, is being purchased with reliance solely on the description contained herein, in the Declaration and Public Report and on the Condominium Map (without regard to any other portions of the plans and specification of the Condominium), as hereinafter set forth. PERMITTED ALTERATIONS OF THE UNITS

- 1. Paragraph 19 of the Declaration states as follows:
- "a. General. Except as otherwise provided in this Declaration or the Act or as otherwise required by law, neither the Association nor any unit owner shall perform any of the following acts except pursuant to plans and specifications therefor approved in writing by the Board of Directors or Declarant:
- "(1) repairing, replacing or rebuilding any unit or any of the common and limited common elements in a manner different in any material respect from the Condominium Map;
- "(2) engaging in any alterations which will affect the structural integrity of any unit or the common and limited common elements;
- "(3) constructing on the common and limited common elements any new building or structure; or
 - "(4) enclosing any lanai, balcony, patio or parking stall.

"Upon the completion of any such work, there shall be filed with the Board a final "as built" set of the plans and specifications for such work, and if any such work should constitute a material alteration to the Condominium as shown on the Condominium Map (as determined by the Board), the Association or unit owner, as the case may be, shall file an amendment to this Declaration describing such alteration and amending the Condominium Map to show such alteration, together with a certificate signed by a registered architect and engineer, certifying that the plans showing such alterations accurately reflect such alterations, as built. Such amendment shall be signed by the Association or the unit owner, as the case may be, and approved by the Board of Directors or Declarant, and no consent or joinder of any other unit owner or person shall be required. Except as otherwise provided in this Declaration, the Bylaws and the House Rules, each unit owner shall be free, with the consent of all mortgagees of record of any interest in such unit owner's unit, to make such alterations and improvements within such unit owner's unit or within or on the limited common elements appurtenant thereto, without the consent or joinder of the Board of Directors, the Association, any unit owner, Declarant or any other person."

"b. Certain Work Prohibited. Notwithstanding anything to the contrary in this Declaration, no unit owner (a) shall do any work which could jeopardize the soundness or safety of the Condominium, reduce the value thereof, impair any easement, as reasonably determined by the Board, (b) shall add any material structure or excavate any basement or cellar, (c) shall enclose any lanai, balcony or patio, or (d) shall rebuild, repair or restore the Condominium in the event of substantial or total destruction of the Condominium, without in every such case obtaining the prior consent of sixty-seven percent (67%) of the unit owners, together with the prior written consent of all mortgagees of record and unit owners whose units or limited common elements appurtenant thereto are directly affected; provided that nonmaterial additions or alterations to the common elements or units, including, without limitation, additions to or

alterations of a unit made within the unit or within a limited common element appurtenant to and for the exclusive use of the unit, shall require approval only by the Board of Directors and such percentage, number or group of unit owners or other parties as may be required by this Declaration or the Bylaws. As used in this subparagraph, "nonmaterial additions and alterations", means an addition to or alteration of the common elements or a unit that does not jeopardize the soundness or safety of the Condominium, reduce the value thereof, impair any easement, detract from the appearance of the Condominium, interfere with or deprive any nonconsenting owner of the use or enjoyment of any part of Condominium, or directly affect any nonconsenting unit owner. Notwithstanding anything in this Declaration to the contrary, no alterations or changes of any nature under any circumstances shall be made to the structural elements of the Residential Tower or Parking Structure, including, without limitation, roofs, floors, supporting walls, foundations, columns, girders, floor slabs, supports, perimeter, party or load bearing walls and partitions without first obtaining the certification from a licensed structural engineer reasonably acceptable to the Association that the plans for such alterations or changes will not in any way diminish the present structural integrity of the Residential Tower, the Parking Structure and the elements therein. Notwithstanding anything in this Declaration to the contrary, no storage or alterations or changes of any nature under any circumstances, including any lanai enclosures, shall be made that would violate the fire sprinkler requirements of the Building Code."

"c. Connection between Residential Units.

- "(1) The owner of any two or more adjacent residential units separated by a common element which is a wall may, with the consent of all mortgagees of record of any interest in such owner's units, alter any portion of the intervening wall if the structural integrity of the common elements or any other unit in the Condominium will not thereby be adversely affected and if the finish of the common element then remaining is placed in a condition substantially comparable to that of the common element prior to such alterations. As used above, "adjacent residential units" does not include units which are located above and beneath one another on different floors.
- Prior to commencing any such alteration or removal, the unit owner shall provide to the Board (a) a certification in form and consent reasonably satisfactory to the Board signed by an architect or engineer duly registered in the State of Hawaii, that such alteration or removal will not adversely affect the structural integrity of the common elements or any other unit in the Condominium, (b) satisfactory evidence that all governmental approvals required for such alteration or removal have been duly obtained, and (C) if the cost of such alteration or removal, as reasonably determined by the Board of Directors, shall exceed the sum of \$25,000.00, the Board of Directors may require that the owner provide evidence satisfactory to the Board of Directors of sufficient financing to complete such alteration or removal or, in lieu thereof, require that the owner obtain a performance and lien payment bond, naming as obligees Declarant and the Board of Directors and the Association and collectively all unit owners and their respective mortgagees of record, as their interests may appear, for a penal sum of not less than one hundred percent (100%) of the estimated cost of such alteration or removal. Such alteration or removal may be undertaken without the necessity of an amendment to this Declaration or the Condominium Map and, except as otherwise provided in this paragraph 19, without the consent or joinder of the Association, the Board, Declarant or any other person.

- "(3) If any intervening wall between adjacent residential units shall have been altered pursuant to the foregoing provisions, then prior to the termination of the common ownership of such adjacent residential units, the owner of such units shall restore such intervening wall to substantially the same condition in which the same existed prior to such alteration or removal unless the purchaser of such units shall agree in writing to forego such restoration.
- "(4) Notwithstanding any alteration or additions permitted under this subparagraph 19.c, such shall not affect the common interest or limited common interest allocable to any unit."
- "d. Removal of Certain Trees Prohibited. Except as otherwise provided in this Declaration or the Act or the Land Use Permits (defined in 33 below) or as otherwise required by law, neither the Association nor any unit owner shall remove any of the eleven (11) trees (the "Designated Trees") on the Condominium shown on the Condominium Map, without in every such case: (a) replacing the same with the same type of tree that is of comparable size and caliper and otherwise meeting the requirements of the Land Use Permits (a "Comparable Tree"), in which case such replacement Comparable Tree shall become a Designated Tree; and (b) obtaining the prior consent of seventy-five percent (75%) of the unit owners, together with the prior written consent of all mortgagees of record. Notwithstanding the foregoing, the Association, acting through the Board, may remove a Designated Tree and replace it with a Comparable Tree without such consent if the Designated Tree is a hazard to the public safety or welfare, or if a Designated Tree is dead, diseased or otherwise irretrievably damaged. The Association may also remove a Designated Tree and replace the same with a different tree if the Association obtains the prior consent of sixty-seven percent (67%) of the unit owners, together with the prior written consent of all mortgagees of record, and such removal and replacement meets the requirements of the Land Use Permits. Upon any such permitted removal without replacement by a Comparable Tree, the Association or unit owner, as the case may be, shall file an amendment to this Declaration describing such removal or replacement and amending the Condominium Map to show such removal or replacement. Such amendment shall be signed by the Association or the unit owner, as the case may be, and approved by the Board of Directors or Declarant, and no consent or joinder of any other unit owner or person shall be required."
- "e. Floor Covering and Sound Transmission. All residential unit owners must minimize the transmission of footsteps and other floor sounds into neighboring units below. Any owner or occupant of a residential unit (except the units on the first floor) who wishes to change the floor covering on any floor areas that customarily have carpeting with cushion padding, must first: (1) provide written evidence that the new floor covering shall have sound absorbent material and will not exceed the maximum decibel level to be established as described in the House Rules, and (2) obtain the Board's prior written approval of such floor covering change. The Board shall have the right to require that any new floor covering installed without the Board's prior written approval shall be removed at the owner's expense."
- "f. <u>Declarant's Rights</u>. Nothing in this Section 19 shall restrict Declarant's rights to make any alterations to any unit owned by Declarant or any limited common elements appurtenant only to units owned by Declarant without the consent of the Board or any other unit owner, as more fully provided in Section 31."

Certain parts of the common elements, herein called and designated "limited common elements", are hereby set aside and reserved for the exclusive use of certain units, and such units shall have appurtenant thereto exclusive easements for the use of such limited common elements. The limited common elements so set aside and reserved are as follows:

The cost of maintaining and repairing such enclosed area will be a common expense of the Association as a whole."

EXHIBIT G

SPECIAL USE RESTRICTIONS

1. Restrictions on Parking Units. Section 4.b of the Declaration states in part as follows:

"Notwithstanding anything to the contrary contained herein, lessees of the parking units or limited common element parking stalls will <u>not</u>, by reason of their right to use the parking units or stalls: (a) have access to the Residential Tower except to enter the lobby area of the Residential Tower for access to the Manager's office and Security office only; nor (b) have access to or use of the meeting room in the Parking Structure."

2. Number of Occupants. Except for any violation of occupancy limits imposed by any law or regulation, there will not be minimum or maximum occupancy limits for the residential units in the Project. However, the maintenance fee for each two bedroom residential unit, one bedroom residential unit and studio residential unit have been calculated based upon the assumption that a two bedroom residential unit would be occupied by not more than five (5) persons, and a one bedroom residential unit would be occupied by not more than three (3) persons and a studio residential unit would be occupied by not more than two (2) persons. For this reason, in the event a two bedroom residential unit shall be occupied by more than five (5) persons or a one bedroom residential unit shall be occupied by more than three (3) persons or a studio residential unit shall be occupied by more than two (2) persons, the Association, through the Managing Agent, may charge an excess occupancy charge for such residential unit by that amount which represents the increased expenses to the Project resulting from such additional occupants, which amount shall be calculated as follows:

For a studio unit, the excess occupancy charge shall be the maintenance fee normally charged for a studio unit with one to two occupants, times the fraction in which the numerator is the number of occupants in the unit minus two and the denominator is two.

For a one bedroom residential unit, the excess occupancy charge shall be the maintenance fee normally charged for a one bedroom residential unit with one to three occupants, times the fraction in which the numerator is the number of occupants in the residential unit minus three and the denominator is three.

For a two bedroom residential unit, the excess occupancy charge shall be the maintenance fee normally charged for a two bedroom residential unit with one to five occupants, times the fraction in which the numerator is the number of occupants in the residential unit minus five and the denominator is five.

(For example, if the maintenance fee is \$100 per month for Unit X, a one bedroom residential unit, and there are four occupants in Unit X, the excess occupancy charge to Unit X will be \$33.33 per month.)

These provisions are a part of the House Rules for the project and may be amended as necessary by the Board of Directors of the Association.

3. <u>Smoking Prohibition</u>. Article V, Section 7.y of the Bylaws states as follows:

"No smoking of any substance, including, but not limited to, cigarettes, smokeless cigarettes, pipes, and cigars, is permitted throughout the Condominium, including the units and lanais. The Board shall have the authority to adopt or amend house rules and policies pursuant to Article V, Section 9 of these Bylaws to fully implement and enforce this provision. Except to the extent required by law, this prohibition on smoking shall not be deleted without the affirmative vote or written consent of seventy-five percent (75%) of the common interest."

Also, Article V, Section J of the House Rules states as follows:

"J. No smoking of any substance, including, but not limited to, cigarettes, smokeless cigarettes, pipes, and cigars, is permitted throughout the Condominium, including the units and lanais.

"Any unit owner or such owner's occupant who violates such provision, shall be given a warning for a first offense. In the event that the violation shall continue after the issuance of the warning, such unit owner or such owner's occupant shall be subject to a fine for each offense in an amount determined by the Association, which fine shall be levied against such unit owner. Any and all fines, charges, costs and expenses required to be paid by or imposed against any unit owner or such owner's occupant pursuant to this paragraph V.J but unpaid, shall constitute a lien in favor of the Association against such unit owner's unit and shall be enforceable as provided in the Declaration and the Bylaws."

Summary of Certain Pertinent Provisions of the Sales Contract and Workforce Housing <u>Program</u>

A specimen Reservation, Sales Contract and Deposit Receipt (the "Contract") has been submitted to the Real Estate Commission. ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE CONTRACT IN FULL, since this summary is NOT A COMPLETE DESCRIPTION of its provisions. The Contract, among other things, covers in more detail the following items:

- 1. The "Effective Date" of the Contract is the date it becomes binding on Seller and Buyer. The Contract is not binding on Seller until (i) it is executed by Seller and Buyer and (ii) it has become binding on Buyer in accordance with Section E.3.c of the Contract. The Contract is not binding on Buyer until the procedures in Section C.6 (if applicable) and Section E.3.c have been completed. Until the Effective Date for the Contract, the Contract will be only a nonbinding Reservation Agreement and Seller shall have no obligation to sell and Buyer shall have no obligation to buy the Unit, and the Contract may be terminated at any time, with or without cause, at the option of either party, by written notice of such termination to the other party.
- 2. Buyer agrees to deliver to Seller or, at Seller's option, directly to Buyer's mortgagee prior to or no later than five (5) business days after the date of Seller's notice to Buyer of Seller's acceptance of the Contract, (a) a financial statement certified by Buyer to be true and accurate as of the date of such delivery, in form and content sufficient to fully disclose Buyer's financial circumstances as of the date of delivery, including, without limitation, the identification and the reasonably accurate valuation of any assets as of the date of delivery, (b) a completed loan application to one or more lending institutions, if Buyer requires financing, and (c) any other information required by Seller.
- 3. Any breach of the covenants and warranties contained herein shall constitute a default hereunder by Buyer entitling Seller to retain all sums paid hereunder as liquidated damages as provided therein.
- 4. In addition to such other remedies which may be available to Seller by law or pursuant to this Contract, Seller may impose a late charge of one percent (1%) per month on the amount of any such payment which is not paid in the manner specified in the Contract. Such late charge shall accrue commencing on the date the payment is due and payable as provided therein.
- 5. Buyer is obligated to purchase the Property and make all required payments at the required times as set forth in the Contract. If Buyer requires financing in order to complete Buyer's purchase, Buyer shall, within five (5) business days after the date of execution of the Contract by Buyer, apply for mortgage financing from a mortgage lender of Buyer's choice, promptly sign and deliver all documents and diligently take all steps necessary to qualify and obtain the required financing, and deliver to Seller, within fifty (50) calendar days after Seller's

acceptance of the Contract, an originally executed copy of a notification of loan approval or mortgage commitment.

- 6. Seller shall have the right to cancel the Contract if (a) Buyer's application or eligibility for a mortgage loan is rejected by a mortgage lender or mortgage lenders, or Buyer's loan approval or mortgage commitment is not approved within the fifty (50) calendar day period; (b) Buyer fails to supply Buyer's proposed mortgage lender with full financial information or fails to supply Seller with the required Cash Evidence; (c) Buyer, after having had a loan approval or mortgage commitment disapproved by Seller, is thereafter unable to have such approval or commitment modified or revised to the satisfaction of Seller within thirty (30) business days thereafter; (d) Seller, in its sole discretion, after reviewing the written Cash Evidence submitted to Seller or Buyer's mortgagee, as the case may be, by Buyer, determines that Seller is not satisfied as to Buyer's ability to make the cash deposit payments; or (e) Seller is unable to sell at least seventy percent (70%) of the units in the Condominium to Owner-Occupant Purchasers as is required by Seller's lender and Buyer does not intend to be an Owner-Occupant of the Unit. This Seller's right to cancel the Contract shall expire if it has not been exercised by Seller prior to the Effective Date of the Contract.
- 7. Buyer shall pay for all closing costs, including, without limitation, the cost of drafting the Unit Deed and the cost of the acknowledgments thereof; recording fees; the State of Hawaii conveyance tax (note: in connection with the conveyance tax, Seller and Buyer do hereby appoint the Escrow Agent as their agent for the purpose of filing the affidavit in respect thereto); the escrow fees; the cost of obtaining financing or a financing commitment for any portion of the purchase price and all expenses incident thereto; the expense of credit reports; preparation of all of Buyer's mortgage documents (which costs shall be paid directly to Buyer's mortgagee and shall in no event be reimbursed by Seller); any costs incurred for Buyer's title insurance; any costs and fees otherwise require to be paid by Buyer in this Agreement, including maintenance fees and start-up fees; and any cost incurred by Buyer or Seller as a result of Buyer's requesting changes in a document after Buyer has been given notice by the Escrow Agent that such document will be prepared. Buyer shall also pay for any attorneys' fees and costs incurred by Seller in connection with any failure by Buyer to timely pre-close and close as set forth in the Contract and otherwise perform all obligations of Buyer as set forth in the Contract.
- 8. The estimated project completion date and the final closing and closing dates are as described in the Contract.

expressly waives any rights, claims or action which Buyer might otherwise have against Seller or third parties as a result of such circumstances.

- 12. After the Effective Date of the Contract, Buyer shall have the right to rescind the Contract only if there is a material change in the Condominium which directly, substantially and adversely affects the use or value of (a) Buyer's Unit or appurtenant limited common elements, or (b) amenities of the Condominium available for Buyer's use. Waiver of such right is governed more specifically by the terms of the Contract.
- 13. The execution, delivery and recordation of Buyer's Unit Deed shall constitute the assignment by Seller to Buyer of any and all warranties given to Seller by the contractors for the Condominium, if any, including, without limitation, any warranty of materials and workmanship against faulty or deficient materials and installation. The benefit of such warranties, if any, shall accrue to Buyer on closing without further instruments or documents. Workforce Housing Program.

1. Section II of Development Permit No KAK 12-109 issued by the Hawaii Community Development Authority ("HCDA") on December 5, 2012 (the "HCDA Development Permit"), requires that Developer "shall designate no less than 75% of the residential units in the Project as workforce housing units for purchase by families earning one hundred forty percent (140%) or less of the AMI. During its initial sixty (60) day sales period, [Developer] shall only enter into sales contract for purchase of workforce housing units with owner-occupant buyers whose family incomes are one hundred forty percent (140%) or less of the AMI. Following the expiration of the initial sixty (60) day sales period, while [Developer] shall still give preference to owner-occupant buyers whose family incomes are one hundred forty percent (140%) or less of the AMI, [Developer] may sell any of the designated workforce housing units to any buyer regardless on [sic] household income."

As required by the HCDA Development Permit, no less than 75% of the residential Units in the Property are designated as workforce housing units (the "Workforce Housing Units"). During its initial sixty (60) day sales period, Developer shall only offer for sale and enter into agreements for purchase of Workforce Housing Units with Qualified Income Purchasers who are also owner-occupant purchasers.

Under the Kakaako Reserved Housing Rules, "area median income" or "AMI" means the area median income (AMI) for Honolulu that is provided to Fannie Mae by the Federal Housing Finance Agency. The term "household income" means the total income, before taxes and personal deductions, received by all members of the applicant's household, including, but not limited to, wages, social security payments, retirement benefits, unemployment benefits, welfare benefits, interest and dividend payment." Hawaii Administrative Rules ("HAR") 15-218-5.

2. In addition to the Sales Contract, a Buyer who may qualify as an owner-occupant purchaser who is also a Qualified Income Purchaser (as defined below), must complete an Owner-Occupant Affidavit (the "Owner-Occupant Affidavit"), and other documents to confirm that such purchaser is as Qualified Income Purchaser. In addition to the Sales Contract, a Buyer who may qualify as an owner-occupant purchaser who is not a Qualified Income Purchaser, must complete the Owner-Occupant Affidavit.

The term "Qualified Income Purchaser" means a buyer whose annual household income (including the income of all members of such buyer's household) is 140% or less of the area median income (adjusted for family size) as most recently determined by the Federal Housing Finance Agency.

3. The Owner-Occupant Affidavit includes the following:

The term "owner-occupant" as used herein, means any individual in whose name sole or joint legal title is held in a residential unit that, simultaneous to such ownership, serves as the

individual's <u>principal residence</u>, as defined by the state department of taxation, for a period of <u>not less than three hundred sixty-five consecutive days</u>, provided that the individual shall retain complete possessory control of the premises of the residential unit during this period. An individual shall <u>not</u> be deemed to have complete possessory control of the premises if the individual <u>rents</u>, <u>leases</u>, <u>or assigns</u> the premises for <u>any period of time</u> to any other person in whose name legal title is not held; except that an individual shall be deemed to have complete possessory control even when the individual conveys or transfers the unit into a trust for estate planning purposes and continues in the use of the premises as the individual's principal residence during this period.

A Purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such Purchaser, without interest pursuant to chapter 514B, Part V, Hawaii Revised Statutes, if Seller or the Purchaser shall so request in writing and the prospective Purchaser has not obtained adequate financing, or a commitment for adequate financing, by a date specified in the Sales Contract.

CONSTRUCTION WARRANTIES AND WAIVERS

1. Paragraph E.20 of the Reservation, Sales Contract and Deposit Receipt states as follows:

"Covenants and Warranties of Seller and Buyer. Seller and Buyer covenant and agree to the following:

- "a. The execution, delivery and recordation of Buyer's Unit Deed shall constitute the assignment by Seller to Buyer of any and all warranties given to Seller by the contractors for the Condominium, if any, including, without limitation, any warranty of materials and workmanship against faulty or deficient materials and installation. Seller's general contractor shall give a warranty against construction defects for a one (1) year period from the date of substantial completion. The benefit of such warranties, if any, shall accrue to Buyer on closing without further instruments or documents.
- "b. BUYER ACKNOWLEDGES THAT SELLER HAS MADE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, HABITABILITY OR WORKMANLIKE CONSTRUCTION WITH RESPECT TO THE UNIT, THE PROPERTY, ANY COMMON ELEMENT, LIMITED COMMON ELEMENT, OR ANYTHING INSTALLED THEREIN.
- "c. The Condominium Map for the Condominium which has been or will be recorded in the Recording Office and the Real Estate Commission is intended only to show the site plan for the Condominium depicting the location, layout, and access to a public road of all buildings in the Condominium and depicting access for the units to a public road or to a common element leading to a public road, approximate elevations and floor plans of all buildings in the Condominium, the layout, location, boundaries, unit numbers and dimensions of the units of the Condominium and parking plans and any other detail which is specifically required to be shown under Section 514B-33 of the Act. Buyer acknowledges that the Condominium Map, consisting of the floor plans and elevations, is not intended to be and does not constitute any representation or warranty by Seller to construct or install any other improvements, amenities or facilities as may be depicted thereon. In no event shall the building plans and specifications or any artist's renderings or models constitute a representation or warranty by Seller.
- "d. Buyer has examined and approved the estimate of monthly maintenance charges and assessments for the Unit as shown in the Public Report for the Condominium. Seller makes no promise or warranty about the accuracy of those amounts. Buyer understands that those amounts are only estimates and may change for many reasons. Buyer accepts and approves any changes in such estimate made by Seller or the Managing Agent.
- "e. Waiver of Certain Construction and Design Claims. Buyer acknowledges that the insurance coverage costs and premiums for the construction of new high-rise, residential condominium projects have skyrocketed throughout the nation over the last

several years due to the quantity of lawsuits after development completion; Architects have not been able to obtain project insurance for residential high-rise projects in Hawaii since 2001; and many construction companies are not able to obtain insurance for residential high-rise construction at present. Buyer further acknowledges that in order to not further raise the purchase price of units in the Condominium, Seller requires the following waiver of claims, which is a requirement of Seller's architect, contractor and other construction and design consultants. Without such waiver, Seller would not sell the Unit to Buyer. Buyer's signing the receipt for the Public Report and/or Buyer's purchase of the Unit shall be deemed Buyer's acceptance and reaffirmation of such waiver, which shall be included in the Declaration and shall be a covenant that runs with title to the Unit and binding on Buyer and Buyer's heirs, personal representatives, successors and assigns. In consideration of the foregoing, Buyer, for Buyer and each of Buyer's lessees, mortgagees, lien holder, heirs, personal representatives, successors, assigns, or other person with an interest in the Condominium, and on behalf of the Association (collectively, "Buyer's Parties"), hereby waives any liabilities, obligations, right, claim or action, of every kind or nature, character or description, known or unknown, suspected, or unsuspected (collectively, a "Claim"), which such person may have or acquire against Seller and its agents, employees, architects, contractors, licensees, successors and assigns (individually and/or collectively, "Seller's Parties") for:

- "(i) any loss, injury or damage to person or property, including court costs and attorneys' fees (singularly and/or collectively, "Damages") relating to or resulting from the construction of the Condominium in excess of \$10 million, in the aggregate with all other Claims or Damages of any other unit owner, association or other person; and
- "(ii) any Damages in excess of the greater of the applicable Single Maximum Design Damages or Total Maximum Design Damages, in the aggregate with all other Claims or Damages of any other unit owner, association or other person, relating to or resulting from the work of any architect and/or other design consultant of the Condominium. As used herein "Single Maximum Design Damages" shall mean Damages equal to the fees of the architect(s) and/or other design consultant(s) whose work is the subject of the Claim, and "Total Maximum Design Damages" shall mean Damages equal to 1,500,000.

"Furthermore, without limiting in any way, the foregoing provision, Buyer for Buyer and Buyer's Parties: (a) hereby understands, acknowledges and agrees that the Residential Tower and Parking Structure will be constructed primarily of reinforced concrete and masonry on underground concrete piles, and that concrete cracks must be expected because of concrete shrinkage; and (b) hereby waives any liabilities, obligations, right, claim or action, of every kind or nature, character or description, known or unknown, suspected, or unsuspected, which such person may have or acquire against Seller's Parties for any Damages relating to or resulting from such concrete cracks to the extent such concrete cracks do not pose structural concerns.

"However, the waiver in this Section 20.e shall not extend to any Damages on account of Seller's Parties' conduct which is determined by a final judgment or other final adjudication by a court

having jurisdiction in the matter to have been knowingly fraudulent, deliberately dishonest or a result of willful misconduct."

2. Paragraph E.26 of the Reservation, Sales Contract and Deposit Receipt states as follows:

"Notice of Contractor's Right to Resolve Alleged Construction Defects Before a Claimant may Commence Litigation Against the Contractor.

CHAPTER 672E OF THE HAWAII REVISED STATUTES, AS AMENDED, CONTAINS IMPORTANT REQUIREMENTS AN OWNER MUST FOLLOW BEFORE AN OWNER MAY FILE A LAWSUIT OR OTHER ACTION FOR DEFECTIVE CONSTRUCTION AGAINST THE CONTRACTOR WHO DESIGNED, REPAIRED, OR CONSTRUCTED THE OWNER'S HOME OR FACILITY. NINETY DAYS BEFORE AN OWNER FILES A LAWSUIT OR OTHER ACTION, THE OWNER MUST SERVE ON THE CONTRACTOR A WRITTEN NOTICE OF ANY CONSTRUCTION CONDITIONS THE OWNER ALLEGES ARE DEFECTIVE. UNDER THE LAW, A CONTRACTOR HAS THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR AND/OR PAY FOR THE DEFECTS. AN OWNER IS NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY A CONTRACTOR. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER THE LAW, AND FAILURE TO FOLLOW THEM MAY NEGATIVELY AFFECT AN OWNER'S ABILITY TO FILE A LAWSUIT OR OTHER ACTION. IN THE EVENT OF ANY CONFLICTS BETWEEN THE PROVISIONS OF SAID CHAPTER 672E AND THE PROVISIONS OF THIS AGREEMENT, THE PROVISIONS OF CHAPTER 672E SHALL CONTROL.

3. Section 30 of the Declaration states as follows:

"30. Waiver of Certain Construction and Design Claims. Each unit owner, lessee, mortgagee, lien holder or other person with an interest in the Condominium, on their own behalf and on behalf of the Association, hereby waives any liabilities, obligations, right, claim or action, of every kind or nature, character or description, known or unknown, suspected, or unsuspected (collectively, a "Claim"), which such person may have or acquire against Declarant and its agents, employees, architects, contractors, licensees, successors and assigns (individually and/or collectively, "Declarant Parties") for:

"a. any loss, injury or damage to person or property, including court costs and attorneys' fees (singularly and/or collectively, "Damages") relating to or resulting from the construction of the Condominium in excess of \$10 million, in the aggregate with all other Claims or Damages of any other unit owner, association or other person; and

"b. any Damages in excess of the greater of the applicable Single Maximum Design Damages or Total Maximum Design Damages, in the aggregate with all other Claims or Damages of any other unit owner, association or other person, relating to or resulting from the work of any architect and/or other design

consultant of the Condominium. As used herein "Single Maximum Design Damages" shall mean Damages equal to the fees of the architect(s) and/or other design consultant(s) whose work is the subject of the Claim, and "Total Maximum Design Damages" shall mean Damages equal to \$1,500,000.

"Furthermore, without limiting in any way, the foregoing provision, each unit owner, lessee, mortgagee, lien holder or other person with an interest in the Condominium: (a) hereby understands, acknowledges and agrees that the Residential Tower and Parking Structure will be constructed primarily of reinforced concrete and masonry on underground concrete piles, and that concrete cracks must be expected because of concrete shrinkage; and (b) hereby waives any liabilities, obligations, right, claim or action, of every kind or nature, character or description, known or unknown, suspected, or unsuspected, which such person may have or acquire against Declarant Parties for any Damages relating to or resulting from such concrete cracks to the extent such concrete cracks do not pose structural concerns. However, this waiver shall not extend to any Damages on account of Declarant Parties' conduct which is determined by a final judgment or other final adjudication by a court having jurisdiction in the matter to have been knowingly fraudulent, deliberately dishonest or a result of willful misconduct."

The Visitor Parking Units can be owned by Declarant, whether or not Declarant owns any residential units in the Condominium, and can be transferred by Declarant to Association as set out in Section 31.e below."
- (d) Paragraph 9.d of the Declaration states in part as follows:
- "(d) Any provision of Section 21 or other provisions of this Declaration to the contrary notwithstanding, so long as Declarant is the owner of all units in the Condominium, Declarant reserves the right, in Declarant's sole and absolute discretion, and without the joinder or consent of any other person holding any right or interest in the Condominium, to amend this Declaration and the Bylaws, including amend and restate this Declaration and/or the Bylaws in their entirety, to change any or all of the parking units to limited common elements appurtenant to the residential units and ratably allocate the common interest appurtenant to such parking units to the residential units, whereupon all references in the Declaration to such parking units shall become references to such limited common element parking stalls."
- (e) Paragraph 10 of the Declaration states in part as follows:
- "d. Except as provided in this Section 10.d, the following thirty (30) parking units (the "Visitor Parking Units") shall be used as visitor parking stalls for the Condominium,

subject to payment by the Association as a whole of the common expenses and other expenses of such parking units, including the expenses related to maintaining, repairing and replacing any electric vehicle charging station in such parking units: Parking unit numbers 102, 103, 104, 105, 106, 107, 108, 109, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130 and 131 on the first level of the Parking Structure, and parking unit number 201 on the second level of the Parking Structure. Any provision of this Section 10.d or other provisions of this Declaration to the contrary notwithstanding, Declarant reserves the right, in Declarant's sole and absolute discretion, not to use any Visitor Parking Unit owned by Declarant as a visitor parking stall, if the Association fails to pay the expenses of such parking units.

- "i. Any provision of this Declaration to the contrary notwithstanding, a residential unit owner may lease the right to use the limited common element parking stall that is appurtenant to such residential unit or any parking unit owned by such owner to occupants of the Condominium on a monthly basis, subject to any Parking Pool or other provisions of the House Rules, the Bylaws of the Association and this Declaration, and on the further condition that such unit owner must notify the Managing Agent of the identity of the lessee together with such lessee's vehicle description, and length of anticipated use and such other information as the Managing Agent shall reasonably request. The owner of such residential unit or parking unit (other than Declarant) may lease such owner's parking stall or parking unit only to occupants of the Condominium.
- "j. Any provision of this Declaration to the contrary notwithstanding, Declarant may lease the right to use any parking stalls that are appurtenant to its residential units or any parking unit owned by Declarant to occupants of the Condominium or to others on a monthly basis, and shall not be subject to any Parking Pool arrangement or to payment of any Garage Administration Fee unless Declarant in its sole and absolute discretion, elects to submit such parking stall or parking unit to rental through a parking rental program instituted by the Managing Agent. Declarant must notify the Managing Agent of the identity of the lessee together with such lessee's vehicle description, and length of anticipated use and such other information as the Managing Agent or the Association shall reasonably request.
- "k. As to any parking units owned by Declarant, Declarant shall have the right from time to time to elect to submit or withdraw such parking units to or from management by the Managing Agent, by giving at least thirty (30) days prior written notice to the Managing Agent of such election and the effective date of such submittal or withdrawal. For each month that the Managing Agent collects rental income from the rental of parking stalls in the Condominium, the Managing Agent shall pay to Declarant a sum (the "Rental Income to Declarant") equal to the lesser of: (i) the total rental income from the rental of any parking stalls in the Condominium for that month, less the Garage Administration Fee payable by Declarant equal to six percent (6%) (or such other percentage approved by Declarant) of the rental income from such rental of the parking units; or (ii) the prevailing monthly rental rate per parking stall multiplied by the number of Declarant's parking units submitted to rental through a parking rental program instituted by the Managing Agent, less the Garage Administration Fee payable by Declarant equal to six percent (6%) (or such other percentage approved by Declarant) of the rental income from such rental of the parking units. In each month that Declarant's parking units are submitted to the Managing Agent's parking rental program, the Declarant shall be entitled to receive the

Rental Income to Declarant before any parking rental income is payable to any other owner in the parking rental program.

- "l. Declarant's parking units that are not submitted to rental management by the Managing Agent will be marked by appropriate signage to indicate that they are Declarant's stalls. The signage for Declarant's parking units that are submitted to rental management by the Managing Agent Declarant's will be removed or covered."
- (f) Paragraph 28 of the Declaration states as follows:

"Use of Parking Stalls. To the extent allowed by law, the use of the parking units and parking stalls which are appurtenant to each of the residential units will be governed by the provisions of the House Rules. The Declarant has established a common parking plan in the House Rules for the benefit of the Association and the individual unit owners. The parking plan may be disbanded by the Association by a vote of seventy-five percent (75%) of the residential unit owners. The residential units used by the resident manager and assistant resident manager of the Condominium shall have the reserved use of the parking stall that is a limited common element appurtenant to such units. The Visitor Parking Units (defined in Section 10.d above) may be used by the visitors of the residential unit owners and occupants, subject to the provisions of the House Rules, and subject to payment by the Association as a whole of the common expenses and other expenses of such units, including the expenses related to maintaining, repairing and replacing any electric vehicle charging station in such parking stalls."

- (g) Paragraph IV.H of the House Rules states as follows:
 - "H. To the extent allowed by law, the use of each parking unit (except the parking units owned by Declarant and the Visitor Parking Units) and each parking stall appurtenant to each residential unit as limited common elements (except for the parking stall appurtenant as a limited common element to Unit 106 and Unit 108 [(the "Resident Manager's Unit")] and except for the parking stalls appurtenant as limited common elements to the residential units owned by Declarant) shall be governed by the rules set forth in this Section IV.H. Such use of the parking units or parking stalls is instituted for the convenience of individual unit owners (except for the Declarant and the owner of the Resident Manager's Unit who are not required to participate in the system established in this paragraph IV.H) and the Association of Unit Owners as a whole. The use of the parking stalls in the Parking Pool (as hereinafter defined) shall be in accordance with the following rules:
 - "1. All parking units (except the parking units owned by Declarant and the Visitor Parking Units) and all parking stalls appurtenant to all residential units (except for the parking stalls appurtenant as a limited common element to each Resident Manager's Unit and except for the parking stalls appurtenant as limited common elements to the residential units owned by Declarant) shall be placed in and used as a part of a parking pool system (the "Parking Pool") which shall be operated by the Association. Each residential unit shall have the right to use at least one parking stall in the

Parking Pool for every parking stall that is a limited common element appurtenant to that unit and each parking unit shall have the right to use one parking stall in the Parking Pool (the "Entitled Amount of Parking Stalls").

- "2. An access card to the Parking Pool stalls shall be issued by the Association to each unit owner who shall be a member of the Parking Pool. The unit owner shall be issued one access card for each Entitled Amount of Parking Stall appurtenant to such owner's unit. Such access card may be programmed to include access through the Residential Tower entry door, service area door and Kawaiahao Street side Parking Structure door. The Board and/or Managing Agent shall adopt procedures governing the issuance and use of such access cards including, without limitation, charges for the issuance or reissuance of such cards.
- "3. Parking in the Parking Pool area shall be on an unassigned basis. Parking Pool participants shall be allowed to park in any parking stall that is part of the Parking Pool, up to the Entitled Amount of Parking Stalls, regardless of the actual ownership of the parking stall.
- "4. The Association, through the Board and the Managing Agent, reserves the right to require that motor vehicles that are parked in the Parking Pool and used infrequently be moved to other stalls in the Parking Pool area.
- "5. Compact motor vehicles and motorcycles may only be parked in stalls designated as compact stalls, except that compact motor vehicles may be parked in regular stalls on the 9th, 10th and 11th levels of the Parking Structure. Larger vehicles may only be parked in regular stalls. The Board, in its sole discretion, shall determine what constitutes a compact motor vehicle. Violation of this section IV.H.5 shall result in a one dollar (\$1.00) per day fine or such other fines and remedies as set out in Section X below.
- "6. All motor vehicle owners in the Parking Pool who will not use or move their motor vehicles for a period of one week or more must have the permission of the Board or the Managing Agent to do so. The Board or the Managing Agent may elect, at its sole discretion, to have the vehicle moved to another stall in the Parking Pool area.
- "7. Subject to these House Rules, the Bylaws of the Association and the Declaration, and the prior written consent of the Board, a unit owner, or such owner's designated agent, may assign such owner's right to use a parking stall in the Parking Pool to another resident of a residential unit in the Condominium, on the condition that the person or persons assigned such right shall abide by these House Rules, and the owner or designated agent as applicable shall assume the responsibility for the user's conduct. A unit owner or such owner's designated agent must notify the Managing

Agent of the identity of the assignee together with such assignee's vehicle description, and length of anticipated use and such other information as the Managing Agent shall reasonably request.

"8. The Parking Pool system shall be designed so that parking stalls will be available for use at all times desired by the residents of the residential units in the Condominium and the owners of units in the Condominium (or renters from such unit owners) to the extent of the residents' or unit owners' Entitled Amount of Parking Stalls. To the extent parking stalls in the Parking Pool on the top floor of the Parking structure are not being used by residents or owners of the units in the Condominium, the Association shall institute a program (the "Resident Night Rental Program") to permit rental of such unused stalls to residents of the Condominium on a monthly basis at market rents (initially, \$40 to \$60 per month), for a fourteen to sixteen hour period during the hours of 5:00 p.m. to 9:00 a.m. All income from the Resident Night Rental Program operations shall accrue to the Association to reduce maintenance fees. In addition, to the extent parking stalls in the Parking Pool are not being used by residents or owners of the units in the Condominium, the Association shall institute a program (the "Parking Rental Program") to permit rental of parking units and parking stalls to third parties on a monthly basis (no daily basis) at market rates (initially, \$90 per month for compact automobiles and \$100 per month for regular sized automobiles) for a twelve (12) hour period during the hours of 5:00 a.m. to 7:00 p.m. on Monday through Friday excluding holidays determined by the Board. All income from the Parking Rental Program shall first be paid to the Declarant up to the amount of the Rental Income to Declarant as provided in the Declaration; and the balance of the income from the Parking Rental Program after payment of the Rental Income to Declarant shall accrue to the Association to reduce maintenance fees. The Managing Agent shall use its best judgment to determine the quantity of parking stalls available for rental and such quantity shall be reviewed by the Board on a monthly basis to confirm that adequate parking is available for use at all times desired by the residents and owners of the units in the Condominium to the extent of their Entitled Amount of Parking Stalls. The Managing Agent is to be paid a monthly garage administrative fee (the "Garage Administrative Fee") equal to six percent (6%) of the rental income from the rental of parking stalls under the Resident Night Rental Program and the Parking Rental Program. Such Garage Administrative Fee shall be included in every monthly rental agreement. The initial forms of the rental agreement for the Resident Night Rental Program and the Parking Rental Program are attached hereto as Exhibit "C" and Exhibit "D", respectively, and are subject to change from time to time as determined by the Managing Agent or the Board. The Board shall also review the rental rates from time to time, but at least annually.

- "9. The Association shall have the right to use ten (10) unreserved stalls in the Parking Pool without charge during the hours of 6:00 a.m. to 6:00 p.m. for Condominium employees working at the Condominium during those hours.
- "10. In the event that the Parking Pool system is discontinued, as provided in the Declaration, each residential unit owner will thereafter take possession of the individual parking stall assigned and conveyed with such owner's residential unit and said stall shall be used as a limited common element appurtenant to the designated residential unit, reserved for its exclusive use in a manner not inconsistent with these House Rules, the Bylaws of the Association, the Declaration, or any other rules established by the Association of Unit Owners from time to time. Each parking unit conveyed to such owner and said stall shall be reserved for its exclusive use in a manner not inconsistent with these House Rules, the Bylaws of the Association, the Declaration, or any other rules established by the Association of Unit Owners from time to time.
- "11. Each commercial unit, if any, shall have the reserved use of the parking stalls that are limited common elements appurtenant to such commercial unit, subject to these House Rules. The Association will issue to the commercial unit owners one access card to the Parking Structure for each parking stall appurtenant to the owner's unit"
- (h) Paragraph IV.I of the House Rules states as follows:
 - "I. The Declarant shall have the reserved and exclusive use of the parking units owned by Declarant and the reserved and exclusive use of all parking stalls that are appurtenant to residential units owned by Declarant, subject to these House Rules. All Declarant's stalls will be marked "Reserved". The Association will issue to the Declarant one access card to the Parking Structure for each parking unit owned by Declarant and each parking stall appurtenant to a residential unit owned by Declarant. Declarant shall have the right to use or rent any or all such stalls to any person or persons for any time periods, and shall not be liable to pay the Garage Administrative Fee unless Declarant, in its sole and absolute discretion, elects to have the Managing Agent rent any of Declarant's parking stalls as part of the Parking Rental Program or a separate parking rental program of Declarant's stalls. Such election will entitle Declarant to all "Rental Income to Declarant" as provided in the Declaration. Without limiting the foregoing, Declarant shall have the right to rent any or all Declarant's parking stalls that Declarant has not submitted to the Parking Rental Program to a car dealer for storage of the dealer's automobiles, or for other parking uses such as parking of boats, equipment on wheels, trailers, etc. Declarant shall give to the Association thirty (30) days prior notice of any election to submit or withdraw any of Declarant's parking stalls to or from the Parking Rental Program. For any month that Declarant elects to submit any of its parking stalls to the Parking Rental

Program, rental income from the Parking Rental Program, less the Garage Administrative Fee, for that month will first be paid to Declarant in an amount equal to the prevailing monthly rate per stall for rental of parking stalls in the Parking Rental Program, multiplied by the number of Declarant's stalls in such Program for that month (prorated for any partial month), and the balance will be payable to other owners in the Parking Rental Program.

Information Regarding Pets

Article V, Section 13 of the Bylaws states as follows:

"13. Pets. No animals of any kind whatsoever shall be allowed or kept in any part of the Condominium by the unit owners and occupants, except: (a) certified guide dogs, signal dogs, other animals upon which disabled owners, tenants or guests depend for assistance; (b) aquarium fish, or (c) one common house pet per unit, limited to a dog, cat, bird, turtle or guinea pig, no larger than 20 pounds at maturity. The pet shall be transported in a container (luggage, bag, cage, hand bag, etc) that prevents the pet from walking or flying, once outside of the unit and in common areas of the project.

"Each owner of a unit with any animal (except aquarium fish) shall immediately register the animal with the Managing Agent and obtain and maintain a liability insurance policy with limits of at least \$100,000. The owner will provide to the Managing Agent annually, a certificate of such insurance. In no event shall the Board, the Association or the Managing Agent be or be deemed to be liable for any loss, damage or injury to persons or property caused by or arising in connection with any owner's, occupant's or guest's pet, guide dog, signal dog or other animal. By acquiring an interest in a unit in the Project, each owner agrees to indemnify, defend and hold harmless the Board, the Association and the Managing Agent against any claim or action at law or in equity arising out of or in any way relating to such owner's, occupant's or guest's pet, guide dog, signal dog or other animal.

"No owner, occupant or guest shall permit his pet to be exercised outside of the owner's unit nor to produce or cause any waste or unsanitary material or condition anywhere on the common elements, and any such waste or unsanitary material or condition shall be immediately removed and disposed of or remedied by such owner, occupant or guest. All animal waste must be securely wrapped and disposed of in a specific refuse container designated by the Managing Agent or the Board. A monthly fee determined by the Board (initially \$1.00) will be separately assessed all owners of animals (other than aquarium fish) for handling of animals' waste bags. House pets shall not be kept, bred or used for any commercial purpose nor allowed in the common elements except when in transit and carried in a cage (enclosed on four sides). House pets shall not be allowed on the unit lanais without supervision.

"Any house pet which, in the sole judgment of the Board, causes a nuisance, unreasonable disturbance or threat to the health or safety of any owner, tenant or guest may be ejected from the Condominium on the demand of the Managing Agent; provided, however, that upon assessment of the severity of the nuisance, disturbance or threat caused by such pet, the Board, in its sole discretion, may give the pet's owner an opportunity to remedy the situation short of ejectment. Any births from animals must be removed within three months so that the number of house pets is reduced to one.

"Certified guide dogs, signal dogs, or other animals upon which disabled owners, tenants or guests depend for assistance shall be permitted to be kept by such owners, tenants and

guests in their respective units and shall be allowed to walk throughout the common elements while on a leash, provided that such animals shall at all times be accompanied by their owners while present upon the common elements. If such a certified guide dog, signal dog or other animal causes a nuisance or unreasonable disturbance or poses a threat to the health or safety of any owner, tenant or guest, the owner thereof will be given an opportunity to rectify the problem by measures which fall short of ejectment of the animal from the Condominium. Ejectment will be required only if the Board reasonably determines that less drastic alternatives have been unsuccessful. If such an animal is ejected, it will nonetheless be allowed to remain at the Condominium for a reasonable period of time while the owner thereof attempts to find a suitable replacement animal, provided that the problem is controlled to a sufficient degree that the continued presence of the animal during that time does not constitute an unreasonable imposition upon, or threat to the safety or health of, other owners, tenants or guests.

"Subject to the foregoing, the Board in its discretion may promulgate rules and regulations for the fining of an owner and/or eviction of any pet which constitutes a nuisance to the Condominium or its owners.
