General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

a. ☒ No variances to zoning code have been granted.

☐ Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>X</u>	<u> </u>	<u> </u>
Structures	<u>X</u>	<u> </u>	<u> </u>
Lot	<u>X</u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

☒ described in Exhibit "E".

☐ as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

☐ There are no limited common elements in this project.

☒ The limited common elements and the apartments which use them, as described in the Declaration, are:

☒ described in Exhibit "F".

☐ as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

☒ described in Exhibit "G".

☐ as follows:

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "H" describes the encumbrances against the title contained in the title report dated June 17, 2015 and issued by First American Title Company, Inc.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

☒] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgages	Buyer's interest will be terminated and Buyer may be entitled to a refund of deposit, less escrow cancellation fees.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

Developer does not make any warranties for the Project, but merely intends to pass on any warranties made to it by the general contractor (or any other contractor, subcontractor or parties) for the Project to correct work found to be defective within the applicable period. Typically, the general contractor will provide a warranty for work found defective within 1 year after the date of substantial completion, which can start prior to the recordation of the deed to Buyer. A 10-year limited warranty regarding construction defects (as defined in the limited warranty) is being provided, subject to limitations set forth in the limited warranty. Buyers are encouraged to review and learn about this limited warranty.

2. Appliances:

Developer will pass on the manufacturer's warranties, if any, on the appliances included as part of the Apartment being conveyed.

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

Construction on the Project commenced around June 2005. Developer estimates, but does not guarantee, that Phase 6 of the Project will be completed by June 30, 2016, and that the Project, in its entirety, will be completed by October 31, 2024. Developer estimated this completion date using reasonable methods and current information. However, as is typical in construction projects, there are a number of circumstances which may require the extension of these estimated completion dates, including but not limited to fire, earthquake, other acts of God, war or civil disturbances, litigation or threats of litigation, strikes or labor trouble, the unavailability or delay in obtaining necessary labor or materials, and other circumstances.

The Project will have access from North Kaniku Drive.

H. **Project Phases:**

The developer [] has [X] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

☒ not affiliated with the Developer ☐ the Developer or Developer's affiliate
☐ self-managed by the Association of Apartment Owners ☐ Other: _____

- B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit "I" contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

- C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

☐ None ☒ Electricity (☒ Common Elements only ___ Common Elements & Apartments)
☐ Gas (___ Common Elements only ___ Common Elements & Apartments)
☒ Water ☒ Sewer ☒ Television Cable
☒ Other refuse _____

C. **Additional Information Not Covered Above**

1. Mauna Lani Resort Association

Through the homeowners association, Purchasers are responsible for their share of assessments by the Mauna Lani Resort Association. The estimated assessments, levied monthly (and included in the estimated maintenance fees in Exhibit "I") are approximately \$112 per Apartment, subject to adjustment as set forth in Exhibit "I".

2. Recreation Complex Association

Purchasers are responsible for their share of assessments by the Recreation Complex Association. The estimated monthly expense is \$75.51 per Apartment, subject to adjustment as set forth in Exhibit "I".

3. Pets

Per the Bylaws and House Rules, certain pets are allowed to be kept in an Apartment and may be on the Project. However, pets may be prohibited in certain areas governed by the Mauna Lani Resort Association outside of the Project, which may change from time to time. Owners who have pets and have questions as to the location of these prohibited areas should contact the Mauna Lani Resort Association at 68-1310 Mauna Lani Drive, Suite 101, Kohala Coast, Hawaii 96743-9704, telephone (808) 885-6677 and review the Association's documents concerning the subject.

4. Separate Final Public Reports

As indicated on page 2a hereof, this Final Public Report only covers 4 of the 126 apartments that comprise the Project. In other words, as part of its sales methodology, the Developer has opted to obtain one or more separate Final Public Reports for the Project's apartments. Each group of apartments subject to a separate Final Public Report shall be referred to in this paragraph as a "Phase". The following public reports have been issued:

- a. Phase 1 - Final Public Report (Reg. No. 5589 dated 6/30/06) was issued on 48 apartments;
- b. Phase 2 - Final Public Report (Reg. No. 6052 dated 4/23/07) was issued on 14 apartments;
- c. Phase 3 - Final Public Report (Reg. No. 7283 dated May 22, 2013) was issued on 10 apartments;
- d. Phase 4 - Final Public Report (Reg. No. 7410 dated April 4, 2014) was issued on 6 apartments;
- e. Phase 5 - Final Public Report (Reg. No. 7474 dated July 23, 2014) was issued on 6 apartments;
- f. Phase 7 - Final Public Report (Reg. 7549 dated May 6, 2015) was issued on 6 apartments; and
- g. Phase 8 - Contingent Final Public Report (Reg. 7581 dated November 25, 2014) was issued on 6 apartments.

Purchasers shall therefore be aware that not all 126 apartments in the Project will be closing at or about the same time, but rather in phases over a period of time. Further, the Developer shall obtain one or more separate Final Public Reports for all of the apartments in the Project.

The Developer hereby discloses that although separate Final Public Reports will be issued for each Phase of the Project, all 126 apartments shall comprise a single condominium project. In other words, the art of separating the various apartments into different Phases does not create separate and distinct condominium projects. Accordingly, the common elements described in Exhibit "E" of this Final Public Report shall serve all of the 126 apartments. Purchasers should be aware, therefore, that a blanket lien which arises against the common elements will affect all of the apartments of the Project, notwithstanding the fact that separate Final Public Reports have been obtained for each Phase.

5. Maintenance and Start Up Fees

Exhibit "I" states the Estimated Maintenance Fee for all 126 apartments, including the 4 designated herein.

6. HRS 514B

This Project was created under Hawaii Revised Statutes Chapter 514A ("HRS 514A"). Subsequently, a "new" condominium law was enacted, codified as Hawaii Revised Statutes Chapter 514B ("HRS 514B") and went into effect on July 1, 2006. 514A continues to be applicable to this Project, subject to certain sections being superceded by HRS 514B. Purchasers should retain counsel to answer any questions they may have with regard to the affect HRS 514B has on this Project.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

The following language appears in the Declaration recorded by the Developer. Capitalized terms have the same meaning ascribed to such terms in said Declaration.

1. **General Provisions.** Except as otherwise expressly provided in the Declaration, the Bylaws, the Resort Documents, Recreation Complex Documents, or the Act, restoration or replacement of the Project or any portion thereof or construction of any additional improvement or structural alteration or addition to any improvement, different in any material respect from the Condominium Map of the Project, shall be undertaken by the Association or any Apartment Owner only pursuant to an amendment of the Declaration in accordance with Article XIII of the Declaration, duly executed pursuant to the provisions thereof, accompanied by the written consent of the holders of all mortgage liens affecting any of the Apartments involved, and in accordance with complete plans and specifications therefor first approved in writing by the Association. Promptly upon completion of such restoration, replacement or construction the Association or Owner, as the case shall be, shall duly file such amendment, together with a complete set of floor plans of the Project as so altered, certified as built by a registered architect or professional engineer.
2. **Additions or Alterations Solely Within An Apartment.** Notwithstanding anything to the contrary contained herein, each Owner of an Apartment shall have the right at any time and from time to time at such Owner's sole cost and expense, and without the necessity of the consent or joinder of any other Apartment Owner or the Association, to make any of the following alterations solely within the Apartment: to paint, paper, panel, plaster, tile, carpet, re-carpet, finish, and do or cause to be done such other work on the interior surfaces of the ceilings, floors and walls within any such Apartment and to finish, alter or substitute any plumbing, electrical or other fixtures attached to the ceilings, floors and walls as may be appropriate for the utilization of such Apartment by such Owner or the tenants or lessees thereof, provided, however, that nothing contained in this paragraph shall authorize any work or alteration which would jeopardize the soundness or safety of the Apartment or any other part of the Project, reduce the value thereof, adversely affect any other Apartment, affect or impair any easement or rights of any of the other Apartment Owners, or interfere with or deprive any Owner of the use or enjoyment of any part of the Common Elements or directly affect any Owner or alter the external appearance of the Project.
3. **Apartment Owners to Execute Amendment Documents Certain Cases.** In the event that any change or alteration of an Apartment pursuant to and in compliance with Article XII of the Declaration shall alter the depiction of the particular Apartment on the Condominium Map or the description thereof in the Declaration, then the Owner of such Apartment shall amend the Declaration and/or the Condominium Map to set forth such approved change or alteration, which amendment(s) may be executed by the Owner of the affected Apartment or Apartments and by no other party, and such shall become effective upon recording of the same at the Bureau. The provisions of Article XIII notwithstanding, such amendment shall not require the consent or joinder of the Owner of any other Apartment or any other person or entity, other than any mortgagee of such Apartment or Apartments which are changed or altered. Every Apartment Owner and all holders of liens affecting any of the Apartments of the Project and each and every other party acquiring an interest in the Project or any part thereof, by acquiring such Apartment, lien or other interest, consents to and agrees that he shall, if required by law or by any such Owner who shall have changed or altered an Apartment as aforesaid, join in, consent to, execute and deliver all instruments and documents necessary or desirable to affect the amendment of the Declaration and/or the Condominium Map; and appoints such Owner and his assigns his attorney-in-fact with full power of substitution to execute, deliver and record such documents and to do such things on his behalf, which grant of such power, being coupled with an interest, is irrevocable for the term of said reserved rights and shall not be affected by the disability of any such party.

Estimate of Initial Maintenance Fees AND Estimate of Maintenance Fee Disbursements

Estimate of Initial Maintenance Fees for Each Apartment Type (not aggregate):*

<u>Apartment</u>	<u>Monthly Fee x 12 months = Yearly Total</u>	
Type A1 & A1 (reverse)	\$ 894.46	\$10,733.55
Type A2 & A2 (reverse)**	\$ 968.20	\$11,618.38
Type B1 & B1 (reverse)	\$ 637.32	\$ 7,647.82
Type B2 & B2 (reverse)	\$ 916.00	\$10,992.04
Type B3 & B3 (reverse)	\$ 780.96	\$ 9,371.50

Maintenance fees are intended to cover the Common Expenses of the Project (i.e., the expenses attributable to the maintenance and operation of the "general" Common Elements of the Project). Maintenance fees shall be charged to each Apartment Owner based upon said Owner's Common Interest.***

* The estimates of the initial maintenance fees **DOES NOT** include each owner's share of the Mauna Lani Resort Fees and the Recreation Complex Assessment (see below).

** Due to Apartment 102's slightly larger common interest (as described in Exhibit "G"), Apartment 102's estimated maintenance fee is \$973.58 per month (or \$11,683.00 annually).

*** Each Apartment owner shall be obligated for the payment of his or her respective share of the common expenses from and as of the date upon which the Apartment is conveyed to said owner.

Recreation Complex Fees/ Mauna Lani Resort Fees

Kulalani at Mauna Lani has 126 Apartments. Developer understands that the condominium project at Tax Map Key No. (3) 6-8-22-41 may have, in the aggregate, approximately 137 Apartments. The two projects will be sharing the Recreation Complex and entrance to the Project. Each Association shall bear 50% of the expenses for the Recreation Complex. As set forth in this Exhibit "I", the current Recreation Complex Association fee is \$75.51 per Apartment per month.

As set forth in this Exhibit "I", the current assessment for the Mauna Lani Resort Association fee is \$112 per Apartment per month.

The amounts set forth in this Exhibit "I" are estimates only. Such estimates are not intended to be and do not constitute any representation or warranty by the Developer, including but not limited to any representation or warranty as to the accuracy of the estimates. The estimated initial maintenance fees for each Apartment by Apartment type includes an estimated assessment for capital reserves (see below). Reasonable efforts to consider current information were used to determine these estimates. However, as is typical, these estimates may change for any number of reasons, including but not limited to changes in the economy, amounts charged by service providers or Acts of God.

Reserve Assessment:

Pursuant to §514A-148(b), new associations need not collect estimated reserves until the fiscal year which begins after the association's first annual meeting. The Developer has not completed an independent, third party reserve study as contemplated by §514A-83.6, HRS, and the replacement reserve rules, subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended (collectively, the "Reserves Law"), at this time for either the Project or the Recreation Complex. The budget amount for Reserves is an estimate only.

For both the Project and the Recreation Complex, "Start-up fees" in an amount equal to two (2) months of the estimated maintenance fees will be collected from each purchaser at closing to fund the maintenance fees and one (1) month of maintenance fees will be collected from each purchaser at closing to start funding the reserves. This one-time reserves payment is to be made by each purchaser and will be supplemented by an assessment to be determined by the Association in accordance with the Reserves Law.

The Real Estate Commission has not reviewed the estimates of maintenance fee assessments and disbursements for their accuracy or sufficiency

- * Mandatory reserves assessment and collection in effect beginning 1994 budget year. The Developer is to attach to this exhibit an explanation whether in arriving at the figure for "Reserves", the Developer conducted a reserve study in accordance with 514A-83.6, HRS, and the replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended.

Pursuant to 514A-83.6, HRS, a new association created after January 1, 1993, need not collect estimated replacement reserves until the fiscal year which begins after the association's first annual meeting.

CERTIFICATE

I, the undersigned, duly sworn on oath, depose and affirm as follows:

The estimates contained therein, including the maintenance fee assessments and disbursements, are based upon and in reliance on the assumptions, expense and income data provided by the Developer along with information gathered by the Managing Agent from projects of comparable size and character. The estimated figures do not account for inflation, market adjustments, future utility rate changes, future insurance premium rate changes or other unanticipated events, including but not limited to, acts of government, acts of God, terrorism or war. In addition, the projected budget is based upon and in reliance on discussions with the Developer.

3. I hereby certify that the breakdown of the annual maintenance charges and the monthly estimated cost for each unit in the Projects, as attached hereto and hereby incorporated herein by reference, were determined in accordance with Section 514B-148 of the Hawaii Revised Statutes and Chapter 107 of the Hawaii Administrative Rules, and that the Managing Agent made a good faith effort to calculate such estimates for the one-year period commencing February 2015, based on generally accepted accounting principles.

4. As permitted pursuant to Section 514B-148(b), new associations need not collect estimated reserves until the fiscal year which begins after the association's first annual meeting. The Developer has not conducted a reserve study for the Project. The budget amount for Reserves is an estimate only.

5. The Budget has been prepared on a cash basis.

6. The estimated maintenance fees for Kulalani do not include the following mandatory charges which are levied in addition to the monthly maintenance fee:

- a. Unit electrical charges
- b. Recreation Complex fees, currently at \$75.51 per unit per month.
- c. Mauna Lani Resort Fees, currently at \$112.00 per unit per month.

Summary of Purchase Agreement

The specimen Purchase Agreement for Kulalani at Mauna Lani ("Agreement") contains, among other things, the following terms and conditions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. The Seller (Developer) has engaged First American Title Company, Inc. ("Escrow") to handle Purchaser's funds and to close the transaction in accordance with the terms of the Agreement. All payments to be made under the Agreement shall be paid by Purchaser to Escrow pursuant to the Escrow Agreement.

B. The Purchaser specifically acknowledges and agrees that the Declaration contains reservations of certain rights in favor of Seller, the Association and other owners, and contains certain other provisions to which the Purchaser consents.

C. The "Closing Date" shall be that date (following the completion of the structure in which the Apartment is located) upon which the Seller certifies to the Purchaser in writing that the Apartment is ready for occupancy. On the Closing Date, Seller and Purchaser shall be required to perform their respective obligations to purchase and sell the Apartment under the Agreement; provided, however, that the Seller may extend the Closing Date in the event that Purchaser's Apartment is not ready for occupancy to Purchaser due to any delay caused by the factors set forth in Section C.19. below. Except as set forth in the preceding sentence, the Closing Date may be extended only by the mutual agreement of the parties. All payments shall be due and payable in full on the Closing Date, and, if not paid on said date due to Purchaser's failure to act in a diligent manner in order for said payment to be made on said date, then such nonpayment shall result in a default under the Agreement. In the event of failure of Purchaser to actually close on the Closing Date scheduled by Seller, and in the event Seller waives its right to claim a default as provided in Section C.8 and in Section C.1.d, Purchaser agrees to pay, in addition to all other amounts due, a late charge of one and one-half percent (1-1/2%) per month (based on the amount of the total Purchase Price) for each month or portion thereof on a 30-day month prorated basis, until the date on which the actual closing date occurs. Seller's failure to exercise any right or remedy under the Agreement shall not constitute a waiver of any of such defaults or of any of such rights, including without limitation, the right to cancel the Agreement, and will not constitute a modification of the Agreement. Escrow shall not record Purchaser's Apartment Deed until Escrow has received a certificate from a title company authorized to do business in Hawaii and approved by Seller, stating that, upon filing of such Apartment Deed, the Apartment and appurtenant common interest thereby conveyed are free and clear of all liens, encumbrances and assessments whatsoever other than those permitted by law and the Agreement. Real property taxes, maintenance costs, and other prorations shall be made, and risk of loss shall transfer from Seller to Purchaser on the Closing Date. Purchaser expressly acknowledges that on the Closing Date, the construction of the other Apartments and portions of the common elements of the Project may not be fully completed and that such circumstances shall not in any way affect Purchaser's obligations to make the required payments and close the sale.

D. The Purchase Price does not include closing costs which include, among other things, the escrow fee, cost of a preliminary title report, cost of preparation of the Apartment Deed, cost of preparing an amendment to the Declaration in the event that Purchaser wishes to buy an additional parking stall, real property tax and other prorations, all acknowledgment fees, conveyance taxes, title insurance, if requested by Purchaser, cost of any lender's title insurance, appraisal fees, costs for drafting of any notes and mortgages, all recording costs or fees, loan fees, credit report costs and all other applicable mortgage costs, all of which the Purchaser shall be responsible to pay at Closing. Purchaser shall also pay a start-up fee equal to two (2) months of estimated maintenance fees in advance and an additional fee equal to one (1) month estimated maintenance fees for the reserves assessment at Closing.

E. Purchaser agrees that it will not assign the Agreement to anyone. Seller may, without any consent of Purchaser, freely assign Seller's interests therein.

F. Purchaser shall not be entitled to possession of the Apartment as the owner thereof until Purchaser has completed all required payments and has executed all documents relating to the purchase, and Purchaser has performed the remaining terms and conditions of the Agreement which are to be performed as of the Closing.

G. Notices to either party may be delivered personally or mailed.

H. The Purchaser acknowledges that Purchaser has entered into the Agreement without any reference or representation by Seller or any salesperson that the Seller, or any managing agent of the Project or anyone else affiliated with the Seller will provide, directly or indirectly, any services relating to the rental or sale or management of the Apartment purchased.

I. The laws of the State of Hawaii shall govern all matters with respect to the Agreement.

J. Purchaser has examined and approved the estimate of monthly maintenance charges for the Property as shown in the Public Report. Purchaser is aware that such amounts are only estimates and may change for reasons beyond the control of Seller, and Purchaser hereby specifically accepts and approves any such changes.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE PURCHASE AGREEMENT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF PURCHASER'S RIGHTS AND OBLIGATIONS UNDER THE PURCHASE AGREEMENT, PURCHASER MUST REFER TO THE PURCHASE AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE AGREEMENT, THE PURCHASE AGREEMENT WILL CONTROL.

A. When Seller (Developer) enters into a purchase agreement for the sale of an apartment or other interest in the Project ("Purchase Agreement"), Seller shall deliver an executed copy of the Purchase Agreement to Escrow together with the address of the Purchaser and pay over to Escrow all monies (including checks) received by Seller from or on behalf of the Purchaser, including those received relating to up-grades to the apartment and all payments made on loan commitments from lending institutions on account of any apartments in said Project, other than funds received from interim financing.

B. Escrow shall receive, deposit and hold in an escrow account and disburse as set forth in the Agreement: (a) all payments received by it under Purchase Agreements, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project, including sums received by Seller for up-grades to the apartment.

All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow, in an interest bearing account with a federally insured financial institution authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement. All income therefrom shall be credited to the account of Seller and interest shall accrue as specified in the Purchase Agreement.

C. Escrow shall make no disbursements of Purchaser's funds or proceeds from the sale of apartments in the Project (including any payments made on loan commitments from lending institutions), except by way of refunds thereof as provided in the Agreement, until Escrow has been instructed by Seller.

D. Each Purchaser shall be entitled to a return of his or her funds, together with any interest which may have accrued to the credit of Purchaser, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser if one of the following has occurred:

(1) Seller and Purchaser have requested Escrow in writing to return to Purchaser the funds of Purchaser held by Escrow;

(2) Seller or Purchaser shall have notified Escrow of Seller's or Purchaser's exercise of an option to cancel or rescind the contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Seller or Purchaser;

(3) Purchaser shall have notified Escrow of Purchaser's exercise of Purchaser's right to cancel the Purchase Agreement pursuant to HRS Section 514A-62; or

(4) Purchaser shall have notified Escrow of Purchaser's exercise of Purchaser's right to rescind the Purchase Agreement pursuant to HRS Section 514A-63.

Upon the cancellation of the Purchase Agreement as specified above, Escrow may be entitled to a cancellation fee. Notwithstanding anything in the Agreement or the Purchase Agreement to the contrary, said compensation to Escrow shall be the sole expense of the individual purchaser and shall not in any way be the obligation of the Seller.

E. If the Purchaser fails to make any payment to Escrow on or before the due date thereof, Escrow shall promptly give notice to Seller of such default. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Purchase Agreement in accordance with the terms of the Purchase Agreement, and (2) provides to Escrow copies of any termination notices sent to Purchaser, then Escrow shall thereafter treat all funds of the Purchaser paid under such Purchase Agreement, or any portion thereof as may be allowed by said Purchase Agreement, less Escrow's cancellation fee, as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the Agreement and shall be held by Escrow for the account of Seller. Escrow shall pay such funds to Seller, less any escrow cancellation fee.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE ESCROW AGREEMENT, PURCHASER MUST REFER TO THE ESCROW AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL.
